**Proxy Statement for Annual Meeting of
Shareholders to be Held on May 19, 2010**

Our board of directors is soliciting proxies for the 2010 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully. We are distributing this proxy statement on or about April 8, 2010.

Voting Information

The board set March 29, 2010 as the record date for the meeting. Shareholders owning our common stock at the close of business on that date are entitled to attend and vote at the meeting, with each share entitled to one vote. There were 3,257,490 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock entitled to vote at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and your broker or nominee, who is considered the shareholder of record with respect to those shares, is forwarding these materials to you. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the shareholder of record giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

When you sign the proxy card, you appoint David K. Proctor and Joseph G. Sawyer as your representatives at the meeting. Messrs. Proctor and Sawyer will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy for the election to the board of directors of all nominees listed below under "Election of Directors," for the approval of the compensation of our named executive officers as determined by the human resources/compensation committee and the board of directors (this is a non-binding, advisory vote); and for the ratification of the appointment of our independent registered public accountants for the year ending December 31, 2010. We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Messrs. Proctor and Sawyer will vote your proxy on such matters in accordance with their judgment.

With respect to Proposal No. 1, the directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting.

With respect to Proposal No. 2, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. *This vote is advisory and will not be binding upon our board of directors.* However, the human resources/compensation committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form DEF 14A

With respect to Proposal No. 3, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter.

Assuming there is a quorum at the meeting, abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on any of the above matters.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by signing and delivering another proxy with a later date or by voting in person at the meeting.

Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies that brokers do not vote on some proposals but that they do vote on others are referred to as "broker non-votes" with respect to the proposals not voted upon. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

Solicitations of proxies may be made in person or by mail, telephone, or other means. We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. Upon written or oral request, we will promptly deliver a separate copy of our annual report on Form 10-K or this proxy statement to our shareholders at a shared address to which a single copy of the document was delivered. Alternatively, if you are sharing an address with other shareholders and are receiving multiple copies of our annual report on Form 10-K or this proxy statement, you may request a single copy be sent to your shared address, if you prefer. Please contact us at (803) 951-0500 for any such request. Our directors, officers, and employees may assist in soliciting proxies, but will not receive additional compensation for doing so.

Important Notice of Internet Availability. This proxy statement and the accompanying 2009 Annual Report on Form 10-K and 2009 Annual Report Overview are available to the public for viewing on the Internet at <http://www.cfpproxy.com/5474>. Directions to the meeting are available on our website at: www.firstcommunitysc.com.

Proposal No. 1: Election of Directors

The board of directors is divided into three classes with staggered terms, so that the terms of only approximately one-third of the board members expire at each annual meeting. The current terms of the Class I directors will expire at the meeting. The terms of the Class II directors will expire at the 2011 Annual Shareholders Meeting and the terms of the Class III directors will expire at the 2012 Annual Shareholders Meeting. Our directors and their classes are:

Class I	Class II	Class III
Richard K. Bogan, M.D.	Thomas C. Brown	Chimin J. Chao
Michael C. Crapps	O.A. Ethridge, D.M.D.	James C. Leventis
Anita B. Easter	W. James Kitchens, Jr.	Loretta R. Whitehead
George H. Fann, Jr., D.M.D.	Roderick M. Todd, Jr.	J. Thomas Johnson
	Mitchell M. Willoughby	Alexander Snipe, Jr.

There are currently four directors in Class I. Shareholders will elect four nominees as Class I directors at the meeting, to serve a three-year term, expiring at the 2013 Annual Shareholders Meeting. The directors will be elected by a plurality of the votes cast at the meeting. This means that the four Class I nominees receiving the highest number of votes will be elected directors. The board of directors

recommends that you elect Richard K. Bogan, Michael C. Crapps, Anita B. Easter, and George H. Fann as Class I directors. All nominees are currently members of the board and each has consented to being named in this proxy statement and to serving as a director on the board if elected.

If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy to elect Dr. Bogan, Mr. Crapps, Ms. Easter, and Dr. Fann. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Messrs. Proctor and Sawyer will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

Proposal No. 2: Non-Binding, Advisory Vote on Compensation of the Named Executive Officers

The board of directors unanimously recommends that you vote FOR the approval of the compensation of our named executive officers as determined by the human resources/compensation committee and the board of directors, as disclosed in the Summary Compensation Table and in the other tables and related discussion included in this proxy statement.

We believe that our compensation policies and procedures for our named executive officers are competitive yet conservative, are focused on pay for performance principles, and are strongly aligned with the long-term interests of our shareholders. We also believe that both our shareholders and we benefit from responsive corporate governance policies and constructive and consistent dialogue. This proposal, commonly known as a "Say on Pay" proposal, gives you as a shareholder the opportunity to endorse the compensation for our named executive officers by voting to approve or not approve such compensation as described in this proxy statement. We encourage you to review the tables and our narrative discussion included in this proxy statement.

As set forth in the tables and narrative discussion under "Executive Compensation and Other Information," our compensation program for our executive officers is competitive, performance-oriented, and designed to support our strategic goals. Compensation of our named executive officers for 2009 reflected our financial performance for 2009. In particular, for named executive officers:

No bonuses were paid in 2009; and

Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form DEF 14A

The human resources/compensation committee of the board periodically engages an external compensation consultant to provide an independent and objective review of the bank's compensation program for executive management and to offer recommendations on this compensation program. The most recent review was conducted in 2008 by Amalfi Consulting, LLC and showed that compared to peer banks of similar size, geography, and performance, our executives were paid less than the market median compensation and for some executives significantly less.

On February 13, 2009, the United States Congress passed the American Recovery and Reinvestment Act of 2009 (the "ARRA"). The ARRA requires, among other things, all participants in the Troubled Asset Relief Program to permit a non-binding shareholder vote to approve the compensation of the company's executives. Accordingly, we are asking you to approve the compensation of First Community Corporation's named executive officers as described in the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement. Under the ARRA, your vote is advisory and will not be binding upon our board of directors. However, the human resources/compensation committee and the board will take into account the outcome of the vote when considering future executive compensation arrangements.

Proposal No. 3: Ratification of Appointment of Independent Registered Public Accounting Firm

On March 16, 2010, the audit/compliance committee of the board of directors appointed Elliott Davis, LLC as our independent registered public accounting firm for the year ending December 31, 2010. Although we are not required to seek shareholder ratification in the selection of our accountants, we believe obtaining shareholder ratification is desirable. If the shareholders do not ratify the appointment of Elliott Davis, the audit/compliance committee will re-evaluate the engagement of our independent auditors. Even if the shareholders do ratify the appointment, our audit/compliance committee has the discretion to appoint a different independent registered public accounting firm at any time during the year if the audit/compliance committee believes that such a change would be in the best interest of our shareholders and us. We expect that a representative of Elliott Davis will attend the meeting and will be available to respond to appropriate questions from shareholders.

The board unanimously recommends that shareholders vote **FOR** the ratification of the appointment of Elliott Davis, LLC as our independent registered public accounting firm for the year ending December 31, 2010.

If a quorum is present, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. Abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on this matter.

CORPORATE GOVERNANCE

The board of directors met 12 times in 2009. Each director in 2009 attended at least 75% of the combined total of meetings of the board of directors and meetings of each committee on which such director served.

Neither the board nor the nomination and corporate governance committee has implemented a formal policy regarding director attendance at an annual meeting of shareholders. Board members are expected to attend the annual shareholders meeting. In 2009, 9 directors attended the 2009 Annual Meeting of Shareholders.

In accordance with NASDAQ Marketplace Rules, the board of directors determines the independence of each director and nominee for election as a director in accordance with the standards set forth in Rule 4200(a)(15). The board has determined that a majority of its members are

independent as defined by the listing standards of the rule. Specifically, our board of directors has determined that the following directors are independent: Richard K. Bogan, M.D., Thomas C. Brown, Chimin J. Chao, Anita B. Easter, O. A. Ethridge, D.M.D., George H. Fann, Jr., D.M.D., W James Kitchens, Jr., Alexander Snipe, Jr., Roderick M. Todd, Jr., Loretta R. Whitehead, and Mitchell M. Willoughby.

The board of directors has established a Code of Business Conduct and Ethics that applies to all directors, officers and employees, which may be found on our website at www.firstcommunitysc.com. The information on our website is not part of this proxy statement. The company intends to post on its website all disclosures that are required by law or The NASDAQ Capital Market listing standards concerning any amendments to, or waivers from, the Code of Business Conduct and Ethics. Shareholders may request a copy of the Code of Business Conduct and Ethics by written request directed to First Community Corporation, Attention: Corporate Secretary, 5455 Sunset Blvd, Lexington, South Carolina 29072.

Shareholders may communicate directly to the board of directors in writing by sending a letter to the board at: First Community Corporation, Attention: Corporate Secretary, 5455 Sunset Blvd., Lexington, South Carolina 29072. All letters directed to the board of directors will be received and processed by the corporate secretary and will be forwarded to the chairman of the nomination and corporate governance committee without any editing or screening.

Board Leadership Structure and Role in Risk Oversight

We are focused on the company's corporate governance practices and value independent board oversight as an essential component of strong corporate performance to enhance shareholder value. Our commitment to independent oversight is demonstrated by the fact that a majority of our directors are independent. In addition, all of the members of our board of directors' audit, human resources/compensation, and nominating and corporate governance committees are independent.

Our board of directors believes that it is preferable for one of our independent directors to serve as chairman of the board. The person our board of directors elected as chairman, Mitchell M. Willoughby, has been one of our directors since 1994 and is a long-time resident of our primary market area. We believe it is the CEO's responsibility to manage the company and the chairman's responsibility to guide the board as it provides leadership to our executive management. As directors continue to be faced with more oversight responsibility than ever before, we believe it is beneficial to have separate individuals in the role of chairman and CEO. Traditionally, the company has maintained the separateness of the roles of the chairman and the CEO. In making its decision to have an independent chairman, the board of directors considered the time and attention that Mr. Crapps is required to devote to managing the day-to-day operations of the Company. By having another director serve as chairman of the board of directors, Mr. Crapps will be able to focus his entire energy on running the company. This will also ensure there is no duplication of effort between the CEO and the chairman. We believe this board leadership structure is appropriate in maximizing the effectiveness of Board oversight and in providing perspective to our business that is independent from executive management.

Our audit committee is primarily responsible for overseeing the company's risk management processes on behalf of the full board of directors. The audit committee focuses on financial reporting risk and oversight of the internal audit process. It receives reports from management at least quarterly regarding the company's assessment of risks and the adequacy and effectiveness of internal control systems, as well as reviewing credit and market risk (including liquidity and interest rate risk), and operational risk (including compliance and legal risk). Strategic and reputation risk are also regularly considered by this committee. The audit committee also receives reports from management addressing the most serious risks impacting the day-to-day operations of the company. Our Director of Internal

Audit reports to the audit committee and meets with the audit committee in executive sessions as needed to discuss any potential risk or control issues involving management. The audit committee reports regularly to the full board of directors, which also considers the company's entire risk profile. The full board of directors focuses on certain significant risks facing the company and on certain aspects of the company's general risk management strategy. Management is responsible for the day-to-day risk management processes. We believe this division of responsibility is the most effective approach for addressing the risks facing our company and that our board leadership structure supports this approach.

We recognize that different board leadership structures may be appropriate for companies in different situations. We will continue to reexamine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the company's needs.

Committees of the Board

Our board of directors has three standing committees: the audit/compliance committee, the human resources/compensation committee, and the nomination and corporate governance committee. Each committee serves in a dual capacity as a committee of the company and of the bank.

Audit/Compliance Committee

The following directors are members of the audit/compliance committee: W. James Kitchens, Jr. (Chairman), Anita B. Easter, O. A. Ethridge, D.M.D., Loretta R. Whitehead, and Mitchell M. Willoughby.

The board of directors has determined that all members are independent, as contemplated in the listing standards of The NASDAQ Capital Market. Our board has determined that Mr. Kitchens, who was appointed to the audit/compliance committee on March 16, 2004, qualifies as an audit committee financial expert under SEC rules. The audit/compliance committee met four times in 2009.

The audit/compliance committee has the responsibility of reviewing the company's financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The board of directors has adopted an audit/compliance committee charter, which may be found by clicking on the link for "Investor Information" on our website at www.firstcommunitysc.com. The charter outlines the committee's responsibilities for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts and may be amended by the board at any time. The audit/compliance committee reports its findings to the board of directors.

Human Resources/Compensation Committee

The following directors are members of the human resources/compensation committee: Thomas C. Brown (Chairman), Chimin J. Chao, Roderick M. Todd, Jr., and Loretta R. Whitehead.

The human resources/compensation committee is comprised entirely of independent directors as prescribed by The NASDAQ Capital Market listing standards. The board of directors has adopted a human resources/compensation committee charter, which may be found by clicking on the link for "Investor Information" on our website at www.firstcommunitysc.com. The human resources/compensation committee met four times during 2009. This committee is responsible for determining director and executive officer compensation. The human resources/compensation committee must also meet at least semiannually to discuss and evaluate employee compensation plans in light of an assessment of any risk

posed to the Company from such plans. The human resources/compensation committee annually evaluates and determines the compensation package for the President/Chief Executive Officer. The committee also annually reviews the compensation packages for members of the bank's Executive Committee. The President/Chief Executive Officer has the responsibility to annually evaluate the performance of each of the members of the bank's Executive Committee and determine their compensation packages. Compensation packages for non-executive employees is determined by individual supervisors in conjunction with the bank's Director of Human Resources and these compensation decisions are made based on criteria included in the bank's overall budget which is approved annually by the company's board of directors.

The human resources/compensation committee is responsible for developing and making recommendations to the board with respect to the company's executive compensation policies and for the approval and administration of the company's existing and proposed executive compensation plans, including determining the contents of the company's executive compensation plans, authorizing the awards to be made pursuant to such plans and reviewing and approving annually all compensation decisions relating to the company's executive officers, including the president and chief executive officer and the other executive officers named in the Summary Compensation Table. The human resources/compensation committee conducts an annual performance review for the President/Chief Executive Officer, which compares the company's performance to stated goals and objectives. The compensation package for the President/Chief Executive Officer is based on these performance results and is compared to peer compensation data provided by an external consultant to insure that the compensation package is competitive and appropriate. The President/Chief Executive Officer does not participate in and is not present during deliberation or approvals by the Human Resources/Compensation Committee with respect to his own compensation. This external consultant also provides the committee with peer director compensation data. The committee compares the company's director compensation to this peer data and develops the compensation package for directors based on the results of this review.

The human resources/compensation committee has the sole authority to select, retain and terminate a compensation consultant and approve such consultant's fees and other retention terms. In connection with their engagement of Amalfi Consulting, LLC during 2008, our human resources/compensation committee instructed Amalfi Consulting, LLC to identify a compensation peer group of publicly-traded financial institutions that is generally comparable to the Company in size, geography and performance, review the competitiveness of the compensation elements currently offered by the Company to its executives, and make recommendations and observations regarding the potential alignment of the Company's executive compensation practices, and provide analysis and recommendations on amending our supplemental executive retirement plans to comply with current tax regulations and limitations under the Capital Purchase Program.

Nomination and Corporate Governance Committee.

The following directors are members of the nomination and corporate governance committee: George H. Fann (Chairman), Chimin J. Chao, Alexander Snipe, Jr., and Roderick M. Todd, Jr.

The nomination and corporate governance committee is comprised entirely of independent directors as prescribed by The NASDAQ Capital Market listing standards. This committee met twice during 2009.

On March 16, 2004, our board adopted a nomination and corporate governance committee charter which may be found on our website by clicking on the link for "Investor Information" at www.firstcommunitysc.com.com. The charter provides that the responsibilities of the committee include: (a) reviewing the qualifications and independence of the members of the board and its various committee assignments; (b) evaluating incumbent directors in determining consideration for reelection;

(c) recommending board nominees for election as officers; (d) providing guidance on board and corporate governance issues; and (e) considering director candidates recommended by shareholders who submit nominations in accordance with our bylaws.

Shareholders who submit candidates for nomination must deliver nominations in writing to the secretary of the company no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, seven days after notice of the special meeting is given to shareholders. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the board of directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The nomination and governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nomination and governance committee members consider and discuss diversity, among other factors, with a view toward the needs of the board of directors as a whole. The nominating committee members generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities or attributes that contribute to board heterogeneity, when identifying and recommending director nominees. The nomination and governance committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the committee's goal of creating a board of directors that best serves the needs of the company and the interest of its shareholders.

In evaluating such director recommendations, the committee uses a variety of criteria to evaluate the qualifications and skills necessary for members of our board of directors. Under these criteria, members of the board of directors should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of our shareholders.

The committee uses a variety of methods for identifying and evaluating nominees for director. They regularly assess the appropriate size of the board of directors, and whether any vacancies are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the committee considers various potential candidates for director. Candidates may come to their attention through current members of the board, shareholders, or other persons. These candidates are evaluated at regular or special meetings of the board, and may be considered at any point during the year. The committee considers properly submitted shareholder recommendations for candidates. In evaluating such recommendations, the committee uses the qualifications and standards discussed above, and it seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Report of the Audit/Compliance Committee

Management is responsible for the company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the company's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and issuing a report thereon. The audit/compliance committee's responsibility is to monitor and oversee these processes.

In this context, the committee has met and held discussions with management and Elliott Davis, LLC, the company's independent auditors in 2009. In discharging its oversight responsibility as to the audit process, the audit/compliance committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit/compliance committee concerning independence and has discussed with the independent auditors their independence from the Company and its management. The committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of First Community Corporation internal controls and the internal audit function's organization, responsibilities, budget and staffing. The committee reviewed both with the independent and internal auditors their audit plans, audit scope and identification of audit risks.

The committee reviewed and discussed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit and Finance Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The committee also discussed the results of the internal audit examinations.

The committee reviewed and discussed the audited consolidated financial statements of First Community Corporation as of and for the year ended December 31, 2009, with management and the independent auditors.

Based on the above-mentioned review and discussions with management and the independent auditors, the committee recommended to the board that First Community Corporation's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission. On March 16, 2010, the committee appointed Elliott Davis, LLC as the company's independent auditors for 2010.

The report of the audit committee is included herein at the direction of its members Mr. Kitchens, Ms. Easter, Dr. Ethridge, Ms. Whitehead, and Mr. Willoughby.

Named Executive Officer Employment Agreements

Michael C. Crapps. On June 1, 2008, we entered into a new employment agreement with Mr. Crapps to serve as the president and chief executive officer of the company and bank. Unless it is terminated earlier according to provisions in the employment agreement, the agreement provides a three-year term of employment and at the end of each day during the term of employment the term of the agreement is automatically extended for an additional day so that the remaining term continues to be three years, except that either party can give the other party written notice of and fix the term to a finite term of three years from the date of the written notice.

The initial base salary for Mr. Crapps will be \$249,867, which amount is subject to annual review by the board of directors and may be increased. Mr. Crapps will be eligible to receive bonuses if he meets the goals set forth annually for him by the human resources/compensation committee of the board of directors. Furthermore, Mr. Crapps will be eligible for the company's long-term equity incentive program and for the grant of stock options, restricted stock and other similar awards.

Mr. Crapps will be provided with a country club membership as well as a life insurance policy for the benefit of his spouse and heirs. Mr. Crapps is entitled to participation in retirement, health, welfare and other benefit plans and programs of the company applicable to employees generally or to senior executives.

The employment agreement provides that if the company terminates the executive's employment without cause the company shall be obligated to pay the employee compensation in an amount equal to 100% of his or her then current monthly base salary each month, subject to a six month delay, for twenty-four months from the date of termination, plus any bonus earned or accrued through the date of termination. After a change in control, the company will pay the employee an amount equal to three times the then current annual base salary. In addition, the company will pay the employee any bonus earned or accrued through the date of change in control. The company will remove any restrictions on outstanding incentive awards so that all such awards vest immediately. The company must continue to pay at its expense medical, dental, disability and life insurance benefits for a period of two years.

In the event that the company's independent accountants acting as its auditors on the date of a change in control determine that the payments provided for in the employment agreement constitute "excess parachute payments" under Section 280G of the Internal Revenue Code, then the compensation payable under the employment agreement will be reduced to an amount the value of which is \$1.00 less than the maximum amount that could be paid to Mr. Crapps without his compensation being treated as "excess parachute payments" under Section 280G.

The employment agreement contains provisions relating to non-solicitation of customers and personnel and non-competition during the term of employment and the two years thereafter, as well as a provision relating to the protection of confidential information.

David K. Proctor and Joseph G. Sawyer. On June 1, 2008 the company entered into employment agreements with David K. Proctor, as senior vice president and senior credit officer and Joseph G. Sawyer, as senior vice president and chief financial officer. Both employment agreements provide for an initial term of three years, to be extended automatically each day for an additional day so that the remaining term of the agreement will continue to be three years. The term may be fixed at three years without extension by notice of either party to the other. The term of each agreement is currently three years. The agreement with Mr. Proctor provides for a starting annual salary of \$127,500 and the agreement with Mr. Sawyer provides for an annual salary of \$140,000 per year and the amounts will be reviewed annually and increased from time to time. Mr. Proctor and Mr. Sawyer are also eligible to receive annual payments based upon achievement criteria established by the board of directors.

Both agreements provide that if the company terminates the executive's employment without cause, the company shall be obligated to pay the employee compensation in an amount equal to 100% of his or her then current monthly base salary each month, subject to a six month delay, for twelve months from the date of termination, plus any bonus earned or accrued through the date of termination. After a change in control, the company will pay the employee an amount equal to two times the then current annual base salary. In addition, the company will pay the employee any bonus earned or accrued through the date of change in control. The company will remove any restrictions on outstanding incentive awards so that all such awards vest immediately. The company must continue to pay at its expense medical, dental, disability and life insurance benefits for a period of two years.

The employment agreement contains provisions relating to non-solicitation of customers and personnel and non-competition during the term of employment and the two years thereafter, as well as a provision relating to the protection of confidential information.

On November 21, 2008, in connection with our participation in the Capital Purchase Program established by the U.S. Department of the Treasury under the Emergency Economic Stabilization Act of 2008 (as amended, "EESA"), each of Messrs. Crapps, Proctor, and Sawyer entered into letter agreements with the Company amending the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (including any so-called "golden parachute" provisions) as may be necessary, during the period that the Treasury owns any debt or equity securities of the Company acquired pursuant to the Capital Purchase Program to comply with Section 111 of the EESA, including prohibitions on certain severance payments in connection with a termination of employment under certain circumstances and a requirement to return to the Company any bonus or incentive compensation paid to the named executive officer by the Company during the covered period if such bonus or incentive compensation is paid based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.

In January 2010, Messrs. Crapps, Sawyer, and Proctor signed a "bonus clawback agreement" allowing the Company to recover compensation received by the executive based on materially inaccurate financial statements or performance metric criteria.

Certain Retirement and Salary Continuation Benefits

Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form DEF 14A

The Company has established the First Community Bank, NA Profit Sharing Plan a qualified 401(k) defined contribution plan, to which the Company makes matching and discretionary contributions on behalf of the each of the executive officers. The Company also maintains and pays premiums on behalf of each executive officer under a life insurance plan, and provides partial payment of premiums for medical benefits if the executive officer so elects.

Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form DEF 14A

We have entered into salary continuation agreements with Michael Crapps, David Proctor, and Joseph Sawyer. The salary continuation agreements provide for an annual supplemental retirement benefit to be paid to each of the applicable executives, commencing at the specified normal retirement age and payable in monthly installments for a prescribed number of years. Each applicable executive will also receive this benefit if his or her employment is terminated following a change in control (as defined in the executive's employment agreement).

If the executive dies after separation of service but before his annual supplemental benefit commences, the executive's benefit will be paid to his or her beneficiaries, beginning with the month following the Bank's receipt of a copy of the executive's death certificate. If the executive dies after his or her benefit has commenced, the remaining benefits will be paid to the executive's beneficiaries at the same time and in the same amounts that would have been distributed to the executive had he or she survived. If the executive dies during active service, 100% of his or her accrual balance (as defined in the salary continuation agreement) will be paid in a lump sum to his or her beneficiaries.

If the executive experiences a disability that results in separation of service prior to the normal retirement age, the executive will be entitled to 100% of his or her accrual balance determined as of the end of the plan year preceding termination.

If the executive is terminated without cause (as defined in the executive's employment agreement), the executive is entitled to 100% of his or her accrual balance determined as of the end of the plan year preceding such termination. This benefit is determined by vesting the executive in 10% of the accrual balance at the end of the first plan year, and an additional 10% of said amount at the end of each succeeding year thereafter until the executive becomes 100% vested in the accrual balance.

To offset the annual expense accruals for the benefits payable to the executives under the salary continuation agreements, the bank acquired bank-owned life insurance ("BOLI"). It is anticipated that the BOLI will provide full cost recovery of the benefits paid to the executives under the salary continuation agreements upon their deaths.

The foregoing summary of the material features of the salary continuation agreements for Messrs. Crapps, Proctor and Sawyer is qualified in its entirety by reference to the provisions of the agreements, the form of which is attached as Exhibit 10.1 to a Form 8-K filed by the company on August 3, 2006.

In connection with their prior employment by the company, the company entered into supplemental executive retirement agreements with each of James C. Leventis and J. Thomas Johnson. Mr. Leventis was an employee of the company during 2009 and so accrued benefits under his supplemental executive retirement plan that are reflected under the "Nonqualified Deferred Compensation Earnings" column above. Pursuant to their respective supplemental executive retirement agreements, Mr. Johnson is entitled to receive \$30,000 annually for seventeen years, beginning in October 2009, and Mr. Leventis is entitled to receive \$30,100 annually for ten years, beginning in March of 2010.

Certain Relationships and Related Transactions

We make loans and enter into other transactions in the ordinary course of business with our directors and officers and their affiliates. It is our policy that these loans and other transactions be on substantially the same terms (including price or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties. We do not expect these transactions to involve more than the normal risk of collectibility nor present other unfavorable features to us. Loans to individual directors and officers must also comply with our lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of the loan application. Our policy is that all of our transactions with our affiliates will be on terms no less favorable to us than could be obtained from an unaffiliated third party and will be approved by a majority of disinterested directors or by our audit/compliance committee. This policy is not written, but is followed.

Section 16(a) Beneficial Ownership Reporting Compliance

As required by Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers and certain other individuals are required to report periodically their ownership of our common stock and any changes in ownership to the SEC. Based on a review of Forms 3, 4, and 5 and any representations made to us, we believe that all such reports for these persons were filed in a timely fashion during 2009 for transactions occurring in 2009.
