Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

This statement is filed with respect to the shares of the common stock, \$.001 par value (the "Common Stock"), of Epicor Software Corporation (the "Issuer"), beneficially owned by Elliott Associates, L.P. and its wholly-owned subsidiaries ("Elliott"), Elliott International, L.P. ("Elliott International"), and Elliott International Capital Advisers Inc. ("EICA" and collectively, the "Reporting Persons") as of October 15, 2008 and amends and supplements the Schedule 13D filed on August 18, 2008, as previously amended (collectively, the "Schedule 13D"). Except as set forth herein, the Schedule 13D is unmodified.

No transactions have been effected by the Reporting Persons since the filing of their last Schedule 13D amendment on October 1, 2008.

As of the date of this filing,

Elliott beneficially owns 3,061,433 shares of Common Stock, consisting of: (i) 2,426,001 shares of Common Stock and (ii) 2-3/8% Convertible Bonds due May 15, 2027 ("Convertible Bonds") convertible into 635,432 shares of Common Stock. The 3,061,433 shares of Common Stock constitute 5.1% of all of the outstanding shares of Common Stock.

Elliott International and EICA beneficially own an aggregate of 4,592,148 shares of Common Stock, consisting of: (i) 3,638,999 shares of Common Stock and (ii) Convertible Bonds convertible into 953,149 shares of Common Stock. The 4,592,148 shares of Common Stock constitute 7.6% of all of the outstanding shares of Common Stock.

Collectively, Elliott, Elliott International and EICA beneficially own 7,653,581 shares of Common Stock constituting 12.5% of all of the outstanding shares of Common Stock.

ITEM 4. Purpose of Transaction.

Item 4 of the Schedule 13D is supplemented by the following:

On October 15, 2008, Elliott ERP LLC ("EEL"), a wholly-owned subsidiary of Elliott, publicly announced that it is making a tender offer (the "Tender Offer") to acquire all outstanding shares of Common Stock not owned by the Reporting Persons, for \$9.50 per share, net to the seller in cash, without interest and less applicable withholding taxes, on the terms and subject to the conditions specified on the Schedule TO filed by Elliott with the United States Securities and Exchange Commission ("SEC") on October 15, 2008 ("Schedule TO"), a copy of which is attached hereto as Exhibit C and which is incorporated herein by reference.

The Tender Offer is not subject to any financing condition, but is subject to the conditions set forth in Section 14 of the Schedule TO, which investors are encouraged to read, including:

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

- (i) That EEL, Elliott and their affiliates would own, on a fully diluted basis a majority of the shares of Common Stock upon closing the Tender Offer (taking into account, without limitation, all shares issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 shares reserved for issuance upon conversion of the Convertible Bonds),
- (ii) That the rights associated with shares of Common Stock (the "Rights") pursuant to the Rights Agreement dated as of April 1, 1994, between the Issuer and First Interstate Bank of California, as amended, have been redeemed, otherwise terminated by the Issuer's Board of Directors or EEL is satisfied in its reasonable discretion that the Rights are otherwise inapplicable to the Tender Offer, to the proposed second-step merger and to EEL, and no other stockholder rights plan or other similar mechanism that would have the effect of substantially impairing EEL's ability to acquire the Issuer or otherwise substantially diminish the expected economic value to EEL of acquiring the shares pursuant to the Tender Offer, in EEL's reasonable discretion, having been adopted by the Issuer, and
- (iii) the bidders being satisfied, in their reasonable discretion, that Section 203 of the Delaware General Corporation Law is inapplicable to the proposed related second-step merger.

EEL currently anticipates that the Tender Offer and withdrawal rights will expire on November 12, 2008, unless terminated or extended as provided in the Schedule TO. Shareholders of the Issuer would have customary withdrawal rights.

If EEL consummates the Tender Offer, the Reporting Persons currently intend to cause a long-form merger involving the Issuer to become effective after the affirmative vote of the holders of a majority of the outstanding shares of Common Stock; provided that if the Reporting Persons own 90% or more of the outstanding shares through a single corporation, that corporation will be able to approve a merger without a shareholder vote. The Reporting Persons intend to offer in any merger the same \$9.50 in cash that it is offering in the Tender Offer. It is the Reporting Persons' present intention that, following a merger, the Issuer would not remain a public company.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

There are no contracts, arrangement, understandings or relationships with respect to the securities of the Issuer other than the Tender Offer and Schedule TO discussed in Item 4.

ITEM 7. Material to be Filed as Exhibits.

Exhibit A - Joint Filing Agreement (previously filed)

Exhibit B – Letter to the Board dated October 1, 2008 (previously filed)

Transaction Valuation*
\$189,202,827

Amount of Filing Fee**
\$20,763.23

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

- * Estimated for purposes of calculating the filing fee only. This amount assumes the purchase of 55,613,318 shares of common stock of Epicor Software Corporation (“**Epicor**” and such shares, “**Shares**”), which amount includes: (i) all 53,508,711 Shares outstanding as of August 1, 2008 other than the 6,065,000 Shares beneficially owned by Elliott Associates, L.P. (“**Elliott Associates**”) and its affiliated funds, and (ii) stock options outstanding as of December 31, 2007 to purchase 2,104,607 Shares. The 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Senior Notes due 2027 issued by Epicor (“**Convertible Notes**”) have been excluded from this calculation because the conversion price of those Convertible Notes (\$18.10 per Share) exceeds the offer price of \$9.50 per Share. The number of outstanding Shares is contained in Epicor’s Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2008 and the number of outstanding stock options and Convertible Notes is contained in Epicor’s Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

SUMMARY TERM SHEET

Elliott ERP LLC, a subsidiary of Elliott Associates, L.P., is offering to purchase all outstanding shares of common stock, par value \$0.001 per share, of Epicor Software Corporation for \$9.50 net per share in cash, without interest and less applicable withholding taxes, upon the terms and subject to the conditions set forth in this Offer to Purchase and the related Letter of Transmittal. **This summary term sheet is not meant to be a substitute for the information contained in the remainder of this Offer to Purchase and you should carefully read this Offer to Purchase and the accompanying Letter of Transmittal in their entirety because the information in this summary term sheet is not complete and additional important information is contained in the remainder of this Offer to Purchase and the Letter of Transmittal.** We have included cross-references to other sections of this Offer to Purchase in this summary term sheet to direct you to the sections of this Offer to Purchase containing a more complete description of the topics covered in this summary term sheet.

Who is offering to buy my securities?

Our name is Elliott ERP LLC. We are a Delaware limited liability company with no assets or operations and exist solely for the purpose of making this tender offer for all of the common stock of Epicor Software Corporation. We are wholly owned by Elliott Associates, L.P., a Delaware limited partnership. See “The Offer—Section 9—Certain Information Concerning the Purchaser and Elliott Associates”.

What securities are you offering to purchase?

We are offering to purchase all of the outstanding common stock, par value \$0.001 per share, of Epicor Software Corporation. See “Introduction”.

How much are you offering to pay for my securities and what is the form of payment?

We are offering to pay \$9.50 per share, net to seller in cash, without interest, without brokerage fees or commissions or, except in certain circumstances, stock transfer taxes and less applicable withholding taxes. If you are the record holder of your shares (i.e., a stock certificate has been issued to you) and you directly tender your shares to us in the Offer, you will not have to pay brokerage fees or similar expenses. If you own shares through a broker, dealer, commercial bank, trust company or other nominee, and your broker, dealer, commercial bank, trust company or other nominee tenders your shares on your behalf, they may charge you a fee for doing so. You should consult your broker, dealer, commercial bank, trust company or other nominee to determine whether any charges will apply. See “Introduction”.

Do you have the financial resources to pay for the shares?

Yes. Based upon Epicor Software Corporation’s filings with the Securities and Exchange Commission, we estimate that we will need approximately \$529 million to acquire Epicor Software Corporation pursuant to the Offer and the Merger and to pay the related fees and expenses. Elliott Associates, L.P. expects to contribute or otherwise advance to us the funds necessary to consummate the Offer and the Merger and to pay related fees and expenses. It is anticipated that all of such funds will be obtained from the working capital of Elliott Associates, L.P. or from alternative sources of debt or equity financing. The Offer is not conditioned upon any financing arrangements or subject to a financing condition and shall not be so conditioned in the event that we elect to seek financing for all or a portion of the Purchase Price (as defined below). We are aware that the consummation of the Offer would, absent a waiver from Epicor Software Corporation’s lenders, constitute an Event of Default (as defined in the Credit Agreement (as defined below)) under the Credit Agreement and the Administrative Agent (as defined in the Credit Agreement) shall, at the request of, or may, with the consent of the Requisite Lenders (as defined in the Credit Agreement), declare all amounts of principal and interest payable by Epicor Software Corporation under the Credit Agreement due and payable immediately. We are also aware that the

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

consummation of the Offer would constitute a Fundamental Change (as defined in the First Supplemental Indenture (as defined below)) and all holders of Convertible Notes (as defined below) issued by Epicor Software Corporation would have the right to require Epicor Software Corporation to repurchase all of such Convertible Notes at par value, plus any accrued and unpaid interest. If and to the extent necessary, we expect to seek replacement financing for Epicor Software Corporation's indebtedness under the Credit Agreement and Convertible Notes, but Elliott Associates, L.P. is prepared to provide such financing in the event that no third party replacement financing is available. See "The Offer—Section 10—Source and Amount of Funds".

Is your financial condition relevant to my decision to tender in the Offer?

No. Since the purchase price is payable in cash, is not conditioned upon any financing arrangements and will be obtained from the working capital of Elliott Associates, L.P., we do not think our financial condition is material to your decision whether to tender in the Offer. See "The Offer—Section 9—Certain Information Concerning the Purchaser and Elliott Associates".

Have you held discussions with Epicor Software Corporation?

We have tried to discuss with Epicor Software Corporation the commencement of a sale process. On October 1, 2008, Elliott Associates, L.P. and Elliott International, L.P. sent a letter to Epicor Software Corporation, in which they publicly announced our offer to acquire Epicor Software Corporation. Thereafter, we tried to discuss with Epicor Software Corporation a potential acquisition by us, but they have not been willing to engage in discussions with us. See "The Offer—Section 11—Background of the Offer".

How long do I have to decide whether to tender in the Offer?

You have until the expiration date of the Offer to tender. The Offer currently is scheduled to expire at 11:59 P.M., New York City time, on Wednesday, November 12, 2008. We currently expect that the Offer will be extended until the conditions to the Offer, which are described below, are satisfied. If the Offer is extended, we will issue a press release announcing the extension at or before 9:00 A.M., New York City time, on the next business day after the date the Offer was scheduled to expire. See "The Offer—Section 1—Terms of the Offer".

We may elect to provide a "subsequent offering period". A subsequent offering period, if one is included, will be an additional period of time, beginning after we have purchased shares tendered during the Offer, during which stockholders may tender, but not withdraw, their shares and receive the Offer consideration. We do not currently intend to include a subsequent offering period, although we reserve the right to do so. See "The Offer—Section 1—Terms of the Offer".

What are the most significant conditions to the Offer?

The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn on or prior to the expiration of the Offer, as it may be extended, a number of shares, which, together with the shares then owned by Elliott Associates, L.P. and its affiliated funds and subsidiaries (including us), represents at least a majority of the total number of shares of common stock of Epicor Software Corporation outstanding on a fully diluted basis (taking into account, without limitation, all shares of common stock of Epicor Software Corporation issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 Shares of common stock, par value \$0.001 per share, of Epicor Software Corporation, reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes (as defined below) issued by Epicor Software Corporation), (ii) the Rights (as defined below) issued under the Rights Agreement (as defined below) having been redeemed, otherwise terminated by Epicor Software Corporation's board of directors or we become satisfied in our reasonable discretion that the Rights are otherwise inapplicable to the Offer, the proposed second-step merger and us, and no other stockholder rights plan or other similar mechanism that would have the effect of

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

substantially impairing our ability to acquire Epicor Software Corporation or otherwise substantially diminish the expected economic value to us of acquiring the Shares, in the our reasonable discretion, having been adopted by Epicor Software Corporation, and (iii) our being satisfied, in our reasonable discretion, that Section 203 of the Delaware General Corporation Law is inapplicable to the Merger. The Offer is not conditioned upon any financing arrangements or subject to a financing condition. Other conditions to the Offer are described in “The Offer—Section 14—Conditions of the Offer”.

Can the Offer be extended and under what circumstances?

We may, in our sole discretion extend the Offer at any time or from time to time. We might extend, for instance, if any of the conditions specified in “The Offer—Section 14—Conditions of the Offer” below are not satisfied prior to the expiration of the Offer.

In addition, after the expiration of the Offer, if all of the conditions to the Offer have been satisfied or waived but not all of Epicor Software Corporation’s common stock has been tendered, we may, but are not obligated to, give stockholders a further opportunity to tender at the same price in one or more subsequent offering periods. See “The Offer—Section 1—Terms of the Offer”.

How will I be notified if the Offer is extended?

If we decide to extend the Offer, we will inform BNY Mellon Shareowner Services, the Depositary for the Offer, of that fact and will make a public announcement of the extension, no later than 9:00 A.M., New York City time, on the next business day after the date the Offer was scheduled to expire. See “The Offer—Section 1—Terms of the Offer”.

How do I tender my shares?

If you wish to accept the Offer, this is what you must do:

- If you are a record holder (i.e., a stock certificate has been issued to you), you must complete and sign the enclosed Letter of Transmittal and send it with your stock certificate to BNY Mellon Shareowner Services, the Depositary for the Offer. These materials must reach BNY Mellon Shareowner Services on or prior to the expiration of the Offer. Detailed instructions are contained in the Letter of Transmittal and in “The Offer—Section 3—Procedure for Tendering Shares”.
- If you are a record holder but your stock certificate is not available or you cannot deliver it to the Depositary on or prior to the expiration of the Offer, you may be able to tender your shares using the enclosed Notice of Guaranteed Delivery. Please call the Information Agent, MacKenzie Partners, Inc., collect at (212) 929-5500 or toll-free at (800) 322-2885 for assistance. You may also email MacKenzie Partners, Inc. attenderoffer@mackenziepartners.com . See “The Offer—Section 3—Procedure for Tendering Shares” for further details.
- If you hold your shares through a broker, dealer, commercial bank, trust company or other nominee, you must contact your broker, dealer, commercial bank, trust company or other nominee and give instructions that your shares be tendered. See “The Offer—Section 3—Procedure for Tendering Shares”.

Until what time can I withdraw tendered shares?

You can withdraw some or all of the shares that you previously tendered in the Offer at any time prior to the expiration of the Offer. Shares may also be withdrawn after December 13, 2008 unless theretofore accepted for payment as provided herein. Once we accept shares for payment, you will no longer be able to withdraw them. In addition, you may not withdraw shares tendered during any subsequent offering period. See “The Offer—Section 4—Withdrawal Rights”.

How do I withdraw tendered shares?

To withdraw shares, you must deliver a written notice of withdrawal, which includes all required information, to BNY Mellon Shareowner Services, the Depository for the Offer, while you have the right to withdraw the shares. See “The Offer—Section 4—Withdrawal Rights”.

When and how will I be paid for my tendered shares?

Subject to the terms and conditions of the Offer, we will pay for all shares validly tendered that have not been withdrawn promptly after the later of the expiration of the Offer and the satisfaction or waiver of the conditions to the Offer that are dependent upon the receipt of government approvals. We do, however, reserve the right, in our sole discretion and subject to applicable law, to delay payment for shares until satisfaction of all conditions to the Offer that are dependent upon the receipt of government approvals. See “The Offer—Section 2—Acceptance for Payment and Payment”.

We will pay for your shares by depositing the purchase price with BNY Mellon Shareowner Services, the Depository for the Offer, which will act as your agent for the purpose of receiving payments from us and transmitting such payments to you. In all cases, payment for tendered shares will be made only after timely receipt by BNY Mellon Shareowner Services of certificates for such shares (or of a confirmation of a book-entry transfer of such shares as described in “The Offer—Section 3—Procedure for Tendering Shares—Book-Entry Delivery”), a properly completed and duly executed Letter of Transmittal (or facsimile thereof) and any other required documents. See “The Offer—Section 2—Acceptance for Payment and Payment”.

Will the Offer be followed by the Merger if all the shares are not tendered in the Offer?

If we accept for payment and pay for at least a majority of the outstanding shares on a fully diluted basis, we intend to seek to effect the Merger with Epicor Software Corporation. If the Merger takes place, Elliott Associates, L.P. and its affiliated funds will own all of the shares of Epicor Software Corporation and all remaining stockholders (other than us, Elliott Associates, L.P. and its affiliated funds and stockholders properly exercising their appraisal rights) will receive the price per share paid in the Offer. See “The Offer—Section 12—Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights”.

If a majority of the shares are tendered and accepted for payment, will Epicor Software Corporation continue as a public company?

If the Merger takes place, Epicor Software Corporation will no longer be publicly owned. Even if the Merger does not take place, if we purchase all the tendered shares, there may be so few remaining stockholders and publicly held shares that the shares will no longer be eligible to be traded on the NASDAQ Global Select Market, there may not be a public trading market for the shares, and Epicor Software Corporation may cease making filings with the Securities and Exchange Commission or otherwise cease being required to comply with the Securities and Exchange Commission rules relating to publicly held companies. See “The Offer—Section 7—Possible Effects of the Offer on the Market for the Shares; NASDAQ Global Select Market Listing; Registration under the Exchange Act; Margin Regulations”.

If I decide not to tender, how will the Offer affect my shares?

If the Offer is successful, we intend to seek to effect the Merger, pursuant to which all outstanding shares of Epicor Software Corporation’s common stock will be exchanged for an amount in cash per share equal to the price per share paid in the Offer. If the proposed second-step Merger takes place, stockholders who do not tender in the Offer (other than those properly exercising their appraisal rights) will receive the same amount of cash per share that they would have received had they tendered their shares in the Offer. Therefore, if the Merger takes

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

place, the only difference between tendering and not tendering shares in the Offer is that tendering stockholders will be paid earlier. If, however, the Merger does not take place and the Offer is consummated, the number of stockholders and of shares that are still in the hands of the public may be so small that there will no longer be an active or liquid public trading market (or, possibly, any public trading market) for shares held by stockholders other than us. We cannot predict whether the reduction in the number of shares that might otherwise trade publicly would have an adverse or beneficial effect on the market price for, or marketability of, the shares or whether such reduction would cause future market prices to be greater or less than the price paid in the Offer. Also, as described above, Epicor Software Corporation may cease making filings with the Securities and Exchange Commission or being required to comply with the Securities and Exchange Commission rules relating to publicly held companies. See “The Offer—Section 7—Possible Effects of the Offer on the Market for the Shares; NASDAQ Global Select Market Listing; Registration under the Exchange Act; Margin Regulations”.

Are appraisal rights available in either the Offer or the Merger?

Appraisal rights are not available in connection with the Offer. However, if the proposed second-step Merger takes place, appraisal rights will be available to holders of shares that are not tendered and who do not vote in favor of the Merger, subject to and in accordance with Delaware law. A holder of shares must properly perfect such holder’s right to seek appraisal under Delaware law in connection with the Merger in order to exercise appraisal rights under Delaware law. See “The Offer—Section 12—Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights”.

What is the market value of my shares as of a recent date?

On September 30, 2008, the last full trading day before the public disclosure of the proposal of Elliott Associates, L.P. and Elliott International, L.P. to acquire Epicor Software Corporation, the last reported sales price of Epicor Software Corporation’s common stock reported on the NASDAQ Global Select Market was \$7.89 per share. On October 14, 2008, the last full trading day before the date of this Offer to Purchase, the last reported sales price of Epicor Software Corporation’s common stock reported on the NASDAQ Global Select Market was \$6.80 per share. Please obtain a recent quotation for your shares prior to deciding whether or not to tender. See “The Offer—Section 6—Price Range of Shares; Dividends”.

What are the U.S. federal income tax consequences of participating in the Offer?

In general, your sale of shares pursuant to the Offer will be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under applicable state, local or foreign income or other tax laws. You should consult your tax advisor about the tax consequences to you of participating in the Offer in light of your particular circumstances. See “The Offer—Section 5—Certain U.S. Federal Income Tax Considerations”.

Who can I talk to if I have questions about the Offer?

You can call MacKenzie Partners, Inc., the Information Agent for the Offer, collect at (212) 929-5500 or toll-free at (800) 322-2885. You may also email MacKenzie Partners, Inc. attenderoffer@mackenziepartners.com . See the back cover of this Offer to Purchase.

INTRODUCTION

To the Stockholders of Epicor Software Corporation:

We, Elliott ERP LLC (the “**Purchaser**”), a Delaware limited liability company and a subsidiary of Elliott Associates, L.P., a Delaware limited partnership (“**Elliott Associates**”), are offering to purchase all outstanding shares of common stock, par value \$0.001 per share (the “**Shares**”), of Epicor Software Corporation, a Delaware corporation (the “**Company**”), for \$9.50 per Share, net to the seller in cash, without interest and less applicable withholding taxes, upon the terms and subject to the conditions set forth in this Offer to Purchase and the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the “**Offer**”). Unless the context otherwise requires, all references to Shares include the rights associated with the Shares (the “**Rights**”) pursuant to the Rights Agreement, dated as of April 1, 1994, between the Company and First Interstate Bank of California, as amended (the “**Rights Agreement**”).

Stockholders who have Shares registered in their own names and tender directly to BNY Mellon Shareowner Services, the depository for the Offer (the “**Depository**”), will not have to pay brokerage fees or commissions. Stockholders with Shares held in street name by a broker, dealer, commercial bank, trust company or other nominee should consult with their nominee to determine if the nominee charges any transaction fees. Except as set forth in Instruction 6 of the Letter of Transmittal, stockholders will not have to pay stock transfer taxes on the sale of Shares pursuant to the Offer. We will pay all charges and expenses of the Depository and MacKenzie Partners, Inc. (the “**Information Agent**”) incurred in connection with the Offer. See “The Offer—Section 16—Fees and Expenses”.

The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn on or prior to the Expiration Date (as defined below), a number of Shares, which, together with the Shares then owned by Elliott Associates and its affiliated funds and subsidiaries (including us), represents at least a majority of the total number of Shares outstanding on a fully diluted basis (taking into account, without limitation, all Shares issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes (as defined below) issued by the Company (the “**Minimum Tender Condition**”), (ii) the Rights issued under the Rights Agreement having been redeemed, otherwise terminated by the Company Board (as defined below) or the Purchaser being satisfied in its reasonable discretion that the Rights are otherwise inapplicable to the Offer, the proposed second-step merger and the Purchaser, and no other stockholder rights plan or other similar mechanism that would have the effect of substantially impairing the Purchaser’s ability to acquire the Company or otherwise substantially diminish the expected economic value to the Purchaser of acquiring the Shares, in the Purchaser’s reasonable discretion, having been adopted by the Company (the “**Rights Condition**”), and (iii) our being satisfied, in our reasonable discretion, that Section 203 of the Delaware General Corporation Law (the “**Delaware Law**”) is inapplicable to the proposed merger (the “**Merger**”) of the Company and us (or one of our affiliates) as described herein (the “**Section 203 Condition**”). The Offer is not conditioned upon any financing arrangements or subject to a financing condition. Other conditions to the Offer are described in “The Offer—Section 14—Conditions of the Offer”.

According to the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2008 filed by the Company with the Securities and Exchange Commission (the “**SEC**”) on August 8, 2008 (the “**Company 10-Q**”), as of August 1, 2008 there were outstanding 59,573,711 Shares. According to the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2007 filed by the Company with the SEC on March 11, 2008 (the “**Company 10-K**”), there were outstanding no shares of preferred stock and stock options to purchase approximately 2,104,607 Shares. Based upon the foregoing, there were 61,678,318 Shares outstanding on a fully diluted basis (the “**Fully Diluted Shares**”). The 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Senior Notes due 2027 issued by the Company

(“**Convertible Notes**”) have been excluded from the calculation of the Fully Diluted Shares because the conversion price of those Convertible Notes (\$18.10 per Share) exceeds the offer price of \$9.50 per Share. Elliott Associates and its affiliated funds beneficially own, as of October 1, 2008, 6,065,000 Shares (which amount excludes the 1,588,581 Shares reserved for issuance upon the conversion of the \$28,746,978 of Convertible Notes beneficially owned by Elliott Associates and its affiliated funds, which we do not expect to be converted into Shares in connection with the Offer) representing approximately 9.83% of the Fully Diluted Shares. Accordingly, we believe that the Minimum Tender Condition would be satisfied if approximately 24,774,160 Shares are validly tendered pursuant to the Offer and not withdrawn. We may, by providing 5 days business days’ (as defined below) written notice, increase the number of Shares required to be tendered to satisfy the Minimum Tender Condition to 30,334,861 Shares by including the 11,121,403 Shares reserved for issuance upon the conversion of the \$201,253,022 of Convertible Notes that are not beneficially owned by Elliott Associates and its affiliated funds, from the foregoing calculation of the Fully Diluted Shares.

The purpose of the Offer is to acquire control of, and the entire equity interest in, the Company. We currently intend, as soon as practicable after consummation of the Offer, to seek maximum representation on the Board of Directors of the Company (the “**Company Board**”) and to seek to have the Company consummate the Merger. Under Delaware Law, if we acquire, pursuant to the Offer or otherwise, at least 90% of the outstanding Shares, we would be able to approve the Merger or other business combination without a vote of the Company Board or other stockholders.

If we do not acquire at least 90% of the outstanding Shares, we will have to seek approval of the Merger or other business combination by the Company’s stockholders. Approval of the Merger or other business combination requires the affirmative vote of holders of a majority of the outstanding Shares. Pursuant to such Merger or other business combination, outstanding Shares not owned by Elliott Associates or any of its affiliated funds or subsidiaries (including us) would be converted into the right to receive cash in an amount equal to the price per Share paid pursuant to the Offer.

Elliott Associates and the Purchaser are seeking to negotiate a business combination with the Company. Subject to applicable law, the Purchaser reserves the right to amend the Offer (including amending the number of Shares to be purchased, the offer price and the consideration to be offered in the Merger) upon entering into a merger agreement with the Company, or to negotiate a merger agreement with the Company not involving a tender offer pursuant to which the Purchaser would terminate the Offer and the Shares would, upon consummation of such merger, be converted into the consideration negotiated by Elliott Associates, the Purchaser and the Company.

The Company has never paid a cash dividend on the Shares. If we acquire control of the Company, we currently intend that no dividends will be declared on the Shares prior to the acquisition by the Purchaser of the entire equity interest in the Company.

This Offer to Purchase does not constitute a solicitation of a proxy, consent or authorization for or with respect to any meeting of, or action by written consent by, the Company’s stockholders. Any such solicitation will be made only pursuant to a separate proxy solicitation and/or consent solicitation materials complying with the requirements of Section 14(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

This Offer to Purchase and the related Letter of Transmittal contain important information, and you should carefully read both in their entirety before you make a decision with respect to the Offer.

THE OFFER

1. Terms of the Offer.

Upon the terms and subject to the conditions set forth in the Offer, we will accept for payment and pay for all Shares that are validly tendered and not withdrawn on or prior to the Expiration Date. “**Expiration Date**” means 11:59 P.M., New York City time, on Wednesday, November 12, 2008, unless extended, in which event “**Expiration Date**” means the latest time and date at which the Offer, as so extended, shall expire.

The Offer is subject to the conditions set forth in “Section 14—Conditions of the Offer”, which include, among other things, satisfaction of the Minimum Tender Condition, the Rights Condition and the Section 203 Condition. If any condition is not satisfied, we may (i) terminate the Offer, and therefore not accept for payment or pay for any Shares, and return all tendered Shares to tendering stockholders, (ii) extend the Offer and, subject to withdrawal rights as set forth in “Section 4—Withdrawal Rights”, retain all such Shares until the expiration of the Offer as so extended, (iii) waive all conditions to the Offer that remain unsatisfied and, subject to any requirement to extend the period of time during which the Offer is open, purchase all Shares validly tendered and not withdrawn on or prior to the Expiration Date, or (iv) delay acceptance for payment or payment for Shares, subject to applicable law, until satisfaction or waiver of the conditions to the Offer.

Subject to any applicable rules and regulations of the SEC, the Purchaser expressly reserves the right (but will not be obligated), in its sole discretion, at any time and from time to time, to extend the period during which the Offer is open for any reason by giving oral or written notice of the extension to the Depositary and by making a public announcement of the extension. During any extension, all Shares previously tendered and not withdrawn will remain subject to the Offer and subject to the right of a tendering stockholder to withdraw such Shares.

Subject to any applicable rules and regulations of the SEC (including Rule 14e-1(c) under the Exchange Act), the Purchaser expressly reserves the right to (i) terminate or amend the Offer if any of the conditions set forth in “Section 14—Conditions of the Offer” has not been satisfied or (ii) waive any condition or otherwise amend the Offer in any respect, in each case, by giving oral or written notice of such termination, waiver or amendment to the Depositary and by making a public announcement thereof. Rule 14e-1(c) under the Exchange Act requires the Purchaser to pay the consideration offered or return the Shares tendered promptly after the termination or withdrawal of the Offer.

If we decrease the percentage of Shares being sought or increase or decrease the consideration to be paid for Shares pursuant to the Offer and the Offer is scheduled to expire at any time before the expiration of a period of 10 business days from, and including, the date that notice of such increase or decrease is first published, sent or given in the manner specified below, the Offer shall be extended until the expiration of such period of 10 business days. If we make any other material change in the terms of or information concerning the Offer or waive a material condition of the Offer, we will extend the Offer, if required by applicable law, for a period sufficient to allow you to consider the amended terms of the Offer. In a published release, the SEC has stated that in its view the waiver of a condition such as the Minimum Tender Condition is a material change in the terms of an offer and that an offer should remain open for a minimum of five business days from the date a material change is first published, sent or given to stockholders, and that if a material change approaches the significance of price and share levels, a minimum of 10 business days may be required to allow adequate dissemination and investor response. “**Business day**” means any day other than Saturday, Sunday or a U.S. federal holiday and consists of the time period from 12:01 A.M. through 12:00 Midnight, New York City time.

If we increase the consideration to be paid for Shares pursuant to the Offer, we will pay such increased consideration for all Shares that are purchased pursuant to the Offer.

If we extend the Offer, are delayed in accepting for payment or paying for Shares or are unable to accept for payment or pay for Shares pursuant to the Offer for any reason, then, without prejudice to our rights under the Offer, the Depositary may, on our behalf, retain all Shares tendered, subject to the withdrawal rights described in

“Section 4—Withdrawal Rights”. Our reservation of the right to delay acceptance for payment of or payment for Shares is subject to applicable law, which requires that we pay the consideration offered or return the Shares deposited by or on behalf of stockholders promptly after the termination or withdrawal of the Offer.

Any extension, delay, termination, waiver or amendment of the Offer will be followed as promptly as practicable by a public announcement thereof. Without limiting the manner in which we may choose to make any public announcement, we will have no obligation (except as otherwise required by applicable law) to publish, advertise or otherwise communicate any such public announcement other than by making a release to the Dow Jones News Service. In the case of an extension of the Offer, we will make a public announcement of such extension no later than 9:00 A.M., New York City time, on the next business day after the previously scheduled Expiration Date.

After the expiration of the Offer, we may, but are not obligated to, include a subsequent offering period to permit additional tenders of Shares (a “**Subsequent Offering Period**”). Pursuant to Rule 14d-11 under the Exchange Act, we may include a Subsequent Offering Period so long as, among other things, (i) the Offer remained open for a minimum of 20 business days and has expired, (ii) all conditions to the Offer are satisfied or waived by us on or prior to the Expiration Date, (iii) we accept and promptly pay for all Shares validly tendered during the Offer, (iv) we announce the results of the Offer, including the approximate number and percentage of Shares deposited in the Offer, no later than 9:00 A.M., New York City time, on the next business day after the Expiration Date and immediately begin the Subsequent Offering Period and (v) we immediately accept and promptly pay for Shares as they are tendered during the Subsequent Offering Period. In addition, we may extend any initial Subsequent Offering Period, provided that the Subsequent Offering Period (including extensions) is no more than 20 business days. No withdrawal rights apply to Shares tendered in a Subsequent Offering Period, and no withdrawal rights apply during a Subsequent Offering Period with respect to Shares previously tendered in the Offer and accepted for payment. The same price paid in the Offer will be paid to stockholders tendering Shares in the Offer or in a Subsequent Offering Period, if one is included.

We do not currently intend to include a Subsequent Offering Period, although we reserve the right to do so. If we elect to include or extend a Subsequent Offering Period, we will make a public announcement of such inclusion or extension no later than 9:00 A.M., New York City time, on the next business day after the Expiration Date or date of termination of any prior Subsequent Offering Period.

We are making a request to the Company for its stockholders list and security position listings for the purpose of disseminating the Offer to holders of Shares. Upon our receipt of such lists from the Company, we will send this Offer to Purchase, the related Letter of Transmittal and other related documents to record holders of Shares and to brokers, dealers, commercial banks, trust companies and other nominees whose names appear on the stockholder list or, if applicable, who are listed as participants in a clearing agency’s security position listing for subsequent transmittal to beneficial owners of Shares.

2. Acceptance for Payment and Payment.

Upon the terms and subject to the conditions of the Offer, we will accept for payment and pay for all Shares validly tendered and not withdrawn on or prior to the Expiration Date promptly after the later of (a) the Expiration Date and (b) the satisfaction or waiver of the conditions of the Offer set forth in “Section 14—Conditions of the Offer” that are dependent upon the receipt of governmental or regulatory approvals. If we decide to provide a Subsequent Offering Period, we will immediately accept and promptly pay for Shares as they are tendered during the Subsequent Offering Period. Notwithstanding the foregoing, subject to any applicable rules and regulations of the SEC (including Rule 14(e)-1(c) under the Exchange Act), we reserve the right, in our sole discretion and subject to applicable law, to delay the acceptance for payment or payment for Shares until satisfaction of all conditions to the Offer that are dependent upon the receipt of governmental or regulatory approvals. For information with respect to approvals that we are or may be required to obtain prior to the completion of the Offer, see “Section 15—Certain Legal Matters; Regulatory Approvals”.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

We will pay for Shares accepted for payment pursuant to the Offer by depositing the purchase price with the Depository, which will act as your agent for the purpose of receiving payments from us and transmitting such payments to you. Upon the deposit of such funds with the Depository, the Purchaser's obligation to make such payment shall be satisfied, and tendering stockholders must thereafter look solely to the Depository for payment of amounts owed to them by reason of the acceptance for payment of Shares pursuant to the Offer.

In all cases (including during any Subsequent Offering Period), payment for Shares accepted for payment will be made only after timely receipt by the Depository of (i) certificates for such Shares (or of a confirmation of a book-entry transfer of such Shares into the Depository's account at the Book-Entry Transfer Facility (as defined in "Section 3—Procedure for Tendering Shares—Book-Entry Delivery")), (ii) a properly completed and duly executed Letter of Transmittal (or a manually signed facsimile thereof), with any required signature guarantees (or in connection with a book-entry transfer, an Agent's Message (as defined in "Section 3—Procedure for Tendering Shares—Book-Entry Delivery")) and (iii) any other required documents. For a description of the procedure for tendering Shares pursuant to the Offer, see "Section 3—Procedure for Tendering Shares". Accordingly, payment may be made to tendering stockholders at different times if delivery of the Shares and other required documents occurs at different times. **Under no circumstances will we pay interest on the consideration paid for Shares pursuant to the Offer, regardless of any extension of the Offer or any delay in making such payment .**

For purposes of the Offer, we shall be deemed to have accepted for payment tendered Shares when, as and if we give oral or written notice of our acceptance to the Depository.

If we do not accept for payment any Shares tendered pursuant to the Offer for any reason, or if you submit certificates for more Shares than are tendered, we will return certificates for such unpurchased or untendered Shares (or, in the case of Shares delivered by book-entry transfer, such Shares will be credited to an account maintained at the Book-Entry Transfer Facility) without expense to you, promptly following the expiration, termination or withdrawal of the Offer.

We reserve the right to transfer or assign, in whole or from time to time in part, to one or more of our affiliates the right to purchase Shares tendered pursuant to the Offer, but any such transfer or assignment will not relieve us of our obligations under the Offer or prejudice your rights to receive payment for Shares validly tendered and accepted for payment.

3. Procedure for Tendering Shares.

Valid Tender of Shares. Except as set forth below, to tender Shares in the Offer, either (i) the Depository must receive on or prior to the Expiration Date at one of its addresses set forth on the back cover of this Offer to Purchase (a) a Letter of Transmittal (or a manually signed facsimile thereof), properly completed and signed, together with any required signature guarantees, or an Agent's Message in connection with a book-entry delivery of Shares, and any other documents that the Letter of Transmittal requires, and (b) certificates for the Shares to be tendered or confirmation of the book-entry transfer of such Shares into the Depository's account at the Book-Entry Transfer Facility or (ii) you must comply with the guaranteed delivery procedures set forth below.

The method of delivery of Shares, the Letter of Transmittal and all other required documents, including through the Book-Entry Transfer Facility, is at the election and risk of the tendering stockholder and delivery will be deemed made only when actually received by the Depository. If certificates for Shares are sent by mail, we recommend registered mail with return receipt requested, properly insured, in time to be received on or prior to the Expiration Date. In all cases, sufficient time should be allowed to ensure timely delivery.

The tender of Shares pursuant to any one of the procedures described above will constitute your acceptance of the Offer, as well as your representation and warranty that (i) you own the Shares being tendered, (ii) you have the full power and authority to tender, sell, assign and transfer the Shares tendered, as specified in the Letter of

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

Transmittal and (iii) when the Shares are accepted for payment by us, we will acquire good and unencumbered title thereto, free and clear of any liens, restrictions, charges or encumbrances and not subject to any adverse claims. Our acceptance for payment of Shares tendered by you pursuant to the Offer will constitute a binding agreement between us with respect to such Shares, upon the terms and subject to the conditions of the Offer.

Book-Entry Delivery. The Depository will establish an account with respect to the Shares for purposes of the Offer at The Depository Trust Company (the “**Book-Entry Transfer Facility**”) within two business days after the date of this Offer to Purchase. Any financial institution that is a participant in the system of the Book-Entry Transfer Facility may deliver Shares by causing the Book-Entry Transfer Facility to transfer such Shares into the Depository’s account in accordance with the procedures of the Book-Entry Transfer Facility. However, although delivery of Shares may be effected through book-entry transfer, either the Letter of Transmittal (or a manually signed facsimile thereof) properly completed and duly executed together with any required signature guarantees or an Agent’s Message in lieu of the Letter of Transmittal and any other required documents must, in any case, be received by the Depository at one of its addresses set forth on the back cover of this Offer to Purchase on or prior to the Expiration Date, or the guaranteed delivery procedure described below must be complied with. “**Agent’s Message**” means a message transmitted by the Book-Entry Transfer Facility to, and received by, the Depository and forming a part of a book-entry confirmation stating that the Book-Entry Transfer Facility has received an express acknowledgment from the participant in the Book-Entry Transfer Facility tendering the Shares that are the subject of such book-entry confirmation that such participant has received and agrees to be bound by the terms of the Letter of Transmittal and that we may enforce that agreement against the participant.

Required documents must be transmitted to and received by the Depository at one of its addresses set forth on the back cover page of this Offer to Purchase. Delivery of the Letter of Transmittal and any other required documents to the Book-Entry Transfer Facility does not constitute delivery to the Depository.

Signature Guarantees. All signatures on a Letter of Transmittal must be guaranteed by a financial institution (including most banks, savings and loan associations and brokerage houses) that is a member of a recognized Medallion Program approved by The Securities Transfer Association Inc., including the Securities Transfer Agents Medallion Program (STAMP), the Stock Exchange Medallion Program (SEMP) and the New York Stock Exchange, Inc. Medallion Signature Program (MSP) or any other “eligible guarantor institution” (as such term is defined in Rule 17Ad-15 under the Exchange Act) (each, an “**Eligible Institution**”), unless the Shares tendered are tendered (a) by a registered holder of Shares who has not completed the box labeled “Special Payment Instructions” on the Letter of Transmittal or (b) for the account of an Eligible Institution. See Instructions 1 and 5 of the Letter of Transmittal.

Guaranteed Delivery. If you wish to tender Shares pursuant to the Offer and cannot deliver such Shares and all other required documents to the Depository on or prior to the Expiration Date or cannot complete the procedure for delivery by book-entry transfer on a timely basis, you may nevertheless tender such Shares if all of the following conditions are met:

- such tender is made by or through an Eligible Institution;
 - a properly completed and duly executed Notice of Guaranteed Delivery in the form provided by us with the Offer to Purchase is received by the Depository (as provided below) on or prior to the Expiration Date; and
 - the certificates for such Shares (or a confirmation of a book-entry transfer of such Shares into the Depository’s account at the Book-Entry Transfer Facility), together with a properly completed and duly executed Letter of Transmittal (or a manually signed facsimile thereof) together with any required signature guarantee (or an Agent’s Message) and any other required documents, are received by the Depository within three NASDAQ trading days after the date of execution of the Notice of Guaranteed Delivery.
-

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

The Notice of Guaranteed Delivery may be delivered by hand or transmitted by facsimile transmission or mail to the Depositary and must include a guarantee by an Eligible Institution in the form set forth in such Notice.

Backup U.S. Federal Income Tax Withholding. Under the U.S. federal income tax laws, the Depositary generally will be required to withhold at the applicable backup withholding rate (currently 28%) from any payments made pursuant to the Offer unless you provide the Depositary with your correct taxpayer identification number and certify that you are not subject to such backup withholding by completing the Substitute Form W-9 included in the Letter of Transmittal or otherwise establish that you are exempt from backup withholding. If you are a nonresident alien or foreign entity, you generally will not be subject to backup withholding if you certify your foreign status on the appropriate Internal Revenue Service Form W-8.

Appointment of Proxy. By executing a Letter of Transmittal, you irrevocably appoint our designees as your attorneys-in-fact and proxies in the manner set forth in the Letter of Transmittal to the full extent of your rights with respect to the Shares tendered and accepted for payment by us (and any and all other Shares or other securities issued or issuable in respect of such Shares on or after the date of this Offer to Purchase). All such powers of attorney and proxies are irrevocable and coupled with an interest in the tendered Shares. Such appointment is effective only upon our acceptance for payment of such Shares. Upon such acceptance for payment, all prior powers of attorney and proxies and consents granted by you with respect to such Shares and other securities will, without further action, be revoked, and no subsequent powers of attorney or proxies may be given nor subsequent written consents executed (and, if previously given or executed, will cease to be effective). Upon such acceptance for payment, our designees will be empowered to exercise all your voting and other rights as they, in their sole discretion, may deem proper at any annual, special or adjourned meeting of the Company's stockholders, by written consent or otherwise. We reserve the right to require that, in order for Shares to be validly tendered, immediately upon our acceptance for payment of such Shares, we are able to exercise full voting rights with respect to such Shares and other securities (including voting at any meeting of stockholders then scheduled or acting by written consent without a meeting).

The foregoing powers of attorney and proxies are effective only upon acceptance for payment of Shares pursuant to the Offer. The Offer does not constitute a solicitation of proxies, absent a purchase of Shares, for any meeting of the Company's stockholders.

Determination of Validity. We will determine, in our sole discretion, all questions as to the form of documents and the validity, eligibility (including time of receipt) and acceptance for payment of any tender of Shares, and our determination shall be final and binding. We reserve the absolute right to reject any or all tenders of Shares that we determine not to be in proper form or the acceptance for payment of or payment for which may, in the opinion of our counsel, be unlawful. We also reserve the absolute right to waive any defect or irregularity in any tender of Shares. No tender of Shares will be deemed to have been validly made until all defects and irregularities with respect to such tender have been cured or waived. None of the Purchaser, Elliott Associates, the Depositary, the Information Agent or any other person will be under any duty to give notification of any defect or irregularity in tenders or waiver of any such defect or irregularity or incur any liability for failure to give any such notification. The Purchaser's interpretation of the terms and conditions of the Offer (including the Letter of Transmittal and the instructions thereto) will be final and binding.

4. Withdrawal Rights.

Except as described in this Section 4, tenders of Shares made in the Offer are irrevocable. You can withdraw some or all of the Shares that you previously tendered in the Offer at any time prior to the Expiration Date and, unless theretofore accepted for payment as provided herein, tenders of Shares may also be withdrawn after December 13, 2008.

If we extend the period of time during which the Offer is open, are delayed in accepting for payment or paying for Shares or are unable to accept for payment or pay for Shares pursuant to the Offer for any reason,

then, without prejudice to our rights under the Offer, the Depositary may, on our behalf, retain all Shares tendered, and such Shares may not be withdrawn, except as otherwise provided in this Section 4.

For your withdrawal to be effective, a written, telegraphic or facsimile transmission notice of withdrawal with respect to the Shares must be timely received by the Depositary at one of its addresses set forth on the back cover of this Offer to Purchase, and the notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name of the registered holder of Shares, if different from that of the person who tendered such Shares. If the Shares to be withdrawn have been delivered to the Depositary, a signed notice of withdrawal with (except in the case of Shares tendered by an Eligible Institution) signatures guaranteed by an Eligible Institution must be submitted before the release of such Shares. In addition, such notice must specify, in the case of Shares tendered by delivery of certificates, the serial numbers shown on the specific certificates evidencing the Shares to be withdrawn or, in the case of Shares tendered by book-entry transfer, the name and number of the account at the Book-Entry Transfer Facility to be credited with the withdrawn Shares. Withdrawals may not be rescinded, and Shares withdrawn will thereafter be deemed not validly tendered. However, withdrawn Shares may be re-tendered at any time before the Expiration Date (or during the Subsequent Offering Period, if any) by again following any of the procedures described in “Section 3—Procedure for Tendering Shares”.

If we provide a Subsequent Offering Period following the Offer, no withdrawal rights will apply to Shares tendered during such Subsequent Offering Period or to Shares previously tendered in the Offer and accepted for payment.

We will determine, in our sole discretion, all questions as to the form and validity (including time of receipt) of any notice of withdrawal, and our determination shall be final and binding. None of the Purchaser, Elliott Associates, the Depositary, the Information Agent or any other person will be under any duty to give notification of any defect or irregularity in any notice of withdrawal or waiver of any such defect or irregularity or incur any liability for failure to give any such notification.

5. Material U.S. Federal Income Tax Considerations.

The following discussion summarizes material U.S. federal income tax consequences to U.S. holders who exchange Shares pursuant to the Offer or during a Subsequent Offering Period, and is based upon present law (which may change, possibly with retroactive effect). Due to the individual nature of tax consequences, you are urged to consult your tax advisors as to the specific tax consequences to you of the exchange of Shares pursuant to the Offer or during a Subsequent Offering Period, including the effects of applicable state, local and other tax laws. The following discussion applies only if you hold your Shares as a capital asset and may not apply if you acquired your Shares pursuant to the exercise of stock options, you are not a citizen or resident of the United States or you are a person otherwise subject to special tax treatment under the Internal Revenue Code of 1986, as amended (the “Code”).

Your exchange of Shares pursuant to the Offer or during a Subsequent Offering Period will be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under applicable state, local and other tax laws. In general, if you exchange Shares pursuant to the Offer or during a Subsequent Offering Period, you will recognize gain or loss equal to the difference between the adjusted tax basis of your Shares and the amount of cash received in exchange therefor (determined before the deduction of any backup withholding tax). Gain or loss will be determined separately for each block of Shares (i.e., Shares acquired for the same cost in a single transaction) exchanged pursuant to the Offer or during a Subsequent Offering Period. Such gain or loss generally will be capital gain or loss and generally will be long-term capital gain or loss if your holding period for the Shares is more than one year as of the date of the exchange of such Shares. Long-term capital gains of noncorporate taxpayers generally are subject to U.S. federal income tax at a maximum tax rate of 15%. The deduction of capital losses is subject to limitations.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

A stockholder whose shares are exchanged in the Offer or during a Subsequent Offering may be subject to backup withholding unless certain information is provided to the Depository or an exemption applies. See “Section 3—Procedure for Tendering Shares—Backup U.S. Federal Income Tax Withholding”.

6. Price Range of Shares; Dividends.

The Shares are listed and principally traded on the NASDAQ Global Select Market under the symbol “EPIC”. The following table sets forth for the periods indicated the high and low sales prices per Share on the NASDAQ Global Select Market as reported in published financial sources:

	High	Low
2007		
First Quarter	\$ 14.50	\$ 12.66
Second Quarter	\$ 15.58	\$ 13.55
Third Quarter	\$ 15.00	\$ 11.98
Fourth Quarter	\$ 14.04	\$ 10.48
2008		
First Quarter	\$ 12.65	\$ 10.11
Second Quarter	\$ 11.54	\$ 6.85
Third Quarter	\$ 8.83	\$ 6.08
Fourth Quarter (through October 14, 2008)	\$ 8.93	\$ 6.08

According to the Company’s publicly available documents, the Company has never paid a cash dividend on the Shares. If we acquire control of the Company, we currently intend that no dividends will be declared on the Shares prior to acquisition by us of the entire equity interest in the Company.

On September 30, 2008, the last full trading day before the public disclosure of the proposal of Elliott Associates and Elliott International, L.P. to acquire the Company, the last reported sales price of the Shares reported on the NASDAQ Global Select Market was \$7.89 per Share. On October 14, 2008, the last full trading day before the date of this Offer to Purchase, the last reported sales price of the Shares reported on the NASDAQ Global Select Market was \$6.80 per Share. **Please obtain a recent quotation for your Shares prior to deciding whether or not to tender.**

7. Possible Effects of the Offer on the Market for the Shares; NASDAQ Global Select Market Listing; Registration under the Exchange Act; Margin Regulations.

Possible Effects of the Offer on the Market for the Shares. If the Offer is consummated but the Merger does not take place, the number of stockholders, and the number of Shares that are still in the hands of the public, may be so small that there will no longer be an active or liquid public trading market (or possibly any public trading market) for Shares held by stockholders other than the Purchaser. We cannot predict whether the reduction in the number of Shares that might otherwise trade publicly would have an adverse or beneficial effect on the market price for, or marketability of, the Shares or whether such reduction would cause future market prices to be greater or less than the price paid in the Offer. If the Merger is consummated, stockholders not tendering their Shares in the Offer (other than those properly exercising their appraisal rights) will receive the same amount per Share as they would have received had they tendered their Shares in the Offer. Therefore, if the Merger takes place, the only difference between tendering and not tendering Shares in the Offer is that tendering stockholders will be paid earlier.

NASDAQ Global Select Market Listing. Depending upon the number of Shares purchased pursuant to the Offer (including any Subsequent Offering Period), the Shares may no longer meet the standards for continued listing on the NASDAQ Global Select Market. According to NASDAQ’s published guidelines, the Shares would not meet the criteria for continued listing on the NASDAQ Global Select Market if, among other things, the

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

number of publicly held Shares was less than 750,000, the aggregate market value of the publicly held Shares was less than \$5,000,000 or there were fewer than two market makers for the Shares. If, as a result of the purchase of the Shares pursuant to the Offer (including any Subsequent Offering Period), the Shares no longer meet these criteria, the listing of Shares on the NASDAQ Global Select Market would be discontinued and the market for the Shares could be adversely affected. In the event the Shares were no longer listed on the NASDAQ Global Select Market, price quotations for the Shares might still be available from other sources. The extent of the public market for the Shares and availability of such quotations would, however, depend upon such factors as the number of holders and/or the aggregate market value of the publicly held Shares at such time, the interest in maintaining a market in the Shares on the part of securities firms, the possible termination of registration of the Shares under the Exchange Act and other factors.

Registration under the Exchange Act. The Shares are currently registered under the Exchange Act. The purchase of the Shares pursuant to the Offer (including any Subsequent Offering Period) may result in the Shares becoming eligible for deregistration under the Exchange Act. Registration may be terminated upon application of the Company to the SEC if the Shares are neither listed on a national securities exchange nor held by 300 or more holders of record. Termination of the registration of the Shares under the Exchange Act, assuming there are no other securities of the Company subject to registration, would substantially reduce the information required to be furnished by the Company to holders of Shares and to the SEC and would make certain of the provisions of the Exchange Act, such as the short-swing profit recovery provisions of Section 16(b), the requirement to furnish a proxy statement pursuant to Section 14(a) in connection with a stockholder's meeting and the related requirement to furnish an annual report to stockholders and the requirements of Rule 13e-3 under the Exchange Act with respect to "going private" transactions, no longer applicable to the Company. Furthermore, "affiliates" of the Company and persons holding "restricted securities" of the Company may be deprived of the ability to dispose of such securities pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended. If registration of the Shares under the Exchange Act were terminated, the Shares would no longer be "margin securities" or eligible for listing or reporting on the NASDAQ Global Select Market. If the purchase of the Shares pursuant to the Offer (including any Subsequent Offering Period) results in the Shares becoming eligible for deregistration under the Exchange Act, it would be our intention to cause the Company to terminate registration of the Shares under the Exchange Act as soon after consummation of the Offer as the requirements for termination of registration of the Shares are met.

If registration of the Shares under the Exchange Act is not terminated prior to the Merger, then the registration of the Shares under the Exchange Act and the listing of the Shares on the NASDAQ Global Select Market will be terminated following the completion of the Merger.

Margin Regulations. The Shares are currently "margin securities" under the regulations of the Board of Governors of the Federal Reserve System (the "**Federal Reserve Board**"), which has the effect, among other things, of allowing brokers to extend credit on the collateral of such Shares. Depending upon factors similar to those described above regarding listing and market quotations, following the purchase of Shares pursuant to the Offer the Shares might no longer constitute "margin securities" for the purposes of the Federal Reserve Board's margin regulations and, therefore, could no longer be used as collateral for loans made by brokers.

The telephone number of its principal executive offices is (212) 506-2999. The principal business of Elliott Associates is to purchase, sell, trade and invest in securities. Founded in 1977, the Elliott Funds are one of the oldest hedge funds under continuous management. The Elliott Funds' investors include large institutions, high-net-worth individuals and families, and employees of the Elliott Funds. The name, business address, current principal occupation or employment, five-year employment history and citizenship of each executive officer and controlling person, as applicable, of Elliott Associates and the Purchaser and certain other information are set forth on Schedule I hereto.

Collectively, the Elliott Funds beneficially own as of October 1, 2008 6,065,000 Shares (which amount excludes the 1,588,581 Shares reserved for issuance upon the conversion of the \$28,746,978 of Convertible Notes beneficially owned by the Elliott Funds), constituting approximately 10.2% of all of the outstanding Shares, all of which were acquired in ordinary market transactions between June 2008 and September 24, 2008.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

Below is a table summarizing the purchases of Shares by the Elliott Funds during the 60 days prior to the date of the Offer:

	Transaction			
	Name of Purchasing	Executed	Number of Shares	Price per Share

18-Aug-2008	Elliott International, L.P.	Electronic Trade	9,000	\$ 7.869600
24-Sep-2008	Elliott Associates	Broker	440,000	\$ 8.200000
24-Sep-2008	Elliott International, L.P.	Broker	660,000	\$ 8.200000

Except as set forth above or elsewhere in this Offer to Purchase: (a) none of the Purchaser, Elliott Associates, the persons listed in Schedule I hereto or any associate or majority-owned subsidiary of Elliott Associates, the Purchaser or of any of the persons so listed, beneficially owns or has a right to acquire any Shares or any other equity securities of the Company; (b) none of Elliott Associates, the Purchaser or the persons or entities referred to in clause (a) above has effected any transaction in the Shares or any other equity securities of the Company during the past 60 days; (c) none of Elliott Associates, the Purchaser or the persons listed in Schedule I to this Offer to Purchase, has any agreement, arrangement or understanding, whether or not legally enforceable, with any other person with respect to any securities of the Company (including, but not limited to, any agreement, arrangement or understanding concerning the transfer or voting of any such securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss, or the giving or withholding of proxies, consents or authorizations); (d) during the two years before the date of this Offer to Purchase, there have been no transactions between Elliott Associates, the Purchaser, their subsidiaries or any of the persons listed in Schedule I to this Offer to Purchase, on the one hand, and the Company or any of its executive officers, directors, controlling persons or affiliates, on the other hand, that would require reporting under SEC rules and regulations; (e) during the two years before the date of this Offer to Purchase, there have been no contacts, negotiations or transactions between Elliott Associates, the Purchaser, their subsidiaries or any of the persons listed in Schedule I to this Offer to Purchase, on the one hand, and the Company or any of its subsidiaries or affiliates, on the other hand, concerning a merger, consolidation or acquisition, a tender offer for or other acquisition of securities, an election of directors or a sale or other transfer of a material amount of assets; (f) none of Elliott Associates, the Purchaser or the persons listed in Schedule I to this Offer to Purchase has been convicted in a criminal proceeding during the past five years (excluding traffic violations or similar misdemeanors); and (g) none of Elliott Associates, the Purchaser or the persons listed in Schedule I to this Offer to Purchase has been a party to any judicial or administrative proceeding during the past five years (except for matters that were dismissed without sanction or settlement) that resulted in a judgment, decree or final order enjoining that person from future violations of, or prohibiting activities subject to, federal or state securities laws or a finding of any violation of federal or state securities laws.

We do not believe our financial condition or the financial condition of Elliott Associates is relevant to your decision whether to tender your Shares and accept the Offer because (i) the Offer is being made for all outstanding Shares solely for cash, (ii) consummation of the Offer is not conditioned upon any financing arrangements or subject to a financing condition, (iii) if we consummate the Offer, we expect to acquire all remaining Shares for the same cash price in the Merger and (iv) Elliott Associates has, and will arrange for us to have, sufficient funds to purchase all outstanding Shares pursuant to the Offer and the Merger and to pay related fees and expenses.

10. Source and Amount of Funds.

According to the Company 10-Q, as of August 1, 2008 there were outstanding 59,573,711 Shares and according to the Company 10-K, as of December 31, 2007, there were outstanding no shares of preferred stock and stock options to purchase approximately 2,104,607 Shares. Therefore, we have assumed the purchase of 55,613,318 Shares, which amount includes: (i) all 53,508,711 Shares outstanding as of August 1, 2008 other than the 6,065,000 Shares beneficially owned by the Elliott Funds and (ii) stock options outstanding as of December 31, 2007 with respect to 2,104,607 Shares. The 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes have been excluded from this calculation because the conversion price of those Convertible Notes (\$18.10 per Share) exceeds the offer price of \$9.50 per Share. Based upon the foregoing, we will need approximately \$529 million (the "**Purchase Price**") to acquire the Company pursuant to the Offer and the Merger and to pay related fees and expenses. Elliott Associates expects to contribute or otherwise advance to us the funds necessary to consummate the Offer and the Merger and to pay the related fees and expenses. It is anticipated that all of such funds will be obtained from Elliott Associates' working capital or from alternative sources of debt or equity financing. While we have had discussions with third parties concerning such alternative financing, we have not entered into any agreement with respect to any such alternative financing as of the date of the Offer.

The Offer is not conditioned upon any financing arrangements or subject to a financing condition and shall not be so conditioned in the event that we elect to seek financing for all or a portion of the Purchase Price. The Purchaser is aware that the consummation of the Offer would, absent a waiver from the Company's lenders, constitute an Event of Default (as defined in the Credit Agreement (as defined below)) under the Credit Agreement and the Administrative Agent (as defined in the Credit Agreement) shall, at the request of, or may, with the consent of the Requisite Lenders (as defined in the Credit Agreement), declare all amounts of principal and interest payable by the Company under the Credit Agreement due and payable immediately. The Purchaser is also aware that the consummation of the Offer would constitute a Fundamental Change (as defined in the First Supplemental Indenture (as defined below)) and all holders of Convertible Notes issued by the Company would have the right to require the Company to repurchase all of such Convertible Notes at par value, plus any accrued and unpaid interest. If and to the extent necessary, the Purchaser expects to seek replacement financing for the Company's indebtedness under the Credit Agreement and Convertible Notes, but Elliott Associates is prepared to provide such financing in the event that no third party replacement financing is available.

11. Background of the Offer.

The Elliott Funds have been stockholders of the Company since June 2008 and, collectively, beneficially own as of October 1, 2008, 6,065,000 Shares (which amount excludes the 1,588,581 Shares reserved for issuance upon the conversion of the \$28,746,978 of Convertible Notes beneficially owned by the Elliott Funds) constituting approximately 10.2% of all of the outstanding Shares, all of which were acquired in ordinary market transactions between June 2008 and September 24, 2008.

From time to time since their initial investment in the Company, as part of the ordinary course monitoring of investments by the Elliott Funds, representatives of the Elliott Funds have communicated with management and directors of the Company on an informal basis to discuss the financial performance and prospects of the Company. On August 6, 2008, Mr. Jesse A. Cohn, Portfolio Manager of Elliott Associates, met Mr. Damon Wright, Head of Investor Relations of the Company, and Mr. Thomas Kelly, President and Chief Executive Officer of the Company, to discuss the Company's growth, cost structure, operating expenses, research and development, guidance and asked whether the Company had considered any strategic alternatives.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

On August 18, 2008, Elliott Associates filed a Schedule 13D with the SEC indicating that it had made inquiries as to whether the Company had considered strategic alternatives.

On August 20, 2008, Mr. Cohn sent a letter to the Company Board expressing the Elliott Funds' view that it was the time to begin a process to sell the Company (the "**August 20 Letter**").

On August 22, 2008, Elliott Associates filed a Schedule 13D/A with the SEC that referred to the August 20 Letter.

On August 25, 2008, Elliott Associates received a written response, dated August 22, 2008, from the Company regarding its receipt of the August 20 Letter. Thereafter, Mr. Cohn spoke with Mr. Kelly, who agreed to be responsive to Elliott Associates' inquiries and suggestions. Mr. Kelly and Mr. Cohn agreed to negotiate a non-disclosure agreement (the "**NDA**") to initiate discussions between the Company and Elliott Associates.

On September 11, 2008, Mr. Cohn met with Mr. Kelly to discuss the NDA. However, following discussions among their respective legal counsel, the Company and Elliott Associates were not able to reach agreement on the NDA.

On September 18, 2008, Elliott Associates filed a Schedule 13D/A with the SEC evidencing its recent purchases of additional Shares. Mr. Cohn and Mr. Kelly had a telephone conversation, during which Mr. Cohn expressed disappointment that they were not able to reach an agreement on the NDA and begin discussions with the Company.

On September 22, 2008, Mr. Cohn spoke to Mr. L. George Klaus, Executive Chairman of the Company Board, and asked to meet with Mr. Klaus and the Company Board in person to discuss strategic alternatives for the Company. Mr. Klaus offered to meet with Mr. Cohn and the Company Board on October 24, 2008, but Mr. Cohn requested an earlier date. Mr. Klaus said that he would discuss the matter with the Company Board and respond to Mr. Cohn at a later date.

On September 25, 2008, Elliott Associates filed a Schedule 13D/A with the SEC evidencing its recent purchases of additional Shares.

On September 29, 2008, Mr. Klaus called Mr. Cohn and stated that the Company Board believed that a meeting with Elliott Associates was premature because the Company was releasing new software, an industry conference was coming up and the Company was going to release its earnings for the quarter soon. Mr. Cohn expressed his disappointment with the Company's reluctance to discuss strategic alternatives with Elliott Associates and indicated that Elliott Associates was interested in working with the Company and Mr. Klaus.

On October 1, 2008, the Elliott Funds publicly announced their offer to acquire the Company for a price of \$9.50 per Share in cash. The text of the letter sent to the Company and filed with the SEC in a Schedule 13D/A on October 1, 2008 (the "**October 1 Letter**"), is reproduced below:

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

October 1, 2008

The Board of Directors

Epicor Software Corporation

18200 Von Karman Ave. , Suite 1000

Irvine, California 92612

Dear Members of the Board of Directors:

I am writing to you on behalf of Elliott Associates, L.P. and Elliott International, L.P. (collectively, "Elliott" or "we"), which collectively own 10.2% of the common stock and \$28.7 million of the convertible notes of Epicor Software Corporation (the "Company" or "Epicor").

As you are aware, we have made numerous requests to the Company's executives and board of directors asking that the Company commence a process to explore strategic alternatives. Unfortunately, each of these requests has been denied.

Nevertheless, Elliott is prepared, based upon our review of publicly available information, to offer to acquire 100% of the Company's outstanding shares for a price of \$9.50 per share in cash. This represents a 20% premium to yesterday's closing share price and a 25% premium to the trailing 60-day volume-weighted average price. Note that it is our strong belief that Epicor's recent stock price has been supported in part by public disclosure of Elliott's holdings in the Company.

Our offer is compelling. It will provide stockholders with immediate, quantifiable value, and would be subject only to customary closing conditions. Given the execution and competitive challenges faced by the Company, we believe our proposal presents an extremely attractive alternative for stockholders. As Elliott has more than \$14 billion of capital under management, our acquisition of the Company can be completed using only our own funds and will not be subject to any financing condition.

Additionally, if granted access to diligence, we believe we could potentially improve upon our offer to stockholders. Thus far, however, the Board has prohibited such access.

We are ready to meet with your senior management to present our offer in greater detail and to begin work on a merger agreement. Our offer is subject to the execution of a definitive agreement, which we are confident can be accomplished on an expedited basis.

We believe your cooperation in effecting a transaction will maximize the benefits to Epicor, its stockholders and other constituencies. We hope to receive a favorable response from you promptly.

As one of your largest stockholders, we personally thank the employees of Epicor for their hard work and look forward to working together to maximize the value of the Company's technology in the near future.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

Shortly after sending the October 1 Letter, Mr. Cohn called Mr. Klaus and stated that Elliott Associates encouraged the Company Board to allow Elliott Associates to conduct due diligence on the Company to evaluate whether a friendly acquisition was possible and emphasized that a protracted contest for control of the Company between Elliott Associates and the Company Board was not in the best interests of the Company or its employees. Mr. Cohn also stated during the conversation that Elliott Associates was committed to the Company and would prefer to work constructively with the Company Board. Mr. Klaus indicated that the Company Board would evaluate Elliott Associates' proposal and respond to Mr. Cohn quickly.

On October 4, 2008, Mr. Cohn spoke with Mr. Kelly and re-iterated Elliott Associates' request to conduct due diligence on the Company and meet with the Company Board to discuss Elliott Associates' proposal to acquire the Company. Mr. Kelly replied that this would require a decision by the Company Board and that he would discuss this with the Company Board and respond to Mr. Cohn shortly.

On October 6, 2008 and October 8, 2008, Mr. Cohn had conversations with a representative of UBS Investment Bank, financial advisor to the Company, each time restating his request to conduct due diligence on the Company.

On October 7, 2008, Mr. Cohn spoke with Mr. Klaus and requested an update on the status of his discussions with the Company Board. Mr. Klaus replied that the Company would respond to Elliott Associates' offer and request to conduct due diligence by October 15, 2008.

On October 13, 2008, Mr. Kelly informed Mr. Cohn that the Company's response to Elliott Associates' proposal would be forthcoming shortly. The Company then published the following letter rejecting Elliott Associates' proposal:

October 13, 2008

Mr. Jesse Cohn

Elliott & Associates, L.P.

712 Fifth Avenue

New York, NY 10019

Dear Mr. Cohn:

We have reviewed your proposal regarding Epicor Software Corporation. After careful consideration with our independent financial and legal advisors, the Board of Directors has unanimously determined not to pursue your proposal. Given the unsettled capital markets and our current product roadmap, we have only one focus at Epicor and that is to deliver value to our shareholders and customers.

As you know from our discussions, we have a robust roadmap of products planned over the next 18 to 24 months, including the launch of Epicor 9 in the fourth quarter of 2008 and continuing enhancements in support of existing customers. With our current and planned ERP business software and retail solutions, we believe we have a great opportunity to further establish Epicor as a clear leader in the midmarket and generate growth for the Company across the board. We have made significant investments into what we believe will be a top ERP solution of choice for all of the focused vertical markets we serve. We believe Epicor 9 will provide excellent opportunities for license growth acceleration in new markets which we plan to address as well as in our installed base of more than 20,000 customers worldwide.

The members of the Epicor Board of Directors take their responsibilities to Epicor shareholders extremely seriously. We remain committed to the goal of optimizing shareholder value.

Sincerely,

Thomas F. Kelly

President and CEO

On October 15, 2008 we commenced the Offer.

12. Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights.

Purpose of the Offer; Plans for the Company. The purpose of the Offer is to acquire control of, and the entire equity interest in, the Company. We currently intend, as soon as practicable after consummation of the Offer, to seek maximum representation on the Company Board and to request that some or all of the current members of the Company Board resign and that our designees be elected to fill the vacancies so created. Should such request be refused, we intend to take such action as may be necessary and lawful to secure control of the Company Board. In addition, we intend, as soon as practicable after consummation of the Offer, to seek to have the Company consummate the Merger. At the effective time of the Merger, the outstanding Shares not owned by Elliott Associates or its affiliated funds or subsidiaries (including us) would be converted into the right to receive cash in an amount equal to the price per Share paid pursuant to the Offer.

In addition to the Offer, we will consider taking action in connection with the Company's 2009 annual meeting. Such action may include the nomination of new directors to the Company Board and/or proposals to amend the Company's bylaws. **The Offer does not constitute a solicitation of proxies, absent a purchase of Shares, for any meeting of the Company's stockholders.** See "Section 3—Procedure for Tendering Shares—Appointment of Proxy".

If we acquire Shares pursuant to the Offer and depending upon the number of Shares so acquired and other factors relevant to our equity ownership in the Company, we may, subsequent to the consummation of the Offer, seek to acquire additional Shares through open market purchases, privately negotiated transactions, a tender or exchange offer or other transactions or a combination of the foregoing on such terms and at such prices as we shall determine, which may be different from the price paid in the Offer. We also reserve the right to dispose of Shares that we have acquired or may acquire.

Except as otherwise provided herein, it is expected that following consummation of the Offer, the business and operations of the Company will be continued substantially as they are conducted currently. We intend to conduct a review of the Company and its assets, corporate structure, capitalization, operations, properties, policies, management and personnel after the consummation of the Offer and evaluate what, if any, changes would be desirable in light of the circumstances and the strategic business portfolio of the Company. We have had and may continue to have discussions with various third parties concerning such parties' potential interest in acquiring the Company or engaging in other strategic transactions involving the Company, including having such parties join us in acquiring the Company in the event that the Company Board agrees to a merger between the Company and the Purchaser, but have not entered into any agreement with respect to any such transaction.

Except as described above or elsewhere in this Offer to Purchase, the Purchaser has no present plans or proposals that would relate to or result in an extraordinary corporate transaction involving the Company or any of its subsidiaries (such as a merger, reorganization, liquidation, relocation of any operations or sale or other transfer of a material amount of assets), any change in the Company Board or management, any material change in the Company's capitalization or indebtedness or dividend policy or any other material change in the Company's corporate structure or business.

Statutory Requirements; Approval of the Merger. Under Delaware Law, if the Section 203 Condition is satisfied, the Merger will generally require the approval of the Company Board and the holders of a majority of the outstanding Shares. If we acquire, pursuant to the Offer or otherwise, at least a majority of the outstanding Shares, we would have sufficient voting power to approve the Merger without the affirmative vote of any other stockholder of the Company. In addition, under Delaware Law, if we acquire, pursuant to the Offer or otherwise, at least 90% of the outstanding Shares, we would be able to approve the Merger without a vote of the Company Board or other stockholders. If we acquire control of the Company, we currently intend that no dividends will be declared on Shares prior to the acquisition by us of the entire equity interest in the Company.

Section 203 could significantly delay our ability to acquire the entire equity interest in the Company. In general, Section 203 prevents an "interested stockholder" (generally, a stockholder owning 15% or more of a

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

corporation's outstanding voting stock or an affiliate or associate thereof) from engaging in a "business combination" (defined to include a merger or consolidation and certain other transactions) with a Delaware corporation for a period of three years following the time on which such stockholder became an interested stockholder unless (i) prior to such time the corporation's board of directors approved either the business combination or the transaction which resulted in such stockholder becoming an interested stockholder, (ii) upon consummation of the transaction which resulted in such stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the corporation's voting stock outstanding at the time the transaction commenced (excluding Shares owned by certain employee stock plans and persons who are directors and also officers of the corporation) or (iii) at or subsequent to such time the business combination is approved by the corporation's board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66² / 3 % of the outstanding voting stock not owned by the interested stockholder.

The Offer is subject to satisfaction of the Section 203 Condition, which will be satisfied if (i) prior to the acceptance for payment of Shares pursuant to the Offer, the Company Board approves the Offer and the Merger or (ii) on or prior to the Expiration Date, there are validly tendered and not withdrawn a number of Shares which, together with the Shares then owned by us, would represent at least 85% of the Shares outstanding on the date hereof (excluding Shares owned by certain employee stock plans and persons who are directors and also officers of the Company).

We reserve the right to waive the Section 203 Condition, although there can be no assurance that we will do so, and we have not determined whether we would be willing to do so under any circumstances. If we waive such condition and purchase Shares pursuant to the Offer or otherwise and Section 203 is applicable, we may nevertheless seek to consummate the Merger. We believe we would be able to cause the consummation of the Merger if we own a majority of the outstanding Shares and (i) the Merger is approved by the Company Board and authorized at an annual or special meeting of stockholders of the Company, and not by written consent, by the affirmative vote of at least 66² / 3 % of the outstanding Shares not owned by us or our affiliates and associates; or (ii) the Merger occurs after the expiration of three years following the date we became an interested stockholder.

On the other hand, if we waive the Section 203 Condition and purchase Shares pursuant to the Offer or otherwise and are prevented by Section 203 from consummating the Merger or other business combination with the Company, we may (i) determine not to seek to consummate the Merger or other business combination with the Company, (ii) seek to acquire additional Shares in the open market, pursuant to privately negotiated transactions or otherwise, at prices that may be higher, lower or the same as the price paid in the Offer or (iii) seek to effect one or more alternative transactions with or by the Company. We have not determined whether we would take any of the actions described above under such circumstances.

We are hereby requesting that the Company Board approve the Offer and take any other action necessary to render Section 203 inapplicable to the Merger. There can be no assurance that the Company Board will grant such approval or take such other action.

The exact timing and details of the Merger will necessarily depend upon a variety of factors, including the number of Shares we acquire pursuant to the Offer. Although we currently intend to propose the Merger generally on the terms described above, it is possible that, as a result of substantial delays in our ability to effect such a transaction, actions the Company may take in response to the Offer, information we obtain hereafter, changes in general economic or market conditions or in the business of the Company or other currently unforeseen factors, such a transaction may not be so proposed, may be delayed or abandoned or may be proposed on different terms. We reserve the right not to consummate the Merger, to propose such a transaction on terms other than those described above or to propose another business combination with the Company. Specifically, we reserve the right (i) to propose consideration in the Merger consisting of securities or a combination of cash and securities and (ii) to propose consideration in such a transaction having a value more or less than the amount referred to above.

Appraisal Rights. No appraisal rights are available to holders of Shares in connection with the Offer. However, if the Merger is consummated, appraisal rights will be available to holders of Shares who demand appraisal of such holders' Shares and who have neither voted in favor of the Merger nor consented thereto in writing, and who otherwise comply with the applicable statutory procedures under Delaware Law. Each such dissenting holder will be entitled to receive a judicial determination of the fair value of such holder's Shares (exclusive of any element of value arising from the effectuation of the Merger) and to receive payment of such judicially determined amount in cash, together with interest on such amount. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the Merger and the date of payment of the judgment. Any such judicial determination of the fair value of such Shares could be based upon considerations other than or in addition to the price paid in the Offer and the market value of the Shares. Stockholders should recognize that the value so determined could be higher or lower than the per Share price paid pursuant to the Offer or the per Share price to be paid in the Merger. Moreover, the surviving corporation may argue in an appraisal proceeding that, for purposes of such a proceeding, the fair value of the Shares is less than the price paid in the Offer and the Merger.

If any holder of Shares who demands appraisal under Section 262 of Delaware Law fails to perfect, or effectively withdraws or loses her, his or its rights to appraisal as provided in Delaware Law, the Shares of such stockholder will be converted into the right to receive the price per Share paid in the Merger in accordance with the merger agreement. A stockholder may withdraw a demand for appraisal by delivering to the Company a written withdrawal of the demand for appraisal by the date set forth in the appraisal notice to be delivered to the holders of the Shares as provided in Delaware Law.

Failure to comply with the requirements of Section 262 of Delaware Law for perfecting appraisal rights may result in the loss of such rights.

The foregoing summary of the rights of dissenting stockholders under Delaware Law does not purport to be a statement of the procedures to be followed by stockholders desiring to exercise any appraisal rights under Delaware Law. The preservation and exercise of appraisal rights require strict and timely adherence to the applicable provisions of Delaware Law which will be set forth in their entirety in the proxy statement or information statement for the Merger, unless the Merger is effected as a short-form merger, in which case they will be set forth in the notice of merger. The foregoing discussion is not a complete statement of law pertaining to appraisal rights under Delaware Law and is qualified in its entirety by reference to Delaware Law.

13. Dividends and Distributions.

If, on or after the date of this Offer to Purchase, the Company should split, combine or otherwise change the Shares or its capitalization, acquire or otherwise cause a reduction in the number of outstanding Shares or issue or sell any additional Shares (other than Shares issued pursuant to, and in accordance with, the terms in effect on the date of this Offer to Purchase of employee stock options, restricted stock units or performance shares outstanding prior to such date), shares of any other class or series of capital stock, other voting securities or any securities convertible into, or options, rights, or warrants, conditional or otherwise, to acquire, any of the foregoing, then, without prejudice to our rights under "Section 14—Conditions of the Offer", we may, in our sole discretion, make such adjustments in the purchase price and other terms of the Offer as we deem appropriate, including the number or type of securities to be purchased.

If, on or after the date of this Offer to Purchase, the Company should declare or pay any dividend on the Shares or any distribution with respect to the Shares (including the issuance of additional Shares or other securities or rights to purchase any securities) that is payable or distributable to stockholders of record on a date prior to the transfer to our name or our nominee or transferee on the Company's stock transfer records of the Shares purchased pursuant to the Offer, then, without prejudice to our rights under "Section 14—Conditions of the Offer", (i) the purchase price per Share payable by us pursuant to the Offer will be reduced to the extent of

any such cash dividend or distribution and (ii) the whole of any such non-cash dividend or distribution to be received by the tendering stockholders will (a) be received and held by the tendering stockholders for our account and will be required to be promptly remitted and transferred by each tendering stockholder to the Depository for our account, accompanied by appropriate documentation of transfer or (b) be exercised for our benefit at our direction, in which case the proceeds of such exercise will promptly be remitted to us. Pending such remittance and subject to applicable law, we will be entitled to all rights and privileges as owner of any such non-cash dividend or distribution or proceeds thereof and may withhold the entire purchase price or deduct from the purchase price the amount or value thereof, as we determine in our sole discretion.

14. Conditions of the Offer.

Notwithstanding any other provision of the Offer, we are not required to accept for payment or, subject to any applicable rules and regulations of the SEC (including Rule 14e-1(c) under the Exchange Act (relating to our obligation to pay for or return tendered Shares promptly after termination or expiration of the Offer)), pay for any Shares, and may terminate or amend the Offer, if before the Expiration Date the Minimum Tender Condition, the Rights Condition or the Section 203 Condition shall not have been satisfied, any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “**HSR Act**”), or under any agreement with the Antitrust Division of the Department of Justice (the “**Antitrust Division**”) or the Federal Trade Commission (the “**FTC**”), has not expired or been terminated early, or any required notification to a relevant competition authority under any applicable foreign antitrust or merger control statute or regulation has not been deemed by such authority to be complete, any post-notification waiting period required by such foreign statute or regulation has not expired or approval from the relevant competition authority as may be required by such foreign statute or regulation has not been obtained, prior to the Expiration Date, or if, at any time on or after the date of this Offer to Purchase, and on or prior to the expiration of the Offer (or thereafter in relation to any condition dependent upon the receipt of government approvals), any of the following conditions exist:

(vii) we become aware (a) that any material contractual right of the Company or any of its subsidiaries has been or will be impaired or otherwise adversely affected or that any material amount of indebtedness of the Company or any of its subsidiaries has been accelerated or has otherwise become due or become subject to acceleration prior to its stated due date, in each case with or without notice or the lapse of time or both, as a result of or in connection with the Offer or the consummation by us or any of our subsidiaries or affiliates of the Merger or other business combination involving the Company or (b) of any covenant, term or condition in any instrument or agreement of the Company or any of its subsidiaries that, in our reasonable judgment, has or may have material adverse significance with respect to either the value of the Company or any of its affiliates or subsidiaries or the value of the Shares to us or any of our affiliates or subsidiaries (including, without limitation, any event of default that may ensue as a result of or in connection with the Offer, the acceptance for payment of or payment for some or all of the Shares by us or our consummation of the Merger or other business combination involving the Company); provided that, (a) and (b) of this Section 14(vii) shall not apply to the terms and provisions of (1) the credit agreement entered into by the Company and certain of its subsidiaries, dated as of December 16, 2007, arranged by Bank of America Securities LLC, as Sole Lead Arranger and Book Manager and with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, KeyBank National Association, as Syndication

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

Agent and a group of financial institutions, as lenders, as amended (the “**Credit Agreement**”), or (2) the first supplemental indenture, dated as of May 8, 2007, entered into by the Company with US Bank, N.A., as amended (the “**First Supplemental Indenture**”); or

(viii) any required approval, permit, authorization, extension, action or non-action, waiver or consent of any governmental authority or agency (including the matters described or referred to in “Section 15—Certain Legal Matters; Regulatory Approvals”) shall not have been obtained on terms satisfactory to the Purchaser; or

(ix) we or any of our affiliates enters into a definitive agreement or announces an agreement in principle with the Company providing for a merger or other business combination with the Company or any of its subsidiaries or the purchase of securities or assets of the Company or any of its subsidiaries, or we and the Company reach any other agreement or understanding pursuant to which it is agreed that the Offer will be terminated; or

(x) the Company or any of its subsidiaries shall have (i) granted to any person proposing a merger or other business combination with or involving the Company or any of its subsidiaries or the purchase of securities or assets of the Company or any of its subsidiaries any type of option, warrant or right which, in our reasonable judgment, constitutes a “lock-up” device (including, without limitation, a right to acquire or receive any Shares or other securities, assets or business of the Company or any of its subsidiaries) or (ii) paid or agreed to pay any cash or other consideration to any party in connection with or in any way related to any such business combination or purchase; which, in Elliott Associates’ or the Purchaser’s reasonable judgment, in any such case, and regardless of the circumstances giving rise to any such condition, makes it inadvisable to proceed with such acceptance for payment or payment.

The foregoing conditions are for the sole benefit of Elliott Associates, the Purchaser and their affiliates and may be asserted by us or Elliott Associates in our reasonable discretion or may be waived by us in our reasonable discretion in whole or in part at any time or from time to time on or prior to the Expiration Date (provided that all conditions to the Offer other than those dependent upon the receipt of government approvals must be satisfied or waived prior to expiration of the Offer). We expressly reserve the right to waive any of the conditions to the Offer and to make any change in the terms of or conditions to the Offer. Our failure at any time to exercise our rights under any of the foregoing conditions shall not be deemed a waiver of any such right. The waiver of any such right with respect to particular facts and circumstances shall not be deemed a waiver with respect to any other facts and circumstances. Each such right shall be deemed an ongoing right which may be asserted at any time or from time to time. Any determination made by us concerning the events described in this Section 14 shall be final and binding upon all parties.

15. Certain Legal Matters; Regulatory Approvals.

General. Based on our examination of publicly available information filed by the Company with the SEC, we are not aware of any governmental license or regulatory permit that appears to be material to the Company’s business that might be adversely affected by our acquisition of Shares pursuant to the Offer or, except as set forth below, of any approval or other action by any government or governmental administrative or regulatory authority or agency, domestic or foreign, that would be required for our acquisition or ownership of Shares pursuant to the Offer. Should any such approval or other action be required or desirable, we currently contemplate that, except as described below under “State Takeover Statutes”, such approval or other action will be sought. Except as described below, there is no current intent to delay the purchase of Shares tendered pursuant to the Offer pending the outcome of any such matter. We are unable to predict whether we will determine that we are required to delay the acceptance for payment of or payment for Shares tendered pursuant to the Offer pending the outcome of any such matter. There can be no assurance that any such approval or other action, if needed, would be obtained (with or without substantial conditions) or that if such approvals were not obtained or such other actions were not taken adverse consequences might not result to the Company’s business or certain parts of the

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

Company's business might not have to be disposed of, any of which could cause us to elect to terminate the Offer without the purchase of Shares thereunder. Our obligation under the Offer to accept for payment and pay for Shares is subject to the conditions set forth in "Section 14—Conditions of the Offer".

State Takeover Statutes. A number of states have adopted laws which purport, to varying degrees, to apply to attempts to acquire corporations which have substantial assets, stockholders, principal executive offices or principal places of business or whose business operations otherwise have substantial economic effects in, such states. The Company, directly or through subsidiaries, conducts business in a number of states throughout the United States, some of which may have enacted such laws. Except as described herein, we do not know whether any of these laws will, by their terms, apply to the Offer or the Merger, and we have not complied with any such laws. To the extent that certain provisions of these laws purport to apply to the Offer or the Merger, we believe that there are reasonable bases for contesting the application of such laws.

In 1982, in *Edgar v. MITE Corp.*, the Supreme Court of the United States invalidated on constitutional grounds the Illinois Business Takeover Statute which, as a matter of state securities law, made takeovers of corporations meeting certain requirements more difficult. However, in 1987, in *CTS Corp. v. Dynamics Corp. of America*, the Supreme Court held that the State of Indiana could, as a matter of corporate law, constitutionally disqualify a potential acquirer from voting shares of a target corporation without the prior approval of the remaining stockholders where, among other things, the corporation is incorporated, and has a substantial number of stockholders, in the state. Subsequently, in *TLX Acquisition Corp. v. Telex Corp.*, a U.S. federal district court in Oklahoma ruled that the Oklahoma statutes were unconstitutional as applied to corporations incorporated outside Oklahoma in that they would subject such corporations to inconsistent regulations. Similarly, in *Tyson Foods, Inc. v. McReynolds*, a U.S. federal district court in Tennessee ruled that four Tennessee takeover statutes were unconstitutional as applied to corporations incorporated outside Tennessee. This decision was affirmed by the United States Court of Appeals for the Sixth Circuit. In December 1988, a U.S. federal district court in Florida held in *Grand Metropolitan PLC v. Butterworth*, that the provisions of the Florida Affiliated Transactions Act and the Florida Control Share Acquisition Act were unconstitutional as applied to corporations incorporated outside of Florida.

If any government official, the Company or third party seeks to apply any other state takeover law (other than Section 203 of Delaware Law) to the Offer or the Merger, we will take such action as then appears desirable, which action may include challenging the applicability or validity of such statute in appropriate court proceedings. If it is asserted that one or more state takeover statutes is applicable to the Offer or the Merger and an appropriate court does not determine that it is inapplicable or invalid as applied to the Offer or the Merger, we may be required to file certain information with, or to receive approvals from, the relevant state authorities or holders of Shares, and we may be unable to accept for payment or pay for Shares tendered pursuant to the Offer, or be delayed in continuing or consummating the Offer or the Merger. In such case, we may not be obligated to accept for payment or pay for any tendered Shares. See "Section 14—Conditions of the Offer".

U.S. Antitrust. Under the HSR Act and the rules that have been promulgated thereunder, certain acquisition transactions may not be consummated unless Premerger Notification and Report Forms have been filed with the Antitrust Division and the FTC and certain waiting period requirements have been satisfied. The purchase of Shares pursuant to the Offer is subject to such requirements.

Pursuant to the requirements of the HSR Act, we plan to file a Notification and Report Form with respect to the Offer with the Antitrust Division and the FTC as promptly as possible after the date hereof. As a result, the waiting period applicable to the purchase of Shares pursuant to the Offer will expire at 11:59 p.m., New York City time, 15 calendar days following such filing, unless such 15th day is a Saturday, Sunday or other federal holiday, in which case the waiting period will expire at 11:59 p.m., New York City time, on the next regular business day. However, before such time, the Antitrust Division or the FTC may extend the waiting period by requesting additional information or documentary material relevant to the Offer from us. If such a request is made, the waiting period will be extended until 11:59 p.m., New York City time, 10 calendar days after our substantial compliance with such request. Thereafter, such waiting period can be extended only by court

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

order. We expect to make a request pursuant to the HSR Act for early termination of the waiting period applicable to the Offer. There can be no assurance, however, that the 15-day HSR Act waiting period will be terminated early.

The Antitrust Division and the FTC frequently scrutinize the legality under the antitrust laws of transactions such as our acquisition of Shares pursuant to the Offer. At any time before or after the consummation of any such transactions, the Antitrust Division or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the purchase of Shares pursuant to the Offer or consummation of the Merger or seeking divestiture of the Shares acquired in connection with the Offer or divestiture of substantial assets owned by us or the Company. Private parties (including individual states) may also bring legal actions under the antitrust laws. We do not believe that the consummation of the Offer will result in a violation of any applicable antitrust laws. However, there can be no assurance that a challenge to the Offer on antitrust grounds will not be made, or if such a challenge is made, what the result will be. See “Section 14—Conditions of the Offer” for certain conditions to the Offer, including conditions with respect to certain governmental actions.

Foreign Antitrust Approvals. Based upon our examination of publicly available information concerning the Company, it appears that the Company and its subsidiaries conduct business in a number of foreign countries. The antitrust or merger control statutes or regulations of certain of these foreign countries may require the filing of information with, or the obtaining of the approval of, antitrust or competition authorities therein. After commencement of the Offer, we will seek further information regarding the applicability of any such statutes or regulations and currently intend to take such action as they may require, but no assurance can be given that such approvals will be obtained. Transactions such as our acquisition of Shares pursuant to the Offer are frequently scrutinized by foreign antitrust and competition authorities. Therefore, there can be no assurance that a challenge to the Offer under foreign antitrust or competition grounds will not be made or, if such a challenge is made, the result thereof. If any applicable waiting period has not expired or been terminated or any approval or exemption required to consummate the Offer has not been obtained, we will not be obligated to accept for payment or pay for any tendered Shares unless and until such approval has been obtained or such applicable waiting period has expired or exemption been obtained. See “Section 14—Conditions of the Offer” for certain conditions to the Offer, including conditions with respect to foreign antitrust approvals.

If our acquisition of Shares is delayed by (i) a request for additional information or documentary material by the Antitrust Division or the FTC pursuant to the HSR Act or (ii) a request for additional information or the failure to obtain an approval or exemption from any governmental authority in any foreign country where such approval is required under any foreign antitrust or competition law, the Purchaser may extend the Offer.

Other. Based upon our review of publicly available information concerning the Company, it appears that the Company and its subsidiaries conduct business in a number of foreign countries. In connection with the acquisition of Shares pursuant to the Offer or the Merger, the foreign investment laws of certain of these foreign countries may require the filing of information with, or the obtaining of the approval of, governmental authorities therein. After commencement of the Offer, we will seek further information regarding the applicability of any such laws and currently intend to take such action as they may require, but no assurance can be given that such approvals will be obtained. If any action is taken before completion of the Offer by any such government or governmental authority, or if any required approvals, waivers or consents are not obtained, or obtained subject to condition, we may not be obligated to accept for payment or pay for any tendered Shares. See “Section 14—Conditions of the Offer”.

The Merger that we propose would also have to comply with any applicable U.S. federal law. In particular, unless the Shares were deregistered under the Exchange Act prior to such transaction, if the Merger were consummated more than one year after termination of the Offer or did not provide for stockholders to receive cash for their Shares in an amount at least equal to the price paid in the Offer, we may be required to comply with Rule 13e-3 under the Exchange Act. If applicable, Rule 13e-3 would require, among other things, that certain financial information concerning the Company and certain information relating to the fairness of the proposed

transaction and the consideration offered to minority stockholders in such a transaction be filed with the SEC and distributed to such stockholders prior to consummation of the transaction.

16. Fees and Expenses.

We have retained MacKenzie Partners, Inc. to act as the Information Agent and BNY Mellon Shareowner Services to act as the Depositary in connection with the Offer. The Information Agent may contact holders of Shares by mail, telephone, telegraph and personal interviews and may request brokers, dealers, commercial banks, trust companies and other nominees to forward materials relating to the Offer to beneficial owners. The Information Agent and the Depositary each will receive reasonable and customary compensation for their respective services, will be reimbursed for certain reasonable out-of-pocket expenses and will be indemnified against certain liabilities in connection therewith, including certain liabilities under the U.S. federal securities laws.

We will not pay any fees or commissions to any broker, dealer, commercial bank, trust company or any other person (other than the Information Agent and the Depositary) for soliciting tenders of Shares pursuant to the Offer. Brokers, dealers, commercial banks, trust companies and other nominees will, upon request, be reimbursed by us for reasonable and necessary costs and expenses incurred by them in forwarding materials to their customers.

17. Miscellaneous.

The Offer is not being made to, nor will tenders be accepted from or on behalf of, holders of Shares in any jurisdiction in which the making of the Offer or acceptance thereof would not be in compliance with the laws of such jurisdiction. We are not aware of any jurisdiction where the making of the Offer is prohibited by any administrative or judicial action pursuant to any valid state statute. If we become aware of any valid state statute prohibiting the making of the Offer or the acceptance of the Shares, we will make a good faith effort to comply with that state statute. If, after a good faith effort, we cannot comply with the state statute, we will not make the Offer to, nor will we accept tenders from or on behalf of, the holders of Shares in that state. In any jurisdiction where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer, the Offer shall be deemed to be made on behalf of the Purchaser by one or more registered brokers or dealers licensed under the laws of such jurisdiction.

No person has been authorized to give any information or make any representation on behalf of us or Elliott Associates not contained in this Offer to Purchase or in the Letter of Transmittal and, if given or made, such information or representation must not be relied upon as having been authorized.

We have filed with the SEC a Schedule TO, together with exhibits, furnishing certain additional information with respect to the Offer, and may file amendments to our Schedule TO. Our Schedule TO and any exhibits or amendments thereto may be examined and copies may be obtained from the SEC in the same manner as described in "Section 8—Certain Information Concerning the Company" with respect to information concerning the Company.

Ladies and Gentlemen:

The undersigned hereby tenders to Elliott ERP LLC, a Delaware limited liability company (the “**Purchaser**”) and a subsidiary of Elliott Associates, L.P., a Delaware limited partnership, the above-described shares of common stock, par value \$0.001 per share (the “**Shares**”), of Epicor Software Corporation, a Delaware corporation (the “**Company**”), pursuant to the Purchaser’s offer to purchase all outstanding Shares at \$9.50 per Share, net to the seller in cash, without interest and less applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated October 15, 2008, receipt of which is hereby acknowledged, and in this Letter of Transmittal (which, together with any amendments or supplements thereto or hereto, collectively constitute the “**Offer**”). The Offer expires at 11:59 p.m., New York City time, on Wednesday, November 12, 2008, unless extended by the Purchaser as described in the Offer to Purchase (as extended, the “**Expiration Date**”). The Purchaser reserves the right to transfer or assign, in whole or from time to time in part, to one or more of its affiliates the right to purchase Shares tendered pursuant to the Offer, but any such transfer or assignment will not relieve the Purchaser of its obligations under the Offer or prejudice your rights to receive payment for Shares validly tendered and accepted for payment.

Upon the terms and subject to the conditions of the Offer and effective upon acceptance for payment of and payment for the Shares tendered herewith, the undersigned hereby sells, assigns and transfers to, or upon the order of, the Purchaser all right, title and interest in and to all the Shares that are being tendered hereby (and any and all other Shares or other securities issued or issuable in respect thereof on or after October 15, 2008) and appoints the Depositary the true and lawful agent and attorney-in-fact of the undersigned with respect to such Shares (and all such other Shares or securities), with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to (i) deliver certificates for such Shares (and all such other Shares or securities), or transfer ownership of such Shares (and all such other Shares or securities) on the account books maintained by the Book-Entry Transfer Facility, together, in any such case, with all accompanying evidences of transfer and authenticity, to or upon the order of the Purchaser, (ii) present such Shares (and all such other Shares or securities) for transfer on the books of the Company and (iii) receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares (and all such other Shares or securities), all in accordance with the terms of the Offer.

The undersigned hereby irrevocably appoints Elliot Greenberg and Joshua Nadell in their respective capacities as officers of the Purchaser, the attorneys and proxies of the undersigned, each with full power of substitution, to exercise all voting and other rights of the undersigned in such manner as each such attorney and proxy or his substitute shall in his sole discretion deem proper, with respect to all of the Shares tendered hereby which have been accepted for payment by the Purchaser prior to the time of any vote or other action (and any and all other Shares or other securities issued or issuable in respect thereof on or after October 15, 2008), at any meeting of stockholders of the Company (whether annual or special and whether or not an adjourned meeting), by written consent or otherwise. This proxy is irrevocable and is granted in consideration of, and is effective upon, the acceptance for payment of such Shares by the Purchaser in accordance with the terms of the Offer. Such acceptance for payment shall revoke any other proxy or written consent granted by the undersigned at any time with respect to such Shares (and all such other Shares or securities), and no subsequent proxies will be given or written consents will be executed by the undersigned (and if given or executed, will not be deemed to be effective).

The undersigned hereby represents and warrants that the undersigned has full power and authority to tender, sell, assign and transfer the Shares tendered herein (and any and all other Shares or other securities issued or issuable in respect thereof on or after October 15, 2008) and that when the same are accepted for payment by the Purchaser, the Purchaser will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claims. The undersigned will, upon request, execute and deliver any additional documents deemed by the Depositary or the Purchaser to be necessary or desirable to complete the sale, assignment and transfer of the Shares tendered hereby (and all such other Shares or securities).

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned, and any obligation of the undersigned hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Except as stated in the Offer, this tender is irrevocable.

The undersigned understands that tenders of Shares pursuant to any one of the procedures described in Section 3 of the Offer to Purchase and in the instructions hereto will constitute an agreement between the undersigned and the Purchaser upon the terms and subject to the conditions of the Offer. Without limiting the foregoing, if the price to be paid in the Offer is amended, the price to be paid to the undersigned will be the amended price notwithstanding the fact that a different price is stated in this Letter of Transmittal.

Unless otherwise indicated under "Special Payment Instructions," please issue the check for the purchase price of any Shares purchased, and return any Shares not tendered or not purchased, in the name(s) of the undersigned (and, in the case of Shares tendered by book-entry transfer, by credit to the account at the Book-Entry Transfer Facility). Similarly, unless otherwise indicated under "Special Delivery Instructions," please mail the check for the purchase price of any Shares purchased and any certificates for Shares not tendered or not purchased (and accompanying documents, as appropriate) to the undersigned at its address shown below the undersigned's signature(s). In the event that both "Special Payment Instructions" and "Special Delivery Instructions" are completed, please issue the check for the purchase price of any Shares purchased and return any Shares not tendered or not purchased in the name(s) of, and mail said check and any certificates to, the person(s) so indicated. The undersigned recognizes that the Purchaser has no obligation, pursuant to the "Special Payment Instructions," to transfer any Shares from the name of the registered holder(s) thereof if the Purchaser does not accept for payment any of the Shares so tendered.

INSTRUCTIONS

Forming Part of the Terms and Conditions of the Offer

1. *Guarantee of Signatures.* Except as otherwise provided below, all signatures on this Letter of Transmittal must be guaranteed by a financial institution (including most banks, savings and loan associations and brokerage houses) that is a member of a recognized Medallion Program approved by The Securities Transfer Association, Inc., including the Securities Transfer Agents Medallion Program (STAMP), the Stock Exchange Medallion Program (SEMP) and the New York Stock Exchange, Inc. Medallion Signature Program (MSP) or any other “eligible guarantor institution” (as such term is defined in Rule 17Ad-15 under the Securities Exchange Act of 1934, as amended) (each an “**Eligible Institution**”). Signatures on this Letter of Transmittal need not be guaranteed (i) if this Letter of Transmittal is signed by the registered holder(s) of the Shares (which term, for purposes of this document, shall include any participant in the Book-Entry Transfer Facility whose name appears on a security position listing as the owner of Shares) tendered herewith and such holder(s) have not completed the box entitled “Special Payment Instructions” on this Letter of Transmittal or (ii) if such Shares are tendered for the account of an Eligible Institution. See Instruction 5.

2. *Delivery of Letter of Transmittal and Shares.* This Letter of Transmittal is to be used either if certificates are to be forwarded herewith or, unless an Agent’s Message is utilized, if delivery of Shares is to be made by book-entry transfer pursuant to the procedures set forth in Section 3 of the Offer to Purchase. Certificates for all physically delivered Shares, or a confirmation of a book-entry transfer into the Depository’s account at the Book-Entry Transfer Facility of all Shares delivered electronically, as well as a properly completed and duly executed Letter of Transmittal, with any required signature guarantees (or a manually signed facsimile thereof) or, in the case of a book-entry transfer, an Agent’s Message, and any other documents required by this Letter of Transmittal, must be received by the Depository at one of its addresses set forth on the front page of this Letter of Transmittal on or prior to the Expiration Date.

Stockholders whose certificates for Shares are not immediately available or stockholders who cannot deliver their certificates and all other required documents to the Depository or who cannot comply with the procedures for book-entry transfer on or prior to the Expiration Date may tender their Shares pursuant to the guaranteed delivery procedure set forth in Section 3 of the Offer to Purchase.

Under the guaranteed delivery procedure:

- (i) such tender must be made by or through an Eligible Institution;
- (ii) a properly completed and duly executed Notice of Guaranteed Delivery substantially in the form provided by the Purchaser with the Offer to Purchase must be received by the Depository on or prior to the Expiration Date; and
- (iii) the certificates for all physically delivered Shares, or a confirmation of a book-entry transfer into the Depository’s account at the Book-Entry Transfer Facility of all Shares delivered electronically, as well as a properly completed and duly executed Letter of Transmittal with any required signature guarantee (or a manually signed facsimile thereof) or, in the case of a book-entry delivery, an Agent’s Message and any other documents required by this Letter of Transmittal, must be received by the Depository within three NASDAQ trading days after the date of execution of such Notice of Guaranteed Delivery, all as provided in Section 3 of the Offer to Purchase.

The method of delivery of Shares, this Letter of Transmittal and all other required documents, including through the Book-Entry Transfer Facility, is at the election and sole risk of the tendering stockholder and delivery will be deemed made only when actually received by the Depository. If certificates for Shares are sent by mail, we recommend registered mail with return receipt requested, properly insured, in time to be received on or prior to the Expiration Date. In all cases, sufficient time should be allowed to ensure timely delivery.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

No alternative, conditional or contingent tenders will be accepted, and no fractional Shares will be purchased. By executing this Letter of Transmittal (or a manually signed facsimile thereof), the tendering stockholder waives any right to receive any notice of the acceptance for payment of the Shares.

3. *Inadequate Space.* If the space provided herein is inadequate, the certificate numbers and/or the number of Shares should be listed on a separate signed schedule attached hereto.

4. *Partial Tenders (not applicable to stockholders who tender by book-entry transfer).* If fewer than all the Shares represented by any certificate delivered to the Depository are to be tendered, fill in the number of Shares which are to be tendered in the box entitled "Number of Shares Tendered." In such case, if Shares are purchased, a new certificate for the remainder of the Shares represented by the old certificate will be issued and sent to the person(s) signing this Letter of Transmittal, unless otherwise provided in the appropriate box on this Letter of Transmittal, as promptly as practicable following the expiration of the Offer. All Shares represented by certificates delivered to the Depository will be deemed to have been tendered unless otherwise indicated.

5. *Signatures on Letter of Transmittal; Stock Powers and Endorsements.* If this Letter of Transmittal is signed by the registered holder(s) of the Shares tendered hereby, the signature(s) must correspond with the name(s) as written on the face of the certificates without alteration or any change whatsoever.

If any of the Shares tendered hereby is held of record by two or more persons, all such persons must sign this Letter of Transmittal.

If any of the Shares tendered hereby are registered in different names on different certificates, it will be necessary to complete, sign and submit as many separate Letters of Transmittal as there are different registrations of certificates.

If this Letter of Transmittal is signed by the registered holder(s) of the Shares tendered hereby, no endorsements of certificates or separate stock powers are required unless payment of the purchase price is to be made, or Shares not tendered or not accepted for payment are to be returned, in the name of any person other than the registered holder(s). Signatures on any such certificates or stock powers must be guaranteed by an Eligible Institution.

If this Letter of Transmittal is signed by a person other than the registered holder(s) of the Shares tendered hereby, certificates must be endorsed or accompanied by appropriate stock powers, in either case, signed exactly as the name(s) of the registered holder(s) appear(s) on the certificates for such Shares. Signature(s) on any such certificates or stock powers must be guaranteed by an Eligible Institution.

If this Letter of Transmittal or any certificate or stock power is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, such person should so indicate when signing, and proper evidence satisfactory to the Purchaser of the authority of such person so to act must be submitted.

6. *Stock Transfer Taxes.* Except as otherwise provided in this Instruction 6, the Purchaser will pay any stock transfer taxes with respect to the sale and transfer of any Shares to it or its order pursuant to the Offer. If, however, payment of the purchase price is to be made to, or Shares not tendered or not accepted for payment are to be returned in the name of, any person other than the registered holder(s), or if a transfer tax is imposed for any reason other than the sale or transfer of Shares to the Purchaser pursuant to the Offer, then the amount of any stock transfer taxes (whether imposed on the registered holder(s), such other person or otherwise) will be deducted from the purchase price unless satisfactory evidence of the payment of such taxes, or exemption therefrom, is submitted herewith.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

7. *Special Payment and Delivery Instructions.* If the check for the purchase price of any Shares purchased is to be issued, or any Shares not tendered or not purchased are to be returned, in the name of a person other than the person(s) signing this Letter of Transmittal or if the check or any certificates for Shares not tendered or not purchased are to be mailed to someone other than the person(s) signing this Letter of Transmittal or to the person(s) signing this Letter of Transmittal at an address other than that shown above, the appropriate boxes on this Letter of Transmittal should be completed. Stockholders tendering Shares by book-entry transfer may request that Shares not purchased be credited to such account at the Book-Entry Transfer Facility as such stockholder may designate under "Special Payment Instructions." If no such instructions are given, any such Shares not purchased will be returned by crediting the account at the Book-Entry Transfer Facility designated above.

8. *Substitute Form W-9.* Under the U.S. federal income tax laws, unless certain certification requirements are met, the Depositary generally will be required to withhold at the applicable backup withholding rate (currently 28%) from any payments made to certain stockholders pursuant to the Offer. In order to avoid such backup withholding, each tendering shareholder, and, if applicable, each other payee, must provide the Depositary with such stockholder's or payee's correct taxpayer identification number and certify that such stockholder or payee is not subject to such backup withholding by completing the Substitute Form W-9 set forth above. In general, if a stockholder or payee is an individual, the taxpayer identification number is the social security number of such individual. If the stockholder or payee does not provide the Depositary with its correct taxpayer identification number, the stockholder or payee may be subject to a \$50 penalty imposed by the Internal Revenue Service. Certain stockholders or payees (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements. In order to satisfy the Depositary that a foreign individual qualifies as an exempt recipient, such stockholder or payee must submit to the Depositary the appropriate properly completed Internal Revenue Service form (generally Form W-8BEN, which the Depositary will provide upon request), signed under penalties of perjury, attesting to that individual's exempt status. Such form can be obtained from the Depositary or the Internal Revenue Service (www.irs.gov/formspubs/index.html). For further information concerning backup withholding and instructions for completing the Substitute Form W-9 (including how to obtain a taxpayer identification number if you do not have one and how to complete the Substitute Form W-9 if Shares are held in more than one name), consult the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9.

Failure to complete the Substitute Form W-9 will not, by itself, cause Shares to be deemed invalidly tendered but may require the Depositary to withhold 28% of the amount of any payments made pursuant to the Offer. Backup withholding is not an additional tax. Rather, the federal income tax liability of a person subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained, provided that the required information is timely furnished to the Internal Revenue Service.

Failure to complete and return the Substitute Form W-9 may result in backup withholding of 28% of any payments made to you pursuant to the Offer. Please review the enclosed *Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9* for additional details.

9. *Mutilated, Lost, Stolen or Destroyed Certificates.* If the certificate(s) representing Shares to be tendered have been mutilated, lost, stolen or destroyed, stockholders should (i) complete this Letter of Transmittal and (ii) contact the Company's transfer agent, BNY Mellon Shareowner Services, immediately by calling (800) 356-2017. The stockholder will then be instructed as to the steps that must be taken in order to replace the certificate. This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, mutilated, destroyed or stolen certificates have been followed.

10. *Questions or Requests for Assistance or Additional Copies.* Questions or requests for assistance or additional copies of the Offer to Purchase, this Letter of Transmittal and the Notice of Guaranteed Delivery may be obtained (at Purchaser's expense) from the Information Agent at its address or telephone number set forth below.

Edgar Filing: EPICOR SOFTWARE CORP - Form SC 13D/A

11. *Waiver of Conditions.* The Purchaser reserves the right to waive (in its reasonable discretion in whole or in part at any time or from time to time before the Expiration Date) any of the specified conditions of the Offer in the case of any Shares tendered.

IMPORTANT: This Letter of Transmittal (or a manually signed facsimile thereof) together with any signature guarantees, or, in the case of a book-entry transfer, an Agent's Message, and any other required documents, must be received by the Depositary on or prior to the Expiration Date and either certificates for tendered Shares must be received by the Depositary or Shares must be delivered pursuant to the procedures for book-entry transfer, in each case on or prior to the Expiration Date, or the tendering stockholder must comply with the procedures for guaranteed delivery.

The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the expiration of the Offer, as it may be extended, a number of Shares, which, together with the shares then owned by Elliott Associates and its affiliated funds and subsidiaries (including the Purchaser), represents at least a majority of the total number of Shares outstanding on a fully diluted basis (taking into account, without limitation, all Shares issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes (as defined in the Offer to Purchase) issued by the Company), (ii) the Rights (as defined in the Offer to Purchase) issued under the Rights Agreement (as defined in the Offer to Purchase) having been redeemed, otherwise terminated by the Company Board (as defined in the Offer to Purchase) or the Purchaser being satisfied in its reasonable discretion that the Rights are otherwise inapplicable to the Offer, the proposed second-step merger and the Purchaser, and no other stockholder rights plan or other similar mechanism that would have the effect of substantially impairing the Purchaser's ability to acquire the Company or otherwise substantially diminish the expected economic value to the Purchaser of acquiring the Shares, in the Purchaser's reasonable discretion, having been adopted by the Company, and (iii) the Purchaser being satisfied, in its reasonable discretion, that Section 203 of the Delaware General Corporation Law is inapplicable to the merger of the Company and the Purchaser (or one of its affiliates) as described in the Offer to Purchase. The Offer is not conditioned upon any financing arrangements or subject to a financing condition. Other conditions to the Offer are described in the Offer to Purchase.

Purchaser will not pay any fees or commissions to any broker, dealer, commercial bank, trust company or other person (other than MacKenzie Partners, Inc. (the "**Information Agent**") and the Depository as described in the Offer to Purchase) for soliciting tenders of Shares pursuant to the Offer. The Purchaser will, however, upon request, reimburse brokers, dealers, commercial banks, trust companies and other nominees for customary mailing and handling costs incurred by them in forwarding the enclosed materials to their customers.

Purchaser will pay all stock transfer taxes applicable to its purchase of Shares pursuant to the Offer, subject to Instruction 6 of the Letter of Transmittal.

In order to take advantage of the Offer, a duly executed and properly completed Letter of Transmittal (or a manually signed facsimile thereof) or an Agent's Message (as defined in Section 3 of the Offer to Purchase) in connection with a book-entry transfer of Shares, and any other required documents, should be sent to the Depository, and certificates representing the tendered Shares should be delivered or such Shares should be tendered by book-entry transfer, all in accordance with the instructions contained in the Letter of Transmittal and in the Offer to Purchase.

If holders of Shares wish to tender, but it is impracticable for them to forward their certificates or other required documents or to complete the procedures for delivery by book-entry transfer prior to the expiration of the Offer, a tender may be effected by following the guaranteed delivery procedures described in Section 3 of the Offer to Purchase.

Any inquiries you may have with respect to the Offer should be addressed to, and additional copies of the enclosed materials may be obtained, at Purchaser's expense, from the Information Agent at its address and telephone number set forth on the back cover of the Offer to Purchase.

THE OFFER AND WITHDRAWAL RIGHTS EXPIRE AT 11:59 P.M., NEW YORK CITY TIME,

ON WEDNESDAY, NOVEMBER 12, 2008, UNLESS THE OFFER IS EXTENDED

October 15, 2008

To Our Clients:

Enclosed for your consideration are the Offer to Purchase dated October 15, 2008 (the “**Offer to Purchase**”) and the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the “**Offer**”) in connection with the offer by Elliott ERP LLC, a Delaware limited liability company (the “**Purchaser**”) and a subsidiary of Elliott Associates, L.P., a Delaware limited partnership (“**Elliott Associates**”), to purchase, upon the terms and subject to the conditions set forth in the Offer, for cash all outstanding shares of common stock, par value \$0.001 per share (the “**Shares**”), of Epicor Software Corporation, a Delaware corporation (the “**Company**”), at a purchase price of \$9.50 per Share, net to you in cash, without interest and less applicable withholding taxes.

We are the holder of record of Shares held for your account. A **tender of such Shares can be made only by us as the holder of record and pursuant to your instructions. The enclosed Letter of Transmittal is furnished to you for your information only and cannot be used by you to tender Shares held by us for your account .**

We request instructions as to whether you wish us to tender any or all of the Shares held by us for your account, upon the terms and subject to the conditions set forth in the Offer to Purchase and the Letter of Transmittal.

Your attention is directed to the following:

1. The price paid in the Offer is \$9.50 per Share, net to you in cash, without interest and less applicable withholding taxes.

2. The Offer is being made for all outstanding Shares.
 3. The Offer and withdrawal rights expire at 11:59 P.M., New York City time, on Wednesday, November 12, 2008, unless the Offer is extended by the Purchaser (as extended, the “**Expiration Date**”).
 4. The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the expiration of the Offer, as it may be extended, a number of Shares, which, together with the shares then owned by Elliott Associates and its affiliated funds and subsidiaries (including the Purchaser), represents at least a majority of the total number of Shares outstanding on a fully diluted basis (taking into account, without limitation, all Shares issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes (as defined in the

Offer to Purchase) issued by the Company), (ii) the Rights (as defined in the Offer to Purchase) issued under the Rights Agreement (as defined in the Offer to Purchase) having been redeemed, otherwise terminated by the Company Board (as defined in the Offer to Purchase) or the Purchaser being satisfied in its reasonable discretion that the Rights are otherwise inapplicable to the Offer, the proposed second-step merger and the Purchaser, and no other stockholder rights plan or other similar mechanism that would have the effect of substantially impairing the Purchaser's ability to acquire the Company or otherwise substantially diminish the expected economic value to the Purchaser of acquiring the Shares, in the Purchaser's reasonable discretion, having been adopted by the Company, and (iii) the Purchaser being satisfied, in its reasonable discretion, that Section 203 of the Delaware General Corporation Law is inapplicable to the merger of the Company and the Purchaser (or one of its affiliates) as described in the Offer to Purchase. The Offer is not conditioned upon any financing arrangements or subject to a financing condition. Other conditions to the Offer are described in the Offer to Purchase.

5. Any stock transfer taxes applicable to the sale of Shares to the Purchaser pursuant to the Offer will be paid by the Purchaser, except as otherwise set forth in Instruction 6 of the Letter of Transmittal. However, U.S. federal income tax may be withheld at the applicable backup withholding of 28%, unless the required taxpayer identification information is provided and certain certification requirements are met, or unless an exemption is established. See Instruction 8 of the Letter of Transmittal.

If you wish to have us tender any or all of your Shares, please complete, sign, detach and return to us the instruction form below. An envelope to return your instructions to us is enclosed. If you authorize tender of your Shares, all such Shares will be tendered unless otherwise specified on the instruction form. Your instructions should be forwarded to us in ample time to permit us to submit a tender on your behalf by the Expiration Date.

The Offer is not being made to, nor will tenders be accepted from or on behalf of, holders of Shares in any jurisdiction in which the making of the Offer or acceptance thereof would not be in compliance with the laws of such jurisdiction. In any jurisdiction where the applicable laws require the Offer to be made by a licensed broker or dealer, the Offer shall be deemed to be made on behalf of Purchaser by one or more registered brokers or dealers licensed under the laws of such jurisdiction.

Payment for Shares purchased pursuant to the Offer will in all cases be made only after timely receipt by BNY Mellon Shareowner Services (the "**Depository**") of (i) certificates representing the Shares tendered or timely confirmation of the book-entry transfer of such shares into the account maintained by the Depository at The Depository Trust Company (the "**Book-Entry Transfer Facility**"), pursuant to the procedures set forth in Section 3 of the Offer to Purchase, (ii) the Letter of Transmittal (or a manually signed facsimile thereof) properly completed and duly executed, with any required signature guarantees or an Agent's Message (as defined in the Offer to Purchase) in connection with a book-entry delivery, and (iii) any other documents required by the Letter of Transmittal. Accordingly, payment may not be made to all tendering stockholders at the same time depending upon when certificates for such Shares, or confirmation of book-entry transfer of such Shares to the Depository's account at the Book-Entry Transfer Facility, are actually received by the Depository.

Foreign payees who are not subject to backup withholding should complete the appropriate IRS Form W-8 and return it to the payor.

Privacy Act Notice

Section 6109 of the Code requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payors who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. It may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. It may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, and to federal law enforcement and intelligence agencies to combat terrorism.

Payees must provide payors with their taxpayer identification numbers whether or not they are required to file tax returns. Payors must generally withhold 28% of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payor. Certain penalties may also apply.

Penalties

- (1) **Penalty for Failure to Furnish Taxpayer Identification Number**—If you fail to furnish your correct taxpayer identification number to a payor, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
- (2) **Civil Penalty for False Information With Respect to Withholding**—If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
- (3) **Criminal Penalty for Falsifying Information**—Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Notice of Offer to Purchase for Cash

All Outstanding Shares of Common Stock

of

Epicor Software Corporation

at

\$9.50 Net per Share

by

Elliott ERP LLC,

a subsidiary of

Elliott Associates, L.P.

Elliott ERP LLC (the “**Purchaser**”), a Delaware limited liability company and a subsidiary of Elliott Associates, L.P., a Delaware limited partnership (“**Elliott Associates**”), is offering to purchase all outstanding shares of common stock, par value \$0.001 per share (the “**Shares**”), of Epicor Software Corporation, a Delaware corporation (the “**Company**”), at \$9.50 per Share, net to the seller in cash, without interest and less applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated October 15, 2008 (the “**Offer to Purchase**”) and in the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the “**Offer**”). Unless the context otherwise requires, all references to Shares include the rights associated with the Shares pursuant to the Rights Agreement (the “**Rights**”), dated as of April 1, 1994, between the Company and First Interstate Bank of California, as amended (the “**Rights Agreement**”).

THE OFFER AND WITHDRAWAL RIGHTS EXPIRE AT 11:59 P.M., NEW YORK CITY TIME, ON

WEDNESDAY, NOVEMBER 12, 2008, UNLESS THE OFFER IS EXTENDED.

The purpose of the Offer is to acquire control of, and the entire equity interest in, the Company. The Purchaser currently intends, as soon as practicable after consummation of the Offer, to seek maximum representation on the Company’s Board of Directors and to seek to have the Company consummate the proposed merger of the Company and the Purchaser (or one of the Purchaser’s affiliates) pursuant to which all outstanding Shares not owned by Elliott Associates or its affiliated funds or subsidiaries (including the Purchaser) would be converted into the right to receive cash in an amount equal to the price per Share paid pursuant to the Offer.

The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the expiration of the Offer, as it may be extended, a number of Shares, which, together with the Shares then owned by Elliott Associates and its affiliated funds and subsidiaries (including the Purchaser), represents at least a majority of the total number of Shares outstanding on a fully diluted basis (taking into account, without limitation, all Shares issuable upon the conversion or exercise of any options, warrants, convertible securities or rights, regardless of the conversion or exercise price, the vesting schedule or other terms and conditions thereof, but excluding the 12,709,984 Shares reserved for issuance upon the conversion of the \$230,000,000 of Convertible Notes (as defined in the Offer to Purchase) issued by the Company), (ii) the Rights issued under the Rights Agreement having been redeemed, otherwise terminated by the Company’s Board of Directors or the Purchaser being satisfied in its reasonable discretion that the Rights are otherwise inapplicable to the Offer, the proposed second-step merger and the Purchaser, and no other stockholder rights plan or other similar mechanism that would have the effect of substantially impairing the Purchaser’s ability to acquire the Company or otherwise substantially diminish the expected economic value to the Purchaser of acquiring the Shares, in the Purchaser’s reasonable discretion,

having been

1

adopted by the Company and (iii) the Purchaser being satisfied, in its reasonable discretion, that Section 203 of the Delaware General Corporation Law is inapplicable to the merger of the Company and the Purchaser (or one of its affiliates) as described in the Offer to Purchase. The Offer is not conditioned upon any financing arrangements or subject to a financing condition. Other conditions to the Offer are described in the Offer to Purchase. If any condition to the Offer is not satisfied, the Purchaser may (i) terminate the Offer and return all tendered Shares to tendering stockholders, (ii) extend the Offer and, subject to withdrawal rights as set forth below, retain all such Shares until the expiration of the Offer as so extended, (iii) waive such condition and, subject to any requirement to extend the period of time during which the Offer is open, purchase all Shares validly tendered prior to the Expiration Date (as defined in the Offer to Purchase) and not withdrawn, or (iv) delay acceptance for payment of or payment for Shares, subject to applicable law, until satisfaction or waiver of the unsatisfied conditions to the Offer.

The Purchaser reserves the right, in its sole discretion, at any time and from time to time, to extend the period during which the Offer is open by giving oral or written notice of the extension to the Depository (as defined in the Offer to Purchase) and by making a public announcement of the extension.

After the expiration of the Offer, if all of the conditions to the Offer have been satisfied or waived but not all of the Shares have been tendered, the Purchaser may, subject to certain conditions, give stockholders a further opportunity to tender at the same price in one or more subsequent offering periods. The Purchaser does not currently intend to include a subsequent offering period, although it reserves the right to do so.

For purposes of the Offer, the Purchaser shall be deemed to have accepted for payment tendered Shares when, as and if the Purchaser gives oral or written notice of its acceptance to the Depository. In order to tender shares in the Offer, certificates for such Shares (or of a confirmation of a book-entry transfer of such Shares into the Depository's account at the Book-Entry Transfer Facility (as defined in the Offer to Purchase)), a properly completed and duly executed Letter of Transmittal (or a manually signed facsimile thereof) and any other required documents must be timely received by the Depository.

Stockholders can withdraw some or all of the Shares that they previously tendered in the Offer at any time prior to the expiration of the offer. Shares may also be withdrawn after December 13, 2008 unless theretofore accepted for payment as provided in the Offer to Purchase. Once we accept your tendered shares for payment upon expiration of the Offer, however, you will no longer be able to withdraw them. For your withdrawal to be effective, a written, telegraphic or facsimile transmission notice of withdrawal with respect to the Shares must be timely received by the Depository at one of its addresses set forth on the back cover of the Offer to Purchase, and the notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name of the registered holder of Shares, if different from that of the person who tendered such Shares. If the Shares to be withdrawn have been delivered to the Depository, a signed notice of withdrawal with (except in the case of Shares tendered by an Eligible Institution (as defined in the Offer to Purchase)) signatures guaranteed by an Eligible Institution must be submitted before the release of such Shares. In addition, such notice must specify, in the case of Shares tendered by delivery of certificates, the serial numbers shown on the specific certificates evidencing the Shares to be withdrawn or, in the case of Shares tendered by book-entry transfer, the name and number of the account at the Book-Entry Transfer Facility to be credited with the withdrawn Shares.

In general, the sale of shares pursuant to the Offer will be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under applicable state, local or foreign income or other tax laws. All stockholders should consult their own tax advisor about the tax consequences to them of participating in the Offer in light of their particular circumstances.

The information required to be disclosed by paragraph (d)(1) of Rule 14d-6 of the General Rules and Regulations under the Securities Exchange Act of 1934 is contained in the Offer to Purchase and is incorporated herein by reference.

A request is being made to the Company for its stockholders list and security position listings for the purpose of disseminating the Offer to holders of Shares. The Offer to Purchase, the related Letter of Transmittal and other related documents will be mailed to record holders of Shares and to brokers, banks, and similar persons whose name appears or whose nominee appears on the stockholder list or, if applicable, who are listed as participants in a clearing agency's security position listing for subsequent transmittal to beneficial owners of Shares.

ELLIOTT COMMENCES TENDER OFFER FOR EPICOR SOFTWARE

FOR \$9.50 PER SHARE IN CASH

NEW YORK (October 15, 2008) – Elliott Associates, L.P., a major shareholder of Epicor Software Corporation (NASDAQ: EPIC) that already owns collectively with its affiliated funds 10.2% of the common stock of the company, today announced that it has commenced a cash tender offer for all outstanding shares of common stock of Epicor in furtherance of Elliott's previously announced proposal to acquire the company. The complete terms, conditions and other details of Elliott's offer will be filed later today with the U.S. Securities and Exchange Commission.

Under the terms of the tender offer, Elliott is offering, through a wholly-owned subsidiary, to acquire Epicor for \$9.50 per share in cash, or an aggregate of approximately \$529 million. This offer represents a 39.7% premium to Epicor's close of \$6.80 yesterday, a 20% premium to Epicor's close of \$7.89 on September 30, 2008 (the last trading day before Elliott submitted its proposal in writing to Epicor) and a 25% premium to the trailing 60-day closing price as of such date.

The offer and withdrawal rights are scheduled to expire at 11:59 p.m. , New York City time on Wednesday, November 12, 2008, unless the offer is extended.

The offer will be conditioned upon, among other things, a majority of Epicor's shares of common stock on a fully diluted basis being tendered and not withdrawn, Epicor's Board having rendered inapplicable its Rights Agreement, waiver of certain statutory provisions by Epicor and other customary conditions. Elliott's proposal is a fully financed, all-cash transaction and is not subject to any financing condition. Elliott does not anticipate any significant regulatory issues that would prevent its completion.

The complete terms and conditions will be set out in the Offer to Purchase, which will be filed with the U.S. Securities and Exchange Commission today. Epicor stockholders may obtain copies of all of the offering documents, including the Offer to Purchase, free of charge at the SEC's website (www.sec.gov) or by directing a request to MacKenzie Partners, Inc., the Information Agent for the offer, collect at (212) 929-5500 or toll-free at (800)-322-2885.
