Item 5. Other Events.

On January 20, 2004, the City of Palo Alto, the City and County of San Francisco (CCSF), and Aglet Consumer Alliance (Aglet) filed separate applications with the California Public Utilities Commission (CPUC) requesting that the CPUC rehear and reconsider its decision, issued on December 19, 2003, approving the modified settlement agreement dated as of December 19, 2003 (Settlement Agreement) among Pacific Gas and Electric Company (Utility),

PG&E Corporation, and the CPUC regarding resolution of the Utility's Chapter 11 case pending at the U.S. Bankruptcy Court for the Northern District of California (Bankruptcy Court). CCSF, Aglet, and the CPUC's Office of Ratepayer Advocates, or ORA (an independent office within the CPUC) also filed a joint application for rehearing.

Although the CPUC is not required to act on the applications within a specific time period, if the CPUC has not acted on the applications within 60 days the applications may be deemed denied for purposes of seeking judicial review.

The only appeals of the Bankruptcy Court's December 22, 2003 order confirming the Utility's plan of reorganization, have been filed by the City of Palo Alto and CPUC Commissioners Lynch and Wood. The appellants filed their appeals in the U.S. District Court for the Northern District of California (District Court). The District Court will set a schedule for briefing and argument of the appeals at a later date.
