Item 1.01 Entry into a Material Definitive Agreement.

On June 6, 2006 Patient Safety Technologies, Inc. (the "Company"), entered into a Secured Convertible Note and Warrant Purchase Agreement (the "Purchase Agreement") pursuant to which the Company sold a \$1,100,000 principal amount Secured Convertible Promissory Note (the "Note") and a warrant to purchase 401,460 shares of the Company's common stock (the "Warrant") to Alan E. Morelli. The sale of the Note and the Warrant to Mr. Morelli was made pursuant to the exemption from registration requirements provided by Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 promulgated thereunder. No advertising or general solicitation was used in offering the securities and Mr. Morelli represented that he is an accredited investor and that the securities were purchased for investment purposes for his own account and not with a view to the resale or distribution of such securities.

Of the \$1,100,000 of gross proceeds approximately \$1,068,201 was used to repay outstanding principal and interest on a \$1,000,000 principal amount promissory note held by Bodnar Capital Management, LLC, a significant shareholder of the Company.

As security for the Company's obligations under the Note, pursuant to a Pledge Agreement and an Account Control Agreement, the Company pledged the equity securities owned by the Company in Digicorp, IPEX, Inc., Automotive Services Group, Inc., Alacra, Inc. and Surgicount Medical, Inc. As additional security for the Company's obligations under the Note, pursuant to a Mortgage and a Deed of Trust, the Company pledged 8.5 acres of undeveloped land it owns in Heber Springs, Arkansas and 0.61 acres of undeveloped land it owns in Springfield, Tennessee, respectively. In connection with the security interests granted to Mr. Morelli, Ault Glazer Bodnar Acquisition Fund, LLC and Herbert Langsam Revocable Trust entered into Subordination Agreements with Mr. Morelli and the Company agreeing to subordinate their existing security interests in the Company's assets to the security interests granted Mr. Morelli. As further security, Milton "Todd" Ault, III and Louis Glazer, M.D. gave their personal guaranty of the Company's obligations under the Note.

Pursuant to the Purchase Agreement, the Company granted Mr. Morelli a right of first offer with respect to future sales by the Company of its equity securities which right continues until the twelve-month anniversary of the closing date of June 6, 2006.

The Note accrues interest at the rate of 12% per annum through July 6, 2006, after which the interest rate increases to 15% per annum from July 6, 2006 through the date the loan is repaid. The principal amount of the Note and any accrued but unpaid interest is due to be paid upon the earlier of (a) July 6, 2006, or at the option of the Company, October 6, 2006, or (b) the occurrence of an event of default. The Company is required to make a mandatory repayment of its obligations under the Note upon the sale of 50% or more of the equity interest of the Company to any person or group or any sale of 50% or more of the assets of the Company in a single transaction or series of related transactions. Principal and interest on the Note is convertible into shares of the Company's common stock at a conversion price of \$2.74. If the Company issues shares of common stock or securities convertible or exercisable into shares of common stock below the then applicable conversion price, the conversion price of the Note will be reduced accordingly. The conversion price of the Note also will be adjusted if the Company pays a stock dividend, subdivides or combines outstanding shares of common stock into a greater or lesser number of shares, or takes such other actions as would otherwise result in dilution of Mr. Morelli's position.

The Warrant has an exercise price of \$3.04 per share and will expire after June 6, 2011. If the Company issues shares of common stock or securities convertible or exercisable into shares of common stock below the then applicable exercise price, the exercise price of the Warrant will be reduced accordingly. The exercise price of the Warrant also will be adjusted if the Company pays a stock dividend, subdivides or combines outstanding shares of common stock into a greater or lesser number of shares, or takes such other actions as would otherwise result in dilution of Mr. Morelli's position.

Mr. Morelli agreed to restrict his ability to convert the Note and exercise the Warrant such that the number of shares of common stock beneficially owned by him and his affiliates in the aggregate after such conversion or exercise does not exceed 9.999% of the then issued and outstanding shares of common stock of the Company. Such beneficial ownership restriction may be waived by Mr. Morelli upon not less than 61 days' prior notice to the Company.

1

In connection with the sale of the Note and the Warrant, the Company entered into a Registration Rights Agreement with Mr. Morelli, agreeing to prepare and file a registration statement with the Securities and Exchange Commission registering the resale of the shares of common stock issuable upon conversion of the Note and upon exercise of the Warrant. The Company agreed to file such registration statement within 30 days following the effective date of the registration statement on Form S-3, as amended (SEC File No. 333-124564), originally filed by the Company on May 3, 2005, but no later than September 6, 2006, and to cause such registration statement to be declared effective by September 4, 2006. If such deadlines are not met, the Company is required to pay liquidated damages to Mr. Morelli equal to 1.5% of the initial principal amount of the Note on each such required date that is not met and an additional 1.5% for each monthly period thereafter until the event is cured.
