PROXY STATEMENT
Annual Meeting of Shareholders May 2, 2005

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Tootsie Roll Industries, Inc. of the accompanying proxy for the Annual Meeting of Shareholders of the Company to be held on Monday, May 2, 2005, and at any adjournments thereof. The purpose of the meeting is for the shareholders of the Company to: (1) elect five directors to terms of office expiring at the 2006 Annual Meeting of Shareholders; (2) consider and act upon a proposal to ratify the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2005; and (3) transact such other business as may properly come before the meeting and any adjournments thereof.

Proxies in the accompanying form, properly executed and received by the Company prior to the meeting and not revoked, will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees and for ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. The Board of Directors does not know of any other matters to be brought before the meeting; however, if other matters should properly come before the meeting it is intended that the persons named in the accompanying proxy will vote thereon at their discretion. Any shareholder may revoke his or her proxy by giving written notice of revocation to the Assistant Secretary of the Company at any time before it is voted, by executing a later-dated proxy which is voted at the meeting or by attending the meeting and voting his or her shares in person.

The Board of Directors has fixed the close of business on March 11, 2005 as the record date for the determination of shareholders of the Company entitled to receive notice of and to vote at the Annual Meeting of Shareholders to be held on May 2, 2005, and at any adjournments thereof. As of the close of business on March 11, 2005, there were outstanding and entitled to vote 34,764,970 shares of Common Stock and 17,509,979 shares of Class B Common Stock. Each share of Common Stock is entitled to one vote and each share of Class B Common Stock is entitled to ten votes, and therefore the Common Stock will be entitled to a total of 34,764,970 votes and the Class B Common Stock will be entitled to a total of 175,099,790 votes. The Common Stock and the Class B Common Stock will vote together as a single class with respect to the election of directors and all other matters submitted to the Company's shareholders at the meeting. This Proxy Statement and the enclosed form of proxy are being mailed to shareholders of the Company on or about March 25, 2005.

The entire cost of soliciting proxies in the accompanying form will be borne by the Company. Proxies will be solicited by mail, and may be solicited personally by directors, officers or regular employees of the Company who will not receive special compensation for such services. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of shares of the Company's Common Stock and Class B Common Stock.

VOTING INFORMATION

A shareholder may, with respect to the election of directors (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. A shareholder may, with respect to each other proposal to be considered and voted upon at the meeting (i) vote "FOR" the proposal, (ii) vote "AGAINST" the proposal or (iii) "ABSTAIN" from voting on the proposal. Proxies properly executed and received by the Company prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. If a proxy indicates that all or a portion of the votes represented by such proxy are not being voted with respect to a particular matter, such non-votes will not be counted in connection with the vote on such matter, although such votes may be counted in connection with the vote on other matters and will count for purposes of determining the presence of a quorum.

The affirmative vote of a plurality of the votes present in person or by proxy at the meeting and entitled to vote in the election of directors is required to elect directors. Thus, assuming a quorum is present, the five persons receiving the greatest number of votes will be elected to serve as directors. Withholding authority to vote for a director(s) and non-votes with respect to the election of directors will not affect the outcome of the election of directors. If a quorum is present at the meeting, in order to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm, the number of votes cast favoring the action must exceed the number of votes cast opposing the action. Accordingly, non-votes and abstentions with respect to such matter will not affect the determination of whether such matter is approved.

PROPOSAL 1

ELECTION OF DIRECTORS

It is the intention of the persons named in the accompanying proxy to vote for the election of each of the five persons named in the table below as a director of the Company to serve until the 2006 Annual Meeting of Shareholders and until his or her successor is duly elected and qualified. With the exception of Barre A. Seibert, all of such nominees are now directors of the Company, having been previously elected as directors by the shareholders of the Company or appointed by the Board of Directors. In the event any of the nominees, all of whom have expressed an intention to serve if elected, fail to stand for election, the persons named in the proxy presently intend to vote for a substitute nominee designated by the Board of Directors. The information concerning the nominees and their shareholdings has been furnished by them to the Company.

The following table sets forth information with respect to the five nominees for election as directors:

- (1) Member of the Executive Committee. When the Board of Directors is not in session, the Executive Committee has the powers of the Board in the management of the business and affairs of the Company, other than certain actions which under the laws of the Commonwealth of Virginia must be approved by the Board of Directors.
- (2) Melvin J. Gordon and Ellen R. Gordon are husband and wife.
- (3) Member of the Audit Committee.
- (4) Member of the Compensation Committee.
- (5) Mr. Barre A. Seibert, who is the son of Mr. Charles W. Seibert (who is retiring from the Board), was recommended for nomination by the President.

Director Independence and Corporate Governance. The Company has determined that its non-management directors are independent under the New York Stock Exchange ("NYSE") listing standards because they have no material relationship to the Company other than through

their service on the Board of Directors. Shareholders and other interested parties who wish to communicate with the

Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form DEF 14A

non-management members of the Board of Directors may do so by writing to Tootsie Roll Industries, Inc., 7401 South Cicero Avenue, Chicago, Illinois 60629, Attention: Audit Committee Chairman, c/o Corporate Secretary. The company's Corporate Governance Guidelines, which are posted on the Company's website at www.tootsie.com and are available in print to any shareholder who requests a copy, provide that the Chair of the Audit Committee shall preside over executive sessions of the non-management directors. The Company has also adopted a Code of Business Conduct and Ethics, which applies to all of the Company's directors and employees, and which meets the SEC's criteria for a "code of ethics." The Code of Business Conduct and Ethics is posted on the Company's website and is available in print to any shareholder who requests a copy.

Audit Committee. The Audit Committee operates under a written charter approved by the full Board, a copy of which is posted on the Company's website and is available in print to any shareholder who requests a copy. The Audit Committee held seven meetings during 2004. The Audit Committee is composed of three directors who qualify as "independent" under the NYSE listing standards. The Board of Directors has determined that no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by rules of the Securities and Exchange Commission ("SEC") and the Company does not believe that given the capabilities of the members of the Audit Committee it has been necessary to have a member who would qualify as an audit committee financial expert as defined by the SEC.

Compensation Committee. The Compensation Committee's function is limited to the administration of the Tootsie Roll Industries, Inc. 2001 Bonus Incentive Plan and in this capacity makes awards under such plan. The Compensation Committee held one meeting during 2004. The Compensation Committee is composed of three directors who qualify as "independent" under the NYSE listing standards. As a "controlled company" under the NYSE listing standards (see "Controlled Company Status" below), the Company chooses to avail itself of an exemption afforded under the NYSE listing rules with regard to a compensation committee. Accordingly, the Compensation Committee does not maintain a written charter and does not have responsibility for making all compensation decisions with regard to the Chief Executive Officer or making recommendations regarding the other executive officers to the Board. Instead, except for the limited function of the Compensation Committee noted above, the entire Board of Directors is responsible for determining the compensation structure and amounts for the executive officers of the Company, including the Chief Executive Officer.

Director Nominations. The Company does not have a nominating or corporate governance committee. As a "controlled company" under NYSE listing standards, the Company chooses to avail itself of the exemption that allows the entire Board of Directors discuss and determine the Company's nominees for election to the Board and oversee the Company's corporate governance. The Company does not believe that given the current size and composition of its Board that it needs to have a separately-designated nominating committee to perform this function. The Board will consider director candidates recommended by shareholders, but the Board does not otherwise have a policy with regard to the consideration of director candidates recommended by shareholders, nor has it established any specific minimum qualifications that it believes must be met by a nominee for director, whether recommended by it or by a shareholder, or any specific qualities or skills that it believes are necessary for one or more of its directors to possess, as it believes that it can adequately consider the suitability and qualifications of any such candidates on a case by case basis. The Board does not currently have a policy for identifying or evaluating nominees for director, including nominees recommended by shareholders. If a candidate for nomination is recommended by a shareholder the Board would evaluate that candidate in the same manner as all other candidates to be nominees for director. Any shareholder wishing to submit such a recommendation should do so in writing addressed to Tootsie Roll Industries, Inc., 7401 South Cicero Avenue, Chicago, Illinois 60629, Attention: Ellen R. Gordon, President. See "Shareholder Proposals For 2006 Annual Meeting" below in this proxy statement for information regarding procedures that must be followed by shareholders in order to nominate directors at the 2006 annual meeting.

Controlled Company Status. The Company is a "controlled company" under the NYSE listing standards since the Gordon family collectively holds more 50% of the total voting power of the outstanding capital stock of the Company as of the Record Date.

Board Meetings and Compensation. The Board of Directors held four meetings during 2004. Mr. and Mrs. Gordon do not receive fees for their service on the Board of Directors or committees. Non-management directors receive an annual fee of \$40,000, \$1,250 per meeting attended, a \$5,000 annual retainer for serving on the Audit Committee and \$1,250 for attending each meeting of the Compensation Committee. The Chairman of the Audit Committee receives an additional annual fee of \$5,500. During 2004, all of the directors attended at least 75 percent of the meetings of the Board of Directors and the Committees of which they were members. Mr. and Mrs. Gordon attended the Company's 2004 Annual Meeting of Shareholders.

The Board of Directors recommends a vote FOR the election of all named director nominees.

Such persons are also required to furnish the Company with copies of all such reports.

Based solely on its review of the copies of such reports received by the Company, and written representations from certain reporting persons, the Company is pleased to note that its directors, executive officers and greater than ten percent shareholders filed all required reports during or with respect to fiscal year 2004 on a timely basis, except for John Majors who failed to file a Form 3 to report that he owned no shares of the Company's stock upon joining the Company in October 2004.

(1) "All Other Compensation" includes (i) contributions to the Company's pension, profit-sharing and excess benefit plans, (ii) annual awards to the Company's Career Achievement Plan ("CAP") in the form of deferred compensation with vesting and forfeiture provisions and (iii) benefits under the Company's split-dollar life insurance plan (see note 3 below). The Company has no stock options or other stock-based compensation.

(2) For 2004, (i) contributions to the Company's pension, profit-sharing and excess benefit plans, (ii) CAP awards and (iii) split-dollar life insurance benefits were, respectively, as follows: \$226,968, \$0 and \$932,000 for Mr. Gordon; \$215,873, \$0 and \$932,000 for Mrs. Gordon; \$161,350, \$200,000 and \$22,500 for John W.

Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form DEF 14A

Newlin, Jr.; \$156,056, \$193,000 and \$12,500 for Thomas E. Corr; and \$114,072, \$144,000 and \$10,600 for G. Howard Ember, Jr.

(3)

In 1993, the Board of Directors approved a split-dollar life insurance program for Mr. Gordon and Mrs. Gordon that replaced benefits that were already earned under the Company's CAP and a previous split-dollar insurance program pursuant to which Mr. and Mrs. Gordon received awards during the years 1982 through 1992. In 1993, 1996 and 1997, the Board of Directors approved additional split-dollar life insurance arrangements for Mr. and Mrs. Gordon, a portion of which replaced benefits previously earned under deferred compensation and excess benefit plans. The Company is entitled to fully recover all premiums paid by it for the split-dollar life insurance upon termination of the respective arrangement or sooner upon death of the insured or otherwise under the terms of the arrangements.

(4)

The Company believes that the incremental cost of perquisites and other personal benefits furnished to any of the named executives, excluding personal benefits provided to all employees generally, was less than the reporting thresholds set forth in SEC rules (the lesser of \$50,000 or 10% of the individual's cash compensation). Mr. and Mrs. Gordon conduct Company business from executive offices in multiple locations and use both commercial and Company aircraft to travel between these offices. The Company's Board of Directors has approved the use of Company aircraft and an apartment by Mr. and Mrs. Gordon for this travel for business purposes. The Company is voluntarily including in this column the aggregate incremental costs (i) associated with the travel between office locations, exclusive of other business travel made by Mr. and Mrs. Gordon on behalf of the Company, in the amount of \$310,900 each during 2004, \$256,600 each during 2003, and \$244,000 and \$238,300, respectively, during 2002 and (ii) in the amount of \$59,100 in 2004, \$52,400 in 2003 and \$46,900 in 2002 for each of Mr. and Mrs. Gordon for use of the apartment.

Change in Control Agreements

The Company has entered into severance agreements (the "Agreements") with five executive officers, excluding Mr. and Mrs. Gordon but including the other executive officers named in the Summary Compensation Table. The Agreements generally provide that in the event the executive's employment is terminated by the Company without "cause" or by the executive for "good reason" within two years after a "change in control" (as such terms are defined in the Agreements), the executive will receive a pro-rated bonus for the year of termination plus three times his annual base salary and three times the higher of his incentive bonus for the last fiscal year or his average incentive bonus over the prior three fiscal years. In addition, if any payment or benefit the Company provides under the Agreements become subject to the "excise tax" imposed under Section 4999 of the Internal Revenue Code, the Company would be required to make an additional cash "gross-up payment" to the affected executives in an amount such that after payment by the executive of all taxes (except income taxes), including any excise tax imposed upon the gross-up payment and any related interest or penalties, the executive would retain an amount of the gross-up payment equal to the excise tax. The executive would also become vested in, and be paid, any unvested accrued benefits under the Company's Pension, Profit Sharing and Excess Benefit Plans and the maximum award under the Company's CAP. In the event of such a termination, each executive has agreed to a noncompetition and nonsolicitation covenant applicable for one year following the termination of his employment. The Board of Directors believes that the foregoing arrangements are frequently part of executive compensation practices at major public corporations. Mr. and Mrs. Gordon have advised the Board of Directors that the Gordon family intends to maintain voting control of the Company and, therefore, the Board of Directors believes that it is unlikely that the Agreements would be utilized.

Report on Executive Compensation

During 2004, the entire Board of Directors was responsible for determining the compensation structure and amounts for the executive officers of the Company. The Compensation Committee of the Board of Directors (the "Compensation Committee") was responsible for administering the Tootsie Roll Industries, Inc. Bonus Incentive Plan. This report describes the policies and rationale for the Board and the Compensation Committee in establishing the principal components of compensation for the executive officers during 2004.

Executive Compensation Policy

The Company's compensation program is designed to encourage and reward both individual effort and teamwork leading to improvement in the Company's financial performance and attainment of the Company's principal long-term objective of profitably building the Company's well-known brands. The Company's executive officer compensation program is balanced between short-term and long-term compensation and incentives. The program is comprised of base salary, annual cash incentive bonuses, annual awards under the Company's CAP, split-dollar insurance plans, and pension, profit-sharing and excess benefit plans generally available to employees of the Company. The Board of Directors believes that this program will lead to increased shareholder value on a long-term basis.

Base Salary

The Board of Directors annually reviews each executive officer's salary. The Board considers the following with respect to the determination of an individual executive officer's base salary:

Performance and contribution to the Company, including length of service in the position;

Comparative compensation levels of other companies, including periodic compensation studies performed by independent compensation and benefit consultants;

Overall competitive environment for executives and the level of compensation considered necessary to attract and retain executive talent;

Historical compensation and performance levels for the Company; and

A desire to adhere to Internal Revenue Code Section 162(m) regulations on deductible compensation, thus maximizing the Company's ability to receive federal income tax deductions.

Companies used in comparative analyses for the purpose of determining each executive officer's salary are selected periodically with the assistance of professional compensation consultants. Selection of such companies is based on a variety of factors, including market capitalization, revenue size and industry classification. The companies used in these comparative analyses include some of the companies in the Peer Group used in the Performance Graph, as well as other companies. The Board of Directors believes that the Company's primary competitors for executive talent are companies with a similar market capitalization and, accordingly, relies on a broad array of companies in various industries for comparative analyses.

Annual Incentives and Other Awards

Effective January 1, 1997, the Compensation Committee established the Tootsie Roll Industries, Inc. Bonus Incentive Plan. In 2001, the shareholders approved the 2001 Bonus Incentive Plan to replace the previous Bonus Incentive Plan for 2001 and future years. The 2001 Bonus Incentive Plan was adopted to ensure the tax deductibility of the annual bonus that may be earned by executive officers of the Company. Under the Plan, certain key employees (including employees who are also directors) designated by the Compensation Committee may receive annual incentive compensation determined by pre-established objective performance goals. This year, all executive officers named in the summary compensation table

included in this proxy statement were eligible for the 2001 Bonus Incentive Plan. Performance goals were based on the measures, objectives and financial criteria discussed below.

The Board of Directors provides executive officers, in its sole discretion, annual incentive awards, CAP awards (except for Mr. and Mrs. Gordon) and split-dollar life insurance in order to recognize and reward their contribution to the Company's overall performance in terms of both financial results and attainment of individual and Company goals.

The annual cash incentive bonus is designed to reward executives, as well as other management personnel, for their contributions to the Company's financial performance during the recently completed year.

The annual CAP award and split-dollar life insurance program is principally designed to provide an incentive to executive officers to achieve both short-term and long-term financial and other goals, including strategic objectives. These programs are also designed to provide an incentive for the executive to remain with the Company on a long-term basis. These awards are determined by the Board of Directors based on the performance of the Company and the executive's contribution to the growth and success of the Company.

The Board of Directors considers both achievement of strategic objectives and financial performance measures in determining compensation levels. The following measures of Company performance were considered in the determination of 2004 bonuses and awards:

Earnings per share;

Increase in sales of core brands and total sales;

Return on assets;

Return on equity;

Net earnings as a percentage of sales;

Performance in accomplishing successful acquisitions;

Compliance with the requirements of the Sarbanes-Oxley Act including the documentation and assessment of internal controls, and

Other strategic objectives that may be determined from time to time.

The awards for 2004 recognize the Company's achievement of the Company's second highest year of profitability as measured by earnings per share, highest level of sales, and the high level of achievement on other measures of financial performance in 2004. The Company's earnings per share in 2004 were higher than in 2003, and the Board believes that the Company's return on equity and return on sales continue to be high and that the Company out-performed most competitors on important financial performance indicators.

Rationale of CEO Compensation

The Board of Directors established the compensation of Melvin J. Gordon, Chairman of the Board of Directors and Chief Executive Officer, using the same criteria that were used to determine the other executive officers' compensation as discussed above. In addition, the Board considered Mr. Gordon's leadership of the Company in achieving the Company's strategic and long-term objectives. Mr. Gordon did not receive any salary increase during 2004. Instead, the Compensation Committee increased the amount of pay at risk through his bonus opportunity. A substantial portion of Mr. Gordon's compensation is at risk. As discussed above, the Compensation Committee determined pre-established objective performance goals to determine Mr. Gordon's bonus. It is the Board's opinion that Mr. Gordon's compensation package

was based on an appropriate assessment of the Company's performance, his individual performance and competitive standards.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits the tax deductibility of compensation paid to certain executives, unless certain exemptions apply. One of the exemptions is performance-based compensation. The 2001 Bonus Incentive Plan, which was approved by the stockholders, is designed to qualify for this exemption. The Compensation Committee's policy is to preserve corporate tax deductions attributable to the compensation of executives while maintaining flexibility to approve, when appropriate, compensation arrangements that it deems to be in the best interest of the Company and its stockholders, but which may not always qualify for full tax deductibility.

The foregoing report has been approved by the entire Board of Directors, the members of which are:

Melvin J. Gordon
Ellen R. Gordon
Charles W. Seibert
Lana Jane Lewis-Brent
Richard P. Bergeman

Compensation Committee Interlocks and Insider Participation

As indicated above under "Report on Executive Compensation," during 2004 the Board of Directors of the Company was responsible for determining the compensation of the executive officers of the Company. Mr. Gordon is the Chairman of the Board and Chief Executive Officer of the Company and Mrs. Gordon is President and Chief Operating Officer of the Company.

Certain Relationships And Related Transactions

The Company directs the majority of its charitable giving through a foundation in which Mr. and Mrs. Gordon are the sole directors. The foundation supports a number of medical research, educational and other charitable organizations principally located in cities where the Company has operations, as well as a matching gifts program for employees of the Company. The Company believes, due to the well-known and long-standing affiliation of Mr. and Mrs. Gordon with the Company, that any private or public recognition of them, which donee institutions sometimes give, provides a benefit to the Company. In 2004 the Board of Directors approved a donation of \$950,000 to the foundation, which is generally consistent with amounts given in prior years.

Performance Graph

The following performance graphs compare the Company's cumulative total shareholder return on the Company's Common Stock for a ten-year period (December 31, 1994 to December 31, 2004) and a five-year period (December 31, 1999 to December 31, 2004) with the cumulative total return of Standard & Poor's 500 Stock Index ("S&P 500") and the Dow Jones Industry Food Index ("Peer Group," which includes the Company).
