Item 5.02 (e) Compensatory Arrangements of Certain Officers.

On December 17, 2008, the Executive and Directors Resource Committee (Committee) of the Board of Directors of Central Valley Community Bancorp recommended to the Board of Directors (Board) and the Board approved the granting of 10,000 options to Bryan Hyzdu, Senior Vice President San Joaquin Region. The options vest 20% per year over a five year period and have a term of 10 years. The options were granted with an exercise price equal to the fair market value on the grant date of \$6.70 per share. Mr. Hyzdu will enter into an incentive stock option agreement under the Company s 2005 Omnibus Incentive Plan filed as Exhibit 99.1 to this Form 8-K.

The Board also approved the cancellation of certain options granted on May 1, 2006, April 23, 2007 and October 1, 2007. They granted new options to the directors, senior managers and other employees. The Board considered the general decline in stocks of financial institutions as a whole in reaching their decision. The cancellation of previously issued options reflects the Board s desires to ensure that options continue to provide proper incentive to key personnel.

The grant date of the new options was December 17, 2008 and the options were granted with an exercise price equal to the fair market value on the grant date of \$6.70 per share and will vest 20% per year over a five-year period. The table below provides further detail on the first vesting date and expiration dates. Each recipient of an option grant will enter into a nonstatutory option agreement or incentive stock option agreement, as the case may be, in the form of stock option agreements filed as exhibits to Form 8-K filed October 17, 2007.
