MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL MEETING OF COMMON SHAREHOLDERS

JUNE 7, 2002

ALL AMOUNTS OF MONEY WHICH ARE REFERRED TO IN THIS MANAGEMENT INFORMATION CIRCULAR ARE EXPRESSED IN LAWFUL MONEY OF THE UNITED STATES UNLESS OTHERWISE SPECIFIED.

NOTE: Shareholders who do not hold their common shares in their own name, as registered shareholders, should read "Advice to Beneficial Shareholders" within for an explanation of their rights.

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS PROVIDED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF MINERA ANDES INC. (the "Corporation") of proxies for the annual general meeting of the shareholders of the Corporation (the "Meeting") to be held on Friday, June 7, 2002, at 10:00 a.m. (Spokane time) in the Main Boardroom, at the offices of the Corporation, 3303 North Sullivan Road, Spokane, Washington 99216 or at any adjournment thereof for the purposes set forth in the accompanying Notice of Meeting. The Management Information Circular will be mailed on or about April 30, 2002.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, telegraph or personal interview by regular employees of the Corporation, at a nominal cost. In accordance with National Policy No. 41, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed Instrument of Proxy, Allen V. Ambrose, President, of Spokane, Washington and Brian Gavin, Vice President, Exploration, of Spokane, Washington, have been selected by the directors of the Corporation and have indicated their willingness to represent as proxy the shareholder who appoints them. A SHAREHOLDER HAS THE RIGHT TO DESIGNATE A PERSON (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN ALLEN V. AMBROSE OR BRIAN GAVIN, BEING THE MANAGEMENT DESIGNEES, TO REPRESENT HIM OR HER AT THE MEETING. Such right may be exercised by inserting in the space provided for that purpose on the Instrument of Proxy the name of the person to be designated and deleting therefrom the names of the management designees, or by completing another proper form of proxy. Such shareholder should notify

3

the nominee of the appointment, obtain a consent to act as proxy and should provide instructions on how the shareholder's common shares are to be voted. In any case, the form of proxy should be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached, where an attorney executed the proxy form.

A form of proxy will not be valid for the Meeting or any adjournment thereof

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

unless it is completed and delivered to Computershare Trust Company of Canada, 6th Floor, Western Gas Tower, 530 - 8th Avenue S.W., Calgary, Alberta, T2P 3S8, at least forty-eight (48) hours prior to the Meeting or any adjournment thereof. Late proxies may be accepted or rejected at any time prior to the commencement time of the Meeting by the Chairman of the Meeting in his discretion and the Chairman is under no obligation to accept or reject any particular late proxy.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the shareholder or by his attorney authorized in writing and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending at the meeting and voting his common shares.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation as a substantial number of shareholders do not hold their common shares of the Corporation in their own names. Shareholders of the Corporation who do not hold their common shares in their own names (referred to herein as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common shares of the Corporation held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Independent Investor Communications Corporation ("IICC"). IICC typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to IICC. IICC then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the meeting. A Beneficial

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

Shareholder receiving a proxy with an IICC sticker on it cannot use that proxy to vote common shares directly at the Meeting - the proxy must be returned to IICC well in advance of the Meeting in order to have their common shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares of the Corporation registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote such common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders who produce proof of their identity.

VOTING OF PROXIES

The persons named in the enclosed Instrument of Proxy are directors and/or officers of the Corporation who have indicated their willingness to represent as proxy the shareholder who appoints them. Each shareholder may instruct his Proxy how to vote his common shares by completing the blanks on the Instrument of Proxy.

All common shares represented at the meeting by properly executed proxies will be voted (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the common shares represented by the proxy will be voted in accordance with such specification. IN THE ABSENCE OF ANY SUCH SPECIFICATION, THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, WILL VOTE IN FAVOUR OF THE MATTERS SET OUT THEREIN.

The enclosed instrument of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the notice of meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Corporation is not aware of any amendments to, variations of or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

VOTING SHARES AND SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

AND MANAGEMENT

The authorized share capital of the Corporation consists of an unlimited number of common shares and an unlimited number of preferred shares (non-voting). As of the effective date of this Management Information Circular, being April 1, 2002 unless otherwise indicated (the "Effective Date"), the issued and outstanding share capital of the Corporation consists of 30,046,030 common shares. To date, no preferred shares have been issued.

The Corporation will prepare a list of shareholders of record at the close of business on April 18, 2002 (the "Record Date"). A holder of common shares named on that list will be entitled to vote such common

shares at the Meeting on the basis of one vote for each common share held except to the extent that, (i) the holder transfers his or her common shares after the close of business on the Record Date, and (ii) such transferee produces properly endorsed common share certificates to the Secretary or Transfer Agent of the Corporation or otherwise establishes his or her ownership of the common shares, at least ten (10) days prior to the Meeting, in which case the transferee may vote those common shares at the Meeting.

The By-laws of the Corporation provide that holders present not being less than two (2) in number and holding or representing not less than ten (10%) percent of the issued common shares of the Corporation, shall constitute a quorum for the meeting in respect of holders of common shares.

The following table sets forth certain information regarding the beneficial ownership, as of April 12, 2002 of the common shares by (i) each person known by the Corporation to own beneficially more than 5% of the common shares, (ii) each director of the Corporation, (iii) each officer of the Corporation and (iv) all directors and executive officers as a group. Except as otherwise noted, the Corporation believes the persons listed below have sole investment and voting power with respect to the common shares owned by them.

6. Pension and Retirement Plans and Payments made upon Termination of Employment

The Corporation does not have in place any pension or retirement plan. The Corporation is not party to any compensation plan or arrangement with a Named Executive Officer resulting from the resignation, retirement or the termination of employment of such person.

7. Employment and Management Contracts

- (a) N.A. Degerstrom, Inc. ("Degerstrom") provides management services to the Corporation and acts as operator of the Corporation's properties and projects pursuant to an operating agreement entered into on March 15, 1995 ("Operating Agreement"). Under the Operating Agreement, Degerstrom operates and manages the exploration program on all properties and provides related offsite administrative assistance as required. This agreement allows the Corporation to minimize its overhead by providing for reimbursement to Degerstrom of direct out of pocket and certain allocated indirect costs and expenses and the payment of a management fee of 15%. During the year ended December 31, 2001 administrative fees were paid to Degerstrom of \$40,918 on total costs incurred by the Corporation of \$305,298.
- (b) The Corporation had entered into an agreement dated April 30, 1996, as amended on October 31, 1997 with Waiata Resources located in Littleton, Colorado. The agreement provided that Allan J. Marter, who is the principal of Waiata Resources ("Waiata") and a director and officer of the Corporation, would provide financial advisory services to the Corporation including the oversight of the accounting function and reporting, joint venture negotiations and documentation, business and financial planning and the review and evaluation of investment opportunities. Waiata received a retainer of \$2,800 per month which entitled the Corporation of up to five days

11

of advisory services from Allan J. Marter per month. Additional advisory services were paid at the pro rata rate based on \$560 per day. The agreement provided for termination by the Corporation upon thirty days written notice. This agreement has since been terminated upon the resignation of Allan J. Marter as Chief Financial Officer, effective March 29, 2000. Mr. Marter has continued to provide corporate finance services on an as needed basis, without a contract from March 29, 2000; he was paid \$2,100 from January to December, 2001.

C. Stock Option Plan

The Board of Directors of the Corporation has adopted a stock option plan (the "Plan") which was approved with amendments by the shareholders of the Corporation at the Annual and Special Meeting of Shareholders held on June 26, 1996. Subsequently at the Corporation's Annual and Special Meeting of Shareholders held on June 26, 1998, the shareholders of the Corporation approved a further amendment increasing the total number of common shares reserved for issuance under the Plan from 2,000,000 to 3,000,000 common shares. Further at the Corporation's Annual General and Special Meeting of Shareholders held on June 23, 2000, the shareholders of the Corporation approved a further amendment increasing the total number of common shares reserved for issuance under the Plan from 3,000,000 to 6,000,000 common shares. The Corporation maintains the Plan for the benefit of its employees and others who provide services to the Corporation. The Board of Directors believes the availability of stock incentives is an important factor in the Corporation's ability to attract and retain experienced and competent employees and to provide an incentive for them to exert their best efforts on behalf of the Corporation. Certain provisions of the Plan are described below.

As of April 1, 2002, out of the total 6,000,000 shares provided for issuance under the Plan 3,764,000 shares remain available for grant. Certain provisions of the Plan are described below.

(a) Description of the Plan

(i) General

The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") or to the qualification requirements of Section 401(a) of the Internal Revenue Code of 1986, as amended, (the "Code"). Certain stock options granted under the Plan may be treated as incentive stock options as defined in Section 422 of the Code ("Incentive Stock Options"). Other stock options, including all options granted under the Plan to individuals who are not employees of the Corporation or any of its subsidiaries are not Incentive Stock Options and are referred to in this Management Information Circular as "Nonstatutory Stock Options".

The purpose of the Plan is to advance the interests of the Corporation and its subsidiaries and affiliates by encouraging the directors, officers, employees and consultants of the Corporation and its subsidiaries to acquire common shares in the Corporation, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and its subsidiaries and furnishing them with additional incentive in their efforts on behalf of the Corporation and its subsidiaries in the conduct of their affairs.

(ii) Common Shares Reserved for Issuance Under the Plan

The common shares to be offered under the Plan consist of common shares of the Corporation's authorized but unissued common shares. The aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan shall not exceed 10% of the Corporation's issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The

12

number and kind of common shares available for grants under the Plan is subject to adjustment by the Board of Directors if the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of securities of the Corporation through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation.

If any option granted under the Plan expires or terminates for any reason without having been exercised in full, the unpurchased common shares subject thereto will again become available for the purpose of the Plan. No fractional common shares are issued under the Plan on any such adjustment.

To the Effective Date an aggregate of 2,010,000 stock options have been granted to the directors, officers, employees and consultants of the Corporation or its subsidiaries pursuant to the Corporation's Plan of which 226,000 stock options have been exercised. To the Effective Date, 3,764,000 stock options were available for grant under the Plan.

(iii) Administration

The Plan is interpreted and administered by the Board of Directors. A majority of the Board of Directors constitutes a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board of Directors has authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board of Directors are binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted under the Plan is to be evidenced by an agreement, signed on behalf of the Corporation and by the optionee, in a form approved by the Board of Directors.

(iv) Participation and Types of Grants

Directors, officers, management, consultants and employees of the Corporation are eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as "Participants"). The Board of Directors determines to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted, and the number of common shares to be subject to each option. An individual who has been granted an option may, if the Participant is otherwise eligible, and if permitted under the policies of the stock exchange or stock exchanges on which the common shares of the Corporation are listed, be granted an additional option or options if the directors so determine. The rules of any stock exchange upon which the Corporation's common shares are listed are applicable relative to options granted to Participants.

(v) Exercise Price

The Board of Directors determines the exercise price of the common shares covered by each option granted under the Plan. The exercise price of options granted under the Plan may not be less than the closing price of the Corporation's common shares on the stock exchange or stock exchanges on which the common shares of the Corporation are listed on the last trading day immediately preceding the day on which the stock exchange is notified of the proposed issuance of the option, less any discounts permitted by the policy or policies of such stock exchange or stock exchanges.

13

However, if an option is granted within six months of a public distribution of the Corporation's common shares by way of prospectus, then the minimum exercise price of such option may, if the policy of such stock exchange or stock exchanges requires, be the greater of the closing price of the Corporation's common shares on the last trading day immediately preceding the day on which the stock exchange is notified of the proposed issuance of the option, as provided above, and the price per common share paid by the investing public for common shares of the Corporation acquired by the public during such public distribution, determined in accordance with the policy or policies of such stock exchange or stock exchanges.

(vi) Duration and Exercise of Options

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

The option period is a period of time fixed by the Board of Directors, not to exceed the maximum period permitted by any stock exchange on which the Corporation's common shares are then listed or other regulatory body having jurisdiction, provided that the option period may be reduced with respect to any option as provided in "Termination of Employment or Service, Death and Assignment" below.

Except as set forth in "Termination of Employment or Service, Death and Assignment" below, no option may be exercised unless the Participant is at the time of such exercise a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates. Provided, however, that any other provision to the contrary, an option granted to a consultant in connection with specific services provided or to be provided by that consultant may be exercised only after the date of completion of such service and prior to 30 days following the date of completion of such service.

Options may be exercised in amounts and at times determined by the Board of Directors. The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of common shares with respect to which the option is being exercised, accompanied by cash payment, certified check or bank draft for the full purchase price of such common shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares subject to an option under this Plan, unless and until the certificates for such common shares are issued to such persons under the terms of the Plan.

No person entitled to exercise an option has any of the rights or privileges of a shareholder of the Corporation in respect of any common shares issuable upon exercise of such option until certificates representing such common shares are issued and delivered.

(vii) Termination of Employment or Service, Death and Assignment

If a Participant ceases to be a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates for any reason (other than death), the Participant may exercise any option then held within 90 days following the Participant's ceasing to be a director, officer, employee or consultant, but only if and to the extent that the Participant was entitled to exercise the option at the date of such cessation.

In the event of the death of a Participant, any option then held by the Participant will be exercisable within the twelve (12) months following the Participant's death, but only: (a) by the person or persons to whom the Participant's rights under the option pass by the Participant's will or the laws of descent and distribution; and (b) if and to the extent that the Participant was entitled to exercise the option at the date of the Participant's death.

14

(viii) Amendment and Termination of the Plan

The Board of Directors may, at any time, suspend or terminate the Plan. The Board of Directors may also at any time amend or revise the terms of the Plan, provided that no such amendment or revision may alter the terms of any options theretofore granted under the Plan.

(b) Summary of United States Federal Income Tax Consequences

(i) Non-statutory Stock Options

A. General. Under United States federal income tax law now in effect, no

income is realized by the grantee of a Non-statutory Stock Option until the option is exercised. When a Non-statutory Stock Option is exercised, the optionee realizes ordinary compensation income, and the Corporation generally becomes entitled to a deduction, in the amount by which the market value of the common shares subject to the Non-statutory Stock Option at the time of exercise exceeds the exercise price. With respect to options exercised by certain executive officers, the Corporation's deduction can in certain circumstances be limited by the \$1,000,000 cap on deductibility set forth in Section 162(m) of the Code. The Corporation is required to withhold on all amounts treated as ordinary income to optionees. Upon the sale of common shares acquired by exercise of a Non-statutory Stock Option, the amount by which the sale proceeds exceed the market value of the common shares on the date of exercise will constitute capital gain which will be taxable at varying rates depending on the holding period.

B. Exercise by "Insiders". The tax consequences described above also apply

to an optionee who is an "insider" for purposes of Section 16(b) of the Securities Exchange Act of 1934, as amended, (the "Exchange Act") unless both (a) the grant of the option was not approved by either the Board of Directors or a committee composed solely of two or more non-employee directors and (b) the insider exercises the option within six months of the date of grant.

(ii) Incentive Stock Options

A. General. Under federal income tax law now in effect, no income will be

recognized by an optionee upon either grant or exercise of an Incentive Stock Option. The amount by which the market value of common shares issued upon exercise of an Incentive Stock Option exceeds the exercise price, however, is included in the optionee's alternative minimum taxable income and may, under certain conditions, be taxed under the alternative minimum tax. If the optionee holds common shares acquired upon exercise of an Incentive Stock Option for two years after the date of grant and one year after the date of exercise (the "holding periods"), and if the optionee has been an employee of the Corporation (or of any parent or subsidiary of the Corporation) at all times from the date of grant to the date three months before exercise, then any gain realized by the optionee upon sale or exchange of the common shares will be treated as long-term capital gain and any loss will be long-term capital loss.

Generally, if an optionee disposes of common shares acquired upon exercise of an Incentive Stock Option within the holding periods and all requirements other than the holding period rules are met (an "early disposition"), the optionee will recognize ordinary compensation income for the year of disposition equal to the excess of the market value of the common shares on the date of exercise over the option's exercise price. The remainder of the gain realized upon the early disposition, if any, will be capital gain and will be taxed at varying rates depending on the holding period. A special rule limits the amount of ordinary compensation income that must be recognized to the amount of gain realized by the optionee upon the early disposition. As a result, the optionee will not be required to recognize the entire spread between the exercise price and the market value on the date of exercise as ordinary compensation income if the early disposition results in either a loss or a gain smaller than the spread at

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

exercise. If common shares acquired upon exercise of an Incentive Stock Option are disposed of in an early disposition, the

15

Corporation ordinarily will be entitled to a deduction in the year of disposition equal to the amount of ordinary compensation income recognized by the optionee.

B. Exercise by "Insiders". The tax consequences described above also apply to

an optionee who is an "insider" for purposes of Section 16(b) of the Exchange Act, unless both (a) the grant of the Incentive Stock Option was not approved by either the Board of Directors or a committee composed solely of two or more non-employee directors and (b) the insider exercises the Incentive Stock Option within six months of the date of grant. Optionees who are insiders should consult their individual tax advisers before exercising an Incentive Stock Option in either of those cases.

D. Other Compensation

During the Corporation's fiscal period ended December 31, 2001, the Corporation accrued and/or paid fees to a law firm for the provision of ongoing legal services to the Corporation amounting to approximately \$11,624. Bonnie L. Kuhn, the Secretary, Chief Financial Officer and Director of the Corporation, is an associate of such firm.

Other than as set forth herein, the Corporation did not pay any additional compensation to the executive officers or directors (including personal benefits and securities or properties paid or distributed which

16

compensation was not offered on the same terms to all full time employees) during the last completed fiscal year.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, executive officer, senior officer or any of their respective associates or affiliates or any proposed nominee director is or has been at any time since the beginning of the last completed fiscal year, indebted to the Corporation or any of its subsidiaries nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding, provided by the Corporation or any of its subsidiaries.

INTEREST OF INSIDERS IN MATERIAL TRANSACTIONS AND IN MATTERS TO BE

ACTED UPON

There are no material interests, direct or indirect, of the current directors, senior officers, and shareholders who beneficially own, directly or indirectly, more than ten (10%) percent of the outstanding common shares or any known associate or affiliates of such persons, in any matter to be acted upon nor in any transaction which has materially affected the Corporation since the commencement of the Corporation's last financial year, other than as set forth herein or as previously disclosed, and for the following transaction:

- 1. On September 20, 2001, Degerstrom, who is a principal shareholder of the Corporation, acquired from the Corporation certain unused assets and all of the issued and outstanding shares of NAD S.A. for an acquisition cost of \$45,800. These assets include certain pieces of idle equipment that were no longer used, including half-an interest in a travel trailer, furniture, household items and a 1995 Land Rover.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Board of Directors of the Corporation, the only matters

Edgar Filing: MINERA ANDES INC /WA - Form DEF 14A

to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting relating to the receipt of financial statements and the Auditors' Report thereon, the election of directors, and the appointment of auditors.

(a) Report to Shareholders

The Board of Directors of the Corporation have approved all of the information in the Report to Shareholders that accompanies this present Management Information Circular, including the audited consolidated financial statements delivered therewith for the fiscal year ended December 31, 2001.

(b) Number of Directors

For this forthcoming year, it is proposed that the Board of Directors shall consist of six (6) members. At the Meeting, shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to six (6).

17

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

Unless otherwise indicated in the Proxy, it is management's intention to vote the proxies in favour of the resolution fixing the number of directors to six (6).

(c) Election of Directors

At the Meeting, it will be proposed that six (6) directors be elected to hold office until the next Annual General Meeting of Shareholders or until their successors are elected or appointed. There are presently six (6) directors of the Corporation, each of whose terms of office will expire at the Meeting. It is the intention of the management designees, if named as proxy, to vote for the election of the following persons to the Board of Directors. Management does not contemplate that any of such nominees will be unable to serve as directors; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in his proxy that his common shares are to be withheld from voting in the election of directors. Each director elected will hold office until the next Annual General Meeting of Shareholders or until his successor is duly elected, unless his office is earlier vacated in accordance with the Bylaws of the Corporation.

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

The following sets forth the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation, presently held by him or her, his or her municipality of residence, his or her principal occupation at the present and during the preceding five years, the period during which he or she has served as a director, and the

number of voting common shares of the Corporation that he or she has advised are beneficially owned by him or her, directly or indirectly, or over which control or direction is exercised, as of April 12, 2002 hereof (except as otherwise noted, the Corporation believes the persons listed below have sole investment and voting power with respect to the common shares owned by them).

- (d) Appointment of Auditor

On July 24, 2001, the Corporation's auditors, PricewaterhouseCoopers LLP, notified the Corporation that it had resigned as the Corporation's independent accountants, following the closure of its Spokane office. auditors of the Corporation.

20

There have been no reportable events (ie. disagreements, unresolved issues or consultations) during the period in which PricewaterhouseCoopers LLP, Chartered Accountants have been in office. PricewaterhouseCoopers LLP, Chartered Accountants were appointed auditors of the Corporation on June 19, 1997. In accordance with National Policy 31, the "Reporting Package" which includes Form 8K dated July 24, 2001 and letter from the former auditor have been delivered to the Alberta Securities Commission, the British Columbia Securities Commission, the Saskatchewan Securities Commission, the Ontario Securities Commission and the Nova Scotia Securities Commission and is attached hereto and forms Schedule "A" to this Information Circular.

Unless otherwise directed, it is management's intention to vote the proxies in favour of an ordinary resolution to appoint the firm of BDO Dunwoody LLP as auditor of the Corporation to hold office until the close of the next annual general meeting of shareholders or until BDO Dunwoody LLP is removed from office or resigns as provided by law and by the Corporation's by-laws and to authorize the directors of the Corporation to fix the remuneration of BDO Dunwoody LLP as auditors of the Corporation. BDO Dunwoody LLP has been the auditor of the Corporation since July 24, 2001.

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

ATTENDANCE OF ACCOUNTANTS

The Corporation has been advised by BDO Dunwoody LLP that neither that firm nor any of its associates has any relationship with the Corporation or its subsidiaries other than the usual relationship that exists between independent public accountants and clients. Representatives of BDO Dunwoody LLP will not be present at the Meeting.

GENERAL

All matters to be brought before the Meeting require, for the passing of same, a simple majority of the votes cast in person or by proxy at the Meeting by the holders of common shares. If a majority of the common shares represented at the Meeting should be withheld from voting for the appointment of BDO Dunwoody LLP as auditors of the Corporation, the Board of Directors will appoint another firm of chartered accountants based upon the recommendation of the audit committee, which appointment for any period subsequent to the next annual meeting of shareholders will be subject to approval by the shareholders at that meeting.

The contents and the sending of this Management Information Circular have been approved by the Board of Directors of the Corporation.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE
