The Bolt - November 2014

Message from Rich Kinder

It seems like I say this every November, but it's hard to believe that another year is almost behind us. All of the Kinder Morgan companies reported good earnings in the third quarter and we remain on track to meet or exceed our 2014 annual budget targets at each entity. Operationally we continued to perform well, with EHS execution better than the industry averages in 34 of 36 measures.

In lieu of our pending merger transactions, which are expected to make us one publicly traded company in late November, let's focus on Kinder Morgan, Inc., which already consolidates the financials of all of the Kinder Morgan companies. KMI had a good third quarter, reflecting continued strong performance at Kinder Morgan Energy Partners and at El Paso Pipeline Partners. We anticipate KMI will slightly exceed its published annual budget of \$1.78 billion in cash available to pay dividends for 2014. We believe the future is very bright, as we have increased our project backlog of expansion and joint venture investments at KMI to \$17.9 billion from \$17 billion since the second quarter earnings release in July. This takes into account \$1.1 billion in projects that were placed into service in the third quarter and thus removed from the backlog. Projects in the backlog have a high certainty of completion and will drive future growth at the company across all of our business segments.

As you know, we announced in August that KMI will acquire all of the publicly held shares/units of KMP, KMR and EPB. We believe merging the companies benefits our employees, shareholders and unitholders, simplifies the Kinder Morgan story by transitioning to one security and paves the way for superior growth at KMI for years to come. KMI projects a dividend of \$2.00 per share for 2015, a 16 percent increase over the budgeted 2014 KMI dividend target of \$1.72 per share, and the company expects to grow the dividend by 10 percent each year from 2015 through 2020 while producing excess dividend coverage of over \$2 billion.

Nov. 20, 2014, is set as the special meeting date for shareholders and unitholders of KMI, KMP, KMR and EPB to vote on the transactions by which all of the Kinder Morgan assets will be consolidated under one public company. **Your vote is crucial your failure to vote will have the same effect as a vote against the transaction.** For unitholders and shareholders of record at the close of business on Oct. 20, we encourage you to vote your units and/or shares as soon as you have reviewed the applicable proxy statement or proxy statement/prospectus. We anticipate the transaction will close by Thanksgiving. You can find more information related to the transaction (including video and audio discussions of the transaction by me) on KMONLINE and www.kindermorgan.com.

I also would like to congratulate our Chief Financial Officer Kim Dang for being named to the Office of the Chairman. Her considerable talent and experience bode well for continuing our success at Kinder Morgan. Kim joins President and Chief Operating Officer Steve Kean and me as members of the Office of the Chairman.

As always, thanks for all that you do to make Kinder Morgan a great company. Have a great and safe Thanksgiving, and don't forget to vote on the merger transactions!
