Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

Appointment of Proxies

If a shareholder cannot attend the Meeting but wishes to vote on the resolutions, the shareholder should sign, date and deliver the enclosed form of proxy to Computershare Trust Company of Canada, 100 University Avenue, 11th Floor, Toronto, Ontario, M5J 2Y1 on or before 11:00 a.m. (Toronto time) on the second business day preceding the Meeting or 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting. THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY ARE DIRECTORS AND/OR OFFICERS OF THE CORPORATION. A SHAREHOLDER GIVING A PROXY CAN STRIKE OUT THE NAMES OF THE NOMINEES PRINTED IN THE ACCOMPANYING FORM OF PROXY AND INSERT THE NAME OF ANOTHER NOMINEE IN THE SPACE PROVIDED, OR THE SHAREHOLDER MAY COMPLETE ANOTHER FORM OF PROXY. A proxy nominee need not be a shareholder of the Corporation. A shareholder giving a proxy has the right to attend, or appoint someone else to attend as his or her proxy, at the Meeting and the proxy earlier submitted can be revoked in the manner described below under "Revocability of Proxies".

Voting of Proxies

The shares represented by a properly executed proxy will be voted or withheld from voting in accordance with the directions given in the proxy. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item must be left blank. IF NO CHOICE IS SPECIFIED IN THE PROXY, AND THE NOMINEE IS PROPOSED BY MANAGEMENT, THE NOMINEE WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH ITEM LEFT BLANK. The enclosed form of proxy confers discretionary authority upon the persons named in the proxy. The discretionary authority so granted may be exercised with respect to amendments or variations to matters which may properly come before the Meeting, unless the shareholder deletes the discretionary authority from the proxy. As at the date of this Management Information Circular, management of the Corporation is not aware of any such amendment or variation or any other matter to come before the Meeting other than those referred to in the accompanying Notice of Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the shares represented by proxies given in favour of management nominees will be voted on such matters in accordance with the best judgment of such nominees.

Revocability of Proxies

A shareholder who has given a proxy has the power to revoke it by either depositing an instrument in writing signed (in writing or by electronic signature) by the shareholder or the shareholder's duly authorized attorney or by transmitting by telephonic or electronic means a revocation signed by electronic signature, which instrument or revocation must be delivered to the Registered Office of the Corporation at 26 Duncan Street, Toronto, Ontario, M5V 2B9 at any time up to and including the last business day preceding the day of the Meeting or to the Chair of the Meeting on the day of the Meeting at any time prior to its use. A shareholder may also revoke a proxy by personal appearance at the Meeting prior to the hour of commencement of the Meeting or in any other manner permitted by law.

Electronic Signature

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

A shareholder or the shareholder's duly authorized attorney may sign by electronic signature a proxy, revocation of proxy or a power of attorney authorizing the creation of either of them, if the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of the shareholder or the attorney, as the case may be.

Interest of Certain Persons in Matters to be Acted Upon

No director or officer, past or present, nor any person on behalf of whom this solicitation is made or any of their respective associates has any interest, direct or indirect, in any matter to be acted upon at the Meeting, except that such persons may be indirectly involved in the normal business of the Meeting or the general affairs of the Corporation.

Voting Shares and Principal Shareholders

There are 20,426,550 common shares (the "Common Shares") of the Corporation outstanding and entitled to vote at the Meeting. Each Common Share carries one vote.

Any shareholder of record as at the close of business on May 20, 2002 is entitled to vote the Common Shares registered in his or her name at that date except to the extent that such shareholder has subsequently transferred any of such Common Shares and the transferee of those Common Shares establishes his or her ownership of such Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting. In such case, the transferee is entitled to vote such Common Shares at the Meeting.

To the best of the knowledge of the directors and senior officers of the Corporation, no shareholder, directly or indirectly, holds or exercises control over more than 10% of the outstanding Common Shares of the Corporation except as follows:

Name	Number of Common Shares	Percentage
CDS & Co. (1) P.O. Box 1038 Stn A 25 The Esplanade Toronto, Ontario M5W 1G5	16,544,797	81.00%
Cede & Co. (1) P.O. Box 29 Bowling Green Station New York, NY USA 10274	2,761,393	13.52%

NOTE:

(1) The individual beneficial owners of the Common Shares are not known by the Corporation's management.

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

SPECIAL BUSINESS OF THE MEETING

SPECIAL RESOLUTION - Amendment to the Corporation's Articles to consolidate its Common Shares.

The Common Shares of the Corporation are listed and quoted for trading on the NASDAQ SmallCap market ("NASDAQ"). Pursuant to the requirements of NASDAQ, to remain eligible for continued inclusion in NASDAQ a security must have a bid price of at least US\$1.00 per share. On March 19, 2002, the Corporation received written notification from NASDAQ Stock Market, Inc. that its Common Shares have failed to maintain a minimum bid price of US\$1.00 over the previous thirty consecutive trading days as required for continued listing on NASDAQ as set forth in the NASDAQ rules. The Corporation is required to regain compliance with this requirement by September 16, 2002. The closing bid price of the Common Shares of the Corporation on NASDAQ on May 20, 2002 was US\$0.38. As the bid price of the Common Shares of the Corporation continues to be below the US\$1.00 minimum bid price, the Board of Directors of the Corporation has determined that, in order to ensure the continued qualification of the Corporation's Common Shares for listing on NASDAQ, it would be in the best interests of the Corporation and its shareholders to effect a consolidation of the issued and outstanding Common Shares of the Corporation on a basis of one (1) new Common Share for each three (3) Common Shares presently issued and outstanding.

It is the intention of the Corporation to file Articles of Amendment giving effect to the consolidation of the Common Shares following approval thereof by the shareholders at the Meeting. The effective date of the consolidation of the Common Shares will be the date of issuance of the Certificate of Amendment by the Director under the Business Corporations Act (Ontario) and such date is referred to as the "Effective Date". On the Effective Date, the Common Shares of the Corporation will be consolidated on the basis described above

The Board of Directors has determined that the passing of the Special Resolution, the full text of which is attached to this Management Proxy Circular, is in the best interests of the Corporation and shareholders and unanimously recommends that shareholders vote in favour of the Special Resolution. Unless otherwise specified by the shareholder, the persons named in the enclosed form of proxy will vote in favour of the Special Resolution. The Special Resolution may be implemented if two-thirds of the votes represented at the Meeting are cast in favour of its adoption.

In anticipation of the approval of the Special Resolution by the shareholders at the Meeting, a letter of transmittal containing instructions with respect to the surrender of the Corporation's share certificates is enclosed for use by shareholders in exchanging their share certificates. Upon return of a properly completed letter of transmittal, together with share certificates for pre-consolidation Common Shares of the Corporation, certificates for an appropriate number of consolidated Common Shares will be issued. No certificate representing fractional Common Shares of the Corporation will be issued. In the event the consolidation results in a registered shareholder of the Corporation otherwise becoming entitled to a fractional Common Share, an adjustment will be made to the nearest full Common Share.

PRIVATE PLACEMENT RESOLUTION - Advance Shareholder Approval for the Issuance of a Number of Shares by Private Placement That Exceeds 25% of the Corporation's Issued and Outstanding Share Capital

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

The Corporation, from time to time, investigates opportunities to raise financing on advantageous terms. It expects to undertake one or more financings over the next year and expects that some of them may be structured as private placements. Under the rules of The Toronto Stock Exchange, the aggregate number of shares of a listed company which are issued or made subject to issuance (i.e. issuable under a share purchase warrant or option or other convertible security) by way of one or more private placement transactions during any particular six-month period must not exceed 25% of the number of shares outstanding (on a non-diluted basis) prior to giving effect to such transactions (the "TSX 25% Rule"), unless there has been shareholder approval of such transactions.

The application of the TSX 25% Rule may restrict the availability to the Corporation of funds which it may wish to raise in the future by private placement of its securities.

In particular, management of the Corporation considers it to be in the best interests of the Corporation to solicit private placement funds for working capital and its operations. The Toronto Stock Exchange has a working practice that it will accept advance approval by shareholders in anticipation of private placements that may exceed the TSX 25% Rule, provided such private placements are completed within 12 months of the date such advance shareholder approval is given.

THE CORPORATION'S ISSUED AND OUTSTANDING SHARE CAPITAL IS CURRENTLY 20,426,550 COMMON SHARES (6,808,850 COMMON SHARES ON A POST-CONSOLIDATED BASIS) AND THE CORPORATION PROPOSES THAT THE MAXIMUM NUMBER OF SHARES WHICH EITHER WOULD BE ISSUED OR MADE SUBJECT TO ISSUANCE UNDER ONE OR MORE PRIVATE PLACEMENTS IN THE TWELVE MONTH PERIOD COMMENCING ON JUNE 27, 2002 WOULD NOT EXCEED 15,000,000 COMMON SHARES (5,000,000 COMMON SHARES ON A POST-CONSOLIDATED BASIS), OR 73.43% OF THE CORPORATION'S ISSUED AND OUTSTANDING SHARES AS AT MAY 20, 2002.

Any private placement proceeded with by the Corporation under the advance approval being sought at the Meeting will be subject to the following additional restrictions:

- (i) it must be substantially with parties at arm's length to the Corporation;
- (ii) it cannot materially affect control of the Corporation;
- (iii) it must be completed within a twelve-month period following the date the shareholder approval is given; and
- (iv) it must comply with the private placement pricing rules of The Toronto Stock Exchange which currently require that the issue price per Common Share must not be lower than the closing market price of the Common Shares on The Toronto Stock Exchange on the trading day prior to the date notice of the private placement is given to The Toronto Stock Exchange (the "Market Price"), less the applicable discount as follows:

Market Price	Maximum Discount
\$0.50 or less	25%
\$0.51 to \$2.00	20%
Above \$2.00	15%

(For these purposes, a private placement of unlisted convertible securities is deemed to be a private placement of the underlying listed securities at an issue price equal to the lowest possible price at which the securities are convertible by the holders thereof).

In any event, The Toronto Stock Exchange retains the discretion to decide whether or not a particular placement is "substantially" at arm's length or

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

will materially affect control, in which case, specific shareholder approval may be required.

In anticipation that the Corporation may enter into one or more private placements in the next twelve months that will result in it issuing and/or making issuable such number of its Common Shares, taking into account any shares that may be issued upon exercise of any warrants, options or other rights granted in connection with the private placements, that will exceed the TSX 25% Rule, shareholders will be asked to consider and to approve, with or without variation, the Private Placement Resolution, the full text of which is attached to this Management Proxy Circular. The Private Placement Resolution, if approved, would authorize the issuance by the Corporation, in one or more private placements in the twelve-month period commencing June 27, 2002, such number of securities that would result in the Corporation issuing or making issuable 15,000,000 Common Shares (5,000,000 Common Shares on a post-consolidated basis) aggregating up to 73.43% of the number of issued and outstanding Common Shares as at May 20, 2002, subject to the restrictions described above.

The Board of Directors has determined that the passing of the Private Placement Resolution is in the best interests of the Corporation and shareholders and unanimously recommends that shareholders vote in favour of the Private Placement Resolution. In the event the Private Placement Resolution is not passed, The Toronto Stock Exchange will not approve any private placements that result in the issuance or possible issuance of a number of shares which exceed the TSX 25% Rule, without specific shareholder approval. Such restriction could impede the Corporation's timely access to required funds on favourable terms. Accordingly, in the absence of contrary instructions, the persons named in the enclosed form of proxy intend to vote for the Private Placement Resolution.

To be effective, the Private Placement Resolution requires approval by a majority of the votes cast by shareholders that vote in respect of the Private Placement Resolution.

Other Matters

Save for the matters referred to in this Management Information Circular, management of the Corporation knows of no other matters intended to be brought before the Meeting. If any matters which are not now known to management shall properly come before the Meeting, the proxy given pursuant to this solicitation by management will be voted on such matters in accordance with the best judgment of the person voting the proxy, in the event such discretionary authority is provided in the proxy.

CORPORATE GOVERNANCE

The following describes the Corporation's corporate governance practices with specific reference to the guidelines contained in the Report of the TSX Committee on Corporate Governance in Canada (the "TSX Report").

Mandate of the Board

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

The Board of Directors (the "Board") holds meetings whenever appropriate to oversee the conduct of the Corporation's business and monitor and evaluate the day-to-day management of the Corporation. With respect to risk management activities, the Board is presented, at each meeting, reports on operations, financial status, material contracts and litigation.

In addition to the Board's statutory responsibilities under the Business Corporations Act of Ontario, the Board's "stewardship" responsibilities include the following: (a) assessing the principal risks arising from or incidental to the business activities of the Corporation; (b) appointing all senior executives of the Corporation and, through the Compensation Committee of the Board, developing and implementing the executive compensation policies and reviewing the performance of senior executives with reference to the Corporation's policies, stated budget and other objectives; (c) overseeing the Corporation's policies regarding public communications, investor relations and shareholder communications; and (d) monitoring and assessing, through the Audit Committee of the Board, the scope, implementation and integrity of the Corporation's internal information, audit and control systems.

The Corporation has delegated the responsibility for monitoring the effectiveness of the Corporation's internal information systems to the Audit Committee of the Board. The Audit Committee is also responsible for reviewing and appraising the soundness, adequacy and application of financial and other operating controls, determining the extent of compliance with established policies, plans and procedures and ascertaining the reliability and timeliness of management data developed within the organization.

Composition of the Board

The articles of the Corporation provide that there shall be a Board of not less than 3 or more than 10 directors. There are currently six directors of the Corporation, two of whom are "inside" and "related" directors and four of whom are "outside" directors (as such terms are defined in the TSX Report). Geoffrey B. Genovese, the President and Chief Executive Officer of the Corporation, and Donald Watt, the Chairman of the Corporations wholly-owned subsidiary, Watt International Inc., are the "inside" and "related" directors. Hugh Aird, David Hull and Eric Demirian are the "outside" and "unrelated" directors of the Corporation. John H. Bailey is an outside director but, as counsel who provides ongoing legal services to the Corporation, may be considered to be a "related" director. The Board intends to periodically examine its size and constitution to ensure responsible corporate governance and effective corporate management.

Governing Committees

The directors have established the Audit Committee and the Compensation Committee to focus resources and expertise in certain areas of the Board's mandate.

-- Audit Committee

The Board has delegated to the Audit Committee of the Board responsibility for ensuring management has designed and implemented an effective management system and for reviewing internal information, audit, control and management systems. The Audit Committee is comprised of three directors, Hugh Aird, Eric Demirian and John H. Bailey. The TSX Report recommends that all members of the Audit Committee should be "outside" directors. Although John H. Bailey is an

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

"outside" director, he may be considered a "related" director (see above). However, the Board has waived the independence requirements for John H. Bailey, as it believes that his presence on the Audit Committee facilitates the remaining members' understanding of industry and related issues and is in the best interests of the Corporation

The Audit Committee is responsible for reviewing the Corporation's annual consolidated financial statements and reporting to the Board in connection therewith. The Audit Committee is also responsible for monitoring the Corporation's internal controls and information gathering systems and dealing with the Corporation's external auditors. On February 22, 2000, the Audit Committee adopted a formal written audit committee charter, which specifies the auditor's accountability to the Board and the authority and responsibilities of the Audit Committee.

-- Compensation Committee

The Compensation Committee is comprised of three directors, David Hull, Hugh Aird and John H. Bailey, all of whom are "outside" directors. The Compensation Committee reviews, administers and monitors the Corporation's executive compensation plans, policies and programs, including the compensation of all executive officers and, if requested by the President and Chief Executive Officer, reviews the compensation of any other officer or senior employee.

-- Corporate Governance Committee

The Board has not, as yet, established a Corporate Governance Committee as recommended in the TSX Report and believes that the matters ordinarily considered by such a committee are effectively administered by the Board's "outside" and "unrelated" directors. Although, at present, the Board has determined this to be the most practical approach to responsible corporate governance, the Board will continue to evaluate this determination as circumstances dictate.

Expectations of the Board

The Board expects management of the Corporation to report to the Board in a comprehensive, accurate and timely fashion on the business and affairs of the Corporation generally and on specific matters that it considers to have material consequences for the Corporation and its shareholders. Management is expected to continually develop and review the Corporation's strategic plan to make the decisions necessary to give effect to the plan; to adhere to the Corporation's operational policies; and to monitor the Corporation's financial performance in comparison to the annual budget, with the ultimate goal of enhancing shareholder value.

Shareholder Communication

The objective of the Corporation's shareholder communication policy is to ensure open and timely exchange of information relating to the Corporation's business, affairs and performance, subject to the requirements of applicable securities legislation and other statutory and contractual obligations limiting the disclosure of such information. Information material to the Corporation's business is released through news wire services, the general media, telephone conferences and shareholder mailings, thereby ensuring

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

timely dissemination. Additionally, individual queries, comments or suggestions can be made at any time directly to the Corporation's secretarial department located at its head office.

Stock Option Plan

The Corporation has established a Stock Option Plan pursuant to which options to purchase Common Shares and stock appreciation rights ("SARs") may be granted to directors, officers, employees or certain consultants to the Corporation or any of its subsidiaries, as determined by the Board, at prices to be fixed by the directors, subject to limitations imposed by any Canadian stock exchange on which the Common Shares are listed for trading and any other regulatory authority having jurisdiction in such matters. The Common Shares subject to each option shall become purchasable at such time or times as may be determined by the directors. SARs may only be granted in conjunction with an option and, when exercised, entitle the holder to receive an amount equal in value to the excess of the market value of the Common Shares over the price of the related option. The excess amount is payable in Common Shares having a market value equal to such excess. Options are non-assignable and non-transferable by the option-holder and shall be exercisable during the option-holder's lifetime only by the option-holder. SARs are non-transferable and terminate when the related option terminates.

The maximum number of Common Shares currently reserved for issuance upon exercise of options under the Stock Option Plan is 4,000,000 Common Shares. As at September 30, 2001, options to purchase 2,679,500 Common Shares have been granted and are outstanding under the Stock Option Plan, options to purchase 101,000 Common Shares have been exercised under the Stock Option Plan and options to purchase 340,000 Common Shares have been forfeited or cancelled under the Stock Option Plan. There are no SARs outstanding under the Stock Option Plan. The aggregate number of Common Shares reserved for issuance to any one individual under the Stock Option Plan may not exceed 5% of the issued and outstanding Common Shares.

Indebtedness of Directors and Senior Officers

Since the beginning of the last completed fiscal year, there has been no indebtedness to the Corporation or its subsidiaries by any director, officer, proposed nominee for election as a director or associate of any such person.

Composition of the Compensation Committee

The Corporation established a Compensation Committee in December, 1997. The Compensation Committee is comprised of its Chairman, David Hull (an outside, unrelated director), Hugh Aird (an outside, unrelated director) and John H. Bailey (an outside director and legal counsel to the Corporation). The Compensation Committee is responsible for the review, administration and monitoring of the Corporation's executive compensation plans, policies and programs, including the compensation of the President and Chief Executive Officer and, if requested by the President, the review of the compensation of any other officer or senior employee.

Report on Executive Compensation

During the fiscal year ended September 30, 2001, the Corporation's executive compensation program was intended to be consistent with the Corporation's business plans, strategies and goals while taking into account various factors and criteria including competitive factors and the Corporation's performance.

The Corporation's executive compensation program was intended to provide an appropriate overall compensation package that would permit the Corporation to attract and retain highly qualified and experienced senior executives and to encourage superior performance by the Corporation. The Corporation's compensation policies were intended to motivate individuals to achieve and then to award compensation based on corporate and individual results. Compensation ranges designed to recognize level of responsibility, experience and performance were based on survey data compiled by external consultants periodically examined to ensure that the compensation awarded by the Corporation was competitive and adequate.

The compensation of the executive officers consists of a base salary, bonus and participation in the Corporation's Stock Option Plan. Individual performance is recognized by measuring the achievement of specific objectives that are related to concrete, measurable elements in each executive officer's performance and/or functional area of responsibility. Base salary and bonuses accounted for approximately 100% of cash compensation. Base salary levels were based on responsibility, experience, knowledge and on internal equity criteria and external pay practices. As noted above, in appropriate circumstances, cash compensation may be augmented by the payment of bonuses with the intention that overall compensation be more closely aligned to an individuals' performance or the profitability of the business unit for which the individual is accountable. The Stock Option Plan is intended to provide long term rewards linked directly to the market value of the Common Shares of the Corporation. Options were granted under the Stock Option Plan based on the level of executive responsibility and compensation practices at competitive market rates.

Compensation for the Chief Executive Officer was intended to reflect a fair

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form 6-K

evaluation of overall performance and was intended to be competitive with levels of compensation of comparable corporations. The analysis of the CEO's performance was based on actual performance, performances relative to anticipated plans and the effectiveness and appropriateness of strategies designed to address those factors.
