Item 8.01. Other Events.

During the nine months ended September 30, 2013, W. P. Carey Inc. (**W. P. Carey** or the **Company**) sold seven properties and reclassified two properties as held-for-sale. In accordance with current authoritative accounting guidance for the disposal of long-lived assets, the Company reported revenue and expenses from the operations of these properties as discontinued operations for each period presented in its quarterly report for the quarter ended September 30, 2013 (including the comparable periods of the prior year) (the **Discontinued Operations**). As required by accounting principles generally accepted in the United States of America, the Company must also retrospectively adjust its previously issued annual financial statements for each of the three years shown in the registrant's 2012 Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission (the **SEC**) on February 26, 2013 (the **2012 Annual Report**), to reflect the Discontinued Operations if those previously issued financial statements are included in or incorporated by reference in any subsequent filings made by the registrant with the SEC made under the Securities Act of 1933, as amended. Therefore, the Company is retrospectively adjusting its historical financial statements covered by the 2012 Annual Report to reflect the Discontinued Operations in compliance with current authoritative accounting guidance. The retrospective adjustment has no effect on the Company's previously reported net income, financial condition, or cash flows for the periods covered by the 2012 Annual Report.

This Current Report on Form 8-K updates Items 6, 7 and 8 of the 2012 Annual Report to reflect the retrospective reclassification of the operations of certain properties during the nine months ended September 30, 2013 as Discontinued Operations. All other Items of the 2012 Annual Report remain unchanged. The updated sections of the 2012 Annual Report are attached hereto as exhibits 99.1, 99.2 and 99.3. No attempt has been made to include any adjustments or update matters in the 2012 Annual Report except to the extent expressly provided above.
