Notes:

(1) The consolidated financial statements of Patni Computer Systems Limited and its subsidiaries are prepared in accordance with the principles and procedures prescribed by AS 21 - Consolidated Financial Statements issued by the Institute of Chartered Accountants of India for the purpose of preparation and presentation of consolidated financial statements. The financial statements of Patni Computer Systems Limited and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealized profits in full. Unrealized losses resulting from intra-group transactions have also been eliminated unless cost cannot be recovered in full. The amounts shown in respect of accumulated reserves comprises the amount of the relevant reserves as per the balance sheet of the Parent Company and its share in the post acquisition increase/decrease in the relevant reserves/accumulated deficit of its subsidiaries. Consolidated financials statements are prepared using uniform

accounting policies across the Group.

(2) The subsidiaries considered in the consolidated financial statements as at 31 March 2007 are wholly owned subsidiaries, namely Patni Computer Systems Inc. USA, Patni Computer Systems (UK) Ltd., Patni Computer Systems GmbH, Patni Telecom Solutions Inc., Patni Telecom Solutions Private Limited and Patni Telecom Solutions (UK) Limited.

(3) Paid up equity share capital does not include Rs 8,781 (2006 : Rs 2,688) which represents share application money received from employees, on exercise of stock options, pending allotment of shares.

(4) During 2006, the Company received a demand from the Income tax department for Rs. 630,166 (Including interest demand of Rs. 186,850) for the Assessment Year 2004-05. The tax demand is mainly on account of disallowance of deduction claimed by the Company under Section 10A of the Income Tax Act 1961, in respect of profits earned by its various eligible undertakings. The Company has filed an appeal challenging the disallowance within the time available under the Income Tax Act. Considering the facts and nature of disallowance and based on the advice obtained from the Company's legal counsel, management believes that the disallowance is not tenable, is confident of a favourable outcome in appeal proceedings and hence no provision for such income tax demand is considered necessary.

(5) The Company adopted Accounting standard 15 (revised 2005) Employee benefits (AS 15) from 1 January 2007. The excess transition liability as per revised AS 15 for compensated absences was Rs 18,661 (net of tax) and excess liability provided in the books of account as compared to liability as determined under revised AS 15 with respect of defined benefit plans was Rs 26,646 (net of tax) as on 1 January 2007. The net excess liability provided of Rs 7,985 (net of tax) has been adjusted through the balance in the Profit and Loss account as on 1 January 2007.

The Group evaluates segment performance and allocates resources based on revenue growth. Revenue in relation to segments is categorized based on items that are individually identifiable to that segment. Costs are not specifically allocable to individual segments as the underlying resources and services are used interchangeably. Fixed assets used in Group's business or liabilities contracted have not been identified to any of the reportable segments, as the fixed assets and services are used interchangeably between segments.

Until 31 December 2006, the Company reported Product Engineering Services (PES) and Independent Software Vendors (ISV) as separate business segments. The PES business is primarily related to embedded technology services for products and the ISV unit provided the user interface for these products. Both these segments form part of technology services. The integration of these business segments would facilitate

improved client service. Accordingly, effective 1 January 2007, the Company has integrated these two business segments with the primary focus on the following synergies (i) demand for providing end-to-end solutions from product engineering clients, and (ii) leveraging the domain skills & platform skills to provide end -to- end solutions. Segment data for previous period has been reclassified to conform to current period presentation

(7) Previous period figures have been appropriately reclassified /regrouped to conform to the current period s presentations.

Management comments

Commenting on the Q1 2007 performance, **Mr. Narendra K Patni, Chairman and CEO, Patni Computer Systems Ltd.**, said, *The quarter under review was one of stable growth and profitability enhancement. With Phase one of our state of the art knowledge park now operational our thrust is to drive aggressive profitable growth and escalate our business across newer verticals and service lines.*

We remain committed to create ongoing growth across the organization and are confident about our business momentum in a healthy demand environment.

Commenting on the performance, **Mr. Mrinal Sattawala, Chief Operating Officer, Patni**, said, *Our client and service offering profiles continue to strengthen. During the quarter we have added 26 new clients and reduced dependence on Top 5 and Top 10 clients. Higher Value service offerings like Embedded Technology Services and Enterprise Systems Management now form a larger proportion of our revenues. We continue to invest in global sales and marketing and expand geographically in Europe in line with our strategic objectives.*

Speaking on the occasion, **Mr. Surjeet Singh, Chief Financial Officer, Patni**, added, *Continued improvement and sustained thrust on optimizing operating costs have enabled profit improvements over the last few quarters. Investments for growth have continued. Efficient hedging of our foreign currency positions covered the forex risk and improved performance. We are looking to expand our revenue base effectively in existing and new clients with our mix of service offerings. Geographical Expansion coupled with inorganic growth are part of key strategic elements of our plan to drive profitable growth.*
