- o elect to dissolve Family L.P. or TPV; or

- o amend any provision of the Amended and Restated Agreement of Limited Partnership of Family L.P. or the Limited Partnership Agreement of TPV.

In addition, the Amended and Restated Stockholders Agreement restricts Family Corp from taking the following actions without the prior written consent of J.W. Marriott, Jr.:

- o pledge more than 15% of the stock of Marriott owned by TPV, whether in one transaction or a series of transactions; or

- o sell, transfer or exchange more than 15% of the stock of Marriott owned by TPV.

The foregoing summary is qualified in its entirety by reference to the Amended and Restated Stockholders Agreement filed as Exhibit 7.02 to the Initial Schedule 13D and is hereby incorporated herein by this reference.

J.W. Marriott, Jr., Stephen G. Marriott and Richard E. Marriott (the brother of J.W. Marriott, Jr.) serve as co-trustees of the J. Willard and Alice S. Marriott Foundation (the "Foundation") and may be deemed to have beneficial ownership over the shares held by the Foundation. Each has no pecuniary interest in the shares held by the Foundation. In order to ensure compliance with certain federal tax requirements limiting the number of shares of voting stock that can be owned by a private foundation, the Foundation entered into a Rule 10b5-1 Stock Trading Plan (the "Stock Trading Plan") as of March 16, 2009 with Credit Suisse Securities (USA) LLC, a registered broker-dealer, for the purpose of establishing a trading plan to effect sales of shares of the Class A Common Stock in compliance with all applicable laws including, without limitation, Section 10(b) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder including, without limitation, Rule 10b5-1.

Under the Stock Trading Plan, the Foundation will sell up to an aggregate of 9,300,000 shares of Class A Common Stock potentially beginning on May 1, 2009 through October 31, 2015. The Stock Trading Plan provides for a minimum price each selling period, generally calendar quarters, that gradually increases each subsequent selling period. Any shares not sold during a selling period are rolled forward and available for sale in the subsequent period at the new price threshold. All sales under the Stock Trading Plan will be made in accordance with Rule 144 promulgated under the Securities Act of 1933, as amended, including the manner of sale and volume limitations of Rule 144. A copy of the Stock Trading Plan is attached as Exhibit 7.03 hereto and incorporated herein by reference.

Other than the above-described transactions, none of the Individual Reporting Persons, and to the best knowledge of the persons filing this Amendment, any of the executive officers or directors of Family Corp and Family L.P. have any plans or proposals that relate to or would result in any of the events set forth in Items 4(a) through (j). However, the Individual Reporting Persons who are employed by Marriott, in their capacity as employees of Marriott, from time to time, may become aware of, initiate and/or be involved in

Edgar Filing: MARRIOTT INTERNATIONAL INC /MD/ - Form SC 13D/A

discussions which relate to the transactions described in Items 4(a) through (j) and thus retain their right to modify their plans with respect to the transactions described in such Items to acquire or dispose of securities of Marriott and to formulate plans and proposals which could result in the occurrence of any such events, subject to applicable laws and regulations.

Item 5. Interest in Securities of the Issuer

Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows:

(a) See Items 11 and 13 of the cover pages to this Amendment, which Items are incorporated herein by reference, for the aggregate number of shares and percentage of Class A Common Stock owned by each of the Reporting Persons.

(b) See Items 7, 8, 9 and 10 of the cover pages to this Amendment, which Items are incorporated herein by reference, for the aggregate number of shares of Class A Common Stock beneficially owned by each of the Reporting Persons as to which there is sole or shared power to vote or direct the vote and sole or shared power to dispose or to direct the disposition of such shares of Class A Common Stock.

The percentage of the Class A Common Stock set forth for each Reporting Person in this Item 5 was calculated based upon (i) 349,860,166 shares of Class A Common Stock outstanding as of January 31, 2009, as stated on the facing page of the Form 10-K, and (ii) the number of shares of Class A Common Stock issuable upon the exercise of options to purchase Class A Common Stock held by such Reporting Person(s) that are currently exercisable or exercisable within 60 days after March 31, 2009, if any.

Except as otherwise provided in this Item 5, each of the Reporting Persons has the sole power to vote or to direct the vote, and the sole power to dispose or to direct the disposition of, the shares of Class A Common Stock deemed to be beneficially owned by such Reporting Person.

(c) The following Reporting Persons have effected transactions in the Class A Common Stock during the past 60 days:

STOCK TRADING PLAN

This Stock Trading Plan (the "Plan") is being adopted by The J. Willard and Alice S. Marriott Foundation (the "Client"), for which J.W. Marriott, Jr., Richard E. Marriott and Stephen G. Marriott serve as co-trustees, as of March 16, 2009, to facilitate the sale of 9,300,000 shares of the common stock (the "Shares") of Marriott International, Inc. (the "Issuer") pursuant to the requirements of Rule 10b5-1 under the Securities Exchange Act of 1934, as amended ("Exchange Act").

To dispel any inference that the Client is trading in the Shares on the basis of, while using, when in possession of, or when aware of material nonpublic information; or that the trades in the Shares evidence Client's knowledge of material nonpublic information, or information at variance with Issuer's statements to investors; Client has determined to instruct Credit Suisse Securities (USA) LLC (including any successors or assigns, "CSSU"), to sell a pre-determined amount of Shares pursuant to the instructions set forth in Exhibit A.

Representations, Warranties and Covenants Regarding Compliance with Rule 10b5-1

1. As of the date of this Plan, the Client is not aware of any material nonpublic information regarding Issuer and is not subject to any legal, regulatory or contractual restriction or undertaking that would prevent CSSU from acting upon the instructions set forth in this Plan;

2. The Client is entering into this Plan in good faith and not as part of any scheme to evade the prohibitions of Rule 10b5-1 adopted under the Exchange Act;

3. The Client has not entered into, and will not enter into, any corresponding or hedging transaction or position with respect to the Shares;

4. The Client acknowledges that CSSU may make a market in the Shares and will continue to engage in market-making activities while executing transactions on behalf of the Client pursuant to the Plan; and

5. The Client may not discuss with CSSU the timing of the sale of Shares on its behalf under the Plan (other than to confirm these instructions and describe them if necessary).

6. The Client agrees to inform CSSU as soon as possible of any of the following:

i) any subsequent restrictions imposed on Client due to changes in the securities (or other) laws or of any contractual restrictions imposed on the Issuer that would prevent CSSU or the Client from complying with the Plan; and

ii) the occurrence of any event as set forth in the Plan that would cause the Plan to be suspended or terminated under Section 11 or Section 16 of the Plan, respectively.

Edgar Filing: MARRIOTT INTERNATIONAL INC /MD/ - Form SC 13D/A

Representations, Warranties and Covenants Regarding Compliance with Rule 144

7. Client understands and agrees all sales of Shares under the Plan will be made in accordance with the applicable provisions of Rule 144 under the Securities Act of 1933, as amended ("Securities Act"), as such Rule is in effect on the date hereof and as may be amended from time to time ("Rule 144").

i) Client requests and authorizes CSSU to complete and file on its behalf any Forms 144 (pre-signed by it) necessary to effect sales under the Plan.

ii) If appropriate, Client understands and agrees that, upon its prompt execution and delivery to CSSU of Form 144, CSSU will either: (a) make one Form 144 filing at the beginning of each three-month period commencing with the date of the first sale made in connection with the Plan, (b) file a Form 144 for each sale made in connection with the Plan, or (c) file at its discretion in compliance with the Rule 144.

iii) Each Form 144 shall state the following: "This proposed sale is made pursuant to a plan intended to comply with Rule 10b5-1(c), previously entered into on March 16, 2009, at which time The J. Willard and Alice S. Marriott Foundation, for which J. W. Marriott, Jr., Richard E. Marriott and Stephen G. Marriott serve as co-trustees, was not aware of material nonpublic information."

iv) CSSU will conduct sales pursuant to Rule 144 or Rule 145 if appropriate, including applying Rule 144 volume limitations as if the sales under the Plan were the only sales subject to the volume limitations, as adjusted for gifts contemplated by Section 7(v) hereof.

v) Client agrees not to take any action or to act in concert with any other person or entity to take any action that would require them to aggregate sales of Shares subject to the Plan with any other sales of shares as may be required by Rule 144, other than gifts of shares of Issuer common stock held by or through CSSU, provided that Client shall notify CSSU, in accordance with Section 21 hereof, of the number or aggregate dollar value of shares of Issuer common stock proposed to be gifted and the proposed date of the gift at least five business days in advance of such gift and, if CSSU advises Client within two business days of the date of Client's notice that the number of Shares sold under the Plan in the three-month period prior to the proposed date of the gift when combined with the number of Issuer shares proposed to be gifted would exceed the volume limitations of rule 144(e), then Client shall limit the gift so as not to exceed the volume limits of Rule 144(e); and Client agrees not to take any action that would cause the sales of Shares under the Plan not to comply with Rule 144.

8. CSSU represents and warrants to Client:

i) The aggregate Shares sold in any three-month period shall not exceed the maximum allowable amount under the volume limitations contained in Rule 144(e);

ii) The Shares will be sold in accordance with the manner of sale provisions of Rule 144(f); and

iii) Assuming Client complies with Section 7(i) hereof, CSSU

Edgar Filing: MARRIOTT INTERNATIONAL INC /MD/ - Form SC 13D/A

shall file Forms 144 on behalf of Client in accordance with Rule 144(h).

Stock Splits / Reincorporations/ Reorganizations

9. In the event of a stock split or reverse stock split, the quantity and price at which the Shares are to be sold will be adjusted proportionately.

10. In the event of a reincorporation or other corporate reorganization resulting in an internal Issuer share-for-share exchange of new shares for the Shares subject to the Plan, then the new shares will automatically replace the shares originally specified in the Plan.

Suspension

11. Sales of Shares pursuant to the Plan shall be suspended where:

i) trading of the Shares on the principal exchange or market on which the Shares trade is suspended for any reason;

ii) CSSU, in its sole discretion, determines that there is a legal, regulatory or contractual reason why it cannot effect a sale of Shares; or

iii) CSSU is notified in writing by the Client or the Issuer that a sale of Shares should not be effected due to legal, regulatory or contractual restrictions applicable to the Issuer or to the Client (including without limitation, Regulation M).

12. CSSU will resume sales in accordance with the Plan as promptly as practicable after (a) CSSU receives notice in writing from the Client or the Issuer, as the case may be, that it may resume sales in accordance with the instructions set forth in Exhibit A in the case of the occurrence of an event described in Sections 11(iii) or (b) CSSU determines, in its sole discretion, that it may resume sales in accordance with the instructions set forth in Exhibit A in the case of the occurrence of an event described in Sections 11(i) or 11(ii).

13. Shares allocated under the Plan for sale during a period that has elapsed due to a suspension under Section 11 will be carried forward with the next amount of shares to be sold in accordance with the instructions set forth in Exhibit A, subject to the volume restrictions set forth in Section 8(i) hereof.

14. In the event the instructions set forth in Exhibit A provides for an amount of Shares to be sold during a given period pursuant to a limit order, Shares that would otherwise be permitted to be sold during that period but are not sold due to a suspension under Section 11, shall, upon lapse of the suspension, nonetheless be carried forward to be sold with the next amount of Shares to be sold in accordance with the instructions set forth in Exhibit A, subject to the volume restrictions set forth in Section 8(i) hereof.

15. CSSU is released from all liability in connection with any suspension of sales made in accordance with Section 11.

Termination

Edgar Filing: MARRIOTT INTERNATIONAL INC /MD/ - Form SC 13D/A

16. The Plan shall terminate on the earliest to occur of the following:

- i) the termination date specified in Exhibit A; or
- ii) the completion of all sales in Exhibit A;
- iii) CSSU's reasonable determination that: (a) the Plan does not comply with Rule 10b5-1 or other applicable securities laws; (b) Client has not complied with the Plan, Rule 10b5-1 or other applicable securities laws; or (c) Client has made misstatements in its representations or warranties in Sections 1-6 above that are false or materially inaccurate;
- iv) receipt by CSSU of written notice from the Issuer or Client of: (a) the filing of a bankruptcy petition by the Issuer; (b) a merger, recapitalization, acquisition, tender or exchange offer, or other business combination or reorganization resulting in the exchange or conversion of the Shares of the Issuer into shares of a company other than the Issuer; or (c) the conversion of the Shares into rights to receive fixed amounts of cash or into debt securities and/or preferred stock (whether in whole or in part); or
- v) receipt by CSSU of written notice of termination of the Plan from Client.

Written notice pursuant to Section 16(v) above may only be given by Client during an open trading period under the Issuer's trading policy in effect at the time.

Execution, Average Pricing and Pro Rata Allocation of Sales

17. Client agrees and acknowledges that:

- i) If its order to sell Shares pursuant to the Plan, whether market or limit, is handled by a CSSU trading desk, my order shall be handled as "not held". A "not held" or "working order" permits a CSSU trader to use reasonable brokerage judgment, exercising price and time discretion, as to when to execute the order.
- ii) CSSU may execute Client's orders, subject to the manner of sale requirements of Rule 144(f): (a) in a single transaction or multiple transactions during the course of the trading day, or (b) it may aggregate my order with other orders for other sellers of the Issuer's securities that may or may not have been accepted pursuant to a Rule 10b5-1 sales plan, execute them as block or in multiple smaller transactions, and allocate an average price to each seller.

Indemnification

18. Client agrees to indemnify and hold harmless CSSU and its directors, officers, employees and affiliates from and against all claims, losses, damages and liabilities (collectively "Claims"), including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such Claim, arising out of or attributable to CSSU's actions taken in compliance with the Plan, other than Claims and related expenses involving gross negligence or willful misconduct by CSSU or its directors, officers, employees or affiliates, or because of any breach by Client of the Plan or any violation by Client of applicable federal or state laws or regulations in connection with the Plan. This indemnification shall survive the

Edgar Filing: MARRIOTT INTERNATIONAL INC /MD/ - Form SC 13D/A

termination of the Plan.

19. CSSU agrees to indemnify and hold harmless Client and its trustees and affiliates from and against all Claims, including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such Claim, arising out of or attributable to any breach by CSSU of the Plan or CSSU's gross negligence or willful misconduct in connection with the Plan.

Client understands and agrees it will not have the ability to exercise any influence with regard to how, when or whether Shares are sold. The manner of sale is at the discretion of CSSU in an effort to provide higher net price execution for the Client, subject to the manner of sale requirements of Rule 144(f), based on the amount of Shares for sale and market conditions. All transaction dates, limit prices, and amounts are based on the chart above and the following manner of sale methods will generally apply:

1. Sell Shares at or above the applicable net limit price during each Period, at a commission of \$0.04 per Share; and/or

2. Sell Shares through a "Principal Net Bid With Upside" block transaction during each Period. A block sale discount of no greater than 2% of the last quoted bid price and a net price to the Client equal to at least the applicable net limit price indicated in the above table will apply. The Client's sale price shall be no worse than the 2% discount, and CSSU will improve the Client's sale price by sharing at least 10% of any trading profits realized on the day of the block transaction. By law, CSSU may not share trading profits beyond the trade date. CSSU assumes all downside risk below the 2% discount.
