**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

On April 3, 2009, KEMET Corporation (the Company) entered into an agreement to extend and restructure its EUR 35.0 million short-term credit facility with UniCredit Corporate Banking S.p.A., formerly UniCredit Banca d Impresa S.p.A. (UniCredit), a financial institution headquartered in Italy and part of the Milan-based UniCredit Group.

Under the terms of the extended and restructured credit facility (the Extended Credit Facility), the EUR 35.0 million principal amount originally scheduled to mature on April 9, 2009 has been extended for a two year and three month period and will now mature on July 1, 2011. The Company will repay the principal amount in three installments of EUR 2.0 million each on January 1, 2010, July 1, 2010, and January 1, 2011, and a fourth and final principal payment in the amount of EUR 29.0 million on July 1, 2011. During the term of the Extended Credit Facility, the outstanding principal balance will bear interest at a rate of six-month EURIBOR plus 2.5 percent and will remain unsecured.

The Extended Credit Facility will become effective on the original maturity date of April 9, 2009, and is subject to certain customer notification requirements that are detailed in the September 29, 2008 EUR 60.0 million credit facility agreement between the Company and UniCredit (the September 29, 2008 Facility), as well as UniCredit's receipt of a U.S. legal opinion customary for such transactions. The Extended Credit Facility also contains a cross-default provision with respect to the September 29, 2008 Facility.

On April 3, 2009, the Company also executed an addendum to the September 29, 2008 Facility with UniCredit (the Addendum). Under the Addendum, the Company is required to provide to UniCredit, by April 9, 2009, evidence that certain notices were provided to European customers whose accounts receivable were pledged as collateral to UniCredit (the Collateral Notifications). The Company is also required to provide to UniCredit, on a monthly basis commencing April 9, 2009, evidence that the Company has provided the Collateral Notifications to certain European customers, with reference to accounts receivable arising under new sales agreements, as well as copies of customer invoices referencing the Collateral Notifications. Failure to satisfy these notice requirements shall constitute an event of default under the September 29, 2008 Facility.

On April 9, 2009, the Company received written confirmation from UniCredit that all conditions precedent to the Extended Credit Facility had been satisfied.

A copy of the press release announcing the Extended Credit Facility is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
