PROXY STATEMENT FOR THE INTERLEUKIN GENETICS, INC. 2009 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send Me this Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2009 annual meeting of stockholders and any adjournments of the meeting. This proxy statement summarizes the information you need to know to vote at the annual meeting.

On or about May 11, 2009 we are mailing this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, we are also sending, along with this proxy statement, our 2008 Annual Report, which includes our financial statements for the fiscal year ended December 31, 2008.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on June 12, 2009. The proxy statement for our 2009 annual meeting and our 2008 annual report to security holders are available at www.proxyvote.com.

Who Can Vote?

Only stockholders who owned our common stock or Series A Preferred Stock at the close of business on April 24, 2009 are entitled to vote at the annual meeting. On this record date, there were 32,010,837 shares of our common stock and 5,000,000 shares of our Series A Preferred Stock outstanding.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card bearing a later date. Any stockholder who has executed a proxy card but attends the meeting in person may revoke the proxy and vote at the meeting.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote. On the record date, there were a total of 32,010,837 shares of common stock outstanding. Each share of our Series A Preferred Stock entitles the holder to approximately 5.63 votes. On the record date there were 5,000,000 shares of Series A Preferred Stock outstanding, entitling the holder of those shares to an aggregate of 28,160,200 votes.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in

Table of Contents

your name through our stock transfer agent, Computershare Limited, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

In person at the meeting. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in "street name" (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By Internet or by telephone. Follow the instructions you receive from your broker to vote by Internet or telephone.

By mail. You will receive instructions from your broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote "**FOR**" the election of Mary E. Chowning to serve as a Class III director for a three-year term expiring at our 2012 Annual Meeting or until her successor is elected and qualified.

If any other matter is presented at the annual meeting, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters being presented at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

if your shares are held in street name, re-voting by Internet or by telephone as instructed above. Only your latest Internet or telephone vote will be counted;

notifying our Secretary in writing before the annual meeting that you have revoked your proxy; or

attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What if I Receive More Than One Proxy Card?

Edgar Filing: INTERLEUKIN GENETICS INC - Form DEF 14A

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under "How Do I Vote?" for each account to ensure that all of your shares are voted.

Table of Contents

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under "How Do I Vote?" If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under "How Do I Vote?," the bank, broker or other nominee has the authority to vote your unvoted shares on Proposal 1 even if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a "broker non-vote."

What Vote is Required to Approve the Proposal and How are Votes Counted?

Proposal 1: To elect Mary E. Chowning as a Class III Director of the Corporation The affirmative vote of a plurality of our outstanding common stock present or represented by proxy and entitled to vote at the annual meeting is required to elect Mary E. Chowning as a Class III Director of the Corporation. Abstentions are not counted for purpose of electing directors. You may vote either FOR the nominee, or WITHHOLD your vote from the nominee. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We will only let our Inspector of Elections, Computershare Limited, examine these documents. We will not disclose your vote to management unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. We plan to retain Broadridge Financial Services, Inc. to assist in the distribution of proxies and accompanying materials to brokerage houses and institutions for an estimated fee of \$10,000 plus expenses. In addition, our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock constitutes a quorum for this meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m. on Friday, June 12, 2009 at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., our legal counsel, located at The Chrysler Center, 666 Third Avenue, New York, NY 10017. When you arrive at the meeting, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. The rule applies to our annual reports, proxy statements and information statements. We do not engage in this practice, referred to as "householding," however your broker or other nominee may. Once you receive notice from your broker that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Computershare Limited, by calling them at 1-818-502-1404.

If you do not wish to participate in "householding" and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another one of our shareholders and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares of our common stock are registered in your own name, please contact our transfer agent, and inform them of your request by calling them at 1-818-502-1404 or writing them at 1745 Gardena Avenue, Glendale, CA 91204-2991.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

CORPORATE GOVERNANCE MATTERS

COMPOSITION OF OUR BOARD OF DIRECTORS

We are managed under the direction of our Board of Directors. Our Board of Directors currently consists of seven directors and is divided into three classes: Class I, Class II, and Class III. The holders of shares of our Series A Preferred Stock are entitled to elect up to four directors to our Board of Directors (the "Series A Directors"), who are not apportioned among classes. Each of the Series A Directors is nominated and elected by Pyxis Innovations Inc., as the sole holder of shares of our Series A Preferred Stock. On July 24, 2008, Dianne E. Bennett resigned from our Board of Directors and Glenn S. Armstrong was appointed to replace her, thereby resulting in James M. Weaver, Glenn S. Armstrong, George D. Calvert, and Thomas R. Curran as our current Series A Directors. On July 24, 2008, our Board of Directors amended and restated our bylaws to, among other things, create two new non-Series A directorships resulting in three directorships that are to be held by other than Series A Directors. All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and the NYSE Amex, LLC, as such standards apply specifically to members of audit committees. The Board of Directors has determined that Ms. Chowning and Mr. Weaver are each "audit committee financial experts" as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. A copy of the Compensation Committee's written charter is publicly available on our website at www.ilgenetics.com.

The Nominating Committee may consider candidates recommended by stockholders, as well as from other sources, such as other directors, or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate

would fill a present need on the Board of Directors, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2010 Annual Meeting of Stockholders using the procedures set forth in the Company's By-laws, it must follow the procedures described in "Stockholder Proposals and Nominations For Director" of this proxy statement. If a stockholder wishes simply to propose a candidate for consideration as a nominee by the Nominating Committee, it should submit any pertinent information regarding the candidate to the Chairman of the Nominating Committee by mail at Secretary, Interleukin Genetics, Inc., 135 Beaver Street, Waltham, Massachusetts 02452. Director Compensation

The following table shows the total compensation paid or accrued during the fiscal year ended December 31, 2008 to each of our non-executive directors.

Name (a)	Fees Earned or Paid in Cash \$(b)	Option Awards \$(d)	All Other Compensation \$(g)	Total \$(h)
Mary E. Chowning	\$ 15,406	\$ 1,679(1)	-0-	\$ 17,085

- (1) Represents the FAS 123R value attributable to the grant of 15,000 options to purchase our common stock upon her appointment to our Board of Directors on July 24, 2008.

The following is a description of the standard compensation arrangements under which our non-employee directors are compensated for their service as directors, including as members of the various committees of our board. Our policy is to pay each non-employee member of our Board of Directors \$1,000 in cash compensation for each meeting of the Board of Directors attended in person by that director and 15,000 stock options to vest on the first anniversary of the grant date. Each of the current non-employee members of our Board of Directors who is also a Series A director declined such compensation for 2008 and thus we did not pay them for their Board service. In certain circumstances, we pay our non-employee directors annual board service and committee service retainers quarterly, which are pro-rated for partial service, if appropriate. All of the directors are, however, reimbursed for reasonable out-of-pocket expenses incurred in attending board and committee meetings. In July 2008, when our board elected Mary E. Chowning as a director who is not a Series A Director and not an executive director, we agreed to pay Ms. Chowning the following compensation:

for service as a director, an annual retainer of \$14,000 and \$1,500 for each board meeting attended in person, by teleconference or by video;

for service as the chair of our audit committee, an annual retainer of \$7,500 and \$1,500 for each audit committee meeting attended in person, by teleconference or by video; and

for joining us as a director, a grant of 15,000 options to purchase our common stock at an exercise price equal to the closing price of our common stock on the grant date, which vests in equal annual installments on each of the four anniversaries of the grant date.

On August 17, 2006, the Company entered into a stock purchase agreement and further amended its note purchase agreement with Pyxis Innovations Inc. ("Pyxis"), an affiliate of Alticor and our primary stockholder, dated October 23, 2002, as amended, to, among other things, provide for the establishment of a \$14.3 million convertible credit facility with Pyxis. Subject to certain customary conditions, the agreements contemplated that the Company could draw down against the convertible credit facility until August 17, 2008. On June 10, 2008, the Company drew down \$4,000,000 under the convertible credit facility, leaving \$10.3 million of available credit, and issued a convertible promissory note to Pyxis in that amount. On August 12, 2008, the Company and Pyxis amended the agreements to extend the expiration date of the credit facility to permit borrowing at any time prior to March 31, 2009.

On March 11, 2009, the Company entered into an amended and restated note purchase agreement, dated as of March 10, 2009, with Pyxis to extend the availability of the credit facility described below until March 31, 2010. The credit facility had been scheduled to expire on March 31, 2009. The original note purchase agreement, entered into on October 23, 2002, was subsequently amended on November 13, 2002, January 28, 2003, March 5, 2003, February 23, 2006, August 17, 2006 and August 12, 2008. Pursuant to the note purchase agreement, as so amended, Pyxis extended to the Company a credit facility in the amount of \$14.3 million. In June 2008, the Company drew down \$4.0 million under this credit facility, leaving \$10.3 million of remaining availability. The Company may now borrow under the credit facility until March 31, 2010. All such borrowing becomes due on August 16, 2011 and is convertible into shares of common stock at a conversion price equal to \$5.68 per share.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to the engagement of the independent auditor for the next year's audit, management will submit to the Audit Committee for approval a summary of the services expected to be rendered during that year for each of four categories of services.

- Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.
- Audit-Related** services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
- Tax** services include all services performed by the independent auditor's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.
- Other Fees** are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditor.

Prior to the engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for

additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

On March 4, 2009, the Board of Directors nominated Mary E. Chowning for election at the 2009 Annual Meeting. At each Annual Meeting of Stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring.

The Board of Directors has voted to nominate Mary E. Chowning for election at the 2009 Annual Meeting for a term of three years to serve until the 2012 Annual Meeting of Stockholders, and until her successor is elected and qualified. In the event that the nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in her place. We have no reason to believe that the nominee will be unable or unwilling to serve as a director.

The enclosed form of the proxy provides a means for the holders of common stock to vote for the nominee listed or withhold authority to vote the nominee. Each properly executed proxy received in time for the 2009 Annual Meeting will be voted as specified, or if a shareholder does not specify in his or her executed proxy how the shares represented by his or her proxy are to be voted, the shares will be voted for the nominee listed or for another nominee as provided above. The director nominee receiving the affirmative vote of a plurality of our outstanding common stock present or represented by proxy and entitled to vote at the annual meeting will be elected as director. Abstentions and broker non-votes will not be included in the vote totals and, therefore, will not affect the outcome of the election.

The Board of Directors recommends a vote "FOR" the election of Mary E. Chowning as a Class III director, and proxies solicited by the Board will be voted in favor, unless a stockholder indicates otherwise on the proxy.
