USE OF PROCEEDS

We will not receive any of the proceeds from the selling shareholders' sale of the shares.

SELLING SHAREHOLDERS

We issued the shares offered by this prospectus to the selling shareholders in exchange for shares of common stock of Shaw Industries owned by the selling shareholders. When we use the term "selling shareholder," we are referring to each of these former Shaw Industries shareholders who exchanged their shares of Shaw Industries common stock for shares of our Class A Common Stock and/or Class B Common Stock. All of the selling shareholders who were employed by Shaw Industries prior to the share exchange currently hold the same office or position with Shaw Industries.

Immediately following the exchange of our shares for shares of Shaw Industries, the selling shareholders held, in the aggregate, 4,505 shares of our Class A Common Stock (which is less than one percent of our outstanding Class A Common Stock) and 7,063 shares of our Class B Common Stock (which is less than one percent of our outstanding Class B Common Stock). We cannot estimate the number of shares that will be offered for sale pursuant to this prospectus because each of the selling shareholders can offer to sell all or just some of the shares they own. In addition, the offering may or may not be an underwritten offering on a firm commitment basis. For these same reasons, we are also unable to estimate the number of shares that will be held by each selling shareholder upon termination of the offering. For more information, please read the "Plan of Distribution" section later in this prospectus.

The following table sets forth each selling shareholder's beneficial ownership of our Class A Common Stock and Class B Common Stock as of the date of this prospectus.

We will set forth other required information relating to any selling shareholder in a prospectus supplement as necessary.

PLAN OF DISTRIBUTION

A selling shareholder may sell any or all of the shares which are the subject of this prospectus, from time to time, in one or more of the following ways:

- . directly to purchasers,
- . pursuant to Rule 144 under the Securities Act, where applicable,
- . on the New York Stock Exchange, through brokers or dealers, or otherwise, or
- . through one or more underwritten offerings, on a firm commitment or best efforts basis.

The shares may be sold from time to time in one or more transactions at a fixed offering price (which may be changed), at varying prices determined at the time of sale or at negotiated prices. Such prices will be determined by a selling shareholder or by agreement between a selling shareholder and one or more underwriters, dealers, brokers or agents.

Any underwriters, dealers, brokers or agents participating in the distribution of the shares may receive compensation in the form of underwriting discounts, concessions, commissions or fees from a selling shareholder and/or the purchasers of shares. In addition, a selling shareholder and any such underwriters, dealers, brokers or agents may be deemed to be "underwriters" under the Securities Act. As a result, any profits on the sale of shares by them and any discounts, commissions or concessions received by any of such persons may be deemed to be underwriting discounts and commissions under the Securities Act. Those who act as underwriters, brokers, dealers or agents in connection with the sale of the shares will be selected by a selling shareholder and may have other business relationships with us and our subsidiaries or affiliates in the ordinary course of business.

To the extent required, at any time a particular offer of shares is made by a selling shareholder, a prospectus supplement will be distributed, which will set forth:

- . the identity of, and certain other information about, the selling shareholder,
- . the aggregate amounts of shares being offered and the terms of the offering,
- . the name or names of any underwriters, dealers or agents,

Edgar Filing: BERKSHIRE HATHAWAY INC - Form S-3

- . any discounts, commissions and other items constituting compensation from the selling shareholder, and
- . any discounts, commissions or concessions allowed or reallocated or paid to dealers.

Such prospectus supplement and, if necessary, a post-effective amendment to the registration statement (of which this prospectus is a part) will be filed with the Securities and Exchange Commission to reflect the disclosure of additional information with respect to the distribution of the shares.

5

The agreement which provided for the exchange of shares also provides that we will indemnify a selling shareholder against certain liabilities, including liabilities under the Securities Act. In addition, it provides that a selling shareholder will indemnify us against certain liabilities, including liabilities under the Securities Act.

Munger, Tolles & Olson LLP, a law firm in Los Angeles, California, has delivered to us a legal opinion as to the validity of the shares. Ronald L. Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

Edgar Filing: BERKSHIRE HATHAWAY INC - Form S-3

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(4) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
