ABOUT THIS PROSPECTUS

This prospectus provides investors with a general description of the common stock offered. The section "Plan of Distribution" beginning on page 13 provides a description of the sale of the common stock. When common stock are actually sold, to the extent required, the number of common stock to be sold, the purchase price, the public offering price, the names of any agent, dealer or underwriter and any applicable commission or discount with respect to that particular sale will be set forth in an accompanying prospectus supplement. A prospectus supplement also may update or change information contained in the basic prospectus. We expect that all relevant information about the shares will be contained in this prospectus. In all cases, you should read this prospectus (as it may be supplemented) together with the additional information described in the section "Where You Can Find More Information".

You should rely only on the information contained or incorporated by reference in this prospectus (as it may be supplemented). We have not, and the selling stockholders have not, authorized anyone to provide you with information that is different. If anyone provides you with different or inconsistent information, you should not rely on it. The selling stockholders are offering to sell, and seeking offers to buy, the common stock described in this prospectus only in jurisdictions where offers and sales are permitted. Since information that we file with the Securities and Exchange Commission, referred to as the SEC in this prospectus, in the future will automatically update and supersede information contained in this prospectus, you should not assume that the information contained in this prospectus is accurate as of any date other than the date on the front of this document.

Unless the context otherwise indicates, the terms "Pitney Bowes," "we" and "our company" mean Pitney Bowes Inc. and Pitney Bowes' subsidiaries.

3

SELLING STOCKHOLDERS

All of the 595,485 shares of common stock offered hereby were acquired by the selling stockholders from us pursuant to an Agreement and Plan of Merger dated August 22, 2003. Each share of common stock has one right to purchase one-two-hundredth of a share of Pitney Bowes Inc. Series A Junior Participating Preference Stock. The holders may from time to time offer and sell any and all of the shares of common stock offered under this prospectus.

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

The following table sets forth, for each selling stockholder, the amount of Pitney Bowes Inc. common stock beneficially owned, the number of shares of common stock offered hereby and the number of shares of common stock to be held and the percentage of outstanding common stock to be owned after completion of this offering (assuming the sale of all shares offered under this prospectus). All information contained in the table below is based upon information provided to us by the selling stockholders, and we have not independently verified this information. Because the selling stockholders may sell all or a portion of our common stock that is being offered pursuant to this prospectus, we are not able to estimate the amount of shares that will be held by the selling stockholders after the completion of this offering because each of the selling stockholders may sell all or some of its shares and because there are no agreements, arrangements or understandings with respect to the sale of any of the selling stockholders' shares (except that the DDD Company Employee Stock Ownership Plan Trust has agreed not to sell any shares until January 31, 2005, other than under limited circumstances). Several selling stockholders are currently employees of Pitney Bowes Government Solutions, Inc., a wholly owned subsidiary of Pitney Bowes Inc. No other selling stockholder has had any position, office or other relationship material to Pitney Bowes Inc. or any of its affiliates within the past three years.

Subject to the restrictions described in this prospectus, the selling stockholders may offer our common stock being offered under this prospectus for resale from time to time. PRIVATE PLACEMENT OF PITNEY BOWES INC. COMMON STOCK

The common stock offered by the selling stockholders was acquired by the selling stockholders pursuant to an Agreement and Plan of Merger dated August 22, 2003, by and among Pitney Bowes Inc., Pitney Bowes Government Solutions, Inc., a wholly owned subsidiary of Pitney Bowes Inc., DDD Company, certain stockholders of DDD Company and LaSalle Bank, N.A., as Trustee of the Trust for the DDD Company Employee Stock Ownership Plan ("Merger Agreement"). Pursuant to the Merger Agreement, DDD Company was merged with and into Pitney Bowes Government Solutions, Inc. on October 23, 2003, with Pitney Bowes Government Solutions, Inc. succeeding to all the rights and obligations of DDD Company. The aggregate merger consideration paid by the Company to the stockholders of DDD Company was approximately \$49,500,000. One half of the aggregate merger consideration was payable by delivery of 595,485 shares of common stock of Pitney Bowes Inc.

In connection with the merger, we agreed to file a registration statement registering the resale of shares of our common stock by the selling stockholders and to keep such registration statement effective for a period of two years. This prospectus also covers any additional shares of common stock that become issuable in connection with the shares being registered by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration which results in an increase in the number of our outstanding shares of common stock.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some of the factors which could cause future financial performance to differ materially from the expectations as expressed in any forward-looking statement made by or on our behalf include:

DESCRIPTION OF COMMON STOCK

The following description of the material terms of our common stock is based on the provisions of our restated certificate of incorporation, as amended. For more information as to how you can obtain a current copy of our restated certificate of incorporation, see "Where You Can Find More Information."

Subject to the rights of the holders of any of our preferred stock or preference stock then outstanding, holders of common stock are entitled to one vote per share on matters to be voted on by our stockholders and to receive dividends, if any, when declared from time to time by our board of directors in its discretion out of legally available funds. Upon our liquidation or dissolution, holders of common stock are entitled to receive proportionately all assets remaining after payment of all liabilities and liquidation preference on any shares of preferred stock or preference stock outstanding at the time. Holders of common stock have no preemptive or other subscription rights other than the rights described below under "Stockholder Rights Agreement," and there are no conversion rights or redemption or sinking fund provisions with respect to common stock. As of September 30, 2003, there were approximately 232,872,309 shares of our common stock outstanding, net of 90,465,603 shares of treasury stock, and approximately 21,827,148 shares reserved for issuance upon exercise of outstanding stock options and conversion of our 4% preferred shares and \$2.12 preference shares. All of our outstanding common stock is fully paid and non-assessable, which means that the holders have paid their purchase price in full and we may not ask them for additional funds, and all of the shares of common stock that may be offered with this prospectus will be fully paid and non-assessable when issued.

The transfer agent and registrar for our common stock is EquiServe Trust Company, N.A.

Our common stock is listed on the New York Stock Exchange under the ticker symbol "PBI".

STOCKHOLDER RIGHTS AGREEMENT

On December 11, 1995, we entered into a stockholder rights agreement. The material provisions of that rights agreement are summarized below. However, since the terms of our rights agreement are complex, this summary may not contain all of the information that is important to you. For more information, you should read the agreement, which is filed as an exhibit with the SEC. See "Where You Can Find More Information" for information on how to obtain a copy.

Our rights agreement currently provides that each share of our outstanding common stock has one right to purchase one-two-hundredth of a share of our Series A Junior Participating Preference Stock. The purchase price per

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

one-two-hundredth of a share of preference stock under the stockholder rights agreement is \$97.50. The rights are not exercisable until they separate from the common stock, as described below.

Initially, the rights under our rights agreement are attached to outstanding certificates representing our common stock, but the rights will be represented by separate certificates on the day 10 days after someone acquires at least 20% of our common stock, or approximately 10 days after someone commences a tender offer for at least 20% of our outstanding common stock.

After the rights separate from our common stock, certificates representing the rights will be mailed to record holders of the common stock. Once distributed, the rights certificates alone will represent the rights. All shares of our common stock issued prior to the date the rights separate from the common stock have been and will be issued with the rights attached. Until the rights separate from the common stock, each right will be transferable only with the related share of common stock. The rights will expire on February 20, 2006 unless we redeem or exchange them earlier.

If an acquiring person obtains or has the right to obtain at least 20% of our common stock and none of the events described in the next paragraph have occurred, then each right will entitle the holder to purchase for \$97.50 a number of shares of our common stock having a then current market value of \$195.00.

7

If an acquiring person obtains or has the right to obtain at least 20% of our common stock, then each right will entitle the holder to purchase for \$97.50 a number of shares of common stock of the acquiring person having a then current market value of \$195.00 if any of the following occurs:

- o we merge into another entity;
- o an acquiring entity merges into us; or
- o we sell 50% or more of our assets or earning power.

Under our rights agreement, any rights that are or were owned by an acquiring person of more than 20% of our outstanding common stock will be null and void.

Our rights agreement contains exchange provisions which provide that after an acquiring person obtains 20% or more, but less than 50%, of our outstanding common stock, our board of directors may, at its option, exchange all or part of the then outstanding and exercisable rights for shares of our common stock, at an exchange ratio of one share of common stock or one-two-hundredth of a share of Series A Junior Participating Preference Stock per right.

Our board of directors may, at its option, redeem all of the outstanding rights at a redemption price of \$0.005 per right, subject to adjustment, prior to the earlier of (1) the time that an acquiring person obtains 20% or more of our outstanding common stock, or (2) the final expiration date of the rights agreement. The ability to exercise the rights will terminate upon the action of our board of directors ordering the redemption of the rights, and the only right of the holders of the rights will be to receive the redemption price.

Holders of rights will have no rights as stockholders, such as the right

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

to vote or receive dividends, simply by virtue of holding the rights. The rights agreement includes anti-dilution provisions designed to prevent efforts to diminish the effectiveness of the rights.

For so long as the rights are redeemable, we may amend the rights agreement in any respect. At any time when the rights are no longer redeemable, we may amend the rights in any respect that does not adversely affect the holders of rights.

Our rights agreement contains provisions that have anti-takeover effects. The rights may cause substantial dilution to a person or group that attempts to acquire us without conditioning the offer on a substantial number of rights being acquired, redeemed or declared invalid. Accordingly, the existence of the rights may deter acquirors from making takeover proposals or tender offers. However, the rights are not intended to prevent a takeover, but rather are designed to enhance the ability of our board of directors to negotiate with an acquiror on behalf of all of the stockholders.

LIMITATION OF LIABILITY AND INDEMNIFICATION MATTERS

Our certificate of incorporation provides that a director of Pitney Bowes will not be liable to Pitney Bowes or its stockholders for monetary damages for breach of fiduciary duty as a director, except in certain cases where liability is mandated by the Delaware General Corporation Law.

Our certificate of incorporation also provides for indemnification, to the fullest extent permitted by the Delaware General Corporation Law, of any person made or threatened to be made a party to any action, suit or proceeding by reason of the fact that the person is or was a director or officer of Pitney Bowes, or, at the request of Pitney Bowes, serves or served as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, against all expense, liability and loss (including attorneys' fees, judgments, fines, Employee Retirement Income Security Act excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by that person in connection with the action, suit or proceeding. Our certificate of incorporation also provides that, to the extent authorized from time to time by our board of directors, Pitney Bowes may provide to employees and other agents of Pitney Bowes rights of indemnification and to receive

8

payment or reimbursement of expenses, including attorneys' fees, that are similar to the rights conferred by the certificate of incorporation on directors and officers of Pitney Bowes or persons serving at the request of Pitney Bowes as directors, officers, employees or agents of any other enterprise.

SECTION 203 OF THE DELAWARE GENERAL CORPORATION LAW

Section 203 of the Delaware General Corporation Law applies to Pitney Bowes. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a "business combination" with an "interested stockholder," as defined in Section 203, for a period of three years after the date of the transaction in which the person became an interested stockholder, unless the business combination is approved in a prescribed manner. A "business combination" includes a merger, asset sale or a transaction resulting in a financial benefit to the interested stockholder. An "interested stockholder," as defined in Section 203, is a person who, together with affiliates and associates, owns (or, in certain cases, within the preceding three years, did

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

own) 15% or more of the corporation's outstanding voting stock. Under Section 203, a business combination between Pitney Bowes and an interested stockholder is prohibited unless it satisfies one of the following conditions:

- o before the stockholder became an interested stockholder, the board of directors of Pitney Bowes must have approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- o upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of Pitney Bowes outstanding at the time the transaction commenced, excluding, for purposes of determining the number of shares outstanding, shares owned by persons who are directors and officers; or
- o the business combination is approved by the board of directors of Pitney Bowes and authorized at an annual or special meeting of the stockholders by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

See also "Certain Anti-Takeover Matters-Vote Required for Certain Business Combinations" below for information about provisions in our certificate of incorporation that impose requirements similar to those of Section 203.

CERTAIN ANTI-TAKEOVER MATTERS

Our certificate of incorporation and by-laws include a number of provisions that may have the effect of encouraging persons considering unsolicited tender offers or other unilateral takeover proposals to negotiate with our board of directors rather than pursue non-negotiated takeover attempts. These provisions include:

VOTE REQUIRED FOR CERTAIN BUSINESS COMBINATIONS. Our certificate of incorporation generally requires the affirmative vote of the holders of at least 80% of the voting power of the then outstanding shares of capital stock of Pitney Bowes entitled to vote generally in the election of directors, which we call "voting stock," voting together as a single class, in addition to any other affirmative vote required by law or the certificate of incorporation, to approve:

- o any merger or consolidation of Pitney Bowes or any of its subsidiaries with an "interested stockholder," as defined in the certificate of incorporation and described below, or any other corporation which is, or after the merger or consolidation would be, an affiliate of an interested stockholder;
- o any sale, lease, exchange, mortgage, pledge, transfer or other disposition to or with any interested stockholder or any affiliate of any interested stockholder of any assets of Pitney Bowes or any of its subsidiaries having an aggregate fair market value of \$50,000,000 or more;

- o the issuance or transfer by Pitney Bowes or any of its subsidiaries of any securities of Pitney Bowes or any of its subsidiaries to any interested stockholder or any affiliate of any interested

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

stockholder in exchange for cash, securities or other property having an aggregate fair market value of \$50,000,000 or more;

- o the adoption of any plan or proposal for the liquidation or dissolution of Pitney Bowes proposed by or on behalf of an interested stockholder or any affiliate of any interested stockholder; or
- o any reclassification of securities or recapitalization of Pitney Bowes, or any merger or consolidation of Pitney Bowes with any of its subsidiaries or any other transaction which has the effect of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of Pitney Bowes or any of its subsidiaries which is directly or indirectly owned by any interested stockholder or any affiliate of any interested stockholder.

An "interested stockholder" means any person, other than Pitney Bowes or any of its subsidiaries, who or which:

- o beneficially owns, directly or indirectly, more than 20% of the voting power of the outstanding shares of voting stock;
- o is an affiliate of Pitney Bowes and at any time within the two-year period immediately before the date in question beneficially owned, directly or indirectly, 20% or more of the voting power of the then outstanding voting stock; or
- o is the assignee of any shares of voting stock which were at any time within the two-year period immediately before the date in question beneficially owned by an interested stockholder, if the assignment of those shares occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act.

The special voting requirement described above will not apply to a transaction of any of the kinds described above, and that transaction will require only any affirmative vote that is required by law and any other provisions of our certificate of incorporation, if either:

- o a majority of our "disinterested directors" approve the transaction; "disinterested director" means any director who is unaffiliated with the interested stockholder and was a member of the board of directors before the interested stockholder became an interested stockholder, and any successor of a disinterested director who is unaffiliated with the interested stockholder and is recommended to succeed the disinterested director by a majority of disinterested directors then on the board; or
- o all of the following conditions are met:
 - the aggregate amount of the cash and the fair market value as of the date of consummation of the transaction of consideration other than cash to be received per share by holders of common stock in the transaction is at least equal to the higher of the following: (a) the highest per share price paid by the interested stockholder for any shares of common stock acquired by it within the two-year period immediately before the first public announcement of the proposal of the transaction, which we call the "announcement date," or in the transaction in which it became an interested stockholder, whichever is higher, and (b) the fair market

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

value per share of common stock on the announcement date or the date on which the interested stockholder became an interested stockholder, whichever is higher;

- the aggregate amount of the cash and the fair market value as of the date of consummation of the transaction of consideration other than cash to be received per share by holders of shares of any other class of outstanding voting stock is at least equal to

10

the highest of the following: (a) the highest per share price paid by the interested stockholder for any shares of that class of voting stock acquired by it within the two-year period immediately before the announcement date or in the transaction in which it became an interested stockholder, whichever is higher; (b) the highest preferential amount per share to which the holders of shares of that class of voting stock are entitled upon any voluntary or involuntary liquidation, dissolution or winding up of Pitney Bowes; and (c) the fair market value per share of that class of voting stock on the announcement date or the date on which the interested stockholder became an interested stockholder, whichever is higher;

- the consideration to be received by holders of a particular class of outstanding voting stock will be in cash or in the same form as the interested stockholder has previously paid for shares of that class of voting stock; if the interested stockholder has paid for shares of any class of voting stock with varying forms of consideration, the consideration for that class will be either cash or the form used to acquire the largest number of shares of that class previously acquired by it;
- after the interested stockholder has become an interested stockholder and before the consummation of the transaction: (a) except as approved by a majority of the disinterested directors, Pitney Bowes has not failed to declare and pay at the regular date any full quarterly dividends on the outstanding preferred stock or preference stock; (b) except as approved by a majority of the disinterested directors, Pitney Bowes has not reduced the annual rate of dividends on the common stock or failed to increase that rate to reflect any reclassification of the outstanding shares of common stock, including any reverse stock split; (c) the interested stockholder has not become the beneficial owner of any additional shares of voting stock except as part of the transaction which results in the interested stockholder becoming an interested stockholder;
- after the interested stockholder has become an interested stockholder, the interested stockholder has not received the benefit, except proportionately as a stockholder, of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by Pitney Bowes; and

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

- a proxy or information statement describing the proposed transaction and complying with the requirements of the Exchange Act and the rules and regulations under that Act has been mailed to public stockholders of Pitney Bowes at least 30 days before the consummation of the transaction, whether or not the proxy or information statement is required to be mailed under that Act.

CLASSIFIED BOARD OF DIRECTORS. Our certificate of incorporation provides for a board of directors divided into three classes, with one class to be elected each year to serve for a three-year term. As a result, at least two annual meetings of stockholders may be required for the stockholders to change a majority of our board of directors. In addition, the stockholders of Pitney Bowes can only remove directors, with or without cause, by the affirmative vote of the holders of at least 80% of the outstanding shares of voting stock, voting together as a single class. Except to the extent that the holders of preferred stock and preference stock have the right to fill vacancies on the board of directors in some circumstances, vacancies on our board of directors may be filled only by our board of directors. The classification of directors and the inability of stockholders to remove directors without the vote of at least 80% of the outstanding shares of voting stock or to fill vacancies on the board of directors make it more difficult to change the composition of our board of directors, but promote a continuity of existing management.

ADVANCE NOTICE REQUIREMENTS. Our by-laws establish advance notice procedures with regard to stockholder proposals relating to the nomination of candidates for election as directors or other business to be brought before meetings of stockholders of Pitney Bowes. These procedures provide that notice of stockholder proposals of these kinds must be timely given in writing to the Secretary of Pitney Bowes before the meeting at which the action is to be taken. Generally, to be timely, notice of stockholder proposals other than nomination of director candidates must be received at the principal executive offices of Pitney Bowes not less than 90 days before

an annual meeting at which the proposals are to be presented, and notice of stockholder nominations of director candidates to be presented at an annual or special meeting must be received not later than (1) 90 days before the annual meeting or (2) the close of business on the seventh day following the date on which notice of the special meeting is first given to stockholders, as applicable. The notice must contain certain information specified in the by-laws.

NO ABILITY OF STOCKHOLDERS TO CALL SPECIAL MEETINGS. Our certificate of incorporation and by-laws deny stockholders the right to call a special meeting of stockholders, except to the extent that holders of preferred stock or preference stock have the right to call a special meeting in some circumstances. Our certificate of incorporation and by-laws provide that, except to that extent, only the board of directors may call special meetings of the stockholders.

NO WRITTEN CONSENT OF STOCKHOLDERS. Our certificate of incorporation requires all stockholder actions to be taken by a vote of the stockholders at an annual or special meeting, and does not permit our stockholders to act by written consent without a meeting.

AMENDMENT OF BY-LAWS AND CERTIFICATE OF INCORPORATION. Our certificate of

Edgar Filing: PITNEY BOWES INC /DE/ - Form 424B3

incorporation requires the approval of not less than 80% of the voting power of all outstanding shares of voting stock, voting as a single class, to amend any of the provisions of the certificate of incorporation and by-laws described in this section. Those provisions make it more difficult to dilute the anti-takeover effects of our by-laws and our certificate of incorporation.

BLANK CHECK PREFERRED AND PREFERENCE STOCK. Our certificate of incorporation provides for 600,000 authorized shares of preferred stock and 5,000,000 authorized shares of preference stock. The existence of authorized but unissued shares of preferred and preference stock may enable the board of directors to render more difficult or to discourage an attempt to obtain control of Pitney Bowes by means of a merger, tender offer, proxy contest or otherwise. For example, if in the due exercise of its fiduciary obligations, the board of directors were to determine that a takeover proposal is not in the best interests of Pitney Bowes, the board of directors could cause shares of preferred or preference stock to be issued without stockholder approval in one or more private offerings or other transactions that might dilute the voting or other rights of the proposed acquiror or insurgent stockholder or stockholder group. In this regard, the certificate of incorporation grants our board of directors broad power to establish the rights and preferences of authorized and unissued shares of preferred and preference stock. The issuance of shares of preferred or preference stock could decrease the amount of earnings and assets available for distribution to holders of shares of common stock. The issuance may also adversely affect the rights and powers, including voting rights, of those holders and may have the effect of delaying, deterring or preventing a change in control of Pitney Bowes.

PLAN OF DISTRIBUTION

We will not receive any of the proceeds of the sale of shares or our common stock offered by this prospectus. The aggregate proceeds to the selling stockholders from the sale of the shares of our common stock will be the purchase price of the shares of our common stock less any discounts and commissions. A selling stockholder reserves the right to accept and, together with their agents, to reject, any proposed purchase of shares of our common stock to be made directly or through agents.

The shares of our common stock may be sold from time to time to purchasers:

- o directly by the selling stockholders and their successors, which includes their transferees, pledges, donees and other subsequent holders of the securities covered by this prospectus and their respective successors, or
- o through underwriters, broker-dealers or agents who may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or the purchasers of shares of our common stock. These discounts, concessions or commissions may be in excess of those customary in the types of transactions involved.

The selling stockholders and any underwriters, broker-dealers or agents who participate in the distribution of shares of our common stock may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act. Any selling stockholder which is a broker-dealer or an affiliate of a broker-dealer will be deemed to be an "underwriter" within the meaning of

Section 2(11) of the Securities Act, unless such selling stockholder purchased in the ordinary course of business, and at the time of its purchase of the shares of our common stock to be resold, did not have any agreements or understandings, directly or indirectly, with any person to distribute the shares of our common stock. As a result, any profits on the sale of the shares of our common stock by selling stockholders who are deemed to be underwriters and any discounts, commissions or concessions received by any such broker-dealers or agents who are deemed to be underwriters will be deemed to be underwriting discounts and commissions under the Securities Act. Selling stockholders who are deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act will be subject to prospectus delivery requirements of the Securities Act and to certain statutory liabilities, including, but not limited to, those relating to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act. Based on information provided by the selling stockholders, none of the selling stockholders are broker-dealers or affiliates of broker-dealers.

If the shares of our common stock are sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions.

The shares of our common stock may be sold in one or more transactions at:

The transaction may be effected by one or more of the following methods.

broker or dealer for its account under to this prospectus, including resale to another broker or dealer;

- o block trades in which the broker or dealer will attempt to sell securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o crosses, which are transaction in which the same broker acts as an agent on both sides of the trade; or
- o negotiated transactions between selling stockholders and purchasers without a broker or dealer.

In connection with the distribution of their common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with hedging transactions, broker-dealers or other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with selling stockholders. The selling stockholders may also sell our common stock short and redeliver the shares to close out the short positions. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to the broker-dealer or other financial institution of shares of our common stock offered hereby, which shares those broker-dealers or other financial institutions may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The selling stockholders may also pledge their shares to a broker-dealer or other financial institution, and, upon a default, that broker-dealer or other financial institution may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect that transaction).

At the time a particular offering of the securities is made, if required, a prospectus supplement will be distributed, which will set forth the names of the selling stockholders, the aggregate amount of common stock being offered and the terms of the offering, including, to the extent required, (1) the name or names of any underwriters, broker-dealers or agents, (2) any discounts, commissions and other terms constituting compensation from the selling stockholders and (3) any discounts, commissions or concessions allowed or reallocated to be paid to broker-dealers.

To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholder and any underwriter, broker-dealer or agent regarding the sale of shares of our common stock by the selling stockholders.

We cannot assure you that any selling stockholder will sell any or all of the shares of our common stock with this prospectus. Further, we cannot assure you that any such selling stockholder will not transfer, devise or gift the shares of our common stock by other means not described in this prospectus. In addition, any common stock covered by this prospectus that qualify for sale under Rule 144 or Rule 144A of the Securities Act may be sold under Rule 144 or Rule 144A rather than under this prospectus. The shares of our common stock may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the shares of our common stock may not be sold unless they have been registered or qualified for sale or the sale is entitled to an exemption from registration.
