Item 1.01. Entry into a Material Definitive Agreement.

On May 21, 2014, Sanchez Energy Corporation (the *Company*), executed a definitive agreement to purchase assets in Dimmit, LaSalle and Webb Counties in Texas from SWEPI LP and Shell Gulf of Mexico Inc. for approximately \$639 million in cash, subject to customary adjustments (the *Acquisition*). The Company paid to the sellers approximately \$51 million as a performance deposit in connection with the transaction. The proposed Acquisition includes estimated proved reserves, as of January 1, 2014 (the *Effective Date*), of 60 mmbbl consisting of 57% liquids and 43% natural gas. Proved developed reserves are estimated to account for approximately 60% of the total proved reserves. As of the Effective Date, the properties to be acquired consisted of approximately 106,000 contiguous net acres with 176 gross wells which produced an average of approximately 24,000 boe/d during the first quarter of 2014. The Acquisition is expected to close at the end of the second quarter of 2014, subject to customary closing conditions. The purchase and sale agreement contains representations and warranties, covenants, indemnification provisions and closing adjustments that are typical for this type of transaction.

Such representations, warranties, covenants, indemnifications and other provisions were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among them. Accordingly, the purchase and sale agreement should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

This summary of the purchase and sale agreement does not purport to be complete, and is qualified in its entirety by reference to the purchase and sale agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference.
