Item 8.01 Other Events.

As we have previously reported, on November 8, 2010, Arizona Public Service Company (APS) and Southern California Edison (SCE) entered into an asset purchase agreement (the Asset Purchase Agreement), providing for the purchase by APS of SCE 's 48% interest in each of Units 4 and 5 of the Four Corners Power Plant near Farmington, New Mexico (Four Corners).

Under the Asset Purchase Agreement, completion of the purchase by APS of SCE 's interest in Four Corners is subject to closing conditions. The principal remaining condition to closing is the negotiation and execution of a new coal supply contract for Four Corners on terms reasonably acceptable to APS.

On December 19, 2012, BHP Billiton New Mexico Coal, Inc. (BHP Billiton), the parent company of BHP Navajo Coal Company (BNCC), the coal supplier and operator of the mine that serves Four Corners, announced that it has entered into a Memorandum of Understanding with the Navajo Nation setting out the key terms under which full ownership of BNCC would be sold to the Navajo Nation. BHP Billiton would be retained by BNCC under contract as the mine manager and operator until July 2016. Key terms of the new coal supply contract are being finalized by the Navajo Nation and APS and the other Four Corners co-owners.

As a result of this proposed change in ownership of BNCC, APS now expects that a new coal supply contract would be executed upon completion of negotiations and following the endorsement of the transfer of ownership of the stock of BNCC to a new Navajo Nation commercial enterprise to be established by the Navajo Nation Tribal Council. The decision of the Tribal Council is currently expected to occur in the second quarter of 2013.

Pursuant to the Asset Purchase Agreement, either APS or SCE has a right to terminate the Agreement if satisfaction of the closing conditions has not occurred by December 31, 2012, unless the party seeking to terminate is then in breach of the Agreement. APS currently intends to continue to work towards consummating its acquisition of SCE 's interest in Four Corners. APS cannot predict whether the mutual right to terminate the Agreement will be exercised by a party to the Asset Purchase Agreement in the future, whether BHP Billiton and the Navajo Nation will consummate the transfer of ownership of BNCC, or whether the coal supply contract will be finalized and executed, such that closing can occur.
