Dear Stockholder:

You are cordially invited to attend our 2019 Annual Meeting of Stockholders, which will be held at our principal executive offices at 4 Science Park, New Haven, Connecticut, 06511 on Wednesday, June 19, 2019 at 9:30 a.m. local time.

At the 2019 Annual Meeting, stockholders will be asked to vote on each of the two proposals set forth in the Notice of Annual Meeting of Stockholders and the proxy statement, which describe the formal business to be conducted at the 2019 Annual Meeting and follow this letter.

It is important that your shares are represented and voted at the 2019 Annual Meeting regardless of the size of your holdings. Whether or not you plan to attend the 2019 Annual Meeting, please complete, sign, date and return the accompanying proxy card in the enclosed postage-paid envelope or vote electronically via the Internet or by telephone, if permitted by the broker or other nominee that holds your shares. Voting electronically, by telephone, or by returning your proxy card in advance of the 2019 Annual Meeting does not deprive you of your right to attend the 2019 Annual Meeting.

If you have any questions concerning the 2019 Annual Meeting and you are the stockholder of record of your shares, please contact Precipio's CEO Ilan Danieli at (203) 787 7888 ex. 536. If your shares are held by a broker or other nominee (that is, in street name), please contact your broker or other nominee for questions concerning the 2019 Annual Meeting.

Thank you for your continued support. We look forward to seeing those of you who will be able to attend the 2019 Annual Meeting.

Sincerely yours,

**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
To be Held June 19, 2019**

To the Shareholders of Precipio, Inc.:

Notice is hereby given that the 2019 Annual Meeting of Stockholders of Precipio, Inc. (the Company) will be held at our principal executive offices at 4 Science Park New Haven, Connecticut, 06511, on Wednesday, June 19, 2019 at 9:30 a.m. local time, for the following purposes:

- (1) To elect Ilan Danieli and David Cohen as Class I directors for terms to expire in 2022;
- (2) To ratify the appointment of Marcum LLP as our independent registered public accounting firm for the year ending December 31, 2019; and
- (3) To transact such other business as may properly come before the 2019 Annual Meeting or any adjournment or postponement thereof.

Only stockholders of record at the close of business on April 29, 2019 are entitled to notice of, and to vote at, the 2019 Annual Meeting.

The Company is pleased to take advantage of Securities and Exchange Commission (the SEC) rules that allow companies to furnish their proxy materials over the Internet. The Company is mailing to many of our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of the proxy materials and our Annual Report on Form 10-K. The Notice contains instructions on how to access those documents and to cast your vote via the Internet. The Notice also contains instructions on how to request a paper copy of our proxy materials and our Annual Report on Form 10-K. All stockholders who do not receive a Notice will receive a paper copy of the proxy materials and the Annual Report by mail. This process allows the Company to provide its stockholders with the information they need on a more timely basis, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials.

If You Plan to Attend

Please note that space limitations make it necessary to limit attendance of the Annual Meeting to our stockholders. Registration and seating will begin at 9:00 a.m. Shares of common stock can be voted at the Annual Meeting only if the holder thereof is present in person or by valid proxy.

For admission to the Annual Meeting, each stockholder may be asked to present valid picture identification, such as a driver's license or passport, and proof of stock ownership as of the record date, such as the enclosed proxy card or a brokerage statement reflecting stock ownership. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. If you do not plan on attending the Annual Meeting, please vote, date and sign the enclosed proxy and return it in the business envelope provided. Even if you do plan to attend the Annual Meeting, we recommend that you vote your shares at your earliest convenience in order to ensure your representation at the Annual Meeting. Your vote is very important.

The proxy statement and annual report to stockholders are available at www.proxyvote.com and also on our website <http://precipiodx.com>

Whether or not you expect to attend the Annual Meeting in person, we urge you to vote your shares at your earliest convenience. This will ensure the presence of a quorum at the Annual Meeting. Promptly voting your shares will save Precipio the expenses and extra work of additional solicitation. Submitting your proxy now will not prevent you from voting your shares at the Annual Meeting if you desire to do so, as your proxy is revocable at your option. Your vote is important, so please act today!

PROXY STATEMENT

**for
2019 ANNUAL MEETING OF STOCKHOLDERS
of
PRECIPIO, INC.**

GENERAL INFORMATION

The Board of Directors (the **Board**) of Precipio, Inc. (the **Company**) is soliciting your proxy to vote at the 2019 Annual Meeting of Stockholders (the **Annual Meeting**), to be held on June 19, 2019 at 9:30 a.m., EST, at our offices located at 4 Science Park New Haven, Connecticut 06511. Only stockholders of record as of the close of business on April 29, 2019 (the **Record Date**) are entitled to vote at the Annual Meeting.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the **SEC**), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares of our common stock are held in the name of a broker, bank or other agent (i.e., in **street name**). Accordingly, a Notice of Internet Availability of Proxy Materials (the **Notice**) will be mailed on or about May 2, 2019 to our beneficial owners and stockholders of record who owned our common stock at the close of business on April 29, 2019.

Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request that a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

This proxy statement has been prepared by the management of Precipio, Inc.

In this proxy statement, we refer to Precipio, Inc. as **Precipio**, the **Company**, **we**, **us** or **our**. On April 25, 2019, the Company filed a Certificate of Amendment to its Third Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware to effectuate a reverse split of its issued and outstanding common stock on a 1 for 15 basis (the **Reverse Split**). The Reverse Split was effective on the Nasdaq Capital Market at the open of business on April 29, 2019. All share and per share amounts set forth herein have been adjusted retroactively to reflect the Reverse Split, unless otherwise indicated.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I Receive a Notice of Internet Availability of Proxy Materials in the Mail instead of a Full Set of Proxy Materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet free of charge or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder's election to receive proxy materials by mail or electronically will remain in effect until the stockholder changes the stockholder's election.

What Does it Mean if I Receive More than One Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

Who Can Vote?

Shareholders who owned common stock at the close of business on April 29, 2019 (the Record Date), are entitled to vote at the Annual Meeting. On the Record Date, there were 5,583,974 shares of common stock outstanding and entitled to vote.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the Annual Meeting and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting. A shareholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card bearing a later date. Any shareholder who has executed a proxy card but attends the Annual Meeting in person may revoke the proxy and vote at the Annual Meeting.

What is the Difference Between Holding Shares as a Record Holder and as a Beneficial Owner (Holding Shares in Street Name)?

If your shares are registered in your name with our transfer agent EQ Shareowner Services you are the record holder of those shares. If you are a record holder, these proxy materials have been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the beneficial owner of those shares held in street name. If your shares are held in street name, these proxy materials have been forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who May Attend the Annual Meeting?

Only record holders and beneficial owners of our common stock, or their duly authorized proxies, may attend the Annual Meeting. If your shares of common stock are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the Record Date.

How Many Votes Do I Have?

Each share of common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or withheld for each nominee for director, and how your shares should be voted with respect to each of the other proposals. Except as set forth below, if you properly submit a proxy without giving specific voting

instructions, your shares will be voted in accordance with the Board's recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, EQ Shareowner Services, or you have stock certificates, you may vote:

- **By mail.** Complete and mail the proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card, but do not specify how you want your shares voted, they will be voted as recommended by the Board.
- **By Internet.** www.proxyvote.com.
- **In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

- **By Internet or by telephone.** Follow the instructions you receive from your broker to vote by Internet or telephone.
- **By mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares.
- **In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to attend the Annual Meeting unless you have a proxy card from your broker.

How Will my Shares be Voted if I Give No Specific Instruction?

We must vote your shares as you have instructed. If there is a matter on which a stockholder of record has given no specific instruction but has authorized us generally to vote the shares, they will be voted as follows:

- **FOR** for the election of the Board nominees as directors; and
- **FOR** ratification of the selection of Marcum LLP as our independent public accountant for the fiscal year ending December 31, 2019

This authorization would exist, for example, if a stockholder of record merely signs, dates and returns the proxy card but does not indicate how its shares are to be voted on one or more proposals. If other matters properly come before the Annual Meeting and you do not provide specific voting instructions, your shares will be voted at the discretion of the proxies.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. You may change or revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it as instructed above;
- if your shares are held in street name, re-voting by Internet or by telephone as instructed above – only your latest Internet or telephone vote will be counted;
- if your shares are registered in your name, notifying the Company's Secretary in writing before the Annual Meeting that you have revoked your proxy; or
- attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

Will My Shares Be Voted If I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under "How Do I Vote?" If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter, or because your broker chooses not to vote on a matter for which it does

have discretionary voting authority, this is referred to as a broker non-vote. The New York Stock Exchange

3

(NYSE) has rules that govern brokers who have record ownership of listed company stock (including stock such as ours that is listed on The Nasdaq Capital Market or Nasdaq) held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain matters (routine matters), but do not have the discretion to vote uninstructed shares as to certain other matters (non-routine matters). Under NYSE interpretations, Proposal 1 (election of directors) is considered a non-routine matter and Proposal 2 (ratification of our independent public accountant) is considered a routine matter. If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under How Do I Vote?, the bank, broker or other nominee has the authority, even if it does not receive instructions from you, to vote your unvoted shares for Proposal 2 (the ratification of our independent public accountant) but does not have authority to vote your unvoted shares for Proposal 1 (election of directors). We encourage you to provide voting instructions. This ensures your shares will be voted at the Annual Meeting in the manner you desire.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1:
Election of Directors

The nominees for director who receive the greatest number of votes FOR election (also known as a plurality) will be elected as directors. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2:
Ratification of the Appointment of Marcum LLP as our Independent Public Accountant for the Fiscal Year Ending December 31, 2019

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of the Company's independent public accountant. Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our shareholders to appoint the Company's independent accountant. However, if our shareholders do not ratify the appointment of Marcum LLP as the Company's independent public accountant for the fiscal year ending December 31, 2019, the Audit Committee of the Board may reconsider its appointment.

How are Votes Counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the election of directors, For, Withhold and broker non-votes; and, with respect to the other proposals, votes For and Against, abstentions and broker non-votes. Broker non-votes will not be included in the tabulation of the voting results of any of the proposals and, therefore, will have no effect on such proposals.

What is a Broker Non-Vote?

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you sign your proxy card but do not provide instructions on how your broker should vote on routine proposals, your broker will vote your shares as recommended by the Board. If you do not provide voting instructions, your shares will not be voted on any non-routine proposals. This vote is called a broker non-vote. Because broker non-votes are not considered under Delaware law to be entitled to vote at the Annual Meeting, broker non-votes will

not be included in the tabulation of the voting results of any of the proposals and, therefore, will have no effect on these proposals.

4

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Votes of shareholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Householding of Annual Disclosure Documents

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Proxy Availability Notice or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards.

This year, a number of brokers with account holders who are our stockholders will be householding our proxy materials. A Notice or proxy materials will be delivered in one single envelope to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent.

Those shareholders who either (i) do not wish to participate in householding and would like to receive their own sets of our annual disclosure documents in future years or (ii) who share an address with another one of our shareholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

- Shareholders whose shares are registered in their own name should contact our transfer agent, EQ Shareowner Services, 1110 Centre Pointe Curve Suite 101, Mendota Heights, MN 55120, Tel: 855-217-6361.
- Shareholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request. Shareholders should be sure to include their name, the name of their brokerage firm and their account number.

Who is paying for this proxy solicitation?

In addition to mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone, or by other means of communication. We will not pay our directors, officers and employees any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

When are shareholder proposals due for next year's annual meeting?

At our annual meeting each year, our Board of Directors submits to shareholders its nominees for election as directors. In addition, the Board of Directors may submit other matters to the shareholders for action at the annual meeting.

Any stockholder who meets the requirements of the proxy rules under the Exchange Act may submit proposals to the Board of Directors to be presented at the next annual meeting. Such proposals must comply with the requirements of Rule 14a-8 under the Exchange Act and must be submitted in writing by notice delivered or mailed by first-class United States mail, postage prepaid, to our Secretary at our principal executive offices at the address set forth above and must be received not later than March 30, 2020. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within a

reasonable time before we begin to print and send proxy materials in order to be considered for inclusion in the proxy materials to be disseminated by the Board of Directors for such annual meeting. We will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC.

Our Amended and Restated Bylaws also provide for separate notice procedures to recommend a person for nomination as a director or to propose business to be considered by stockholders at a meeting. To be considered timely under these provisions, the stockholder's notice must be received by our Secretary at our principal executive offices at the address set forth above (i) no later than 35 days prior to the date of the annual meeting; provided,

however, that if less than 35 days notice of a meeting of stockholders is given to the stockholders, such notice must be made or delivered to our Secretary not later than the close of business on the seventh day following the day on which the notice of a meeting was mailed; and (ii) in the case of a special meeting of stockholders, no later than the close of business on the tenth day following the day on which notice of the date of the meeting was mailed. Our Amended and Restated Bylaws also specify requirements as to the form and content of a stockholder's notice.

The Board of Directors, a designated committee thereof or the chairman of the meeting may refuse to acknowledge the introduction of any stockholder proposal if it is not made in compliance with the applicable notice provisions.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in our Current Report on Form 8-K within four (4) business days after the Annual Meeting.

What Interest Do Officers and Directors Have in Matters to Be Acted Upon?

Members of the Board of Directors and executive officers of the Company do not have any interest in any proposal that is not shared by all other stockholders of the Company except for Proposal 1.

Do I Have Dissenters' Rights of Appraisal?

Our stockholders do not have appraisal rights under Delaware law or under our governing documents with respect to the matters to be voted upon at the Annual Meeting.

PROPOSAL ONE: ELECTION OF DIRECTORS

Board of Directors and Committees

Our Board consists of seven directors. The Board is divided into three classes with directors in each class serving for a term of three years. The terms of office of the current Class I, Class II and Class III directors will expire in 2019, 2020 and 2021, respectively. Our directors are elected by the holders of our common stock. There are two directors in each of Class I and Class III and three directors in Class II.

Ilan Danieli and David Cohen are Class I directors, Samuel Riccitelli, Douglas Fisher, M.D. and Jeffrey Cossman, M.D. are Class II directors and Kathleen D. LaPorte and Mark Rimer are Class III directors.

The Board has nominated Ilan Danieli and David Cohen for election by the stockholders as the Class I directors to serve three-year terms expiring in 2022. Each of the nominated directors has expressed his intention to continue to serve on the Board if elected. There are no arrangements or understandings between each of the directors and any other person pursuant to which they were selected as nominees.

Our Amended and Restated Bylaws provide that directors are elected by a plurality vote. Therefore, our directors will be elected as if they are the nominees receiving the highest number of affirmative votes. This means that votes withheld and broker non-votes with respect to the election of the directors will have no effect on the election of such directors. If one of the directors is unable to serve as a director, the Board may nominate a substitute nominee. In that case, the Board will vote all valid proxies that voted in favor of the director that is unable to serve, for the election of the substitute nominee.

Certain biographical information regarding our director nominees and directors continuing in office after the Annual Meeting, including their ages is set forth below. In each individual's biography we have highlighted specific experience, qualifications, and skills that have led the Board to conclude that such individual is a valued member of our Board. In addition to these specific attributes, all of our directors have significant expertise in one or more areas of importance to our business and have high-level managerial experience in relatively complex organizations or are accustomed to dealing with complex problems. We believe all of our directors are individuals of high character and integrity, are able to work well with others, and have sufficient time to devote to the affairs of our company.

The Board of Directors recommends that you vote FOR the director nominees named in Proposal One.

Vote Required

The nominees for director who receive the greatest number of votes FOR election (also known as a plurality) will be elected as directors. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Corporate Governance

COMMITTEES OF OUR BOARD OF DIRECTORS

Our Board has established and delegated certain responsibilities to its standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Audit Committee

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee's primary duties and responsibilities include monitoring the integrity of our financial statements, monitoring the independence and performance of our external auditors, and monitoring our compliance with applicable legal and regulatory requirements. The functions of the Audit Committee also include reviewing periodically with our independent registered public accounting firm the performance of the services for which they are engaged, including reviewing the scope of the annual audit and its results, reviewing with management and the auditors the adequacy of our internal accounting controls, reviewing with management and the auditors the financial results prior to the filing of quarterly and annual reports, reviewing fees charged by our independent registered public accounting firm and reviewing any transactions between our Company and related parties. Our independent registered public accounting firm reports directly and is accountable solely to the Audit Committee. The Audit Committee has the sole authority to hire and fire the independent registered public accounting firm and is responsible for the oversight of the performance of their duties, including ensuring the independence of the independent registered public accounting firm. The Audit Committee also approves in advance the retention of, and all fees to be paid to, the independent registered public accounting firm. The rendering of any auditing services and all non-auditing services by the independent registered public accounting firm is subject to prior approval of the Audit Committee.

The Audit Committee operates under a written charter which is available in the Investor Relations section of our website at www.precipiodx.com. The Audit Committee is required to be composed of directors who are independent under the rules of the SEC and Nasdaq's listing standards.

Fiscal year 2018 activity

During fiscal year 2018, the Audit Committee fulfilled its duties and responsibilities as outlined in the charter. The Committee meets at least twice each quarter; once in connection with quarterly Board meetings and once to review the quarterly Form 10-Q or annual Form 10-K. In addition, the Committee meets as needed to address emerging accounting, compliance, or other matters or for educational training. Specifically, the Committee:

- Reviewed and discussed with management and the independent auditor the Company's consolidated financial statements and related periodic reports filed with the SEC;
- Met in periodic executive sessions with each of management and the independent auditor to discuss the results of the examinations by the independent auditors, their evaluations of internal controls, and the overall quality of the Company's financial reporting, and any other matters as appropriate; and
- Reviewed the Company's related party transactions and Policy for Related Party Transactions

The current members of the Audit Committee are directors Mr. Riccitelli, the Chairperson of the Audit Committee, Dr. Fisher and Ms. LaPorte, all of whom have been determined by the Board to be independent under the Nasdaq listing standards and rules adopted by the SEC applicable to audit committee members. The Board has determined that Mr. Riccitelli, Dr. Fisher and Ms. LaPorte each qualifies as an audit committee financial expert under the rules adopted by the SEC and the Sarbanes Oxley Act of 2002. The Audit Committee met four times during 2018 and did not take any actions by written consent.

Report of the Audit Committee

The Company's management is responsible for the preparation of the Company's financial statements and for maintaining an adequate system of internal controls and processes for that purpose. Marcum LLP (Marcum) acts as the Company's independent registered public accounting firm and they are responsible for conducting an independent audit of the Company's annual financial statements in accordance with auditing standards generally accepted in the United States of America and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of both of these processes.

The Audit Committee has reviewed and discussed the Company's audited financial statements for the year ended December 31, 2018 with management of the Company and with representatives of Marcum. The Audit Committee's discussions with Marcum also included the matters required by Auditing Standard No. 1300, *Auditor Communications*, as adopted by the Public Company Accounting Oversight Board (PCAOB). In addition, the Audit Committee received the written disclosures and the letter from Marcum required by applicable requirements of the PCAOB regarding its communications with the Audit Committee concerning independence, and has discussed with Marcum its independence from the Company and its management.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018, for filing with the SEC.

Compensation Committee

The primary duties and responsibilities of our standing Compensation Committee are to review, modify and approve the overall compensation policies for the Company, including the compensation of the Company's Chief Executive Officer and other senior management; establish and assess the adequacy of director compensation; and approve the adoption, amendment and termination of the Company's stock option plans, pension and profit sharing plans, bonus plans and similar programs. The Compensation Committee may delegate to one or more officers the authority to make grants of options and restricted stock to eligible individuals other than officers and directors, subject to certain limitations. Additionally, the Compensation Committee has the authority to form subcommittees and to delegate authority to any such subcommittee. The Compensation Committee also has the authority, in its sole discretion, to select, retain and obtain, at the expense of the Company, advice and assistance from internal or external legal, accounting or other advisors and consultants. Moreover, the Compensation Committee has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director, Chief Executive Officer or senior executive compensation, including sole authority to approve such consultant's reasonable fees and other retention terms, all at the Company's expense.

The Compensation Committee considers the risks associated with our compensation policies and practices with respect to both executive compensation and compensation generally. The Compensation Committee considers the Company's long-standing culture, which emphasizes incremental continuous improvement and sustained long-term shareholder value creation, and ensures that these factors are reflected in the design of the Company's compensation plans. Our compensation program is structured so that a considerable amount of our incentive-eligible employees' compensation is tied to the long-term health of the Company. We avoid the type of disproportionately large, annual incentives that could encourage employees to take risks that may not be in our shareholder's long-term interests and we weight our management's incentive compensation toward profitability and long-term performance decisions.

The Compensation Committee operates under a written charter which is available on our website at www.precipiodx.com. All members of the Compensation Committee must satisfy the independence requirements of Nasdaq applicable to compensation committee members. The members of the Compensation Committee are not and have never been officers or employees of the Company or any of its subsidiaries. No directors or executive officers of our Company serve on the compensation committee of another company of which a member of our Compensation Committee is an officer.

The Compensation Committee currently consists of directors Ms. LaPorte, Mr. Rimer, Dr. Cossman and Dr. Fisher. On February 8, 2018, Dr. Fisher was appointed Chairperson of the Compensation Committee and Ms. LaPorte became a member of the Compensation Committee on August 7, 2018. Each of the Compensation Committee members has

been determined by the Board to be independent under Nasdaq listing standards applicable to compensation committee members. The Compensation Committee met six times during 2018 during each of the quarterly meetings and additional telephonic meetings when required. The Compensation Committee did not take any actions by written consent.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee identifies, reviews and evaluates candidates to serve on the Board; reviews and assesses the performance of the Board and the committees of the Board; and assesses the independence of our directors. The Nominating and Corporate Governance Committee is also responsible for reviewing the composition of the Board's committees and making recommendations to the entire Board regarding the chairpersonship and membership of each committee. In addition, the Nominating and Corporate Governance Committee is responsible for developing corporate governance principles and periodically reviewing and assessing such principles, as well as periodically reviewing the Company's policy statements to determine their adherence to the Company's Code of Business Conduct and Ethics.

The Nominating and Corporate Governance Committee has adopted a Director Nominees Consideration Policy, whereby Board candidates are identified primarily through suggestions made by directors, management and stockholders of the Company. We have implemented no material changes to the procedures by which stockholders may recommend nominees for the Board. The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders that are submitted in writing to the Company's Corporate Secretary in a timely manner and which provide necessary biographical and business experience information regarding the nominee. The Nominating and Corporate Governance Committee has reviewed its Director Nominee Consideration Policy and it does not intend to alter the manner in which it evaluates candidates, including the criteria considered by the Nominating Committee, based on whether or not the candidate was recommended by a stockholder. The Board does not prescribe any minimum qualifications for director candidates, and all candidates for director will be evaluated based on their qualifications, diversity, age, skill and such other factors as deemed appropriate by the Nominating and Corporate Governance Committee given the current needs of the Board, the committees of the Board and the Company. Although the Nominating and Corporate Governance Committee does not have a specific policy on diversity, it considers the criteria noted above in selecting nominees for directors, including members from diverse backgrounds who combine a broad spectrum of experience and expertise. Absent other factors which may be material to its evaluation of a candidate, the Nominating and Corporate Governance Committee expects to recommend to the Board for selection incumbent directors who express an interest in continuing to serve on the Board. Following its evaluation of a proposed director's candidacy, the Nominating and Corporate Governance Committee will make a recommendation as to whether the Board should nominate the proposed director candidate for election by the stockholders of the Company.

The Nominating and Corporate Governance Committee operates under a written charter which is available on our website at www.precipiodx.com. No member of the Nominating and Corporate Governance Committee may be an employee of the Company and each member must satisfy the independence requirements of Nasdaq and the SEC.

The Nominating and Corporate Governance Committee currently consists of directors Dr. Cossman, Mr. Riccitelli and Mr. Rimer, each of whom has been determined by the Board to be independent under the Nasdaq listing standards. The Nominating and Corporate Governance Committee met five times in 2018 during each of the quarterly meetings and did not take any actions by written consent.

Oversight of Risk Management

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic risks, financial risks, legal and regulatory risks and others, such as the impact of competition. Management is responsible for the day-to-day management of the risks that we face, while our Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board is responsible for satisfying itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Our Board assesses major risks facing our Company and options for their mitigation in order to promote our stockholders' interests in the long-term health of our Company and our overall success and financial strength. A fundamental part of risk management is not only

understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. The involvement of our full Board in the risk oversight process allows our Board to assess management's appetite for risk and also determine what constitutes an appropriate level of risk for our Company. Our Board regularly includes agenda items at its meetings relating to its risk oversight role and meets with various members of management on a range of topics, including corporate governance and regulatory obligations, operations and significant transactions, risk management, insurance, pending and threatened litigation and significant commercial disputes.

15

While our Board is ultimately responsible for risk oversight, various committees of our Board oversee risk management in their respective areas and regularly report on their activities to our entire Board. In particular, the Audit Committee has the primary responsibility for the oversight of financial risks facing our Company. The Audit Committee's charter provides that it will discuss our major financial risk exposures and the steps we have taken to monitor and control such exposures. Our Board has also delegated primary responsibility for the oversight of all executive compensation and our employee benefit programs to the Compensation Committee. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing our Company and that our Board's leadership structure provides appropriate checks and balances against undue risk taking.

Communications with the Board of Directors

Shareholders and other parties may communicate directly with the Board of Directors or the relevant board member by addressing communications to:

Precipio, Inc.
c/o Corporate Secretary
4 Science Park
New Haven, CT 06511

All shareholder correspondence will be compiled by our corporate secretary. Items that are unrelated to the duties and responsibilities of the Board of Directors may be excluded, such as:

- junk mail and mass mailings;
- resumes and other forms of job inquiries;
- surveys; and
- solicitations and advertisements.

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is filtered out will be made available to any independent director upon request.

Director Independence

Our Company is governed by our Board. Currently, each member of our Board, other than Ilan Danieli, our Chief Executive Officer, is an independent director and all standing committees of our Board are composed entirely of independent directors, in each case under Nasdaq's independence definition applicable to boards of directors. For a director to be considered independent, our Board must determine that the director has no relationship which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Members of the Audit Committee also must satisfy a separate SEC independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from us or any of our subsidiaries other than their directors' compensation. In addition, under SEC rules, an Audit Committee member who is an affiliate of the issuer (other than through service as a director) cannot be deemed to be independent. In determining the independence of members of the Compensation Committee, Nasdaq listing standards require our Board to consider certain factors, including but not limited to: (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by us to the director, and (2) whether the director is affiliated with us, one of our subsidiaries or an affiliate of one of our subsidiaries. Under our Compensation Committee Charter, members of the Compensation Committee also must qualify as "outside directors" for purposes of

Edgar Filing: Precipio, Inc. - Form DEF 14A

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and as non-employee directors for purposes of Rule 16b-3 under the Exchange Act. The independent members of the Board are Ms. LaPorte, Jeffrey Cossman, M.D., Douglas Fisher, M.D., David Cohen, Mark Rimer and Samuel Riccitelli.

Review and Approval of Related Person Transactions

We recognize that related person transactions can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations which may not be in our best interests or the best interests of our stockholders. Accordingly, as a general matter, we prefer to avoid related person transactions. Nevertheless, we recognize that there are situations where related person transactions may be in, or may not be inconsistent with, our best interests. Pursuant to the Audit Committee Charter, the Audit Committee is responsible for reviewing and overseeing related-party transactions as required by Nasdaq and SEC rules. Related persons include our directors, executive officers, 5% beneficial owners of our common stock or their respective immediate family members. Our Board will also review related party transactions in accordance with applicable law and the provisions of our Third Amended and Restated Certificate of Incorporation, as amended.

In addition, our Audit Committee has adopted a written Related Party Transactions Policy. Under our Related Party Transactions Policy, if any director or executive officer or any immediate family member or related entity of a related person proposes to enter into a transaction, or if the Company proposes to enter into a transaction with a 5% beneficial owner of our common stock, then, prior to entering into such transaction, the related person must notify the Company's Compliance Officer (currently, the Chief Financial Officer) and provide sufficient knowledge regarding the proposed transaction as is reasonably available to assist the Compliance Officer in determining whether approval of the Audit Committee is required. The Audit Committee must review and consider any proposed related person transaction, and the Audit Committee will only approve the transactions it deems are fair to and in the best interests of the Company. Additionally, the Audit Committee may ratify transactions that were previously unapproved if it finds the transactions are fair to and in the best interests of the Company.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have not been a party to any transactions since January 1, 2018 in which the amount involved exceeded or will exceed \$120,000, and in which any director, executive officer or holder of more than 5% of any class of our voting stock, or any member of the immediate family of or entities affiliated with any of them, had or will have a material interest.

Compensation Risk Analysis

We have reviewed our material compensation policies and practices for all employees and have concluded that these policies and practices are not reasonably likely to have a material adverse effect on us. While risk-taking is a necessary part of growing a business, our compensation philosophy is focused on aligning compensation with the long-term interests of our stockholders as opposed to rewarding short-term management decisions that could pose long-term risks.

DIRECTOR COMPENSATION

It is our Board's general policy that compensation for independent directors should be a mix of cash and equity-based compensation. As part of a director's total compensation, and to create a direct linkage between corporate performance and stockholder interests, our Board believes that a meaningful portion of a director's compensation should be provided in, or otherwise based on, the value of appreciation in our common stock.

Our Board has the authority to approve all compensation payable to our directors, although our Compensation Committee is responsible for making recommendations to our Board regarding this compensation. Additionally, our Chief Executive Officer may also make recommendations or assist our Compensation Committee in making recommendations regarding director compensation. Our Board and Compensation Committee annually review our director compensation.

Cash Compensation

Directors who are also our employees are not separately compensated for serving on the Board other than reimbursement for out-of-pocket expenses related to attendance at Board and committee meetings. Independent directors are paid an annual retainer of \$30,000 and receive reimbursement for out-of-pocket expenses related to attendance at Board and committee meetings. Independent directors serving on a committee of the Board are paid an additional annual retainer of \$7,000 for the Audit Committee, \$5,000 for the Compensation Committee and \$4,000 for the Nominating and Corporate Governance Committee unless they are also a chairperson of a committee. The chairperson of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee receives an additional annual retainer of \$10,000, \$8,000 and \$7,000, respectively.

In 2018, the directors were granted a non-qualified option to purchase shares of our common stock. The options vest in full on the third anniversary of the grant date. A Complete list of the grants is set and their terms are set out below.

PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Marcum LLP (Marcum) as our independent registered public accounting firm for the year ending December 31, 2019. The Board recommends that stockholders vote for the ratification of such appointment. In the event of a negative vote on such ratification, the Board and Audit Committee will reconsider the selection, though a change will not necessarily be made. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered accounting firm at any time during the year if it determines that such a change would be in our stockholders' best interests.

Independent Registered Public Accounting Firm

On July 9, 2017 the Audit Committee, acting on behalf of the Board, appointed Marcum as the Company's independent registered public accounting firm.

We expect a representative of Marcum to be present in person or by telephone at the Annual Meeting and available to respond to appropriate questions. Marcum will also have the opportunity to make a statement if they desire to do so.

The following table shows information about fees that were billed or were expected to be billed by Marcum for the fiscal years ended 2017 and 2018:

	2017

Audit Fees. Audit fees consist of services rendered for the audit of our financial statements.

Audit-Related Fees. Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit and the review of our financial statements and which are not reported under Audit Fees.

Tax Fees. Tax services consist primarily of planning, advice and compliance, or return preparation, for U.S. federal, state and local, as well as international jurisdictions.

All Other Fees. None.

Pre-Approval of Audit and Non-Audit Services

Under the Audit Committee Charter, the Audit Committee is required to pre-approve all audit and non-audit services to be provided to us by our independent registered public accounting firm and its member firms. All services provided by our independent registered public accounting firm in 2018 were pre-approved by the Audit Committee.

Assessment

The Audit Committee assessed Marcum's performance as independent auditor during fiscal year 2018. The Committee assessed the performance of Marcum's lead audit engagement partner and the audit team. The Committee reviewed a variety of indicators of audit quality including:

25

- The quality and candor of Marcum’s communications with the Audit Committee and management;
- How effectively Marcum maintained its independence and employed its independent judgment, objectivity, and professional approach;
- The depth and expertise of the Marcum’s audit team; and
- Marcum’s tenure as the Company’s independent auditor and safeguards in place to maintain its independence.

As a result of its evaluation, the Audit Committee concluded that the selection of Marcum as the independent registered public accounting firm our fiscal year ended December 31, 2019 is in the best interest of the Company and its shareholders.

The Board of Directors recommends that you vote FOR Proposal Two.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of the Company’s independent public accountant. Abstentions will be counted towards the tabulation of votes cast on this proposal and will have the same effect as a negative vote. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our shareholders to appoint the Company’s independent accountant. However, if our shareholders do not ratify the appointment of Marcum as the Company’s independent public accountant for the fiscal year ending December 31, 2019, the Audit Committee may reconsider its appointment.

OTHER MATTERS

As of the date of this proxy statement, the Board knows of no other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, it is intended that proxies in the enclosed form will be voted in respect thereof in accordance with the best judgment and in the discretion of the persons voting the proxies.
