PROCEDURAL MATTERS

THIS PROXY STATEMENT IS FURNISHED TO THE SHAREHOLDERS OF LIFEWAY FOODS, INC., AN ILLINOIS CORPORATION (THE “COMPANY” or “LIFEWAY”), IN CONNECTION WITH THE SOLICITATION OF PROXIES BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY TO BE VOTED AT THE ANNUAL MEETING OF SHAREHOLDERS (THE “MEETING”) TO BE HELD AT 2:00 P.M., LOCAL TIME, ON JUNE 17, 2011, OR AT ANY ADJOURNMENT OR POSTPONEMENT THEREOF.

Shareholders of record of Common Stock of the Company at the close of business on April 25, 2011 (the “Record Date”), will be entitled to notice of and to vote at the Meeting. The Meeting will be held at the Holiday Inn North Shore, 5300 West Touhy Avenue, Skokie, Illinois 60077. Proxies received prior to the Meeting will be voted in accordance with the instructions contained in the proxy and, if no choice is specified, will be voted in favor of each nominee for Director named in this Proxy Statement and in favor of each other proposal set forth in this Proxy Statement. A shareholder who votes by proxy may revoke it at any time before it is voted by a written revocation delivered to any of the proxy holders named therein, by submitting another valid proxy bearing a later date or by attending the Meeting and voting in person. Beneficial owners wishing to vote at the Meeting who are not shareholders of record on the Company’s books (e.g., persons holding in street name) must bring to the Meeting a power of attorney or proxy in their favor signed by the holder of record in order to be able to vote.

SOLICITATION OF PROXIES

Our proxy materials are primarily available to shareholders on the Internet, as permitted by rules of the U.S. Securities and Exchange Commission (the “SEC”). A Notice of Internet Availability of Proxy Materials is first being mailed to shareholders beginning approximately May 5, 2011, and this Proxy Statement and the form of proxy, together with our Annual Report on Form 10-K, are first being made available to the shareholders beginning approximately May 5, 2011 at [www.proxyvote.com](http://www.proxyvote.com).

All of the costs and expenses in connection with the solicitation of proxies with respect to the matters described herein will be borne by the Company. In addition to solicitation of proxies by mail, the directors, officers and investor relations staff (who will receive no compensation in addition to their regular remuneration) of the Company named herein may solicit the return of proxies by telephone, telegram or personal interview. As of this date, the Company has retained Broadridge Financial Solutions, Inc. (“Broadridge”), an outside firm, to solicit proxies solely from individual shareholders of record and to print proxy notices and other related materials. The services provided by Broadridge to the Company are expected to cost approximately \$6,000. The Company has also retained Automatic Data Processing, Inc. (“ADP”), at an approximate cost of \$3,000, to contact banks, brokerage houses and other custodians, nominees and fiduciaries with requests to forward copies of the proxy materials to their respective principals and to request instructions for voting the proxies. The expenses of such banks, brokerage houses and other custodians, nominees and fiduciaries in connection therewith are covered by the estimated fee to be paid by the Company to ADP. Action may be taken on the business to be transacted at the Meeting on the date specified in the Notice of Meeting or on any date or dates to which such Meeting may be adjourned.

VOTING OF PROXIES

A form of proxy is provided for use at the Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time thereafter by writing to the Secretary of the Company prior to the Meeting, by execution and delivery of a subsequent proxy, or by attendance and voting in person at the Meeting, except as to any matter or

matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such proxy. Shares represented by a valid proxy which if received pursuant to this solicitation and not revoked before it is exercised, will be voted as provided on the proxy at the Meeting or at any adjournment or adjournments thereof.

---

## VOTING SECURITIES AND VOTE REQUIRED

Only holders of the 16,437,809 shares of Common Stock, no par value per share, of record outstanding at the close of business on April 25, 2011, will be entitled to vote at the Meeting. Each holder of Common Stock is entitled to one vote for each share held by such holder. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Under the rules of the SEC, boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish to withhold authority to vote for one or more nominees for Director or for Proposal 2. Votes withheld in connection with the election of one or more of the nominees for Director or Proposal 2 will be counted as votes cast against such individuals or Proposal 2 and will be counted toward the presence of a quorum for the transaction of business. If no direction is indicated, the proxy will be voted for the election of the nominees for Director and for Proposal 2. The form of proxy provides for withholding of votes with respect to the election of Directors and a shareholder present at the Meeting also may abstain with respect to such election.

## ANNUAL REPORT ON FORM 10-K

The Company's Annual Report on Form 10-K, for the fiscal year ended December 31, 2010 (the "Annual Report") has been posted along with this Proxy Statement. Shareholders are referred to the Annual Report for information concerning the Company's business and operations, but the Annual Report is not part of the proxy soliciting materials.

## PROPOSAL 1: ELECTION OF DIRECTORS

Six Directors are to be elected at the Meeting. The Company's Board has a maximum number of Directors equal to seven, however the Company has determined to intentionally keep one seat vacant at this time. Directors will be elected at the Meeting to serve until the next annual meeting of shareholders of the Company or until each of their successors shall be duly elected and qualified. As noted, unless otherwise indicated thereon, all proxies received will be voted in favor of the election of each of the six nominees of the Board named below as Directors of the Company. Should any of the nominees not remain a candidate for election at the date of the Meeting (which contingency is not now contemplated or foreseen by the Company), proxies solicited thereunder will be voted in favor of those nominees who do remain candidates and may be voted for substitute nominees elected by the Board. Each of the nominees (other than Eugene B. Katz) is currently serving as a Director of the Company. Julie Oberweis, who has served as a Director since 2006, has determined not to stand for re-election to the Board.

## REQUIRED VOTE

The six nominees receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as Directors. Votes withheld from any Director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no other legal effect under Illinois law.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO ELECT THE DIRECTORS NOMINATED HEREIN TO SERVE AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A SHAREHOLDER HAS INDICATED OTHERWISE ON THE PROXY.**

## SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's Officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, Directors, and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of copies of such reports received or representations from certain reporting persons, the Company believes that, during the year ended December 31, 2010, all Section 16(a) filing requirements applicable to its Officers, Directors and 10% shareholders were timely met.

## BOARD AND COMMITTEE MEETINGS

### Board Leadership.

Since 2004, the positions of Chairperson of the Board of the Company and Chief Executive of the Company have been held by different individuals. Currently, Ludmila Smolyansky serves as Chairperson of the Board of the Company and Julie Smolyansky as Chief Executive of the Company. These two individuals provide leadership to the Board of Directors by setting the agenda for Board meetings, preparing information and alternatives for presentation to the Board and leading discussions among, and facilitating decision making by, the Board of Directors.

The Board believes that this structure is appropriate because it results in a balanced leadership, combining a separate independent Chairperson together with a member of management involved in the day-to-day operation of the Company's business.

During 2010, the Company's Board of Directors held five regular meetings (the Company's annual meeting of shareholders and Directors and quarterly meetings). In 2010, four of six Directors attended the Company's annual meeting. Each director attended at least 75% of all meetings of our board of directors and committees on which he or she served that were held during 2010. Shareholders of the Company may send communications to the Board of Directors via the Company's Investor Relations department, which makes such communications available to the Directors as appropriate, to LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053, telephone (847) 967-1010, fax (847) 967-6558. The Investor Relations department can be reach via email at: info@lifeway.net.

### Board Committees.

Up until the expiration of Ms. Oberweis's term, the Company's Audit Committee (the "Audit Committee") consists of Mr. Sikar and Ms. Oberweis. If elected, Mr. Katz will be appointed to serve on the Audit Committee to replace Ms. Oberweis. The Company believes Mr. Katz to be an audit committee financial expert, and all of the Audit Committee members have an understanding of finance and accounting and are able to read and understand fundamental financial statements. Audit Committee members are appointed by the full Board.

The functions of the Audit Committee are to review the Company's internal controls, accounting policies and financial reporting practices; to review the financial statements, the arrangements for and scope of the independent audit, as well as the results of the audit engagement; to review the services and fees of the independent auditors, including pre-approval of non-audit services and the auditors' independence; and to recommend to the Board of Directors for its approval and for ratification by the shareholders the engagement of the independent auditors to serve the following year in examining the accounts of the Company. No member of the current Audit Committee is a "financial expert," as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated by the SEC. The Board examined the qualifications of its Audit Committee members and determined that the present members of the Audit Committee, based on their prior education and professional experience, were sufficiently capable of performing the duties of the Audit Committee in 2010 without being "financial experts" within such definition.

The Board of Directors does not have a standing nominating committee, compensation committee or any committees performing similar functions. As there are only six Directors currently serving on the Board, it is the view of the Board that all Directors should participate in the process for the nomination and review of potential Director candidates and for the review of the Company's executive pay practices. Accordingly, Julie Smolyansky, Ludmila Smolyansky, Renzo Bernardi, Pol Sikar, Gustavo Carlos Valle and Julie Oberweis all participate in the nominating process, in the review of executive employment contracts and in review of the Company's executive compensation practices, except with respect to their own executive compensation, if applicable. It is the view of the Board that the participation of all Directors in the duties of nominating and compensation committees ensures not only as comprehensive as possible a review of Director candidates and executive compensation, but also that the views of independent, employee, and shareholder Directors are considered.

The Board does not have any formal policy regarding the consideration of director candidates recommended by shareholders; any recommendation would be considered on an individual basis. The Board believes this is appropriate due to the lack of such recommendations made in the past, and its ability to consider the establishment of such a policy in the event of an increase of such recommendations. The Board welcomes properly submitted recommendations from shareholders and would evaluate shareholder nominees in the same manner that it evaluates a candidate recommended by other means. The deadline for submitting nominees to the Board is January 7, 2012. Shareholders may submit candidate recommendations by mail to LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053. With respect to the evaluation of director nominee candidates, the Board has no formal requirements or minimum standards for the individuals that it nominates. Rather, the Board considers each candidate on his or her own merits. However, in evaluating candidates, there are a number of factors that the Board generally views as relevant and is likely to consider, including the candidate's professional experience, his or her understanding of the business issues affecting the Company, his or her experience in facing issues generally of the level of sophistication that the Company faces, and his or her integrity and reputation. With respect to the identification of nominee candidates, the Board has not developed a formalized process. Instead, its members and the Company's senior management have recommended candidates whom they are aware of personally or by reputation.

The Company does not current have a formal process for shareholders to send communication to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a formal process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of shareholders of the Company and the infrequency of such communications in the past. While the Board will, from time to time, review the need for a formal policy, at the present time, shareholders who wish to contact the Board may do so by submitting any communication to the Company at LIFEWAY FOODS, INC., 6431 W. OAKTON, MORTON GROVE, IL 60053 with an instruction to forward the communication to a particular Director or the Board as a whole.

During 2010 through the date of this Proxy Statement, Ludmila Smolyansky, Julie Smolyansky and Edward Smolyansky collectively controlled more than 50% of the voting power of our Common Stock. See "Security Ownership of Certain Beneficial Owners and Management," below. Consequently, we are a "controlled company" under applicable Nasdaq rules. Under these rules, a "controlled company" may elect not to comply with certain Nasdaq corporate governance requirements, including requirements that: (i) a majority of the board of directors consist of independent directors; (ii) director nominees be selected or recommended for selection by a majority of the independent directors or by a nominating committee composed solely of independent directors; and (iii) compensation of officers be determined or recommended to the board of directors by a majority of its independent directors or by a compensation committee that is composed entirely of independent directors. We have elected to use each of these exemptions.

Oversight of Risk Management.

The Company's management is responsible for assessing and managing Lifeway's exposure to various risks. Responsibility for risk oversight by the Board of Directors lies with the entire Board. Therefore, the responsibility for the administration of this risk oversight lies primarily with the Board's leadership.

The Company's principal risks exist in the potential for rising milk prices, the Company's primary raw material, and from competitors producing dairy-based probiotic products. The Board addresses at least annually the principal current and future risk exposures of the Company. The Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputation risks.

## REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Company. Up until the expiration of the term of Ms. Oberweis, the Audit Committee consists of two directors, Mr. Sikar and Ms. Oberweis, both of whom are independent directors in accordance with the Securities and Exchange Act of 1934 (the “Exchange Act”) and the Nasdaq listing standards. In accordance with the Exchange Act and the Nasdaq listing standards, Mr. Sikar and Mr. Katz who, if elected, will be appointed to replace Ms. Oberweis as a member of the Audit Committee, will be the Company’s only independent directors. Mr. Sikar is the Chairperson of the Audit Committee. Each of the Audit Committee members has an understanding of finance and accounting and is able to read and understand fundamental financial statements. To the extent Company employees are aware of any financial irregularities, the Audit Committee has been designated to receive such information in a confidential manner.

The Audit Committee reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2010 with the Company’s management and the independent auditors, Plante & Moran, PLLC (“Plante”). Additionally, the Audit Committee discussed with Plante matters as required by the Statement of Auditing Standards No. 61, which included Plante’s judgments as to the quality not just the acceptability of the financial statements, changes in accounting policies and sensitive accounting estimates.

Plante provided the Audit Committee with written disclosures and a letter required by Independence Standards Board Standard No. 1 (“ISB Standard No. 1”). ISB Standard No. 1 requires Plante to (i) disclose in writing all relationships between Plante and related entities and the Company and its related entities, in Plante’s professional judgment, that may reasonably be thought to bear on independence; (ii) confirm that, in Plante’s professional opinion, they are independent of the Company within the meaning of the federal securities laws and (iii) discuss Plante’s independence with the Audit Committee. The Audit Committee discussed with Plante its independent status.

The Audit Committee amended and restated its written charter governing its actions effective December 17, 2003. The Audit Committee reviews and reassesses the charter annually. The Company is required to attach the charter as an appendix to the Company’s proxy statement every three years and has filed the charter with its proxy statement for the 2011 annual meeting.

Based on the Audit Committee’s review of the year-end audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K, as amended, for the fiscal year ended December 31, 2010.

The Audit Committee:  
Pol Sikar, Director  
Julie Oberweis, Director

## AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Lifeway Audit Committee, comprised of Mr. Pol Sikar and Ms. Julie Oberweis, pre-approved Plante & Moran, PLLC as the Company’s independent auditor for the year-ended December 31, 2011 and has adopted the following guidelines regarding the engagement of the Company’s independent auditor to perform services for the Company:

For audit services (including statutory audit engagements as required under local country laws), the independent auditor will provide the Committee with an engagement letter during the January-March quarter of each year outlining the scope of the audit services proposed to be performed during the fiscal year. If agreed to by the Committee, this engagement letter will be formally accepted by the Committee at its first or second quarter meeting.

The independent auditor will submit to the Committee for approval an audit services fee proposal after acceptance of the engagement letter.

---

For non-audit services, the Company's management will submit to the Committee for approval (during the second or third quarter of each fiscal year) the list of non-audit services that it recommends the Committee engage the independent auditor to provide for the fiscal year. Company management and the independent auditor will each confirm to the Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year will be provided. The Committee will approve both the list of permissible non-audit services and the budget for such services. The Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Committee delegates to either member thereof the authority to amend or modify the list of approved permissible non-audit services and fees. Either member will report action taken to the Committee at the next Committee meeting.

The independent auditor must ensure that all audit and non-audit services provided to the Company have been approved by the Committee. The Chief Financial Officer will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Committee.

The Audit Committee of the Board has designated Plante as independent auditors of the Company for the next fiscal year. The Audit Committee and the Company have been advised by Plante that neither it nor any member or associate of such firm has any relationship with the Company or with any of its affiliates other than as independent accountants and auditors.

## REQUIRED VOTE

An affirmative vote of the holders of a majority of the shares of Common Stock issued and outstanding is required for ratification of the appointment of Plante. Abstentions and broker non-votes are considered shares of stock present in person or represented by proxy at the Meeting and entitled to vote and are counted in determining the number of votes necessary for a majority. An abstention will therefore have the practical effect of voting against ratification of the appointment because it represents one fewer vote for ratification of the appointment. Officers are expected to understand and comply with both the letter and spirit of all applicable laws and governmental rules and regulations.

#### V. Reporting Violations

Officers are expected to report any violations of this Code of Ethics promptly to the Chairman of the Board of Directors.

#### VI. Consequences of Non-Compliance with this Code

Violations of this Code will be reported to the Audit Committee and the Board of Directors.
