Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 3, 2007, North American Galvanizing & Coatings, Inc., (the “Company”), entered into an employment agreement with Ronald J. Evans, President and CEO. This three year employment agreement, effective April 1, 2007, provides the CEO an annual base salary of \$325,000 during the term subject to possible increase by the Board. Under the agreement, the CEO remains eligible to participate in all Company benefit plans.

If the CEO’s employment is terminated for any reason other than a change in control or for cause or because of a permanent disability, then the employment agreement provides that CEO (or his estate) is entitled to a one-time termination payment equal to his then annual base salary.

In the event either the CEO or the Company elects to terminate the agreement upon the occurrence of a change in control, then the CEO will be entitled to receive a one-time payment equal to 2.99 times his annual base salary as of the date of termination. The CEO would have received a termination payment of \$971,750 in the event the employment agreement had been in effect as of December 31, 2006, and a change of control and termination had occurred at that time.

The CEO and the Chairman of the Board in consultation with the Compensation Committee negotiated the terms of the employment agreement, which were recommended by the Compensation Committee and approved by the Board. The Compensation Committee and the Board believe that the terms of the agreement are reasonable and that the agreement was needed in order to retain the services of the CEO.
