The Revolving Credit Agreement contains certain covenants, including those relating to the Company's financial condition and limitations on the ability of the Company to pay dividends. The primary financial condition covenant pertains to the Company maintaining a minimum net profit before taxes plus or minus non-cash equity in income of the Digital Link II LLC joint venture, plus any non-cash charges related to the legacy film projector business, of \$1, measured quarterly, on a rolling 4-quarter basis. Other covenants pertain to items such as limits on incurring additional debt or lease obligations, limits on issuing guarantees and certain limits on loans, advances and investments with third parties. Upon the occurrence of any event of default specified in the Revolving Credit Agreement, including a change in control of the Company (as defined in the Revolving Credit Agreement), all amounts due there under may be declared to be immediately due and payable. No amounts are currently outstanding on the Revolving Credit Agreement.

This summary is qualified entirely by reference to the Revolving Credit Agreement, which is included with this Report as Exhibits 4.1 and 4.2.
