proxy material to beneficial owners of stock and will be reimbursed for reasonable expenses. We anticipate mailing this proxy statement and accompanying proxy to shareholders on or about March 15, 2007.

We will vote all proxies in the accompanying form, which are properly executed and returned to management, in accordance with your directions. You may revoke any proxy you delivered to us at any time before it is exercised if you provide written notice to Judy Long, Secretary of the Company. If you are present at the meeting and wish to vote in person, you may advise the Chairman of your intention to vote in person. In this case, we will suspend powers of proxy holders with respect to your proxy.

If you return your proxy but do not specify how you wish your shares to be voted, we will vote the shares represented by your executed proxy "for" the nominees for election as directors and "for" the ratification of Alexander Thompson Arnold PLLC to serve as the Company's auditors for the year ending December 31, 2007. If any other business is properly presented at the meeting, we will vote your proxy in accordance with recommendations of our board of directors.

### Voting Securities

At the close of business February 14, 2007, we had 3,717,593 shares of common stock outstanding and entitled to vote. You are entitled to one vote, in person or by proxy, for each share of common stock you owned as of February 14, 2007, our record date.

In connection with the election of directors, you may cumulate your shares if you are present at the meeting and give notice at the meeting prior to the voting for election of directors, of your intention to vote cumulatively. If you give this notice, then all shareholders eligible to vote will be entitled to cumulate their shares in voting for the election of directors. Cumulative voting allows you to cast a number of votes equal to the number of shares held in your name as of the record date, multiplied by the number of directors to be elected. You may cast votes for any one nominee, or you may distribute your votes among as many nominees as you wish. If cumulative voting is declared at the meeting, we will cumulate votes represented by proxies delivered pursuant to this proxy statement at the discretion of the proxy holder, in accordance with management's recommendation.

If cumulative voting is not declared at the meeting, director nominees will be elected by a plurality of the votes cast in person or by proxy at the meeting.

The ratification of Alexander Thompson Arnold PLLC to serve as the company's auditors for the year ending December 31, 2007 will require the affirmative vote of a majority of the shares of common stock present or represented by proxy at the meeting.

The approval of all other matters submitted to the shareholders will require the affirmative vote of a majority of the shares of common stock present or represented by proxy at the meeting.

**Corporate Governance**

**Director Independence**

## Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

A majority of the company's directors are independent as defined below. Katie S. Winchester, Stallings Lipford, Jeffrey D. Agee and Christian E. Heckler are not considered independent directors, as all are executive officers. Also not considered independent are Barry Ladd who retired as Executive Vice President and Chief Administrative Officer as of December 31, 2006 and Ralph E. Henson who became a part time employee as of December 31, 2006. Mr. Henson previously served as chief credit officer of First Citizens National Bank. The Corporate Governance Committee annually reviews relationships that exist between the company and a director and his or her related interests for the purpose of determining whether the director is independent. The board conducts this review on directors serving as members of the Corporate Governance Committee. A director is presumed to be independent unless the director (or their immediate family members)

- i. is/was a current/former employee/executive of the company during the last 3 years;
- ii. is/was a current/former employee/partner of the company's current or former independent auditors during the last 3 years;
- iii. is an owner, partner, employee, director of an entity with material relationships (makes payments to, or receives payments from the company which exceed the greater of \$1 million, or 2% of the entity's gross revenues) with the company, either as a vendor or customer, except in situations where revenues are generated as a result of a competitive bid process in which the board determines the business relationship is in the best interest of the company; and
- iv. receives more than \$100,000 per year in direct compensation from the company other than director and related fees.

### Board and Committee Meetings

Our board of directors met 8 times in 2006, while the board of First Citizens National Bank held 12 meetings. Each director serving on the board of the company also serves as a director on the board of First Citizens National Bank, a wholly owned subsidiary. All directors attended a minimum of 75% of all meetings of the board and committees on which they served during the fiscal year.

The company has no specific committees. However, First Citizens National Bank has an Audit Committee and a Corporate Governance/Nominating/Compensation Committee. On April 19, 2006, the board appointed members of the Audit Committee and the Corporate Governance/Nominating/ Compensation Committee to serve for one year.

All members of the Audit Committee and the Corporate Governance/ Nominating/Compensation Committee are "independent" as defined in our Corporate Governance Guidelines and as described above in the section entitled "Director Independence." The Audit Committee charter requires members of the committee to be financially literate. No member of the committee would be considered a "financial expert" as defined by Securities and Exchange Commission guidelines.

The Audit Committee held 7 meetings in 2006. The committee's meetings included, whenever appropriate, sessions with independent auditors and the company's senior internal auditor, in each case without the presence of management.

Directors serving as members of the Corporate Governance Committee also serve as the Nominating and Compensation Committees. The Corporate Governance/Nominating/ Compensation Committee met 7 times during 2006.

The Audit Committee charter, the Corporate Governance/Nominating/Compensation Committee charter and the definition of "independence" can be found in the "Investor Relations" section of our website at [www.firstcitizens-bank.com](http://www.firstcitizens-bank.com).

Although we have no specific policy with regard to attendance by directors of the annual meeting, all directors attended the annual meeting in 2006.

### Nominations to the Board of Directors

The Corporate Governance/Nominating/Compensation Committee assists the board in identifying individuals qualified to become directors and recommending to the board nominees to be voted upon at the next annual meeting of shareholders.

The committee has responsibility for the selection and composition of the board. In fulfilling that commitment, the committee seeks members from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. The process for nominees to be proposed for election to the board other than those made by the existing board is discussed in detail in the section entitled "Proposals by Shareholders/Director Selection."

## Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

Our compensation programs are designed to align compensation with business objectives and performance, and to enable us to attract, retain and reward executive officers who contribute to success of the company. In order to link pay to performance, we provide an executive compensation program that includes base pay, annual incentive bonuses and retirement benefits through contributions to an Employee Stock Ownership and 401-K plans. In addition, all executive officers are provided permanent life insurance.

### *Base Salary*

Subject to approval of the Compensation Committee, executive officer base salaries are set annually contingent upon job-related experience, individual performance and pay levels of similar positions at peer institutions. We compare peer salary levels for specific positions as published in annual salary surveys conducted by the American Bankers Association, Tennessee Bankers Association and Bank Administrative Institute of banks of similar asset size. We initially determine base salaries for new executive officers by evaluating responsibilities of the position, considering the experience of the individual and referring to the competitive marketplace for experienced executive talent in the financial services industry.

### *Incentive Compensation Plan*

The Chief Executive Officer, Chief Financial Officer and other executive officers are eligible for cash bonuses. The incentive plan provides bonus cash compensation based on pre-determined corporate, business unit and individual performance goals. The level of incentive compensation for executive officers is based on return on equity with a minimum qualifying pre-bonus return on equity of 13.34%. Once an incentive level is determined, 25% of each individual's total incentive pay is based on the individual meeting specific personal business development goals.

### *Retirement Contributions*

Percentage contributions to an Employee Stock Ownership and 401-K plan are determined by the executive officer's base salary plus incentive compensation.

### *Executive Management Life Insurance Plans*

Executive Management Life Insurance Plans provided for in executive employment agreements in April 1993 were replaced in 2004 by a Death Benefit Only Salary Continuation plan. The Sarbanes-Oxley Act and new rulings by the Internal Revenue Service eliminated benefits of split dollar policies by creating significant income tax liability for insured officers. This benefit is available to the following executive officers: Chairman/Chief Executive Officer Katie Winchester, President Jeffrey D. Agee, Chief Operations Officer Judy Long, Chief Administrative Officer Barry Ladd, and Chief Credit Officer Ralph Henson.

The board approved continuing coverage for affected officers at comparable after tax levels that existed under the previous split dollar plan. The revised benefit provides coverage under a Death Benefit Only Salary Continuation Plan supported by bank owned life insurance policies. The bank will be required to pay premiums for an extended period of time while retaining the right to collect a portion of death proceeds as partial reimbursement for past and future premiums paid. The remaining portion of premiums paid would be recovered through tax savings realized when tax-free life insurance proceeds are utilized to fund a tax-deductible expense as salary continuation benefits are paid to beneficiaries. Annual premiums necessary to fund the Salary Continuation Plan total \$140,500.

### *Executive Employment Contracts*

Executive employment agreements are currently in effect for Stallings Lipford, Katie S. Winchester, and Jeffrey D. Agee. Each agreement includes severance provisions in the event the executive officer is terminated for cause or voluntarily leaves the employment of the bank. Under these circumstances, the executive officer would be entitled to receive his base salary at the annual rate up to the termination date, a prorata portion of any bonus earned prior to the date of termination, plus any amounts due under any other benefit plans in effect at the date of termination.

Each employment agreement also includes severance provisions in the event that he or she is terminated in connection with a change of control. In these circumstances the executive officer would receive severance pay in an amount equal to two times compensation paid in the preceding calendar year, or scheduled to be paid to the executive officer during the year of the notice of termination, whichever is greater, plus an additional amount sufficient to pay United States income tax on the salary amount so paid under the agreement. The following table represents amounts that would be due these executive officers in the event of a change in control based upon 2006 compensation and a tax rate of 35 percent:

Jeffrey D. Agee	\$	649,847
Stallings Lipford	\$	407,417

# Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

Katie S. Winchester

\$ 1,029,600

The executive employment agreement in effect for Chairman Emeritus Stallings Lipford provides for terms and conditions of part-time employment. Mr. Lipford, on an annual basis and at the direction of the board, devotes such time to affairs of the company as deemed appropriate in light of circumstances then existing. During 2006, Mr. Lipford continued to serve as chairman of our executive committee. In addition, Mr. Lipford will serve as a member of the board during the term of his employment for so long as shareholders continue to elect him.

An executive employment agreement is also in effect for Ralph E. Henson and provides for terms and conditions of part-time employment. Mr. Henson's duties include assisting the chief credit officer in the management and timely elimination of material problem credits. In addition, he will manage the other real estate owned (OREO) properties and support the chief credit officer in succession planning in this area. Mr. Henson will continue to serve as a member of the board during the term of his employment for so long as shareholders continue to elect him.

## *2006 Compensation for the Chief Executive Officer and Chief Financial Officer*

The same philosophies used in determining compensation for executive officers are used in determining compensation for the Chief Executive Officer and Chief Financial Officer. The Compensation Committee establishes compensation of the Chief Executive Officer based on the achievement of specific financial and non-financial objectives. Compensation of the Chief Financial Officer is based on recommendation of the President and Chief Executive Officer subject to review and approval of the Compensation Committee. No specific weighting or formula is used to determine the level of compensation for the Chief Executive Officer or Chief Financial Officer. The committee considers compensation levels for chief executive officer, chief financial officer and other executive officer positions of peer financial institutions as published in annual salary surveys of the American Bankers Association, Tennessee Bankers Association and Bank Administration Institute.

Katie S. Winchester has served as chief executive officer since 1996. The chief executive officer's base salary has been reviewed and set by the Compensation Committee since 1996. The committee increased Mrs. Winchester's base salary to \$264,120 in 2006 from \$251,542 in 2005, which represents a 5% increase. This level of base salary is in line with that of other chief executive officers serving peer institutions having total assets between \$500 million and \$1 billion.

Laura Beth Butler has served as chief financial officer since June 2004. The chief executive officer makes recommendations for base salary of all executive officers (other than for chief executive officer) subject to approval of the Compensation Committee. Base salary for the chief financial officer for 2006 was \$88,000 compared to \$80,000 for 2005 which represents a 10% increase. This level of base salary is comparable with that of peer institutions in the State of Tennessee.

The annual bonuses of the chief executive officer and chief financial officer are determined based on a pre-defined bonus plan approved by the Compensation Committee. The 2006 annual bonus as reported in this proxy statement was based on the achievement of corporate financial goals, personal business development goals and a pre-bonus return on equity of not less than 13.34%.

The following table discloses individually the chief executive officer, chief financial officer and our three other most highly compensated executive officers. The following tabulation is for the period ending December 31, 2006:

### Director Compensation

Director fees are established by the board on an annual basis. Directors who are executive officers of First Citizens National Bank or any of its subsidiaries receive fees for service on the board, but do not receive additional compensation for service on a board committee. Fees paid to directors in 2006 for serving on the board were set at \$500 for each meeting attended by each director. In addition in 2006, we paid an annual retainer fee of \$3,000 per director for service on the board of the company. In addition, annual fees were paid in the amount of \$3,000 to each of Katie S. Winchester, Christian E. Heckler and Jeffrey D. Agee for service on our Southwest Region Advisory Board. This Advisory Board considers issues specific to customers in our southwest markets.

We pay additional amounts annually for service on various committees. Members of the Audit Committee and Corporate Governance/Nominating/Compensation Committee are each paid \$12,000 with an additional \$2,000 paid to each committee chairman. Outside directors serving on all other board committees are compensated at \$5,000 annually, except Executive Committee members who receive \$10,000 annually.

All director fees are paid in cash. Directors may choose to have their fees donated to an IRC 501(c)(3) qualifying charitable organization. Fees designated and paid to such charities are included as "all other compensation" in the Director Compensation Table noted below.

Director compensation for the year-ended December 31, 2006 is as follows:

We have a Code of Ethics, which is applicable to all employees, including the principal executive officer as well as all professionals serving in a finance, accounting, treasury, tax or investor relation role. We also have a separate Code of Ethics for financial professionals, which contains provisions specific to financial professionals. Both the Code of Conduct and the Code of Ethics for Financial Professionals are available on our website ([www.firstcitizens-bank.com](http://www.firstcitizens-bank.com)). We intend to post changes and amendments to our Code(s) of Conduct and Ethics at this location on our website.

We are presenting this proposal to the shareholders for ratification at the annual meeting. A representative of Alexander Thompson Arnold PLLC is expected to be present at the meeting, will have the opportunity to make a statement, and is expected to be available to respond to appropriate questions.

**Ratification of the selection of Alexander Thompson Arnold PLLC as our independent auditors requires the affirmative vote of the holders of a majority of the shares represented at the meeting.**

**The board of directors recommends a vote "FOR" the ratification of the appointment of Alexander Thompson Arnold PLLC as our independent auditors for the year ending December 31, 2007.**

### Certain Relationships and Related Transactions

We conduct certain transactions with executive officers, directors, principal shareholders and their affiliates (collectively referred to hereafter as "related parties" for the purposes of this discussion). Such transactions are conducted under the ordinary course of business and consist primarily of loan and deposit activities. Extensions of credit to related parties are governed by board-approved policies. Such policies are designed and implemented to comply with applicable regulations including but not limited to 12 CFR 215. The Company's board approved Code of Conduct provides guidance regarding transactions with related parties. Policies and Procedures as well as the Code of Conduct require related party transactions to be entered into under substantially the same terms as unrelated party transactions. All non-lending transactions with related parties of a material nature are approved by the board of directors.

Banking transactions in the ordinary course of business with directors, officers, principal shareholders, and their affiliates are on the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with others. An affiliate includes a corporation or other entity of which an officer or director of the company is an officer, partner, or 10% shareholder; any trust or estate of which he is a trustee, executor or significant beneficiary; or any relative or spouse or spouse's relative who lives in his home. These loans do not represent unfavorable features or more than a normal risk of collectibility. These loans aggregated total \$11.9 million and represent approximately 17.1% of shareholders' equity as of December 31, 2006.

During 2006, First Citizens National Bank paid \$1.08 million to Forcum-Lannom Contractors, LCC for construction of branch facilities located in Collierville, Tennessee and the Information Technology/Operations Center at One First Citizens Place, Dyersburg, Tennessee. Director David R. Taylor owns 40 percent of the company and is president of the company. Forcum-Lannom, Inc., owns 27.5 percent of Forcum-Lannom Contractors, LLC. Director John M. Lannom holds the position of chairman and chief executive officer of Forcum-Lannom, Inc. First Citizens National Bank sought competitive bids for construction of the facilities.
