Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 20, 2014, the Board of Directors (the “Board”) of IPG Photonics Corporation (the “Company”) approved amendments (the “Amendments”) to the IPG Photonics Corporation Non-Employee Directors Stock Plan, IPG Photonics Corporation 2006 Incentive Compensation Plan and the IPG Photonics Corporation 2000 Incentive Compensation Plan (the “Plans”). The Amendments, which are effective retroactive to July 1, 2014, each (i) prohibit certain award repricing and substitution practices and (ii) limit the Company’s ability to recycle shares into the pools of available shares under the Plans.

Regarding award repricing and substitution practices, the Amendments clarify that the Board cannot reduce the exercise price of any outstanding stock option, stock award, stock unit or stock appreciation right (“SAR”) awards (“Awards”) or exchange or replace any such Award with a similar Award with a lower exercise price. In addition, the Board cannot cancel an Award in exchange for cash or other Awards.

Regarding share recycling practices, the Amendments clarify that shares will not again become available for issuance under the Plans if such shares are (i) tendered to the Company to pay the exercise price on stock options or (ii) withheld by the Company (a) pursuant to the “net exercise” of an Award or (b) to pay taxes on Awards. In addition, the full amount of SAR awards will be counted against the number of shares reserved for issuance under the Plans, regardless of the number of shares that are ultimately issued to the participant upon exercise.

The foregoing summary of the Amendments does not purport to be complete and is qualified in its entirety reference to the complete copies of the Amendments, which are attached hereto as Exhibits 10.1, 10.2 and 10.3 to this Current Report and are incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 20, 2014, the Board of the Company approved and adopted amendments to the Company's Amended and Restated Bylaws (the "Bylaws"). The amendments, among other things, articulate the Board's authority to postpone, reschedule or cancel a meeting of stockholders that had previously been scheduled by the Board; clarify that the person presiding over a meeting of stockholders has authority to recess the meeting; provide for certain informational requirements regarding stockholders seeking to nominate persons for election to the Board or propose other business at a meeting of stockholders under the advance notice provision; clarify that compliance with the advance notice provision is the exclusive means for stockholders to make nominations or submit other business at a meeting of stockholders (other than business properly brought under Rule 14a-8 of the Securities Exchange Act of 1934, as amended); provide that directors shall be given at least twenty-four hours' notice of special meetings of the Board; provide that, unless the Company consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for certain legal actions. The amendments to the Bylaws include other changes intended to clarify and conform various provisions of the Bylaws to the General Corporation Law of the State of Delaware and to other provisions of the Bylaws. The foregoing summary of the amendments does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Bylaws, which is attached hereto as Exhibit 3.2 to this Current Report on Form 8-K and is incorporated herein by reference.
