GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Who may vote?

The Company has one class of voting shares outstanding. Only stockholders of record of our common stock at the close of business on March 31, 2009, the Record Date, are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on the Record Date. At the close of business on March 31, 2009, the Company had 14,093,019 shares of outstanding common stock, all of which are entitled to vote at the Annual Meeting. Each share of common stock will have one vote on each matter to be voted on. The shares of common stock held in treasury will not be voted.

This Proxy Statement was first mailed to stockholders on approximately April 21, 2009. We have enclosed with this Proxy Statement our 2008 annual report on Form 10-K/A. This report contains detailed information about our activities and financial performance in 2008.

What is the purpose of the Annual Meeting?

At the Company's Annual Meeting, stockholders will act upon the matters described in the accompanying notice of meeting. In addition, management will report on Ballantyne's performance during fiscal 2008 and respond to questions from stockholders.

Who may attend the Annual Meeting?

All stockholders as of the Record Date, or their duly appointed proxies, may attend the Annual Meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the Company's common stock outstanding on the Record Date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 14,093,019 shares of common stock were outstanding. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal.

May I vote by proxy card, by telephone or through the internet?

You may vote by proxy card, by telephone or through the internet. Voting by any of these methods will ensure that you are represented at the Annual Meeting even if you are not there in person.

May I vote confidentially?

Yes. The Company's policy is to treat all stockholder meeting proxies, ballots and voting tabulations of a stockholder confidentially, if the stockholder has requested confidentiality on the proxy or ballot. Please refer to the attached proxy card for instructions.

If you so request, your proxy will not be available for examination and your vote will not be disclosed prior to the tabulation of the final vote at the Annual Meeting, except (i) to meet applicable legal requirements, (ii) to allow the independent election inspectors to count and certify the results of the vote or (iii) if there is a proxy solicitation in opposition to the Board of Directors, based upon an opposition proxy statement filed with the Securities and Exchange Commission (SEC). The independent election inspectors may at any time inform us whether or not a stockholder has voted.

May I change my vote?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may change your vote on the internet or by telephone (only your latest internet or telephone proxy submitted prior to the Annual Meeting will be counted), or by signing and returning a new proxy card with a later date, or by attending the meeting and voting in person. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the meeting or specifically request in writing that your prior proxy be revoked.

How does the Board recommend I vote?

Unless you give instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth in the description of each proposal in this Proxy Statement. With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How many votes are required to approve each Proposal?

Election of Directors. The nominees for election to the Board of Directors who receive the greatest number of votes cast for the election of the directors by shares present at the meeting, in person or by proxy, and entitled to vote, shall be elected the directors. A director nominee must receive more votes "For" his or her election than "Against" votes to be elected. A properly executed proxy marked "Withhold" with respect to the election of a director nominee will be counted for purposes of determining whether there is a quorum, but will not be considered to have been voted for or against the director nominee.

Name Change of Corporation. Approval to amend the Certificate of Incorporation to change the name of the Corporation requires the affirmative vote of holders of a majority of shares issued and outstanding as of the Record Date. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Increase in total Shares Available under the 2008 Non-Employee Director's Restricted Stock Plan. Approval of the increase in the number of total shares available under the 2008 Non-Employee Directors' Restricted Stock Plan requires the affirmative vote of holders of a majority of all shares, present or represented by proxy, and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Other Proposals. No other matters are anticipated to be brought before the meeting. However, if properly brought before the meeting, the approval of other proposals requires the affirmative vote of holders of a majority of all shares, present or represented by Proxy, and entitled

to vote at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of these proposals.

What is a broker non-vote?

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. In this situation, a "broker non-vote" occurs. Shares constituting broker non-votes are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved a matter, but they are counted as present for the purpose of determining a quorum at the Annual Meeting.

What if other matters are presented for determination at the Annual Meeting?

As of the date of this Proxy Statement, the Company is not aware of any matters that will be presented for determination at the Annual Meeting other than those referred to herein. If any other matters properly come before the Annual Meeting calling for a vote of shareholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board of Directors or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders.

Who pays the expenses incurred in connection with the solicitation of proxies?

The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokers and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, telephone or facsimile. Mellon Investor Services LLC, the Company's Transfer Agent, is prepared to assist the Company to solicit proxies, if necessary.

How may I get additional copies of the Annual Report?

Our Annual Report on Form 10-K/A for the fiscal year ended December 31, 2008, including financial statements, is enclosed. For additional printed copies, please contact our Corporate Secretary by mail at the address listed below:

**PROPOSAL 1
ELECTION OF DIRECTORS**

The original Bylaws of the Company provided that the directors be divided into three classes. The members of each class served staggered three-year terms. Messrs. Alvin Abramson and Marc E. LeBaron were the Class I directors; Messrs. William F. Welsh, II, Christopher E. Beach and Mark D. Hasebroock were Class II directors; and Mr. John P. Wilmers was the Class III director. The remaining three-year term of the Class II directors expire on the Annual Meeting of Stockholders to be held in 2009.

During 2006, the Board of Directors and the stockholders approved an amendment to the Company's Certificate of Incorporation and Bylaws to declassify the Board of Directors to provide for the annual election of all directors. Current directors continued to serve the remainder of their elected terms. Beginning with the election of what was the Class III director at the 2007 Annual Meeting, directors were elected annually so that by the Annual Meeting in 2009, all directors will be elected annually. Therefore, the three-year terms of Messrs. William F. Welsh, II, Christopher E. Beach and Mark K. Hasebroock under the original Bylaws and the one-year terms of Messrs. Alvin Abramson, Marc E. LeBaron and John P. Wilmers under the amendment to the Bylaws expire this year and the Board of Directors has nominated them to serve until the 2010 Annual Meeting. Additionally, the Board of Directors has nominated Steven J. Schuster to serve as a director until the 2010 Annual Meeting. Mr. Schuster has not previously served as a director of the Company.

The elections of Messrs. Welsh, Beach, Hasebroock, Abramson, LeBaron, Wilmers and Schuster require the affirmative vote of a plurality of the shares present in person or represented by proxy at the meeting and entitled to vote. Consequently, votes withheld and broker non-votes with respect to the election of the directors will have no impact on their election. Proxies which are properly signed and returned will be voted at the meeting. Stockholders may specify their preference by marking the appropriate boxes on the proxy and the proxy will then be voted in accordance with such specifications. In the absence of such specifications, the proxy will be voted for the election of the nominees for directors and in accordance with the instructions of the Board of Directors as to any other matters.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
"FOR" THE ELECTION OF MESSRS WELSH, BEACH, HASEBROOCK, ABRAMSON,
LEBARON, WILMERS AND SCHUSTER.**

BOARD OF DIRECTORS

The Board of Directors has set the number of directors for 2009 at seven (7). The Board of Directors has determined that each of Messrs. AUDIT COMMITTEE

The Audit Committee consists of directors Abramson (Chair), Beach, Hasebroock and LeBaron, who are independent directors, as defined by NYSE AMEX listing requirements. All Audit Committee members are financially literate. The Board of Directors has determined that Mr. Abramson is an "audit committee financial expert" as defined by Item 407(d)(5)(i)(A)(1) of Regulation S-K of the Securities and Exchange Commission. The Audit Committee assists the Board of Directors in fulfilling its responsibilities for oversight of the quality and integrity of the accounting, auditing, and reporting practices of the Company, and performs such other duties as are directed by the Board. The Committee's role includes a particular focus on the qualitative aspects of financial reporting to stockholders, and on the Company's processes to manage business and financial risk, and for compliance with significant applicable legal, ethical and regulatory requirements.

The Committee is directly responsible for the appointment of the independent registered public accounting firm engaged to prepare or issue an audit report on the financial statements and internal controls of the Company and periodically reviews and evaluates their performance and independence from management. All audit and permitted non-audit services are pre-approved by the Committee. Any services not covered by prior pre-approval or services exceeding the pre-approved cost levels, must be approved in advance by the Committee. During 2008, the Committee held six meetings in person. In addition, the Committee held one meeting via teleconference. All Committee members attended at

least seventy-five percent of the aggregate number of meetings held.

COMPENSATION COMMITTEE

The Compensation Committee is responsible for reviewing and recommending to the Board of Directors annually the compensation to be paid to the President and Chief Executive Officer of the Company. In addition, the Committee held two meetings via teleconference. All Committee members attended at least seventy-five percent of the aggregate number of meetings held.

Overseeing all other executive officers' compensation, including salary and payments under the Company's bonus and stock plans.

Administering the 2005 Employee Restricted Stock Plan and the 2008 Non-Employee Directors' Restricted Stock Plan.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The members of the Nominating and Corporate Governance Committee are directors Welsh (Chair), Abramson, Beach, LeBaron and Hasebroock. All members of the Nominating and Corporate Governance Committee are independent as defined by the NYSE AMEX listing requirements. The Nominating and Corporate Governance Committee acts under a written charter, adopted by the Board of Directors. The Nominating and Corporate Governance Committee reports to and assists the Board of Directors in identifying individuals for membership to the Board and recommends to the Board the director nominees for the next Annual Meeting of Stockholders. The Nominating and Corporate Governance Committee held two meetings in person during 2008 with all members participating in all meetings.

Director Nomination Process

Nominees are chosen for their ability to represent all of the stockholders, and for their character, judgment, fairness and overall ability. As a group, they are expected to set the appropriate policy for the Company, and to bring to the Board of Directors broad experience in business matters and an insight and awareness of the appropriate and ever-changing role that corporations should have in society. Because the advice of those facing similar problems is of particular value, executive officers of other corporations are desirable nominees.

The following personal criteria will be considered in selecting candidates for the Board of Directors:

Independence and absence of conflicts of interest

Honesty, Integrity and Accountability

Substantial business experience with a practical application to the Company's needs

Willingness to ask tough questions in a constructive manner that adds to the decision making process of the Board

Demonstrated ability to think strategically and make decisions with a forward looking focus

Ability to assimilate relative information on a broad range of topics

Willingness to express independent thought

Team player

Edgar Filing: BALLANTYNE OF OMAHA INC - Form DEF 14A

Willingness to make a strong commitment of time and attention to the Board's processes and affairs

Ability to commit to Company stock ownership

The Nominating and Corporate Governance Committee evaluated Messrs. William F. Welsh, II, Christopher E. Beach, Mark E. Hasebroock, Alvin Abramson, Marc E. LeBaron, John P. Wilmers and Steven Schuster using these criteria, and recommended their nomination to the Board of Directors. The Board, in turn, nominated all seven persons for election as directors at the 2009 Annual Meeting of Stockholders.

The Nominating and Corporate Governance Committee will also consider proposals for nominees for director from stockholders which are made in writing to the Secretary of the Company and comply with Bylaw requirements. The recommendation must contain sufficient background information concerning the nominee to enable a proper judgment to be made as to his or her qualifications. Recommendations must also include a written statement from the candidate expressing a willingness to serve.

PROPOSAL 2

APPROVAL OF AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO CHANGE NAME OF THE CORPORATION TO "BALLANTYNE STRONG, INC"

The Company believes a change in the name of the Company to "Ballantyne Strong, Inc." aligns the Company with a name known by a majority of the Company's customers and provides branding to the trademark name of "Strong". Additionally, the Company believes its current name, Ballantyne of Omaha, Inc. is geographically limiting as the Company continues its efforts to be a worldwide competitor within the theatre and lighting industries.

On March 31, 2009, the Board of Directors unanimously approved resolutions authorizing an amendment to the Certificate of Incorporation to change the Company's name, and recommending adoption of the amendment by the stockholders. The amendment substantially in the form proposed to be filed with the Secretary of State of Delaware upon approval of this Proposal is attached as Appendix A.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

PROPOSAL 3

APPROVAL OF AMENDMENT TO INCREASE SHARES AVAILABLE UNDER 2008 NON-EMPLOYEE DIRECTORS' RESTRICTED STOCK PLAN

During 2008, the Board of Directors and stockholders approved the adoption of the 2008 Non-Employee Directors' Restricted Stock Plan. The plan provides for incentives to non-employee directors to serve on the board and exert their best efforts on behalf of the Company. During 2009, the Board of Directors reviewed the advantages and disadvantages of stock options and decided to discontinue the 2001 Non-Employee Directors' Stock Option Plan along with the 852,940 shares that were reserved and available for future issuance under the plan. In turn, the Board is proposing to increase the total number of shares under the 2008 Non-Employee Directors' Restricted Stock Plan from 120,000 to 250,000 shares. The Board believes that providing equity compensation for directors in the form of restricted stock, as compared to stock options, will provide less dilution to stockholders and have a lesser impact to earnings. The Board believes it is necessary to increase the total number of shares under this plan to 250,000 shares to allow for the availability of sufficient shares to attract, motivate and retain qualified non-employee directors which is essential to the success of the Company. The increase in shares will reduce future net share dilution by 722,940 shares (852,940 shares for the stock option plan less the 130,000 share increase under the restricted stock plan). Aside from the increase in shares available for issuance, the 2008 Non-Employee Directors' Restricted Stock Plan will be unchanged from how it was originally approved by the stockholders in 2008.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Decisions with respect to executive compensation are made by the Compensation Committee on an individual basis based upon a number of factors, including the provisions of any existing employment contract with an executive officer, evaluation of the executive officer's performance, the level of responsibility associated with the executive officer's office, recruitment requirements and the performance of the

Company. Compensation of the executive officers of the Company has historically been structured to motivate, reward and retain the executive officers consistent with the needs of the Company from time to time. The major elements of the executive officers' compensation are base salary, short-term cash incentives and long-term incentives in the form of restricted stock.

Edgar Filing: BALLANTYNE OF OMAHA INC - Form DEF 14A

The Compensation Committee engages Compensation Strategies as the Committee's independent executive compensation consultant as needed. Compensation Strategies reports directly to the Committee and provides advice on the structure and amounts of executive and director compensation.

Base Salary

The base salaries of executive officers have historically reflected, and will continue to reflect their individual contribution. Base salaries have historically been reviewed annually and may be changed based on the individual's performance or a change in competitive pay levels in the marketplace.

The Compensation Committee reviews and establishes the base salary of the Chief Executive Officer based on independent competitive data, his leadership in establishing performance standards in the conduct of the Company's business, and its expectation as to his future contributions in directing the long-term success of the Company and its business. The Committee increased Mr. Wilmers base salary to \$275,000 effective January 1, 2009.

Cash and Restricted Stock Bonuses

The Committee believes that the annual bonus of key employees, including executive officers, should be based on optimizing profits and prudent management of the capital employed in the business. During 2007, the Board of Directors approved a Short-Term Incentive Plan, to replace the Company's previous profit sharing plans. The plan is an annual incentive program that provides the executives bonuses if the Company achieves certain goals. Each payout is further subject to the achievement of certain individual goals, as defined. In 2008, the plan was amended to provide for a bonus payout in the form of cash, restricted stock or a combination of cash and restricted stock based on certain criteria. The bonuses paid for 2008 performance were in the form of cash and restricted stock. These payouts are reflected in the Summary Compensation Table on page 15. The payments were made in 2009. Goals for 2009 were approved during the first quarter of 2009.

Stock Plans

During 2005, the Committee adopted and the stockholders subsequently approved, the 2005 Restricted Stock Plan. The Committee believes the Plan provides a mechanism to link executive and stockholder interests and assists the Company in attracting and retaining key executives. During 2008, 42,000 shares of common stock were granted to executives under the Restricted Stock Plan. A total of 196,000 shares have been reserved and remain available for issuance pursuant to this plan.

The 2005 Restricted Stock Plan provides that all restrictions shall lapse in the event of a change-in-control (as defined in the plan), the employee is terminated without cause (as defined in the plan) or the employee terminates his employment for good reason (as defined in the plan). If any of the aforementioned events had occurred on December 31, 2008, the value of unvested restricted stock held by the named executive officers would have been: Mr. Wilmers \$22,140; Mr. Herrmann \$8,610; Mr. Boegner \$11,070 and Mr. Stark \$9,840. The unvested restricted stock for such individuals is set forth in the Outstanding Equity Awards at Fiscal Year-End table on page 17.

During 2008, the Committee adopted and the stockholders subsequently approved, the 2008 Non-Employee Directors' Restricted Stock Plan. The Committee believes the plan provides a mechanism to link director and stockholder interests and assists the Company in attracting and retaining key directors. During 2008, 15,000 shares of common stock were granted to directors under the Plan. A total of 105,000 shares have been reserved and remain available for issuance pursuant to this plan, though Proposal 3 discussed on page 8 will increase the number of shares available for issuance if it is approved.

Edgar Filing: BALLANTYNE OF OMAHA INC - Form DEF 14A

The Company also has an Employee Stock Purchase Plan to provide a method by which eligible employees may purchase common stock on a discounted basis through payroll deductions. The maximum number of shares of common stock that can be purchased by an eligible employee pursuant to any plan year is two thousand shares. The Committee believes that participation in the plan provides eligible employees at all levels with a greater incentive to contribute to the success of the Company. A total of 131,509 shares have been reserved and remain available for issuance pursuant to this plan.

Retirement and Savings 401(k) Plan

The Company has adopted a Retirement and Savings 401(k) Plan, which is a combination savings and profit sharing plan designed to qualify under Section 401 of the United States Internal Revenue Code of 1986, as amended (the "Code"), including the provisions of Section 401(k). All employees of Ballantyne who are at least eighteen years old and who have completed six months of service are eligible to participate in the plan.

Each participant may defer up to 100% of their compensation. The Company will match 50% of the amount deferred up to 6% of their compensation. In addition, the Company may elect, at the discretion of the Board, to contribute an additional amount. All contributions to the plan are nonforfeitable. For 2008, no participant could contribute more than \$15,500 to the plan and receive a deduction for federal income tax purposes while certain participants age 50 or older could contribute up to \$21,000.

Benefits may be distributed to participants or their beneficiaries, as the case may be, in the event of a Participant's death, retirement or other termination of service, or, if the participant so requests, on reaching age 59^{1/2}. Participants may be eligible to withdraw benefits in case of hardship.

Contributions to the plan made by the Company on behalf of Messrs. Wilmers, Herrmann, Boegner and Stark are included in the Summary Compensation Table.

Employment Contracts

Mr. Wilmers' base compensation was \$270,000 per year during fiscal 2008. During 2009, Mr. Wilmers' base compensation is set at \$275,000. He is also eligible to participate in the Short-Term Incentive Plan and other normal employee benefits. Mr. Wilmer's employment contract expires in January 2010.

Mr. Herrmann's base compensation was \$150,000 per year during fiscal year 2008. During 2008, Mr. Herrmann's compensation is set at \$160,000. He is eligible to participate in the Short-Term Incentive Plan and other normal employee benefits. Mr. Herrmann's employment contract expires in May 2009.

Mr. Boegner's base compensation was \$189,000 per year during fiscal 2008. During 2009, Mr. Boegner's base compensation is set at \$195,000. He is eligible to participate in the Short-Term Incentive Plan and other normal employee benefits. Mr. Boegner's employment contract expires in January 2010.

Mr. Stark's base compensation was \$165,000 per year during fiscal year 2008. During 2009, Mr. Stark's base compensation is set at \$170,000. He is eligible to participate in the Short-Term Incentive Plan and other normal employee benefits. Mr. Stark's employment contract expires in November 2009.

In the event Mr. Wilmer's employment agreement is terminated other than for cause, Mr. Wilmers is entitled to receive, in addition to his accrued but unpaid salary, any bonus payment he would have been entitled to receive under the Short-Term Incentive Plan had his employment not been terminated.

The value of this bonus benefit, assuming termination date of December 31, 2008, as required by SEC rules, was \$60,750.

In the event that their employment agreements are not renewed at the expiration of their terms, Messrs. Wilmers, Herrmann, Boegner and Stark are entitled to severance benefits pursuant to the Company's then-existing severance policy, but in no event shall they receive less than one week of severance for each year of employment, and all then-existing insurance benefits will continue during the severance period. Assuming a termination date of December 31, 2008, as required by SEC rules and assuming applicability of the Company's then-existing severance policy of providing employees with over 10 years of service with two weeks for each year of employment, the approximate value of the severance benefits would have been approximately \$333,928 for Mr. Wilmers, approximately \$88,370 for Mr. Herrmann and approximately \$203,223 for Mr. Boegner. The value of severance benefits for Mr. Stark under the same assumptions, given the new policy of providing employees with fewer than 6 years of service a minimum of six weeks of severance would have been approximately \$28,327.

Messrs. Wilmer's, Herrmann's, Boegner's and Stark's employment agreements provide that in the event the Company is the subject of a sale transaction, either of its assets or stock, the purchaser must assume the employment agreements. They further provide for an automatic extension for a period of three years from the closing date of such transaction.

Mr. Wilmer's employment agreement obligates the Company to continue medical insurance coverage at the Company's expense for him and his eligible dependents until he reaches age 65, and for his spouse until she reaches age 65 notwithstanding expiration of the agreement. After attaining age 65, Mr. Wilmers and his eligible dependents are entitled to medical insurance coverage, to the extent that, the Company provides such coverage for other retired senior executives. The Company will provide medical coverage for Mr. Wilmer's spouse until she reaches age 65 provided Mr. Wilmers remains employed by the Company until his retirement. As of December 31, 2008, the Company has accrued approximately \$218,000 toward his obligation.

The Company's obligations under the employment agreements with all four executives are conditioned upon their compliance with the terms of the agreement with include, as applicable, provisions concerning non-disclosure of confidential information and covenants not to solicit the Company's customers and employees.

Compensation Committee Interlocks and Insider Participation

During 2008 there were no compensation committee interlocks and no insider participation in compensation decisions that were required to be reported under the rules and regulations of the Securities and Exchange Act of 1934.

Compensation Committee Report

The Compensation Committee oversees the Company's compensation program on behalf of the Board. In fulfilling its oversight responsibilities, the Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement and based on such review and discussion, has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

PERFORMANCE GRAPH

The following performance graph shows the cumulative total return on the Company's common stock, the S & P 500 Market Value Index and a peer group for the past five years. The peer group is made up of two corporations (namely Concord Camera Corp and Optibase Limited). The peer group is comprised of companies with a market capitalization between approximately \$14 million and \$20 million, each of which is engaged in the sale of products related to the theater, motion picture or image capturing or image projection businesses. The Company is unable to identify, for comparison purposes, any public industry or line-of-business indices because the small number of companies offering similar or competing products are divisions or subsidiaries of much larger, diversified companies.

The performance graph assumes the value of the investment in the common stock and each index was \$100 and that all dividends were reinvested.
