PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Capital Lease Funding, Inc. (the Board), a Maryland corporation (we, us or the Company), for use at the Company 2005 Annual Meeting of Stockholders (the Meeting), to be held at the Down Town Association, 60 Pine Street, New York, NY 10005 on Wednesday, June 15, 2005 at 10:00 a.m., local time, and any adjournment or postponement thereof. This Proxy Statement, the foregoing notice and the enclosed proxy card are first being mailed to stockholders of the Company on or about April 27, 2005. Only stockholders of record at the close of business on April 1, 2005 (the Record Date) will be entitled to notice of, and to vote at, the Meeting.

The questions and answers set forth below provide general information regarding this Proxy Statement and the Meeting.

When are our Annual Report and this Proxy Statement first being sent to stockholders?

Our 2004 Annual Report and this Proxy Statement are being sent to stockholders beginning on or about April 27, 2005.

What will stockholders be voting on at the Meeting?

1. To elect seven directors to hold office until the annual meeting of stockholders to be held in 2006; and
2. To transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

Who is entitled to vote at the Meeting and how many votes do they have?

Common stockholders of record at the close of business on the Record Date, April 1, 2005, may vote at the Meeting. Each share of common stock has one vote. There were 27,875,200 shares of common stock outstanding on the Record Date.

How do I vote?

You must be present, or represented by proxy, at the Meeting in order to vote your shares. Even if you plan to attend the Meeting, we encourage you to vote your shares by proxy. Since we expect that many of our stockholders will be unable to attend the Meeting in person, we send proxy cards to all of our stockholders to enable them to vote.

What is a proxy?

A proxy is a person you appoint to vote on your behalf. If you complete and return the enclosed proxy card, your shares will be voted by the proxies identified on the proxy card.

By completing and returning this proxy card, who am I designating as my proxy?

You will be designating Paul H. McDowell, our chief executive officer, and Paul C. Hughes, our vice president, general counsel and corporate secretary, as your proxy. They may act on your behalf together or individually and will

have the authority to appoint a substitute to act as proxy.

How will my proxy vote my shares?

Your proxy will vote according to the instructions on your proxy card.

We do not intend to bring any other matter for a vote at the Meeting, and we do not know of anyone else who intends to do so. However, your proxies are authorized to vote on your behalf, in their discretion, on any other business that properly comes before the Meeting or any adjournments or postponements thereof.

How do I vote using my proxy card?

Simply complete, sign and date the enclosed proxy card and return it in the postage-paid, self-addressed envelope provided.

How do I change or revoke my proxy?

You may change or revoke your proxy at any time before your shares are voted at the Meeting by:

notifying the Company's Corporate Secretary, in writing at 110 Maiden Lane, New York, NY 10005 that you are changing or revoking your proxy;

executing and delivering another later dated proxy card; or

attending and voting by ballot in person at the Meeting.

Attendance at the Meeting will not itself revoke a proxy. All signed proxies that have not been revoked will be voted at the Meeting. If your proxy contains any specific instructions, they will be followed.

Who will count the votes?

An inspector of election designated by the Board will count the votes.

What constitutes a quorum?

A quorum, which is necessary to conduct business at the Meeting, constitutes a majority of the outstanding shares of our common stock entitled to be cast at the Meeting, present in person or represented by proxy. If you sign and return your proxy card, your shares will be counted in determining the presence of a quorum, even if you withhold your vote. If a quorum is not present at the Meeting, the chairman of the meeting or the stockholders present in person or by proxy may adjourn the Meeting to a date not more than 120 days after the Record Date, until a quorum is present.

What percentage of our common shares do the directors and executive officers own?

Our directors and executive officers owned approximately 13.2% of our common stock, as of the Record Date. (See the discussion under the heading **Ownership of our Common Stock** for more details.)

What are my voting choices when voting on director nominees, and what vote is needed to elect directors?

When voting on the election of director nominees to serve until the 2006 Annual Meeting of Stockholders and until their successors are elected, you may:

vote in favor of all nominees;

vote to withhold votes as to all nominees; or

withhold votes as to one or more specific nominees.

A nominee is elected to the Board if a plurality of votes cast in the election of directors is cast for the nominee. Any votes withheld will not be counted in determining the number of votes cast. In the event that any nominee for director is unavailable for election, the Board may either reduce the number of directors or choose a substitute nominee. If the Board chooses a substitute nominee, the shares represented by a proxy will be voted for the substitute nominee, unless other instructions are given in the proxy.

The Board recommends that the stockholders vote **FOR** all of the nominees.

What if I do not specify a choice for a matter when returning a proxy?

You should specify your choice for each matter on the enclosed proxy. If no specific instructions are given, proxies which are signed and returned will be voted **FOR** the election of all director nominees.

Will my shares be voted if I do not provide my proxy?

If you are a stockholder whose shares of common stock are registered directly in your name with Wachovia Bank, N.A., our transfer agent, your shares of common stock will only be voted if Wachovia Bank, N.A. receives specific voting instructions from you.

If you are a stockholder whose shares of common stock are held in street name with a brokerage firm, your broker may or may not vote your shares in its discretion if you have not provided voting instructions to the broker. Whether the broker may vote your shares depends on the proposals before the meeting. Under the rules of the New York Stock Exchange, your broker may vote your shares in its discretion on routine matters. The election of directors is a routine matter on which brokers are permitted to vote on behalf of their clients if no voting instructions are furnished.

Who is soliciting my proxy, how is it being solicited and who pays the cost?

The Board is soliciting your proxy for the Meeting. The solicitation process is being conducted primarily by mail. However, proxies may also be solicited in person, by telephone or facsimile. We pay the cost of soliciting proxies and may use employees to solicit proxies and also reimburse stockbrokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to the owners of shares of common stock.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means you have multiple accounts with our transfer agent, Wachovia Bank, N.A., and to vote all your shares you will need to sign and return all proxy cards.

May stockholders ask questions at the Meeting?

Yes. At the end of the Meeting, our representatives will answer questions from stockholders.

BOARD OF DIRECTORS

Board of Directors

The primary responsibility of the Board is to foster the long-term success of the Company, consistent with its fiduciary duty to the stockholders. The Board has responsibility for establishing broad corporate policies, setting strategic direction, and overseeing management, which is responsible for the day-to-day operations of the Company. In fulfilling this role, each director must act in good faith in a manner he reasonably believes to be in the best interests of the Company with the care an ordinarily prudent person in a like position would use under similar circumstances. The directors are regularly kept informed about our business at meetings of the Board and its committees and through supplemental reports and communications. The Board has an active Chairman of the Board whose duties and responsibilities are separate and distinct from those of the Chief Executive Officer. The responsibilities of the Board's standing committees are addressed separately in this proxy statement.

The Board held three meetings in 2004. Directors are expected to attend Board meetings, the Annual Meeting of Stockholders and meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. During 2004, all nominees for director attended all meetings of the Board and all Committees on which they served, other than Mr. Pollert who attended two of the Board's three meetings because of a death in his family. Because we are a new public company, we did not have an annual meeting of stockholders in 2004.

The Board has adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics which can be found at the investor relations section of the Company's website at www.caplease.com. Copies are also available in print to any stockholder upon written request to Capital Lease Funding, Inc., 110 Maiden Lane, New York, NY 10005, Attention: Corporate Secretary. The information on the Company's website is not, and shall not be deemed to be, a part of this proxy statement or incorporated into any other filings the Company makes with the Securities and Exchange Commission.

Presiding Director

The non-management directors annually elect one non-management director to be the Presiding Director. The Presiding Director's responsibilities are to:

- Preside over executive sessions of the non-management directors;
- Call meetings of the non-management directors as he deems necessary;
- Serve as liaison between the chief executive officer and the non-management directors;
- Advise the chief executive officer of the Board's informational needs; and
- Be available for communication by stockholders.

The Presiding Director is invited to attend all meetings of Committees of the Board of which he is not a member.

Lewis S. Ranieri is currently serving as our Presiding Director. Our non-management directors met in executive session two times in 2004.

During the meetings of the non-management directors, the Presiding Director has the power to lead the meeting and set the agenda, but all non-management directors are encouraged to and do suggest topics for discussion. In addition, our independent Board members also meet as a group from time to time.

Communications with the Board

Stockholders and other interested parties who wish to communicate with the Board may do so by writing to the attention of the Board of Directors, Capital Lease Funding, Inc., 110 Maiden Lane, New York, NY 10005. Complaints relating to accounting, auditing and internal controls practices and procedures should be addressed to the attention of the Chairman of the Audit Committee, Howard A. Silver. Other concerns may be addressed to the full Board or, if you wish to contact the Company's non-management directors specifically, to the attention of the Presiding Director, Lewis S. Ranieri. You can report your concerns anonymously by not including your name and contact information.

Committees of the Board

The Board has established various Committees of the Board to assist it with the performance of its responsibilities. These Committees and their members are listed below. The Board designates the members of these Committees and the Committee Chairs annually at its organizational meeting following the Annual Meeting of Stockholders, based on the recommendation of the Nominating and Corporate Governance Committee. The Board has adopted written charters for each of these Committees, which can be found at the investor relations section of the Company's website at www.caplease.com. The Chair of each Committee develops the agenda for that Committee and determines the frequency and length of Committee meetings.

Edgar Filing: CAPITAL LEASE FUNDING INC - Form DEF 14A

Audit Committee. Our Board has established an Audit Committee, which is composed of three independent directors, Messrs. Silver (Chairman), Kreitman and Rogatz. The committee's primary duties are to:

- serve as an independent and objective party to monitor our compliance with legal and regulatory requirements, review our financial reporting processes and internal control over financial reporting systems and the performance, generally, of our internal audit function;
- monitor performance of our internal audit function;
- oversee the audit and other services of our independent registered public accounting firm and be directly responsible for the appointment, independence, qualifications, compensation and oversight of the independent registered public accounting firm, who reports directly to the Audit Committee;
- provide an open means of communication among our independent registered public accounting firm, management, our internal auditing function and our board;
- review any disagreements between our management and the independent registered public accounting firm regarding our financial reporting;
 - prepare the Audit Committee report for inclusion in our proxy statement for our annual meetings; and
- establish procedures for complaints received regarding our accounting, internal accounting control and auditing matters.

Our Audit Committee charter also mandates that our Audit Committee approve all audit and permissible non-audit services conducted by our independent registered public accounting firm. The Audit Committee met four times in 2004.

Audit Committee Matters.

The functions of the Audit Committee are more fully described under "Report of the Audit Committee" below and in the Audit Committee Charter attached hereto as Annex A. Upon the recommendation of the Nominating and Governance Committee, the Board has determined that each of our Audit Committee members are independent of management and free of any relationships that, in the opinion of the Board, would interfere with the exercise of independent judgment and are independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder, as incorporated into the listing standards of the New York Stock Exchange.

The Board has determined that Mr. Silver is an audit committee financial expert, as that term is defined in the rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002. The Board has further determined that each of the members of the Audit Committee is financially literate and that, as required by the New York Stock Exchange listing standards, at least one member of the Committee has accounting or related financial management expertise, as such terms are interpreted by the Board in its business judgment.

Audit Committee Pre-Approval Policies.

The Audit Committee must pre-approve all services rendered by the Company's independent registered public accounting firm. The Audit Committee may delegate to one or more of its members the authority to grant this pre-approval.

Compensation Committee. Our Board has established a Compensation Committee, which is composed of three independent directors as defined under the general independence standards of the NYSE listing standards and our Corporate Governance Guidelines, Messrs. Gagliardi (Chairman), Kreitman and Rogatz. In addition, committee members are non-employee directors (within the meaning of Rule 16b-3 of the Exchange Act) and outside directors (within the meaning of Section 162(m) of the Internal Revenue Code). The committee's primary duties are to:

- approve corporate goals and objectives relevant to Chief Executive Officer compensation and evaluate the Chief Executive Officer's performance in light of those goals and objectives;
- determine and approve Chief Executive Officer compensation, including base salary and incentive awards;
 - establish guidelines and standards for determining the compensation of our executive officers;
 - make recommendations regarding compensation plans;
 - review and recommend to our Board compensation for our executive officers and directors;

- administer and implement our stock plan;
- determine the number of shares underlying, and the terms of, restricted stock awards to be granted to our directors, executive officers and other employees pursuant to these plans; and
- prepare a report on executive compensation for inclusion in our proxy statement for our annual meetings.

The Compensation Committee met once in 2004.

Nominating and Corporate Governance Committee. Our Board has also established a Nominating and Corporate Governance Committee, which is composed of three independent directors as defined under the general independence standards of the NYSE listing standards and our Corporate Governance Guidelines, Messrs. Rogatz (Chairman), Gagliardi and Silver. The committee's primary duties are to:

- identify individuals qualified to become members of our Board and recommend director candidates for election or re-election to our board;
 - review the board size and composition, committee composition and make recommendations regarding tenure and classification of directors;
- recruit new directors, consider director nominees recommended by stockholders and others and recommend nominees for election as directors;
 - recommend actions to increase the Board's effectiveness;
 - oversee the evaluation of the Board and management; and
- develop, recommend and oversee our corporate governance principles, including our Code of Business Conduct and Ethics and our Corporate Governance Guidelines.

The Nominating and Corporate Governance Committee met once in 2004.

Investment Oversight Committee. Our board has established an Investment Oversight Committee, which is composed of Messrs. Ranieri, McDowell, Rogatz and Silver. The primary function of the Investment Oversight Committee is to approve the terms and conditions of all investments we make in excess of \$50 million.

The Investment Oversight Committee met two times in 2004.

We recommend that stockholders review the Charters for the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, available at our website at www.caplease.com for a full description of the respective Committee's responsibilities. Charters are also available in print, as noted above.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics applies to all of our officers, employees and directors, including our chief executive officer, chief financial and accounting officer and controller. We have always conducted our business in accordance with the highest standards of conduct. Full compliance with the letter and spirit of the laws applicable to our businesses is fundamental to us. Equally important are equitable conduct and fairness in our business operations and in our dealings with others. Our Code of Business Conduct and Ethics reflects the foregoing principles.

We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K relating to amendments to or waivers from any provision of the Code of Business Conduct and Ethics applicable to our chief executive officer, chief financial and accounting officer or controller by posting such information on our website at www.caplease.com.

Corporate Governance Guidelines

The Board has also adopted a set of Corporate Governance Guidelines that reflect our governance principles and our commitment to maintaining high corporate governance standards.

The Nominating and Corporate Governance Committee is responsible for periodically reviewing the Corporate Governance Guidelines and the Code of Business Conduct and Ethics and for considering and, as necessary, making recommendations on governance issues that should be addressed by the Board.

PROPOSAL 1 ELECTION OF DIRECTORS

In accordance with our charter, each member of our Board is elected annually.

All of the nominees for director are directors presently. Our Nominating and Corporate Governance Committee did not receive any recommendations of director candidates from any stockholder or group of stockholders during 2004. We did not utilize any third-party search firms to assist in identifying potential director candidates since our initial public offering. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has affirmatively determined that each of the following nominees for director is independent within the general independence listing standards prescribed by the New York Stock Exchange and our Corporate Governance Guidelines: Messrs. Gagliardi, Kreitman, Rogatz and Silver. The Board has adopted, as part of our Corporate Governance Guidelines, categorical standards of director independence that are attached hereto as Annex B to assist in making these independence determinations. Each of the above-named nominees qualifies as independent under these standards.

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the requisite skills and characteristics of new Board members as well as the composition of the Board as a whole. This assessment includes members' qualification as independent, as well as consideration of diversity, age, skills and experience in the context of the Board's needs. Nominees for directorships are selected by the Nominating and Corporate Governance Committee and recommended to the Board in accordance with the policies and principles in its charter. The Nominating and Corporate Governance Committee does not distinguish between nominees recommended by stockholders and other nominees. Stockholders wishing to suggest candidates to the Nominating and Corporate Governance Committee for consideration as directors must submit a written notice to the Company's Corporate Secretary, who will provide it to the Nominating and Corporate Governance Committee. Our bylaws set forth the procedures a stockholder must follow to nominate directors. These procedures are summarized in this proxy statement under the caption "Stockholder Proposals for 2006 Annual Meeting of Stockholders."

The following table sets forth the name and the position(s) currently held by each person nominated as a director:

EXECUTIVE COMPENSATION

Report of the Compensation Committee

Prior to the completion of our initial public offering, our Board was composed of Messrs. Ranieri, McDowell, Pollert and Seale. Our compensation committee following our initial public offering consists of Messrs. Gagliardi, Kreitman and Rogatz. In adopting compensation arrangements for our executive officers and other employees in connection with our initial public offering, our Board's objective was to strike an appropriate balance between the following:

- rewarding executive officers for attaining a monetization event;
- offering a compensation package that is competitive with other specialty real estate finance companies and facilitates employee retention; and
- aligning the interest of our executive officers and our other employees with those of our stockholders through the use of incentive compensation.

To accomplish this objective, our Board authorized us to enter into employment agreements with our executive officers and adopted a stock plan, each of which is discussed below under Employment of Our Executives. These arrangements are intended to accomplish the above objective at a reasonable cost to us and our stockholders.

The Compensation Committee of the Board assumed responsibility for executive officer compensation matters following the completion of our initial public offering. The Committee's philosophy is that executive compensation plans should be designed and administered to attract, motivate and retain highly qualified executives. Base salaries are targeted at competitive market levels and any incentives are linked closely to financial performance and enhanced stockholder value. We maintain a strong pay-for-performance culture, where a significant portion of executive compensation is linked to performance. This emphasis on at-risk compensation supports our goal to control general and administrative costs, which is critical to our continued success. Our executive compensation program consists of the core elements described below.

2004 Executive Officer Compensation

During 2004, compensation for our executive officers consisted principally of base salary, annual bonus and restricted common stock awards. The base salary amounts are provided for in each executive officer's employment agreement.

Each executive officer's employment agreement provides that annual cash bonuses may be granted in the discretion of the Compensation Committee. Minimum annual cash bonus amounts apply during the initial term of the agreement. For 2004, annual cash bonuses to executive officers were based on an assessment of individual and overall company performance. The Committee did not assign specific weight to any factors. The individual performance factors included level of responsibility, length of tenure and each executive officer's status as a founder of the Company. The overall company factors included the Company's profitable asset growth and efficient financing results in 2004 and early 2005, the Company's development of a real property acquisition reputation and profitable portfolio in 2004, and the results and recommendations of an independent compensation study of executive officers performing similar functions at a peer group of real estate lending and equity real estate investment trusts. The combined 2004 base salary and annual bonus for each executive officer was generally between the 25th percentile and median of the peer group. In connection with its determinations of annual bonus amounts for 2004, the Compensation Committee reviewed a tally sheet listing each component of each named executive officer's compensation.

In 2004, the Board awarded the executive officers an aggregate of 193,064 shares of restricted common stock pursuant to the Company's stock plan, all upon completion of our initial public offering. These shares were fully vested as to

one-third of the number of shares upon grant, with the remaining two-thirds vesting in two equal annual installments commencing on March 24, 2005.

2004 Chief Executive Officer Compensation

During 2004, the Board authorized us to enter into an employment agreement with Mr. McDowell, our chief executive officer. The employment agreement provides Mr. McDowell a base salary for the one-year period commencing upon closing of our initial public offering of \$300,000, which amount will be increased each year to reflect increases in the cost of living and is subject to additional annual increases at the discretion of the Compensation Committee. For 2004, the Compensation Committee awarded Mr. McDowell an annual bonus of \$275,000, or 92% of his annual base salary. The award resulted from the Committee's assessment of Mr. McDowell's performance against various individual and overall company factors. These factors were the same as those considered for the named executive officers and are discussed above.

In 2004, the Board awarded Mr. McDowell 49,625 shares of common stock pursuant to the Company's stock plan, all upon completion of our initial public offering. These shares were fully vested as to one-third of the number of shares upon grant, with the remaining two-thirds vesting in two equal annual installments commencing on March 24, 2005.

The Compensation Committee believes that the Chief Executive Officer's compensation package is reasonable and appropriate in light of his contribution to the Company and not excessive.

2005 Awards

In March 2005, the Compensation Committee awarded salary increases to certain of the executive officers and awards of restricted common stock to all of the named executive officers. These awards were made based on the individual and company performance factors discussed above. An aggregate of 300,000 shares of restricted common stock were awarded to the named executive officers, all pursuant to the Company's stock plan. Exactly 100,000 of these shares will vest solely on a time basis, with the shares vesting in three equal annual installments beginning on March 24, 2006 and 200,000 of the shares will vest solely on a performance basis, with the shares vesting only if a combination of objective and subjective performance criteria to be set by the Compensation Committee, no later than June 30, 2005, are met. All shares will have voting and dividend rights prior to vesting.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally sets a limit of \$1.0 million on the amount of annual compensation paid to an executive officer (other than certain enumerated categories of compensation, including performance based compensation) that may be deducted by a publicly-held company. It is the policy of the Board and the Compensation Committee to seek to qualify executive compensation for deductibility to the extent that such policy is consistent with our overall objectives and executive compensation policy, but reserves the right to award compensation that is not deductible under Section 162(m) of the Code if it is determined to be in the best interests of the Company and our stockholders. Compensation attributable to restricted common stock awards granted during 2004 under our Stock Plan is excluded from the \$1.0 million limit under transition rules contained in applicable Treasury regulations. None of our executive officers received compensation in 2004 in excess of the limits imposed under Section 162(m).

EMPLOYMENT OF OUR EXECUTIVES

Employment Agreements

We have entered into employment agreements with each of the named executives. The initial term of each employment agreement commenced on the closing of our initial public offering and expires on December 31, 2006. Each agreement automatically extends for one additional year each December 31, unless either party provides written notice to the other party at least 90 days prior to December 31.

The employment agreements provide the following annual base salaries: Mr. McDowell, \$300,000, Mr. Pollert, \$200,000, Mr. Seale, \$265,000, Mr. Blanz, \$200,000, and Mr. Heneghan, \$170,000. Salaries will be reviewed annually by the Compensation Committee of our Board. Salaries may be increased by the Compensation Committee and will be increased each year to reflect increases in the cost of living. In addition to salaries, bonuses may be granted in the discretion of the Compensation Committee, and there will be no maximum limit on the bonus awardable to any executive in any given year, but, during the initial term, the annual bonus will not be less than: Mr. McDowell, \$150,000, Mr. Pollert, \$75,000, Mr. Seale, \$85,000, Mr. Blanz, \$100,000 and Mr. Heneghan, \$80,000. These agreements provide that the executive officers agree to devote substantially all of their business time to our operations (other than Mr. Pollert who has agreed to devote the substantial majority of his business time to our operations).

The employment agreements permit us to terminate a named executive's employment with appropriate notice for or without cause. Cause is generally defined to mean:

- the executive's conviction of, or a plea of guilty or nolo contendere to, a felony;
- the executive's intentional failure to substantially perform reasonably assigned material duties;
- the executive's willful misconduct in the performance of the executive's duties; or
- the executive's breach of any non-competition or non-disclosure agreement in effect between the executive and us, including such agreements in the employment agreement.

In addition, each named executive has the right under his employment agreement to resign for or without good reason.

Good reason is defined in the employment agreements to include a reduction in base salary, a demotion, a material reduction in duties, a requirement for the executive to be based at a location other than the New York, New York metropolitan area, or any material breach of the employment agreement by us, which demotion, material reduction or material breach has not been cured by us within 30 days after written notice by the executive. Resignation for good reason entitles the named executive to receive the benefits described below.

The employment agreements provide that the named executives will be eligible to receive the same benefits, including participation in our retirement and welfare plans, as other similarly situated employees, and such other benefits as our Board may, from time to time, establish. In addition, we will endeavor to provide each executive with a whole life insurance benefit of at least: Mr. McDowell, \$2,000,000, Mr. Pollert, \$1,000,000, Mr. Seale, \$1,500,000, Mr. Blanz, \$750,000 and Mr. Heneghan, \$500,000, and a disability insurance benefit providing for income replacement of at least 95% of base salary, subject to such insurance being available at a reasonable cost.

Pursuant to the terms of the employment agreements, when a named executive's employment ends for any reason, we will pay accrued and unpaid salary, bonuses and benefits already determined, and other accrued obligations. We have agreed to pay severance equal to the named executive's base salary for one year if we choose not to extend the agreement. In addition, if we terminate the named executive's employment without cause or if the named executive resigns for good reason, we will be obligated to pay the named executive:

- severance equal to (a) three times the named executive's base salary (for Messrs. McDowell and Seale) or two times the named executive's base salary (for the other executives) plus (b) three times the named executive's average bonus for the three preceding years (for Messrs. McDowell and Seale) or two times the named executive's average bonus for the three preceding years (for the other executives), payable in a lump sum;
- a pro rata portion of the named executive's incentive pay for the year in which the termination occurs; and
- payment of premiums for group health coverage during the 24-month period after termination of employment or cash in lieu of such coverage in an amount equal to the after-tax cost of continuing such coverage if the coverage cannot be continued.

If the named executive's employment is terminated on account of death or disability, we will pay a pro rata portion of his incentive pay for the year in which the termination occurs. In addition, under the restricted share award agreements we delivered upon completion of our initial public offering, in the event we terminate a named executive's employment other than for cause or on account of the named executive's disability or death, or if the named executive terminates his employment for good reason, all of the named executive's unvested restricted share awards will become fully vested. To receive the severance, the named executive must execute a release of claims. Under the employment agreements, a named executive's incentive pay is deemed to be the highest aggregate bonus or incentive payment paid to the named executive during any of the three calendar years prior to the named executive's termination date.

In the event of a change in control of our company, all outstanding options, restricted shares and any other equity rights will become fully vested and exercisable for each named executive and each named executive will be entitled to enhanced severance benefits irrespective of when his employment terminates or if his employment is terminated by us without cause or by him for good reason after the change in control. The employment agreements provide that the named executives will be entitled to receive severance benefits if there is a change of control during the term of their employment agreements, and within 12 months after the change of control, their employment is terminated without cause or they resign with good reason. They will also be entitled to benefits under the agreements if their employment is terminated without cause while we are negotiating a transaction that could result in a change of control or if they are terminated without cause and a change of control occurs within three months following their termination. In that event, the named executives are entitled to receive any accrued but unpaid salary and bonuses plus a severance benefit. The severance benefit is computed in the same manner as under a termination without cause or a resignation for good reason. In general terms, a change of control occurs:

- if a person, entity or affiliated group (with certain exceptions) acquires more than 50% of our then outstanding voting securities;
- if we merge into or consolidate with another entity, unless the holders of our voting shares immediately prior to the merger or consolidation have at least 50% of the combined voting stock of the surviving entity of the merger or consolidation;
 - if we sell or dispose of all or substantially all of our assets;
 - if we are liquidated or dissolved; or
- if directors who constitute our initial Board following completion of our initial public offering cease for any reason to constitute a majority of our directors, unless the nomination of the successor to any such director is approved by a majority of our directors in office immediately prior to such cessation.

If payments become due as a result of a change in control and the excise tax imposed by Code Section 4999 applies, the terms of the employment agreements require us to gross up payments to the named executive for the amount of this excise tax plus the amount of income and other taxes due as a result of the gross up payment.

The employment agreements also provide that for the one-year period after termination of a named executive's employment for any reason, the named executive will not compete with us by working with or investing in any business or enterprise which is substantially similar to our business during the term of his employment. The agreements also provide that for the one-year period after termination of the named executive's employment for any reason the named executive will not solicit any of our customers, encourage any of our customers to reduce their patronage of us, or solicit or hire any of our employees.

401(k) Plan

We have established the Capital Lease Funding 401(k) Plan, referred to as the 401(k) Plan. The 401(k) Plan is a defined contribution plan intended to qualify under section 401 of the Code. All of our employees who are at least 21 years old are eligible to participate on the first day of the first payroll period following three months of employment. Participants may make pre-tax contributions to the 401(k) Plan of between 1% and 100% of their eligible earnings, subject to a statutorily prescribed annual limit. We may at our discretion make matching contributions to the 401(k) Plan in amounts to be determined annually by our Compensation Committee. Each participant is fully vested in his or her contributions and in any discretionary matching contributions made to his or her account. Contributions by the participants or by us to the 401(k) Plan, and the income earned on such contributions, are generally not taxable to the participants until withdrawn. Any contributions by us are generally deductible by us when made. All contributions are held in trust as required by law. Individual participants may direct the trustee to invest their accounts in authorized

investment alternatives.

The Stock Plan

In connection with our reorganization as a REIT, we established a stock plan for the purpose of attracting and retaining our executive officers, employees, directors and other persons and entities that provide services to us. The stock plan authorizes the issuance of options to purchase common stock and the grant of stock awards, performance shares, stock appreciation rights and incentive awards.

18

Administration of the stock plan is carried out by the Compensation Committee of our Board. The Compensation Committee may delegate its authority under the stock plan to one or more officers but it may not delegate its authority with respect to awards to individuals subject to Section 16 of the Exchange Act. As used in this summary, the term administrator means the Compensation Committee or its delegate.

Our officers and employees and those of our affiliates are eligible to participate in the stock plan. Our directors and other persons and entities that provide services to us are also eligible to participate in the stock plan.

The maximum number of shares of common stock available for issuance under the stock plan is 1,073,000 shares. This limitation, and the terms of outstanding awards, will be adjusted as our Board determines is appropriate in the event of a stock dividend, stock split, reclassification of shares or similar events.

The stock plan provides for the grant of (i) options intended to qualify as incentive stock options under section 422 of the Code and (ii) options that are not intended to so qualify. The principal difference between incentive stock options and other options is that a participant generally will not recognize ordinary income at the time an incentive stock option is granted or exercised, but rather at the time the participant disposes of the shares acquired under the incentive stock option. In contrast, the exercise of an option that is not an incentive stock option generally is a taxable event that requires the participant to recognize ordinary income equal to the difference between the shares' fair market value and the option price. We will not be entitled to a federal income tax deduction with respect to incentive stock options except in the case of certain dispositions of shares acquired under the options. We may claim a federal income tax deduction on account of the exercise of an option that is not an incentive stock option equal to the amount of ordinary income recognized by the participant.

The administrator will select the participants who are granted options and, consistent with the terms of the stock plan, will prescribe the terms of each option. The option price cannot be less than the shares' fair market value on the date the option is granted. The option price may be paid in cash or, with the administrator's consent, by surrendering shares of common stock, or a combination of cash and common stock. Options may be exercised in accordance with requirements set by the administrator. The maximum period in which an option may be exercised will be fixed by the administrator, but, cannot exceed 10 years. Options generally will be nontransferable except in the event of the participant's death, but, the administrator may allow the transfer of options to members of the participant's immediate family, a family trust or a family partnership.

No participant may be granted incentive stock options that are first exercisable in a calendar year for common stock having a total fair market value (determined as of the option grant) exceeding \$100,000. In addition, no participant may be granted options in any calendar year for more than 300,000 shares.

The administrator also will select the participants who are granted stock awards and, consistent with the terms of the stock plan, will establish the terms of each stock award. A stock award may be subject to vesting requirements or transfer restrictions or both as determined by the administrator. Those conditions may include, for example, a requirement that the participant complete a specified period of service or that certain objectives be achieved. The objectives may be based on performance goals that are stated with reference to funds from operations per share, return on equity, total earnings, earnings per share, earnings growth, return on capital, fair market value of the common stock, appreciation in value of the common stock, peer stockholder returns or other financial measures that the administrator may designate. Our stock plan provides that all stock awards under the plan after completion of this offering will vest (i) on an annual basis over no less than a three year period commencing on the one-year anniversary of the date of the award or (ii) over a period of at least one year from the date of the award if the restrictions lapse or expire based on the attainment of performance objectives. No participant may be granted stock awards in any calendar year for more than 200,000 shares.

The stock plan also authorizes the grant of performance shares (*i.e.*, the right to receive a future payment, based on the value of the common stock, if certain conditions are met). The administrator will select the participants who are granted performance share awards and will establish the terms of each award. The conditions established for earning a performance share award may include, for example, a requirement that the participant complete a specified period of service or that certain objectives be achieved. The objectives may be based on performance goals that are stated with reference to funds from operations per share, return on equity, total earnings, earnings per share, earnings growth, return on capital, fair market value of the common stock, appreciation in value of the common stock, peer stockholder returns or other financial measures that the administrator may designate. The period in which a performance share award may be earned will be at least three years except that the period will be at least one year in the case of an award that is subject to requirements based on one or more of the foregoing performance criteria. To the extent that a performance award is earned, it may be settled in cash, by the issuance of common stock or a combination of cash and common stock. No participant may be granted more than 200,000 performance shares in any calendar year.

The administrator also will select the participants who receive stock appreciation rights under the stock plan. A stock appreciation right entitles the participant to receive a payment of up to the amount by which the fair market value of a share of common stock on the date of exercise exceeds the fair market value of a share of common stock on the date the stock appreciation right was granted. A stock appreciation right will be exercisable at such times and subject to such conditions as may be established by the administrator. The amount payable upon the exercise of a stock appreciation right may be settled in cash, by the issuance of common stock or a combination of cash and common stock. No participant may be granted more than 300,000 stock appreciation rights in any calendar year.

The stock plan also permits the grant of incentive awards to participants selected by the administrator. An incentive award is a cash bonus that is payable if certain objectives are achieved. The objectives will be prescribed by the administrator and will be stated with reference to performance criteria based on funds from operations per share, return on equity, total earnings, earnings per share, earnings growth, return on capital, fair market value of the common stock, appreciation in value of the common stock, peer stockholder returns or other financial measures that the administrator may designate. The period in which performance is measured will be at least one year. No participant may be granted incentive awards in any calendar year that exceed the lesser of (i) 500% of the participant's base salary (prior to any salary reduction or deferral election) as of the date of grant or (ii) \$2,000,000.

No awards may be granted under the stock plan after March 11, 2014. The Board may amend or terminate the stock plan at any time, but an amendment will not become effective without the approval of our stockholders if that approval is required under applicable law or the rules and regulations of the New York Stock Exchange. No amendment or termination of the stock plan will adversely affect a participant's rights under outstanding awards without the participant's consent.

THE AUDIT COMMITTEE

Report of the Audit Committee

In accordance with our Audit Committee Charter, our Audit Committee oversees our financial reporting process on behalf of our Board. Our Board adopted the Audit Committee Charter subsequent to our initial public offering in March 2004 and, at the recommendation of our Audit Committee, made certain amendments to our Audit Committee Charter in September 2004. Management has the primary responsibility for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles, internal control over financial reporting, and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Audit Committee's responsibility is to monitor and oversee these processes. In fulfilling its oversight responsibilities, our Audit Committee reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2004, with management, including a discussion of the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

Our Audit Committee reviewed with the independent registered public accounting firm, who is responsible for auditing our financial statements and for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, the firm's judgments as to the quality of our accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended.

In addition, our Audit Committee received the written disclosures and the letter from our independent registered public accounting firm required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as amended, discussed with our independent registered public accounting firm the firm's independence from both management and our company and considered the compatibility of our independent registered public accounting firm's provision of non-audit services to our company with its independence.

In reliance on the reviews and discussions referred to above, but subject to the limitations on the role and responsibility of our Audit Committee referred to below, our Audit Committee recommended to our Board that (and our Board has approved) the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

The members of our Audit Committee are not professional accountants. Committee members rely on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, our Audit Committee serves an oversight role and does not itself determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control over financial reporting and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States), that the financial statements are presented in accordance with United States generally accepted accounting principles or that Ernst & Young LLP is in fact independent.

Stockholder ratification of the Audit Committee's appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise. Therefore, we are not asking for stockholders to ratify the Audit Committee's appointment of our independent registered public accounting firm.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Qwest Communications Assignment of Rents

Paul H. McDowell, our chief executive officer and a member of our Board, William R. Pollert, our president and a member of our Board, Shawn P. Seale, our senior vice president, chief financial officer and treasurer, and Robert C. Blanz, our senior vice president and chief investment officer, collectively own a 50% interest in a computer data center in the Sacramento, California area that is net leased to Qwest Communications. The group owns the data center through a limited partnership. In February 2001, we originated a net lease loan to the limited partnership in the amount of approximately \$42 million. At that time, management's ownership interest in the limited partnership was 25%. In February 2001, we sold the loan to Wachovia Bank, and the limited partnership agreed to pay us an advisory fee from the rent payable by Qwest in the amount of approximately \$66,000 a month until November 2010. An affiliate of the limited partnership is also a party to a management agreement with Qwest for the operation of the data center, and another affiliate of the limited partnership subleases a portion of the leased building from Qwest at a nominal amount. No failure to perform under the management agreement or sublease entitles Qwest to any rent abatement or termination under the lease.

Transactions with Hyperion Partners II L.P.

As noted above, our chairman, Lewis S. Ranieri, is the chairman and president, a director and majority stockholder of Hyperion Funding II Corp., which is the sole general partner of Hyperion Ventures II L.P., which is the sole general partner of Hyperion Partners II L.P. A wholly-owned subsidiary of Hyperion Partners II L.P., Hyperion CLF LLC, owns approximately 8.2% of our common stock.

On November 1, 2004, our wholly-owned subsidiary, Caplease, LP, entered into two contracts of sale with Hyperion Partners II L.P. Under the terms of the two contracts, we acquired Hyperion's beneficial interest in two trusts. Each trust's sole asset is a free-standing Walgreen's retail store, one located in Portsmouth, Virginia and the second located in Pennsauken, New Jersey. Caplease, LP paid the seller an aggregate purchase price of approximately \$7.2 million under the contracts, inclusive of debt assumed of approximately \$5.6 million. As required by our conflict of interest policy, our disinterested directors approved this transaction.

Registration Rights

Upon completion of our initial public offering, we issued an aggregate of 3,968,800 shares of our common stock to the former members of CLF, LLC, including Hyperion Partners II L.P., LSR Capital CLF LLC and certain of our executive officers and key employees. We agreed to register the resale of these shares and certain additional shares issued to our executive officers and key employees. In April 2005, we filed a shelf registration statement to register the resale of these shares. In addition, during any period that the shelf registration is not effective, these stockholders have certain demand and piggyback registration rights with respect to their shares. We will bear expenses incident to the registration rights, including the expenses of one counsel to the persons exercising the registration rights, but excluding any underwriting commissions, out-of-pocket expenses of such persons (other than the counsel fees) or transfer taxes relating to the sale of the registered securities.

Upon effectiveness of the resale shelf registration statement or any other registration statement pursuant to the rights described above, the former members of CLF, LLC may sell the shares covered by the registration statement in the secondary market without being subject to the volume or other limitations of Rule 144 of the Securities Act of 1933, as amended.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors and persons who own more than 10% of the Company's shares of common stock to file reports of ownership and changes in ownership of our shares of common stock and any other equity securities with the Securities and Exchange Commission and the New York Stock Exchange. Executive officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. To our knowledge, based solely upon a review of Section 16(a) reports furnished to us for fiscal year 2004 or written representations that no other reports were required, we believe that all filing requirements under Section 16(a) for fiscal year 2004 were complied with on a timely basis.

2004 ANNUAL REPORT TO STOCKHOLDERS

We have enclosed along with this Proxy Statement a copy of the Company's 2004 Annual Report to Stockholders that includes all financial statements and schedules. We will provide without charge additional copies of the 2004 Annual Report to each person solicited by this Proxy Statement upon request in writing to Brad D. Cohen, Director of Investor Relations, Capital Lease Funding, Inc., c/o Integrated Corporate Relations, 24 Post Road East, Westport, Connecticut 06880.

BENEFICIAL OWNERS

Institutions that hold shares in street name for two or more beneficial owners with the same address are permitted to deliver a single proxy statement and Annual Report to that address. Any such beneficial owner may request a separate copy of this proxy statement or the Annual Report by contacting our Corporate Secretary in writing at 110 Maiden Lane, New York, NY 10005 or by telephone at (212) 217-6300. Beneficial owners with the same address who receive more than one proxy statement and Annual Report may request delivery of a single proxy statement and Annual Report by contacting our Corporate Secretary as provided in the preceding sentence.

OTHER MATTERS

As of the date of this proxy statement, the Board does not intend to present any matter for action at the 2005 Annual Meeting of Stockholders other than as set forth in the Notice of Annual Meeting. If any other matters properly come before the meeting or any adjournment or postponement thereof, it is intended that the holders of the proxies will act in accordance with their best judgment.

STOCKHOLDER PROPOSALS FOR 2006 ANNUAL MEETING OF STOCKHOLDERS

To be eligible for inclusion in the proxy materials for the Company's 2006 Annual Meeting of Stockholders, stockholder proposals must be received at the Company's principal executive offices, Attention: Corporate Secretary, by December 28, 2005. We will consider written proposals received by that date for inclusion in our proxy statement in accordance with regulations governing the solicitation of proxies. A stockholder who wishes to present a proposal at the Company's 2006 Annual Meeting of Stockholders, but who does not request that the Company solicit proxies for the proposal, must submit the proposal to the Company's principal executive offices, Attention: Corporate Secretary, no earlier than December 28, 2005 and no later than January 27, 2006.

In addition to the timing requirements set forth above, our amended and restated Bylaws contain certain additional requirements that a stockholder must meet to nominate one or more persons for election as directors at an annual meeting or to make any other proposal to be acted upon at an annual meeting.

Article II, Section 12 of our amended and restated Bylaws allows any stockholder entitled to vote in the election of directors generally to nominate one or more persons for election as directors at an annual meeting only if written notice of such stockholder's intent to make such nomination or nominations has been delivered in writing to our Corporate Secretary not later than 90th day nor more than 120th day before the anniversary of the date of the first mailing of our proxy statement for the immediately preceding year's annual meeting, provided that in the event that the date of the mailing of the notice for the annual meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made by us.

Because this proxy statement was first mailed to our stockholders on April 27, 2005, our Corporate Secretary must receive written notice of a stockholder's intent to make such nomination or nominations at the 2006 annual meeting of stockholders not later than the close of business on January 27, 2006 and not earlier than the close of business on December 28, 2005.

Each such notice must set forth:

- as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and
- as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and of the beneficial owner, if any, on whose behalf the proposal is made.

The stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made must set forth:

- the name and address of such stockholder, as they appear on our books, and of such beneficial owner; and
- the number of shares of each class of our stock which are owned beneficially and of record by such stockholder and such beneficial owner.

If the Board has determined that directors will be elected at a special meeting of stockholders, any stockholder of the Company who is a stockholder of record both at the time of giving of notice of such meeting and at the time of the special meeting, and who is entitled to vote at the meeting and who complies with the notice procedures in the next sentence may nominate a person for election to the Company's Board. Such stockholder must deliver a notice containing the information described above to the Corporate Secretary not earlier than the close of business on the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting.

These requirements are separate from the requirements of the SEC that a stockholder must meet to have a proposal included in our proxy statement.

We will also furnish any stockholder a copy of our amended and restated Bylaws without charge upon written request to the Corporate Secretary. We have filed a copy of our amended and restated Bylaws as Exhibit 3.2 to our Annual Report on Form 10-K, for the fiscal year ended December 31, 2004.

By Order of the Board,

Paul C. Hughes
Corporate Secretary

April 27, 2005

No member of the Audit Committee may serve on the audit committees of more than three public companies. If an audit committee member simultaneously serves on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Corporation s Audit Committee and disclose such determination in the annual proxy statement.

The members of the Audit Committee shall be appointed by the Board, on the recommendation of the Nominating and Corporate Governance Committee, and may be removed by the Board. The members of the Audit Committee shall serve for one year or until their successors are duly elected and qualified. Unless a Chairman is elected by the full Board, the members of the Audit Committee shall designate a Chairman by majority vote of the full Audit Committee membership.

The duties and responsibilities of Audit Committee members contained herein shall be in addition to those duties otherwise required for members of the Board.

III. STATEMENT OF PURPOSE

The primary function of the Audit Committee shall be to assist the Board in discharging its oversight responsibilities relating to the accounting, reporting, and financial practices of the Corporation by monitoring (1) these practices, generally; (2) the integrity of the financial statements and other financial information provided by the Corporation to any governmental body or the public; (3) the Corporation s compliance with legal and regulatory requirements; (4) the independent auditor s qualifications and independence; (5) the performance of the Corporation s independent auditors and internal audit function; and (6) legal compliance and ethics matters.

The Audit Committee shall prepare the report of the Committee required by the rules of the Securities and Exchange Commission to be included in the Corporation s annual proxy statement.

IV. COMMITTEE OBJECTIVES

The Audit Committee's primary objectives include providing an independent, direct and open avenue of communication among the Corporation's independent accountants, management, internal auditing function, and the Board; serving as an independent and objective party to review the Corporation's financial reporting processes and internal control systems; overseeing with management the reliability and integrity of the Corporation's accounting policies and financial reporting and disclosure practices; reviewing and considering the work of the Corporation's independent accountants and internal auditing function; reviewing the adequacy of the internal audit function's staffing and the qualifications of its personnel; and reviewing whether available technology is being used to maximize the efficiency and effectiveness of the internal audit function.

A-1

V. COMMITTEE AUTHORITY AND RESPONSIBILITIES

The Audit Committee shall have the sole authority to appoint, retain, compensate, oversee, evaluate and terminate the independent auditor (subject, if applicable, to stockholder ratification) and shall approve all audit and permissible non-audit engagements, including fees and terms, with the independent auditor. The independent auditor shall be accountable to the Board through the Audit Committee. The Audit Committee shall consult with management but shall not delegate these responsibilities.

The Audit Committee may form subcommittees and delegate authority to subcommittees when appropriate, provided that any decisions of such subcommittee to preapprove auditing services and permitted non-audit services must be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain special legal, accounting or other consultants to advise the Committee. The Audit Committee shall have the authority to retain and compensate such advisors without seeking further approval and shall receive appropriate funding, as determined by the Audit Committee, from the Corporation to compensate such advisors. The Audit Committee shall have the authority to conduct or authorize investigations into any matters within its scope of responsibilities and shall have the authority to retain outside advisors to assist the Committee in the conduct of any investigation.

The Audit Committee shall make regular reports to the Board, and shall review with the Board any issues that arise with respect to the quality or integrity of the Corporation's financial statements, the Corporation's compliance with legal or regulatory requirements, the qualifications, performance and independence of the Corporation's independent auditors, or the performance of the internal audit function. The Audit Committee shall review and reassess the adequacy of this Charter, at least annually, and shall recommend any proposed changes to the Board for approval. The Audit Committee shall annually review its own performance.

The Audit Committee shall:

A-2

Oversight of the Company's Relationship with the Independent Auditor

8. Obtain and review a formal written report by the independent auditor, at least annually, which report shall include descriptions of: (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality control review, or peer review, or by any inquiry or investigation by governmental or professional authorities in the preceding five years respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with such issues; (d) all relationships between the independent auditor and the Corporation; and (e) any other relationships that may adversely affect the independence of the auditor. The Audit Committee should assess the independence of the independent auditor, including that of the independent auditor's lead partner, based on a review of the written report;
9. Evaluate the qualifications, experience, performance and independence of the senior members of the independent auditor team, including that of the independent auditor's lead and concurring partners, taking into consideration the opinions of management and the internal auditors; present its conclusions with respect to such evaluations to the full Board;
10. Without the prior approval of the Audit Committee, the Corporation will not hire any employees or former employees of the independent auditors;
11. Discuss with the independent auditor its ultimate accountability to the Board through the Audit Committee;
12. Establish policies and procedures for the engagement of the independent auditor to provide permissible non-audit services; consider whether the independent auditor's performance of permissible non-audit services is compatible with the auditor's independence;
13. Assure the regular rotation of the lead and concurring audit partners as required by law, and consider whether there should be regular rotation of the independent auditing firm itself, in order to assure continuing independence of the independent auditor;

Process Improvement

14. Establish regular and separate systems of reporting to the Audit Committee by the Corporation's management, the independent auditor and the internal auditors regarding any significant judgments made in management's preparation of the financial statements, and the view of each as to the appropriateness of such judgments;
- 15.

- Review and discuss with the independent auditor the audit planning and procedures, including the scope, fees, staffing and timing of the audit; review and discuss the results of the audit exam and management letters, and any reports of the independent auditor with respect to any interim period;
