Item 1.01 Entry Into a Material Definitive Agreement.

On October 26, 2015, Perseon Corporation, a Delaware corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Galil Medical, Inc., a Delaware corporation (“Galil”), and Galil Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Galil (“Merger Sub”), pursuant to which Merger Sub will, on the terms and subject to the conditions set forth therein, conduct a tender offer for (i) all of the Company’s outstanding common stock (the “Common Stock”) and (ii) all of the Company's outstanding warrants to purchase common stock traded on The Nasdaq Capital Market (the “Public Warrants” and, together with the Common Stock, the “Securities”) and then merge with and into the Company.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions set forth therein, Merger Sub will commence a tender offer (the “Offer”) no later than November 5, 2015 to acquire (i) all outstanding shares of Common Stock at a purchase price of \$1.00 per share (the “Shares Offer Price”) and (ii) all outstanding Public Warrants at a purchase price of \$0.02 per Public Warrant (the “Public Warrants Offer Price”), with each payment in cash without interest, subject to any deduction or withholding of taxes required by applicable law. The Merger Agreement further provides that upon the terms and subject to the conditions set forth therein, following completion of the Offer, Merger Sub will merge with and into the Company, with the Company continuing as the surviving corporation and as a wholly owned subsidiary of Galil (the “Merger”). The Merger will be governed by Section 251(h) of the General Corporation Law of the State of Delaware (the “DGCL”), with no vote of the Company’s stockholders required to consummate the Merger. In the Merger, each (i) outstanding share of Common Stock (other than shares of Common Stock held by the Company, Galil, Merger Sub or any of their respective subsidiaries or held by stockholders who are entitled to demand, and who properly demand, appraisal rights under Delaware law) and (ii) Public Warrant (other than Public Warrants held by the Company, Galil, Merger Sub or any of their respective subsidiaries) will be converted into the right to receive cash in an amount equal to the Shares Offer Price and Public Warrants Offer Price, respectively, without interest.

The Offer is subject to certain conditions, including, among other things, (i) that the number of shares of Common Stock validly tendered in accordance with the terms of the Offer and not validly withdrawn shall equal at least a majority of the shares of Common Stock outstanding on a fully diluted basis as of the time the Offer is accepted, (ii) that the number of Public Warrants validly tendered in accordance with the terms of the Offer and not validly withdrawn shall equal at least 65% of the Public Warrants outstanding as of the time the Offer is accepted, (iii) that (a) Galil has received the proceeds from the financing necessary to consummate the Offer or (b) Galil’s lenders and/or investors have definitively and irrevocably confirmed in writing to Galil and Merger Sub that the financing proceeds will be available at the consummation of the Offer, (iv) that any applicable waiting period under any foreign antitrust filings shall have expired or otherwise been terminated, (v) that prior to the expiration of the Offer there have been agreements entered into with the holders of warrants to purchase Common Stock other than the Public Warrants, (vi) that the Company has received written letters of resignation from each of the current directors of the Company other than three independent directors, and (vii) that no governmental authority shall have enacted any law or order which, among other things, makes the Offer or the Merger illegal or otherwise prohibits the consummation of the Offer or the Merger. The Offer also is subject to other customary conditions for a transaction of this nature.

The Merger is subject to the following closing conditions: (i) any applicable waiting period under any required foreign antitrust filings shall have expired or otherwise been terminated, (ii) there being in effect, or pending, no law, order or other legal restraint which makes the Merger illegal or otherwise prohibits the consummation of the Merger, and (iii) Merger Sub shall have accepted for payment all Securities validly tendered and not withdrawn in the Offer.

The Company's Board of Directors has unanimously (i) determined that the Merger Agreement and the transactions contemplated thereby, including the Offer and the Merger, are advisable and fair to, and in the best interests of, the Company and the Company's stockholders, (ii) authorized, adopted and approved the execution, delivery and performance of the Merger Agreement and the transactions contemplated thereby, including the Merger, (iii) approved and declared advisable the Merger Agreement and the transactions contemplated thereby, including the Merger, (iv) resolved to recommend that the Company's stockholders tender their shares of Common Stock into the Offer, and (v) resolved that the Merger Agreement and the Merger shall be governed by and effected under Section 251(h) of the DGCL and that the Merger shall be consummated as soon as practicable following acceptance of the Offer.

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this type, including, among other things, a covenant of the Company not to solicit alternative transactions or to provide information or enter into discussions in connection with alternative transactions, subject to certain exceptions to allow the Company's Board of Directors to exercise its fiduciary duties.

The Merger Agreement may be terminated under certain circumstances, including in specified circumstances in connection with superior proposals. Upon the termination of the Merger Agreement by Galil, Merger Sub or the Company in the event the Company has accepted a superior proposal, the Company will be required to (i) pay a termination fee of \$424,000 and (ii) reimburse up to \$250,000 of Galil's out-of-pocket expenses. Upon the termination of the Merger Agreement by Galil or Merger Sub in the event the Company has breached or failed to perform any of its representations, warranties, covenants or agreements set forth in the Merger Agreement, the Company will be required to reimburse up to \$250,000 of Galil's out-of-pocket expenses and may be subject to additional liability. Upon the termination of the Merger Agreement by the Company in the event Galil or Merger Sub has materially breached their requirement to obtain financing commitments pursuant to the terms of the Merger Agreement, from Galil's ultimate parent, Galil will be required to pay the Company a termination fee of \$250,000. Upon the termination of the Merger Agreement by the Company in the event Galil or Merger Sub have breached or failed to perform any of their representations, warranties, covenants or agreements set forth in the Merger Agreement, Galil will be required to reimburse up to \$250,000 of the Company's out-of-pocket expenses.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is attached as Exhibit 2.1 to this report and is incorporated herein by reference.
