On June 9, 2016, the Board of Directors of Motorcar Parts of America, Inc. (the "Company") authorized a stock repurchase program of up to \$10,000,000 of the Company's outstanding common stock, at prices deemed appropriate by management. This program replaces the Company's existing \$5,000,000 repurchase program, announced in March 2010, pursuant to which the Company has to date purchased 63,347 shares for a total of \$389,000, which leaves \$9,611,000 available for repurchases under the new stock repurchase program approved on June 9, 2016.

The new stock repurchase program does not have an expiration date.

The shares may be repurchased from time to time in open market transactions at prevailing market prices or by other means in accordance with federal securities laws. The actual timing, number and value of shares repurchased under the program will be determined by management at its discretion and will depend on a number of factors, including the market price of the Company's stock, general market and economic conditions, applicable legal requirements, and compliance with the terms of the Company's outstanding indebtedness.
