THE ANNUAL GENERAL MEETING

WE ARE FURNISHING THIS PROXY STATEMENT TO HOLDERS OF OUR COMMON SHARES IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OUR BOARD OF DIRECTORS AT THE ANNUAL GENERAL MEETING, AND AT ANY ADJOURNMENTS AND POSTPONEMENTS OF THE MEETING.

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

TIME AND PLACE

The annual general meeting will be held at 8:30 a.m. (local time) on May 21, 2003 at the Elbow Beach Hotel, 60 South Shore Road, Paget Parish PG04 Bermuda.

RECORD DATE; VOTING AT THE ANNUAL GENERAL MEETING

Our Board of Directors has fixed the close of business on April 11, 2003 as the record date for determination of the shareholders entitled to notice of and to vote at the annual general meeting and any and all postponements or adjournments of the meeting. On the record date, there were 27,978,256 common shares outstanding and entitled to vote, subject to the limitations in our bye-laws described below. At that date, there were an estimated 168 holders of record and 5,000 beneficial holders of the common shares. On the record date, there were 38,844,665 preference shares outstanding and entitled to vote, subject to the limitations in the certificate of designations and our bye-laws described below. There were 28 holders of record and beneficial holders of the preference shares. Each holder of record of shares on the record date is entitled to cast one vote per share, subject to the limitations described below. A shareholder may vote in person or by a properly executed proxy on each proposal put forth at the annual general meeting.

LIMITATION ON VOTING UNDER OUR BYE-LAWS

Under our bye-laws, if the votes conferred by shares of Arch Capital Group Ltd. ("ACGL" or the "Company"), directly or indirectly or constructively owned (within the meaning of section 958 of the Internal Revenue Code of 1986, as amended (the "Code")) by any U.S. person (as defined in section 7701(a)(30) of the Code) would otherwise represent more than 9.9% of the voting power of all shares entitled to vote generally at an election of directors, the votes conferred by such shares or such U.S. person will be reduced by whatever amount is necessary so that after any such reduction the votes conferred by the shares of such person will constitute 9.9% of the total voting power of all shares entitled to vote generally at an election of directors.

There may be circumstances in which the votes conferred on a U.S. person are reduced to less than 9.9% as a result of the operation of bye-law 45 because of shares, including shares held by private equity investment funds affiliated with Warburg Pincus LLC ("Warburg Pincus funds") and Hellman & Friedman LLC ("Hellman & Friedman funds"), that may be attributed to that person under the Code.

Notwithstanding the provisions of our bye-laws described above, after having applied such provisions as best as they consider reasonably practicable, the Board may make such final adjustments to the aggregate number of votes conferred by the shares of any U.S. person that they consider fair and reasonable in all the circumstances to ensure that such votes represent 9.9% of the aggregate voting power of the votes conferred by all shares of ACGL entitled to vote generally at an election of directors.

In order to implement bye-law 45, we will assume that all shareholders (other than the Warburg Pincus funds and the Hellman & Friedman funds) are U.S. persons unless we receive assurances satisfactory to us that they are not U.S. persons.

QUORUM; VOTES REQUIRED FOR APPROVAL

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

The presence of two or more persons representing, in person or by properly executed proxy, not less than a majority of the voting power of our shares outstanding and entitled to vote at the annual general meeting is necessary to constitute a quorum. If a quorum is not present, the annual general meeting may be adjourned from time to time until a quorum is obtained. The affirmative vote of a majority of the voting power of the shares represented at the annual general meeting will be required for approval of each of the proposals, except that Proposal 1 will be determined by a plurality of the votes cast.

An automated system administered by our transfer agent will tabulate votes cast by proxy at the annual general meeting, and our transfer agent will tabulate votes cast in person. Abstentions and broker non-votes (i.e., shares held by a broker which are represented at the meeting but with respect to which such broker does not have discretionary authority to vote on a particular proposal) will be counted for purposes of determining whether or not a quorum exists.

Several of our officers and directors will be present at the annual general meeting and available to respond to questions. Our independent accountants are expected to be present at the annual general meeting, will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

VOTING AND REVOCATION OF PROXIES

All shareholders should complete, sign and return the enclosed proxy card. All shares represented at the annual general meeting by properly executed proxies received before or at the annual general meeting, unless those proxies have been revoked, will be voted at the annual general meeting, including any postponement or adjournment of the annual general meeting. If no instructions are indicated on a properly executed proxy, the proxies will be deemed to be FOR approval of each of the proposals described in this proxy statement.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by either:

- filing, including by facsimile, with the Secretary of the Company, before the vote at the annual general meeting is taken, a written notice of revocation bearing a later date than the date of the proxy or a later-dated proxy relating to the same shares, or
- attending the annual general meeting and voting in person.

In order to vote in person at the annual general meeting, shareholders must attend the annual general meeting and cast their vote in accordance with the voting procedures established for the annual general meeting. Attendance at the annual general meeting will not in and of itself constitute a revocation of a proxy. Any written notice of revocation or subsequent proxy must be sent so as to be delivered at or before the taking of the vote at the annual general meeting to Arch Capital Group Ltd., Wessex House, 3rd Floor, 45 Reid Street, Hamilton HM 12 Bermuda, Facsimile: (441) 278-9255, Attention: Secretary.

SOLICITATION OF PROXIES

Proxies are being solicited by and on behalf of the Board of Directors. In addition to the use of the mails, proxies may be solicited by personal interview, telephone, telegram, facsimile and advertisement in periodicals and postings, in each case by our directors, officers and employees.

We have retained MacKenzie Partners, Inc. to aid in the solicitation of proxies and to verify records related to the solicitation. We will pay MacKenzie Partners, Inc. fees of not more than \$4,500 plus expense reimbursement for its

BOARD OF DIRECTORS COMPOSITION

Pursuant to the Shareholders Agreement entered into in connection with the capital infusion in November 2001, we have agreed to restrictions on the composition of our Board of Directors. Pursuant to this agreement, the Warburg Pincus funds and the Hellman & Friedman funds are entitled to nominate a prescribed number of directors based on the respective retained percentages of their preference shares purchased in November 2001. Currently, our Board consists of 12 members, including three directors nominated by the Warburg Pincus funds and two directors nominated by the Hellman & Friedman funds. As long as the Warburg Pincus funds retain at least 75% of their original investment and Hellman & Friedman funds retain at least 60% of their original investment, these shareholders together will be entitled to nominate a majority of directors to our Board. Messrs. Bragin, Glanville and Lee are the designees of the Warburg Pincus funds, and Messrs. Tunnell and Bunce are the designees of the Hellman & Friedman funds. In addition, pursuant to our Shareholders Agreement, the Warburg Pincus funds and the Hellman & Friedman funds have agreed to take all acts to cause Mr. Clements to be duly elected as chairman of our Board of Directors for so long as he is willing and able to serve in such capacity.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors and executive officers, and persons who own more than 10% of our common shares, to file with the Securities and Exchange Commission ("SEC") initial reports of beneficial ownership and reports of changes in beneficial ownership of our common shares. Such persons are also required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, we believe that all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis during the year ended December 31, 2002, except for one Form 4 filed on behalf of Mr. Clements that was filed late which reflected dispositions of common shares held directly by Mr. Clements to a grantor retained annuity trust established for the benefit of his children.

BOARD OF DIRECTORS' MEETINGS AND COMMITTEES

The Board of Directors met four times during 2002. The Board of Directors has established standing audit, compensation, executive, finance and investment and nominating committees. Each director attended 75% or more of all meetings of the Board and any committees on which the director served during fiscal year 2002. As long as at least one representative of the Warburg Pincus funds is on the Board of Directors, each board committee will include at least one representative of the Warburg Pincus funds, and as long as at least one representative of the Hellman & Friedman funds is on the Board, each board committee will include at least one representative of the Hellman & Friedman funds. The foregoing is subject to 4350(d)(2) of the rules of the National Association of Securities Dealers Inc. (the "NASD"), which requires three independent directors on the audit committee.

AUDIT COMMITTEE

The audit committee of the Board of Directors assists the Board in overseeing management and the independent accountants in fulfilling their responsibilities in the financial reporting process of ACGL. The audit committee reviews with management and the independent accountants the proposed overall scope of ACGL's annual audit, the adequacy and integrity of ACGL's system of internal controls, and our audited financial statements and related disclosures. Each year, the audit committee recommends to the Board an independent accountant to audit the financial statements of ACGL. Our Board of Directors has adopted a written charter for the audit committee. The audit committee currently consists of James J. Meenaghan (chairman), Kewsong Lee and Robert F. Works. The Board determined to appoint Mr. Lee, who serves on the Board as a representative of the Warburg Pincus funds under the

Shareholders Agreement entered into in connection with the capital infusion, to the audit committee. 4350(d)(2)(B) of the rules of the NASD provides that one director who is not independent as defined in Rule 4200 and is not a current employee or an immediate family member of such employee, may be appointed to the audit committee, if the board determines that membership on the committee by the individual is required by the best interests of the corporation and its shareholders. The Board viewed the interests of the Warburg Pincus funds with respect to the purposes and function of the audit committee as generally aligned with those of the other shareholders of ACGL. The Board noted that purchase price adjustments under the subscription agreement with the investors ("Subscription Agreement"), which is filed as an exhibit to our 2002 Annual Report, are subject to the approval of the transaction committee of the Board, as described below. In view of the foregoing, the Board determined that exceptional and limited circumstances exist to warrant the appointment of Mr.

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

Lee to the audit committee. The audit committee met four times during 2002.

COMPENSATION COMMITTEE

The compensation committee of the Board of Directors approves the compensation of our senior executives, reviews the general compensation policies and practices followed by us and our subsidiaries and administers our benefit plans. The compensation committee is required to report to the Board of Directors at least annually and whenever the Board may require. The compensation committee currently consists of John L. Bunce, Jr. (chairman), Kewsong Lee, James J. Meenaghan and Robert F. Works. The compensation committee met three times during 2002.

EXECUTIVE COMMITTEE

The executive committee of the Board of Directors may generally exercise all the powers and authority of the Board of Directors, when it is not in session, in the management of our business and affairs, unless the Board of Directors otherwise determines. The executive committee reports periodically to the Board of Directors as to actions it has taken. The executive committee currently consists of Robert Clements (chairman), John L. Bunce, Jr. and Kewsong Lee. The executive committee did not meet during 2002.

FINANCE AND INVESTMENT COMMITTEE

The finance and investment committee of the Board of Directors establishes and recommends the ACGL's investment policies and reviews ACGL's capital management practices and overall investment policy performance. The finance and investment committee currently consists of John M. Pasquesi (chairman), Peter A. Appel, John L. Bunce, Jr. and Kewsong Lee. The finance and investment committee met three times during 2002.

NOMINATING COMMITTEE

The nominating committee of the Board of Directors is responsible for recommending to the Board candidates for nomination to the Board. The nominating committee will consider nominations for directors from shareholders to the extent the nominations are made in accordance with our bye-laws, as described under "Shareholder Proposals for the 2004 Annual General Meeting." The nominating committee consists of the non-employee members of our Board of Directors, including Robert Clements (chairman), Wolfe "Bill" H. Bragin, John L. Bunce, Jr., Robert Glanville, Kewsong Lee, James J. Meenaghan, David R. Tunnell and Robert F. Works. The nominating committee met two times during 2002.

TRANSACTION COMMITTEE

The transaction committee of the Board of Directors was formed under the Subscription Agreement entered into in connection with the capital infusion in November 2001. Until the date of the final determination of the purchase price adjustment at the fourth anniversary of closing of the capital infusion (i.e., November 20, 2005), approval of the following actions by the transaction committee is deemed to be approval by the entire Board:

9

- an amendment, modification or waiver of rights by ACGL under the agreements relating to the capital infusion, including the Subscription Agreement, the certificate of designations for the preference shares or the Shareholders Agreement;
- the enforcement of obligations of the investors under the above

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

agreements; or

- approval of actions relating to the disposition of non-core assets.

The transaction committee consists of persons who either (1) were members of our Board of Directors on October 22, 2001 and/or (2) were designated as members of the transaction committee by a person who was a member of our Board on October 22, 2001. The transaction committee currently consists of Robert Clements, Peter A. Appel, James J. Meenaghan and Robert F. Works. The transaction committee met one time during 2002.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The primary purpose of the audit committee of our Board of Directors is to assist the Board in overseeing management and the independent accountants in fulfilling their responsibilities in the financial reporting process of ACGL. It is not the responsibility of the audit committee to plan or conduct audits or to determine that ACGL's financial statements are in all material respects complete and accurate and in accordance with generally accepted accounting principles. This is the responsibility of management and the independent accountants. It is also not the responsibility of the audit committee to assure compliance with laws and regulations or with any codes or standards of conduct or related policies adopted by ACGL from time to time which seek to ensure that the business of ACGL is conducted in an ethical and legal manner.

The audit committee has reviewed and discussed the consolidated financial statements of ACGL and its subsidiaries set forth in Item 8 of our 2002 Annual Report with management of ACGL and PricewaterhouseCoopers LLP, independent accountants for ACGL.

The audit committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended, which includes, among other items, matters relating to the conduct of an audit of ACGL's financial statements.

The audit committee has received the written confirmation from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 and has discussed with PricewaterhouseCoopers LLP their independence from ACGL.

Based on the review and discussions with management of ACGL and PricewaterhouseCoopers LLP referred to above and other matters the audit committee deemed relevant and appropriate, the audit committee has recommended to the Board of Directors that ACGL publish the consolidated financial statements of ACGL and subsidiaries for the year ended December 31, 2002 in our 2002 Annual Report.

- (1) The terms for the options, including vesting schedules, are described below under the caption "--Employment Arrangements."
- (2) Pursuant to applicable SEC rules, percentages listed are based on options to purchase a total of 1,573,900 shares granted to employees during fiscal year 2002.

- (3) Potential realizable value is calculated based on an assumption that the fair market value of our common shares appreciates at the annual rates shown (5% and 10%), compounded annually, from the date of grant until the end of the option term. The 5% and 10% assumed rates are mandated by the SEC for purposes of calculating realizable value and do not represent our estimates or projections of future share prices.

The following table provides information regarding the number and value of options held by each of our named executive officers as of December 31, 2002. No options were exercised by any executive officer during 2002.

- (1) For purposes of the above table, options are "in-the-money" if the market price of the common shares on December 31, 2002 (i.e., \$31.17) exceeded the exercise price of such options. The value of such options is calculated by determining the difference between the aggregate market price of the common shares subject to the options on December 31, 2002 and the aggregate exercise price of such options.

EMPLOYMENT ARRANGEMENTS

Set forth below is a summary of the material terms of the employment arrangements with each of the named executive officers.

PETER A. APPEL

Mr. Appel, our president and chief executive officer, currently receives an annual base salary of \$525,000, which salary is subject to review annually for increase at the discretion of the Board of Directors. He is eligible to receive

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

an annual cash bonus and share-based awards at the discretion of the Board and to participate in our employee benefit programs. The company or Mr. Appel may terminate his employment at any time. In connection with the November 2001 capital infusion, Mr. Appel was granted options to purchase a total of 422,407 common shares at an exercise price of \$20.00 per share, which options expire on October 23, 2011. Of these options, 50,000 vested and became exercisable upon grant; 172,407 vested and became exercisable on December 16, 2002; and 200,000 vested on October 23, 2002 and became exercisable on December 16, 2002. If Mr. Appel's service as chief executive officer terminates for any reason, all of such options granted to Mr. Appel will continue to be exercisable for the remainder of the option period. In addition, Mr. Appel has agreed that during the term of his employment and, in the event his service with us is terminated for any reason, for a period ending two years after his termination, (1) he will not compete with any of our subsidiaries' insurance or reinsurance businesses as they exist on the date of his termination and (2) he will not induce or attempt to induce any of our employees to leave his or her position with us. See "--Summary Compensation Table" and "--Report of Compensation Committee of the Board of Directors--CEO Compensation" for additional compensation information relating to Mr. Appel, including his bonus for 2002 performance.

13

PAUL B. INGREY

Mr. Ingrey serves on our Board of Directors and as chairman and chief executive officer of Arch Re (Bermuda). His employment agreement currently provides for an annual base salary of \$750,000. The annual base salary is subject to review annually for increase at the discretion of the Board. The target rate for the annual cash bonus is 100% of the annual base salary. Mr. Ingrey is eligible to receive annual cash bonuses and share-based awards at the discretion of our Board and to participate in our employee benefit programs. The initial term of his employment agreement ends on October 23, 2004, but we or Mr. Ingrey may terminate his employment at any time. The agreement will be automatically extended for additional one-year periods, unless we or Mr. Ingrey gives notice at least 60 days prior to the expiration of the original term or any extended term. The agreement provides that if the employment of Mr. Ingrey is terminated without cause or for good reason before October 23, 2004, he will be entitled to receive an amount equal to his annual base salary.

Mr. Ingrey agreed that, during the employment period and for the period of two years after termination of employment, he will not compete with the businesses of ACGL or any of its subsidiaries as such businesses exist or are in process or being planned as of the date of termination. The non-competition period will be one year following termination if we terminate his employment without cause, he terminates for good reason or he gives notice of his intent not to extend his employment term in accordance with the employment agreement. In such case, we may extend the non-competition period to up to an additional six months following this one-year period if we pay his base salary for such additional six-month period. Mr. Ingrey also agreed that he will not, for a period of two years following termination, induce or attempt to induce any of our employees to leave his or her position with us or induce any customer to cease doing business with us.

On October 23, 2001, as inducements essential to his entering into an employment agreement, we granted Mr. Ingrey 422,407 restricted shares and options to purchase 422,407 common shares under our incentive plan. The options are exercisable at \$20.00 per share and expire on October 23, 2011. For Mr. Ingrey, one-third of his options vested and became exercisable at the closing of the capital infusion, one-third became exercisable on October 23, 2002 and the remaining one-third will become exercisable on October 23, 2003. In the event that Mr. Ingrey's employment terminates due to his death or permanent

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

disability, all of his options will immediately vest and become exercisable. In the event that Mr. Ingrey is terminated for cause, all of his options will cease to be exercisable and will be immediately forfeited. In the event that we terminate his employment other than for cause or he resigns for good reason, Mr. Ingrey's options will vest according to the schedule in the preceding paragraph and have a remaining term of three years following termination. In the event of termination for any other reason, all vested options held by Mr. Ingrey will remain exercisable for a period of 90 days from termination. To the extent that any of Mr. Ingrey's options have not vested at the time of his termination, the options will be forfeited.

Mr. Ingrey's restricted shares will vest on October 23, 2004. In the event that Mr. Ingrey's employment terminates due to his death or permanent disability or his employment is terminated by us without cause or he resigns for good reason, all of his restricted shares will immediately vest. In the event that Mr. Ingrey's employment is terminated by us without cause or he resigns for good reason, his restricted shares will become fully transferable pursuant to the normal vesting schedule (except that, following such termination, he may sell an amount of shares to fund any income and employment taxes relating to the award). In the event of termination for any other reason, all restricted shares held by Mr. Ingrey will be forfeited.

See "--Summary Compensation Table" for additional compensation information relating to Mr. Ingrey, including his bonus for 2002 performance.

CONSTANTINE IORDANOU

In January 2002, Mr. Iordanou was appointed to our Board of Directors and as chief executive officer of Arch Capital Group (U.S.) Inc. As chief executive officer of Arch Capital Group (U.S.) Inc., Mr. Iordanou is responsible for the general management and oversight of the U.S. insurance operations of Arch Capital Group (U.S.) Inc. and its affiliates. His employment agreement currently provides for an annual base salary of \$1,000,000, which is subject to review annually for increase at the discretion of the Board. Mr. Iordanou is eligible to participate in an

14

annual bonus plan on terms established from time to time and to participate in our employee benefit programs. The target rate for the annual cash bonus is 100% of his annual base salary. The initial term of Mr. Iordanou's employment agreement ends on January 1, 2007, but we or Mr. Iordanou may terminate his employment at any time. The agreement provides that it will be automatically extended for successive one-year periods after the initial five-year term unless either we or Mr. Iordanou gives at least 12 months notice of the intention not to renew.

The agreement provides that if Mr. Iordanou's employment is terminated by his death, he will receive a prorated portion of his bonus that would have been paid for the year of his death and an amount equal to two times the sum of his base salary and target annual bonus payable in a lump sum. His agreement also provides that if his employment is terminated due to his permanent disability, he will receive a prorated portion of his bonus that would have been paid for the year in which he becomes disabled, as determined by the Board, and an amount equal to 40% of his base salary payable in monthly installments during the period of his disability extending through the time period provided for in the Company's disability plan. The agreement further provides that if we terminate Mr. Iordanou's employment without cause or he resigns for good reason, he will receive a prorated portion of his bonus that would have been paid for the year of his termination and an amount equal to two times the sum of his base salary and target annual bonus payable over an 18-month period in equal monthly

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

installments. Mr. Iordanou's major medical insurance coverage benefits pursuant to his employment agreement shall continue for 18 months after the date of termination in the event that (1) his employment ends due to death or permanent disability, (2) he is terminated other than for cause or (3) he resigns for good reason (or until such time as he has major medical insurance coverage under the plan of another employer). The agreement also provides that if Mr. Iordanou's employment is terminated by the Company for cause or he resigns other than for good reason, he will receive his base salary through the date of termination.

Mr. Iordanou has agreed that, during the employment period and for the period of 18 months after termination of employment, he will not compete with the businesses of ACGL or any of its subsidiaries as such businesses exist or are in process or being planned as of the date of termination. If we terminate Mr. Iordanou's employment without cause or he terminates for good reason, the term of his non-competition period will extend only as long as he is receiving benefits under the company's major medical insurance coverage. Further, Mr. Iordanou has agreed to extend the non-competition period for a period of 18 months in the event of termination due to the expiration of the five-year term of his agreement if he is paid an amount equal to two times his base salary and annual target bonus (payable in equal monthly installments over that period) and he remains covered by the company's major medical insurance plan. Mr. Iordanou also agreed that he will not, for an 18-month period following his date of termination, induce or attempt to induce any of our employees to leave his or her position with us or induce any customer to cease doing business with us.

As inducements essential to his entering into his employment agreement, as of January 1, 2002, we granted Mr. Iordanou, under our incentive plan, 106,383 restricted shares as a signing bonus, 325,000 additional restricted shares and options to purchase 425,000 common shares at an exercise price equal to \$23.50 per share.

Mr. Iordanou's options expire on January 1, 2012. One-third of his options vested and became exercisable on the date of grant; one-third became exercisable on January 1, 2003; and the remaining one-third will become exercisable on January 1, 2004. In the event that his employment terminates due to his death or permanent disability, all of Mr. Iordanou's options will immediately vest and become exercisable. In the event that Mr. Iordanou is terminated for cause, all of his options will cease to be exercisable and will be immediately forfeited. In the event that we terminate his employment other than for cause or he resigns for good reason, Mr. Iordanou's options will vest according to the schedule described above and have a remaining term of three years following termination. In the event of termination for any other reason, all vested options held by Mr. Iordanou will remain exercisable for a period of 90 days from termination. To the extent that any of Mr. Iordanou's options have not vested at the time of his termination, the options will be forfeited.

The restricted shares Mr. Iordanou received as a signing bonus vested on December 31, 2002, and the remaining 325,000 of his restricted shares will vest on December 31, 2006. In the event that his employment terminates due to his death or permanent disability or his employment is terminated by the company without cause or he resigns for good reason, all of such 325,000 restricted shares will immediately vest. In the case of termination by the company without cause or resignation for good reason, however, such newly vested shares may not be transferred

until December 31, 2006 (except that, following such termination, he may sell an amount of shares to fund any income and employment taxes relating to the award). In the event of termination for any other reason, all restricted shares held by Mr. Iordanou will be forfeited.

DWIGHT R. EVANS

Mr. Evans serves as president of Arch Re (Bermuda). His employment agreement currently provides for an annual base salary of \$600,000. The annual base salary is subject to review annually for increase at the discretion of the Board. The target rate for the annual cash bonus is 100% of the annual base salary. Mr. Evans is eligible to receive annual cash bonuses and share-based awards at the discretion of our Board and to participate in our employee benefit programs. The initial term of his employment agreement ends on October 23, 2004, but we or Mr. Evans may terminate his employment at any time. The agreement will be automatically extended for additional one-year periods, unless we or Mr. Evans gives notice at least 60 days prior to the expiration of the original term or any extended term. The agreement provides that if the employment of Mr. Evans is terminated without cause or for good reason before October 23, 2004, he will be entitled to receive an amount equal to his annual base salary.

Mr. Evans agreed that, during the employment period and for the period of two years after termination of employment, he will not compete with the businesses of ACGL or any of its subsidiaries as such businesses exist or are in process or being planned as of the date of termination. The non-competition period will be one year following termination if we terminate his employment without cause, he terminates for good reason or he gives notice of his intent not to extend his employment term in accordance with the employment agreement. In such case, we may extend the non-competition period to up to an additional six months following this one-year period if we pay his base salary for the additional six-month period. Mr. Evans also agreed that he will not, for a period of two years following termination, induce or attempt to induce any of our employees to leave his or her position with us or induce any customer to cease doing business with us.

On October 23, 2001, as inducements essential to his entering into employment agreements, we granted Mr. Evans 50,000 restricted shares and options to purchase 100,000 common shares under our incentive plan. The options are exercisable at \$20.00 per share and expire on October 23, 2011. For Mr. Evans, one-third of his options vested and became exercisable at the closing of the capital infusion, one-third became exercisable on October 23, 2002 and the remaining one-third will become exercisable on October 23, 2003. If we terminate Mr. Evans without cause, his options will remain exercisable (to the extent then exercisable) for 90 days following termination of employment (but not beyond the term of the option). In the event that Mr. Evans ceases to be an employee due to death or permanent disability, all of his options will vest in full and remain exercisable for the remainder of the term of the option.

Mr. Evans' restricted shares will vest on October 23, 2004. If Mr. Evans is terminated due to his death or permanent disability, the restricted shares granted to him will vest based upon the following schedule:

DATE OF TERMINATION -----	VESTED AMOUNT UPON TERMINATION -----
Prior to first anniversary of grant date.....	1/3 of share
Prior to second anniversary of grant date, but after first anniversary of grant date.....	2/3 of share
After second anniversary of grant date.....	All shares

Any unvested shares held by Mr. Evans will be forfeited if he otherwise terminates his service with us. Further, in the event that Mr. Evans is terminated within two years after a change of control without cause or due to permanent disability or he terminates his employment for good reason, all of his restricted shares will vest immediately upon such termination.

16

See "--Summary Compensation Table" and "--Option Grants in Last Fiscal Year" for additional compensation information relating to Mr. Evans, including his bonus for 2002 performance and an additional grant of 25,000 stock options made to him in June 2002.

JOHN D. VOLLARO

Mr. Vollaro has been appointed as our executive vice president, chief financial officer and treasurer. Mr. Vollaro's employment agreement currently provides for an annual base salary of \$450,000. Mr. Vollaro is eligible to participate in an annual bonus plan on terms established from time to time by our Board and to participate in our employee benefit programs. The target rate for the annual bonus is 100% of his annual base salary. The term of his employment agreement ends on January 18, 2005, but we or Mr. Vollaro may terminate his employment at any time. The agreement provides that it will be automatically extended for successive one-year periods after the initial three-year term unless either we or Mr. Vollaro gives at least 60 days notice of the intention not to renew.

The agreement provides that if Mr. Vollaro's employment is terminated without cause or for good reason before January 18, 2005, he will be entitled to receive an amount equal to the greater of (1) 18 months of his base salary and (2) the total remaining base salary which would have been paid for the remainder of his employment term (payable in equal monthly installments commencing on the first month anniversary of the date of termination). The agreement also provides that if Mr. Vollaro's employment is terminated for cause, as a result of his resignation or leaving employment other than for good reason, as a result of death or permanent disability, or by written notice of the intention not to renew the agreement by us or Mr. Vollaro, he will be entitled to receive solely his base salary through the date of termination. The agreement further provides that if Mr. Vollaro's employment is terminated by reason of death or permanent disability, he will also be entitled to receive his annual bonus prorated through the date of termination, provided that such bonus will not be less than the average annual bonus received for the preceding three years; and, if he has not received bonuses for three years, he will receive a prorated portion of the average of the bonuses received, if any, but not less than a prorated portion of 90% of his base salary.

Mr. Vollaro has agreed that, during the employment period and for a period of two years after termination of employment for cause or as a result of his resignation or leaving employment other than for good reason, he will not compete with the businesses of ACGL or any of its subsidiaries as such businesses exist or are in process or being planned as of the date of termination. If we terminate Mr. Vollaro's employment without cause or he terminates for good reason, the term of his non-competition period will extend only as long as he is receiving his severance payments and benefits under our major medical insurance coverage. Further, Mr. Vollaro has agreed to a non-competition period of two years if his termination results from notice of the intent not to renew the agreement by us or Mr. Vollaro, and we agree in writing to pay him the sum of his annual base salary and target annual bonus for such period, payable in monthly installments over such period. Mr. Vollaro also

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

agreed that he will not, for a period of two years following his date of termination, induce or attempt to induce any of our employees to leave his or her position with us or induce any customer to cease doing business with us.

As inducements essential to his entering into his employment agreement, on January 18, 2002, we granted Mr. Vollaro 50,000 restricted shares and options to purchase 85,000 common shares at an exercise price of \$25.30 per share under our incentive plan. Mr. Vollaro's 85,000 options expire on January 18, 2012. One-third of his options vested and became exercisable on the date of grant; one-third became exercisable on January 18, 2003; and the remaining one-third will become exercisable on January 18, 2004. In the event that his employment terminates due to his death or permanent disability, all of Mr. Vollaro's options will immediately vest and become exercisable. In the event that Mr. Vollaro is terminated for cause, all of his options will cease to be exercisable and will be immediately forfeited. In the event of termination for any other reason, all vested options held by Mr. Vollaro will remain exercisable for a period of 90 days from termination. To the extent that any of Mr. Vollaro's options have not vested at the time of his termination, the options will be forfeited.

Mr. Vollaro's restricted shares will vest on January 18, 2007. In the event that his employment is terminated by ACGL without cause or he resigns for good reason, or if his employment terminates due to written notice by us of the intent not to extend his employment contract, a pro rata number of restricted shares subject to the award

17

will vest in full on the date of termination, determined by multiplying the total number of restricted shares subject to the award by a fraction, the numerator of which is the number of months or part of a month elapsed since January 18, 2002 and the denominator of which is 60. In the case of termination by us without cause or resignation by Mr. Vollaro for good reason, however, the newly vested shares may not be transferred until January 18, 2007 (except that, following such termination, he may sell an amount of shares to fund any income and employment taxes relating to the award). In the event that, (1) Mr. Vollaro's employment terminates due his death or permanent disability or (2) within two years following a change of control of ACGL, Mr. Vollaro's employment is terminated by us without cause or he resigns for good reason, all of his restricted shares will immediately vest. In the event of termination for any other reason, all restricted shares held by Mr. Vollaro will be forfeited.

See "--Summary Compensation Table" for additional compensation information relating to Mr. Vollaro, including his bonus for 2002 performance.

CHANGE IN CONTROL ARRANGEMENTS

In May 2000 we sold our prior reinsurance operations to Folksamerica Reinsurance Company. That sale constituted a change in control for purposes of our prior change in control arrangements. Under these arrangements, all unvested stock options and restricted shares held by our employees and the members of our Board of Directors (other than Mr. Clements) held in May 2000 vested in connection with the asset sale. In addition, upon the closing of the asset sale, Mr. Appel received a payment of \$1,476,563, and a prorated portion of his target annual bonus in the amount of \$96,823. In addition, Robert Clements, chairman of our Board, received a special bonus of \$300,000 upon the consummation of the asset sale.

DIRECTOR COMPENSATION

Each non-employee member of our Board of Directors is entitled to receive

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

an annual cash retainer fee in the amount of \$25,000. Each such director is entitled, at his option, to receive this retainer fee in the form of common shares instead of cash. If so elected, the number of shares distributed to the non-employee director would be equal to 120% of the amount of the annual retainer fee otherwise payable divided by the fair market value of our common shares. Each non-employee director also receives a meeting fee of \$1,000 for each Board or committee meeting attended. In addition, each non-employee director serving as chairman of the (1) executive committee or compensation committee received an annual fee of \$3,000 and (2) audit committee received an annual fee of \$5,000. All non-employee directors are entitled to reimbursement for their reasonable out-of-pocket expenses in connection with their travel to and attendance at meetings of the Board or committees. Directors who are also employees of ACGL or its subsidiaries receive no cash compensation for serving as directors or as members of Board committees.

Pursuant to our long-term incentive and share award plans, upon joining the Board, each non-employee director received an option to purchase 300 common shares at an exercise price per share equal to the then market price of a common share. Our plans also provide for automatic annual grants to non-employee directors of options to purchase common shares on January 1 of each year. The amount of shares covered by this annual grant is 1,500 shares.

In addition, in connection with the capital infusion in November 2001, each current director of the Company (other than Messrs. Clements and Appel), and Mr. Ian Heap, who resigned from the Board in 2001, were granted options to purchase 15,000 common shares at an exercise price of \$20.00 per share. These options vested upon grant and expire on October 23, 2011.

ROBERT CLEMENTS

Mr. Clements, our chairman, was granted a total of 1,689,629 restricted shares in connection with the November 2001 capital infusion. Of this total, 1,668,157 restricted shares were granted on October 23, 2001 and 21,472 restricted shares were granted on November 19, 2001. These restricted shares were initially scheduled to vest in five equal annual installments commencing on October 23, 2002. During 2002, our Board of Directors accelerated the vesting terms of these shares as follows: 60% of the shares vested on October 23, 2002 and the balance of

18

the shares will vest in two equal amounts on October 23, 2003 and October 23, 2004. If Mr. Clements' service as chairman is terminated by us or is not continued by us for any reason, or his service terminates due to his death or permanent disability, the restricted shares will vest in full upon such termination of service. Any unvested shares will be forfeited if Mr. Clements otherwise terminates his service with us. In addition, Mr. Clements has agreed that, in the event his service is terminated by us prior to the fifth anniversary of the date of grant, he will not compete with us during the period ending on the later of such fifth anniversary or one year following such termination of service.

In connection with these transactions, we entered into a retention agreement with Mr. Clements, which replaced our existing retention and change in control agreement with Mr. Clements. Under the retention agreement, he will continue to receive compensation at an annual rate equal to one-half of the salary of ACGL's chief executive officer. For 2002, under this formula, he received payment in the form of 7,282 restricted shares, which vested on January 1, 2003. For 2003, Mr. Clements will receive payment in the form of cash instead of restricted shares. Mr. Clements will continue to be eligible to receive a cash bonus at the discretion of the compensation committee. If Mr. Clements'

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

service as chairman of our Board is terminated for any reason, he will be entitled to receive an amount equal to a prorated portion of his compensation for that year. Mr. Clements agreed that, for a period of one year after termination of service, he will not induce or attempt to induce any of our employees to leave his or her position with us. In connection with these arrangements, Mr. Clements waived his right to receive any non-employee director compensation.

In addition, a subsidiary of ACGI made a loan to Mr. Clements used by him to pay income and self employment taxes, which loan was repaid in full by Mr. Clements in November 2002. See "Certain Relationships and Related Transactions."

JOHN M. PASQUESI

Mr. Pasquesi has been appointed our executive vice chairman. Mr. Pasquesi's employment agreement provides for an annual base salary of \$30,000. The term of the employment agreement ends on October 24, 2003, but we or Mr. Pasquesi may terminate his employment at any time. The agreement provides that if Mr. Pasquesi's employment is terminated without cause or for good reason before October 24, 2003, he will be entitled to receive an amount equal to six months of his monthly base salary, reduced by amounts he receives from other employment or self employment during such period. As one of our executive officers, he is not entitled to any additional compensation for his service as a director. Mr. Pasquesi agreed that he will not, for a period of two years following termination of employment, induce or attempt to induce any of our employees to leave his or her position with us.

On October 23, 2001, as an inducement essential to his entering into the employment agreement, we granted Mr. Pasquesi options under our incentive plan to purchase 375,473 common shares at an exercise price of \$20.00 per share. These options will vest on October 23, 2003 and expire on October 23, 2011. If Mr. Pasquesi's employment is terminated without cause or for good reason or due to his death or permanent disability, these options will vest and be exercisable for the remainder of the option period. If he terminates his employment without good reason or his employment is terminated by us with cause, his unvested options will be forfeited, and his vested options, to the extent then exercisable, may be exercised for the remainder of the option period. In addition, on October 23, 2001, in consideration for his providing structuring and advisory services to us in connection with the capital infusion, we granted Mr. Pasquesi options to purchase 750,946 common shares at an exercise price of \$20.00 per share. These options vested upon grant and expire on October 23, 2011.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The compensation committee of our Board of Directors is responsible for developing and making recommendations to the Board with respect to all matters related to the compensation of our executive officers and establishing overall compensation policies for our employees. The following report summarizes our current compensation policies.

19

COMPENSATION PHILOSOPHY

Our compensation program is designed to attract and retain executives who will contribute to our long-term success, to reward executives for achieving both our short and long-term strategic goals, to link executive and shareholder interests through equity-based plans, and to provide a compensation package that recognizes individual contributions and our performance.

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

The principal components of our compensation program are base salary, annual performance bonus and share-based incentives. In determining the amount and form of executive compensation, the compensation committee considers the competitive market for senior executives, the executive's role in achieving our business objectives and our overall performance. As the executive's level of responsibility increases, a greater portion of potential total compensation opportunity may be based on corporate performance.

BASE SALARY

Base salaries reflect individual positions, responsibilities, experience and potential contribution to our success. Actual salaries vary according to the compensation committee's subjective assessment of a number of factors in its review of base salaries of executives. The compensation committee will periodically evaluate each individual's job responsibilities and related compensation, and compare cash compensation practices to peer groups and other relevant compensation data to ensure that our compensation structure is consistent with its compensation philosophy. Base salary increases are based on individual and corporate performance and may reflect market and cost-of-living increases.

ANNUAL PERFORMANCE BONUS

Annual bonuses are based on corporate performance for the prior year and an evaluation of each employee's respective contribution to our performance. As an employee's responsibilities increase, the portion of his or her bonus that is dependent on corporate performance increases.

Target performance bonus opportunities are generally established for all employees (other than the president of ACG) upon the commencement of employment and are periodically reviewed by the compensation committee. An individual's target performance bonus opportunity is expressed as a percentage of base salary. For each employee, his or her target is an approximation of the bonus payment that may be paid if performance goals and other expectations are attained by both the employee and the company as a whole.

We have established an incentive compensation plan in order to provide our employees with an opportunity to earn annual bonus compensation as an incentive and reward for their efforts to achieve our financial and strategic objectives. The plan combines two sets of performance measures: (1) a qualitative judgment about progress and performance each year based on a number of factors, including the management plan for such year and non-prescribed measures ("Target Bonus Approach"), and (2) a quantitative, formula-based measure ("Formula Approach").

For 2002, the Target Bonus Approach was applied to Messrs. Appel, Ingrey, Iordanou and Vollaro, as well as all executives included in our insurance segment. Under the Target Bonus Approach, performance is judged against the achievement of the strategic and financial objectives contained in the applicable management plan submitted to the Board for the year, peer group performance and other measures deemed applicable by the compensation committee. At the individual level, actual performance bonuses for each participant reflects both individual and segment performance. All performance assessments include both objective and subjective elements. For 2002, there was no predetermined weight given to specific performance criteria. Rather, the compensation committee's evaluation involved a subjective balancing of the various measures of performance.

For 2002, the Formula Approach was applied to Mr. Evans and all executives included in our reinsurance segment (other than Mr. Ingrey). Under the Formula Approach, a bonus pool was established for our reinsurance segment based on the 2002 underwriting year performance. Under the plan, the 2002 underwriting year bonus pool

will be recalculated annually, and any resultant payments will be made to the participants, over a 10-year development period.

For 2002, a significant portion of the bonus amounts for Messrs. Appel, Iordanou, Evans and Vollaro were paid in the form of restricted common shares, which vest in four equal annual installments commencing on February 20, 2003. We believe that share-based awards are a particularly important component of compensation that correlates long-term individual motivation and reward to our performance, as described below.

LONG-TERM INCENTIVE COMPENSATION

Our share-based compensation is designed to align the interests of executives and shareholders by providing value to the executive as the share price increases. Due to the variability of the share price, stock options, restricted shares and other share-based awards, which comprise a significant portion of executive compensation, are dependent upon our overall results and how we are perceived by our shareholders and the marketplace. Generally, options awarded to executives are granted at 100% of the market value of the shares on the date of grant and become exercisable or vest over a prescribed period, motivating executives to remain with us and sustain high corporate performance in order to increase the value of such awards.

Share-based compensation grant levels and awards are reviewed and determined by the compensation committee periodically. Grants of share-based compensation are determined on the basis of a number of factors, including (1) both corporate and individual performance, (2) competitive total compensation and long-term incentive grant levels as determined in the market and (3) our share ownership objectives.

Share-based awards granted to the named executive officers during 2002 are summarized under the captions "--Summary Compensation Table," "--Option Grants in Last Fiscal Year" and "--CEO Compensation." See also "--Employment Arrangements."

CEO COMPENSATION

During 2002, the annual base salary of Peter Appel, our president and chief executive officer, was increased from \$375,000 to \$500,000. For 2002 performance, he also received a bonus of \$625,000, of which \$375,000 was paid in cash and \$250,000 was paid in the form of restricted shares, which vest in four equal installments commencing February 2003. In determining Mr. Appel's total compensation, the quantitative and qualitative criteria described above were applied. See "--Summary Compensation Table" and "--Employment Arrangements."

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(m)

Section 162(m) of the Code generally limits the deductible amount of annual compensation paid to the chief executive officer and four other most highly compensated executive officers to no more than \$1,000,000 each. Since ACGI will not generally be subject to United States income tax, the limitation on deductibility will not directly apply to it. However, the limitation would apply to a United States subsidiary of ACGI if it employs the chief executive officer or one of the four other most highly compensated executive officers. Qualified performance-based compensation will be excluded from the \$1,000,000 limitation on deductibility. Our policy is to qualify, to the extent reasonable, our executive officers' compensation for deductibility under applicable tax laws. However, the compensation committee believes that its primary responsibility is

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

to provide a compensation program that will attract, retain and reward the executive talent necessary to our success. Consequently, the compensation committee recognizes that the loss of a tax deduction could be necessary in some circumstances due to the restrictions of Section 162(m).

21

The compensation committee will review tax consequences as well as other relevant considerations in connection with compensation decisions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

PURCHASE PRICE ADJUSTMENT AND PAYMENT OF CERTAIN FEES

In November 2001, a group of investors led by the Warburg Pincus funds and the Hellman & Friedman funds invested an aggregate of \$750.0 million in cash in our equity securities, including our series A convertible preference shares and class A warrants. Certain members of our management (or entities affiliated with them) also invested an aggregate of \$13.2 million in cash in our equity securities. Under the Subscription Agreement entered into with the investors, the purchase price paid for the securities purchased in the capital infusion was based on the estimated, unaudited U.S. book value under generally acceptable accounting principles ("GAAP") of our common shares as of June 30, 2001 (before giving effect to certain agreed transaction costs incurred in connection with the capital infusion that had not yet been determined), subject to certain adjustments. During 2002, we issued an additional 3,706,930 preference shares pursuant to the Subscription Agreement as follows: (i) 875,753 Preference Shares were issued by us on June 28, 2002 pursuant to a post-closing purchase price adjustment mechanism under the Subscription Agreement; and (ii) 2,831,177 preference shares were issued by us on December 16, 2002 pursuant an agreed upon adjustment under the Subscription Agreement. We had agreed to issue to the new investors additional preference shares such that the per share price would be adjusted downward by \$1.50 per preference share when the closing price of our common shares was at least \$30 per share for at least 20 out of 30 consecutive trading days on or prior to September 19, 2005, which condition was met on December 16, 2002.

Under the Subscription Agreement, we agreed to reimburse Warburg Pincus and Hellman & Friedman for their costs and expenses in connection with the November 2001 capital infusion. We have reimbursed Warburg Pincus and Hellman & Friedman approximately \$2.3 million in the aggregate under such agreement.

All material agreements relating to the November 2001 capital infusion were

Edgar Filing: ARCH CAPITAL GROUP LTD - Form DEF 14A

included as exhibits to our 2002 Annual Report.

REPAYMENT OF CHAIRMAN'S LOAN

During 2002, ACGL's Board of Directors accelerated the vesting from ratably over five years commencing October 23, 2002 to vesting 60% on October 23, 2002, and the balance equally on October 23, 2003 and October 23, 2004, of 1,689,629 restricted common shares granted to Robert Clements, chairman of our Board of Directors, which had been issued in connection with the November 2001 capital infusion. In November 2002, Mr. Clements also repaid the outstanding \$13.5 million loan previously made to him by the company. In order to facilitate the repayment of the loan, we agreed to repurchase an amount of Mr. Clements' shares equal to the principal balance of the loan less any cash payment made by Mr. Clements, for a price per share based on the market price for the common shares as reported on the NASDAQ National Market on the date of sale. In addition, we agreed to make gross-up payments to Mr. Clements in the event of certain tax liabilities in connection with the repurchase. Pursuant to such arrangements, in November 2002, we repurchased 411,744 common shares from Mr. Clements for an aggregate purchase price of \$11.5 million. Mr. Clements used all of such sale proceeds and \$2.0 million in cash to repay the entire loan balance in November 2002.

We will pay fees under such arrangements based on usage. Under one of these agreements, fees payable are subject to a minimum of approximately \$575,000 for the two-year period ending July 2004. During the year, circumstances may arise when it may become necessary to engage the independent accountants for additional services not contemplated in the original pre-approval. In those instances, the audit committee requires specific pre-approval before engaging the independent accountants. The audit committee may delegate pre-approval authority to one or more of its independent members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the audit committee at its next scheduled meeting.
