TO ALL STOCKHOLDERS OF SCORE ONE, INC.:

NOTICE IS HEREBY GIVEN to you as a stockholder of record of Score One, Inc., a Nevada corporation (the "Company"), that a Majority Written Consent in Lieu of an Annual Meeting of Stockholders (the "Written Consent") has been executed to be effective approximately 20 days from the date of mailing this Information Statement to you. 1. The election of three Directors for a term of one year or until their successors are duly elected and qualified;

For the year ended December 31, 2005 and as of June 1, 2006, the Company did not have any employment agreements with its executive officers or employees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On February 7, 2006, the Company purchased a Hong Kong corporation called RC Capital Limited ("RC Capital") for \$1.00 from Lau Ming Lau, the Company's secretary, CFO and director. RC Capital was a dormant company with no assets and liabilities and was formerly known as Richley (China) Limited. There is no written agreement for the purchase of RC Capital. RC Capital is currently the Company's wholly owned operating subsidiary.

On April 9, 2006, the Company entered into a Sale and Purchase Agreement with RC Capital Limited, a Hong Kong corporation and wholly-owned subsidiary of the Company, Dalian Fengming International Recreation Town Co., Ltd., and Ms. Hoi-ho Kiu, CEO of the Company for the acquisition of Dalian Fengming International Recreation Town Phase II ("Recreation Town") in exchange for 28,000,000 shares of Common Stock of the Company. The transaction is contemplated to be closed on or before July 31, 2006 and the 28,000,000 shares are to be issued on or before July 31, 2006. Pursuant to the Agreement, the Company shall issue 18,000,000 shares and 10,000,000 shares of Common Stock to Ms. Hoi-ho Kiu and Dalian Fengming, respectively. The total fair market value of such shares is considered to be \$75,000,000.

STOCK PLANS

The Company does not have a stock option plan or any other equity compensation plan.

AMENDMENTS TO THE ARTICLES OF INCORPORATION

The consent of a majority of the voting shares of the Company was given for approving the amendment of the Company's Articles of Incorporation to increase the number of our authorized shares of Common Stock from 50,000,000 shares to 200,000,000 shares.

AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 50,000,000 TO 200,000,000

The Company is currently authorized to issue 50,000,000 shares of Common Stock, par value \$.001. As of May 31, 2006, 59,162,902 shares were outstanding, 9,162,902 of which are not currently authorized by the Company's Articles of Incorporation, and only 31,162,902 were issued and outstanding.

As a result of the Company's acquisition of Recreation Town, the Company agreed to issue a total of 28,000,000 shares of Common Stock to Hoi-ho Kiu and Dalian Fengming, both of which are accredited investors.

The increase in the number of authorized shares of Common Stock will allow the Company to satisfy its obligations with regards to this transaction. The Company is currently obligated to issue a greater number of shares than it is legally authorized to issue. Currently, with the exception of the 28,000,000 shares issuable pursuant to the acquisition of Recreation Town, hereinabove described, there are no plans, arrangements, agreements or understandings in place with respect to the issuance of the newly authorized Common Stock.

Presently, the holders of our Common Stock are entitled to one vote for each share held of record on all matters submitted to a vote of our shareholders, including the election of directors. Our common shareholders do not have cumulative voting rights. Subject to preferences that may be applicable to any outstanding series of our preferred stock which may be designated in the future, holders of our Common Stock are entitled to receive ratably such dividends, if any, as may be declared by our Board of Directors out of legally available funds. In the event of the liquidation, dissolution, or winding up of the Company, the holders of our Common Stock will be entitled to share ratably in the net assets legally available for distribution to our shareholders after the payment of all our debts and other liabilities, subject to the prior rights of any series of our preferred stock then outstanding.

The Company will require additional capital to complete its business plan. The Company will seek to acquire the necessary capital through future financings. Management of the Company is not aware of any present efforts of any persons to accumulate Common Stock or to obtain control of the Company, and the proposed increase in authorized shares of Common Stock is not intended to be an anti-takeover device. The amendment is being sought solely to augment liquidity and enhance corporate flexibility.

The holders of our Common Stock have no preemptive or conversion rights or other subscription rights and there are no redemption or sinking fund provisions applicable to our Common Stock. The amendment would not alter or modify any preemptive right of holders of our Common Stock to acquire our shares, which is denied, or effect any change in our Common Stock, other than the number of authorized shares.

The issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. In addition, an issuance of additional shares by us could have an effect on the potential realizable value of a shareholder's investment.

In the absence of a proportionate increase in our earnings and book value, an increase in the aggregate number of our outstanding shares caused by the issuance of the additional shares will dilute the earnings per share and book value per share of all outstanding shares of our Common Stock. If such factors were reflected in the price per share of Common Stock, the potential realizable value of the shareholder's investment could be adversely affected.

The additional Common Stock to be authorized will have rights identical to our currently outstanding Common Stock. Issuance of the Common Stock will not affect the rights of the holders of our currently outstanding Common Stock, except for effects incidental to increasing the number of outstanding shares of our Common Stock, such as dilution of the earnings per share and voting rights of current holders of Common Stock. The amendment will become effective upon filing of a Certificate of Amendment of our Articles of Incorporation with the Secretary of State of Nevada.

The increase in the number of our authorized common shares to 200,000,000 is proposed by our management in order to ensure sufficient reserves of our Common Stock for various capital purposes and to eliminate the need for similar amendments in the near future, which could be costly and time-consuming. Potential uses of the newly authorized shares may include equity financings, acquisition transactions, stock dividends or distributions, without further action by the shareholders, unless such action were specifically required by applicable law or rules of any stock exchange or similar system on which our securities may then be listed.
