vote at the meeting.

WHAT CONSTITUTES A "QUORUM" FOR THE ANNUAL MEETING?

One-third of the outstanding shares of the Company common stock entitled to vote at the annual meeting, present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the annual meeting. You will be considered part of the quorum if you have voted by proxy. Abstentions, broker non-votes and votes withheld from director nominees count as "shares present" at the annual meeting for purposes of determining a quorum. However, abstentions and broker non-votes do not count in the voting results. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular item because the broker or nominee does not have discretionary authority for that item and has not received instructions from the owner of the shares.

HOW MANY VOTES ARE REQUIRED?

- o Directors nominees are elected by a plurality of the votes cast in person or by proxy, provided that a quorum is present at the Meeting.
- o The ratification of the director's selection of Deloitte Kft. as the Company's independent auditors will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting.

WHO PAYS FOR THE SOLICITATION OF PROXIES?

The Company will pay the cost of preparing, printing and mailing material in connection with this solicitation of proxies. We will, upon request, reimburse brokerage firms, banks and others for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

WHEN ARE STOCKHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING DUE?

Any stockholder proposals for the 2007 annual meeting must be received by us, directed to the attention of the Company's secretary, Ms. Robin Ann Gorelick, Euroweb International Corp., 468 North Camden Drive, Suite 256(I), Beverly Hills, California 90210, USA, no later than December 15, 2006. Specific due dates for such reports have been established by the Commission and the Company is required to disclose in this Proxy Statement any failure to file reports by such dates during fiscal 2003. Based solely on its review of the copies of such reports received by it, or written representations from certain reporting persons that no Forms 5 were required for such persons, the Company believes that during the fiscal year ended December 31, 2005, there was no failure to comply with Section 16(a) filing requirements applicable to its officers, directors and ten percent stockholders.

EMPLOYMENT AND MANAGEMENT AGREEMENTS

The Company entered into a six-year agreement with its Chief Executive Officer and Director, Csaba Toro on October 18, 1999, which commenced January 1, 2000, and provided for an annual compensation of \$96,000. The agreement was amended in 2004 and 2005. The amended agreement provides for an annual salary of \$200,000 and a bonus of up to \$150,000 in 2005, and an annual salary of \$200,000 and a bonus of up to \$150,000 in 2006, 2007 and 2008, as well as an annual car allowance of \$30,000 for the same period. On May 24, 2006, we entered into a Severance Agreement with Mr. Toro in order to define the severance relationship between the two parties. In consideration for Toro agreeing to relinquish and release all rights and claims under the Employment Agreement including the payment of his annual salary, we agreed to pay Toro \$750,000. In addition, Toro has submitted his resignation as Chief Executive Officer and as a director of the Company effective June 1, 2006.

The Company has entered into a two-year employment agreement with Moshe Schnapp as President and Director of the Company starting from April 15, 2005, which grants an annual compensation of \$250,000 to be paid in the form of Euroweb shares of common stock. The number of shares to be received by Mr. Schnapp is calculated based on the average closing price 10 days prior to the commencement of each employment year. For the year ended April 14, 2006, Mr. Schnapp will receive 82,781 Euroweb shares of common stock from which 58,968 were issued in January 2006. For the year ended April 14, 2007, Mr. Schnapp will receive an additional 76,103 Euroweb shares of common stock.

Mr. Schnapp's employment agreement mentioned above further provides that, if employment is terminated other than for willful breach by the employee, for cause or in event of a change in control of the Company, then the employee has the right to terminate the agreement. In the event of any such termination, the employee will be entitled to receive the payment due on the balance of his employment agreement.

Mr. Schnapp has advised the Company that he intends to resign as the President and a director after the annual meeting. The Company will pay Mr. Schnapp for time served as per his employment agreement, without any compensation for early termination.

Effective July 1, 2006, the Company entered into a five-year employment agreement with Yossi Attia as the President of ERC which commenced on July 1,

2006 and provides for annual compensation of \$240,000 and an annual bonus of not less than \$120,000 per year, as well as an annual car allowance for the same period. Mr. Attia will be entitled to a special bonus equal to 10% of the EBITDA of ERC (the "Special Bonus"), which such bonus is payable in shares of common stock of the Company; provided, however, the Special Bonus is only payable in the event that Mr. Attia remains continuously employed by ERC and Mr. Attia shall not have sold shares of common stock of the Company on or before the payment date of the Special Bonus unless such shares were received in connection with the exercise of an option that was scheduled to expire within one year of the date of exercise.

Mr. Attia's employment agreement mentioned above further provides that, if employment is terminated other than for wilful breach by the employee, for cause or in event of a change in control of the Company, then Mr. Attia has the right to terminate the agreement. In the event of any such termination, Mr. Attia will be entitled to receive the payment due on the balance of his employment agreement

The Company has no pension or profit sharing plan or other contingent forms of remuneration with any officer, director, employee or consultant, although bonuses are paid to some individuals.

DIRECTOR COMPENSATION

Directors who are also officers of our company are not separately compensated for their services as a director. Directors who are not officers receive cash compensation for their services: \$40,000 per year and an additional \$5,000 if they sit on a committee and an additional \$5,000 if they sit as the head of such committee. Non-employee directors are reimbursed for their expenses incurred in connection with attending meetings of the Board or any committee on which they serve and are eligible to receive awards under our 1993 Stock Option Plan.

STOCK OPTION PLAN

The Company's 1993 Stock Option Plan (the "Plan") permits the grant of options to employees of the Company, including officers and directors, who are serving in such capacities. An aggregate of 134,000 shares of Common Stock are authorized for issuance under the Plan. At December 31, 2004, options for 46,000 Common Stock were outstanding and exercisable under the Plan. The Plan provides that qualified and non-qualified options may be granted to officers, directors, employees and consultants to the Company for the purpose of providing an incentive to those persons to work for the Company.

2004 INCENTIVE PLAN

General

The 2004 Incentive Plan was adopted by the Board of Directors. The Board of Directors has reserved 1,200,000 shares of Common Stock for issuance under the 2004 Incentive Plan. We are presently seeking stockholder approval for the increase of the number of shares issuable under the 2004 Incentive plan to 1,200,000. Under the Plan, options may be granted which are intended to qualify as Incentive Stock Options ("ISOs") under Section 422 of the Internal Revenue Code of 1986 (the "Code") or which are not ("Non-ISOs") intended to qualify as Incentive Stock Options thereunder.

The 2004 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify as an "employee stock purchase plan" under

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The 2004 Incentive Plan is not a qualified deferred compensation plan under Section 401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Purpose

The primary purpose of the 2004 Incentive Plan is to attract and retain the best available personnel for the Company in order to promote the success of the Company's business and to facilitate the ownership of the Company's stock by employees.

Administration

The 2004 Incentive Plan is administered by the Company's Board of Directors, as the Board of Directors may be composed from time to time. All questions of interpretation of the 2004 Incentive Plan are determined by the Board, and its decisions are final and binding upon all participants. Any determination by a majority of the members of the Board of Directors at any meeting, or by written consent in lieu of a meeting, shall be deemed to have been made by the whole Board of Directors.

Notwithstanding the foregoing, the Board of Directors may at any time, or from time to time, appoint a committee (the "Committee") of at least two members of the Board of Directors, and delegate to the Committee the authority of the Board of Directors to administer the Plan. Upon such appointment and delegation, the Committee shall have all the powers, privileges and duties of the Board of Directors, and shall be substituted for the Board of Directors, in the administration of the Plan, subject to certain limitations.

Members of the Board of Directors who are eligible employees are permitted to participate in the 2004 Incentive Plan, provided that any such eligible member may not vote on any matter affecting the administration of the 2004 Incentive Plan or the grant of any option pursuant to it, or serve on a committee appointed to administer the 2004 Incentive Plan. In the event that any member of the Board of Directors is at any time not a "disinterested person", as defined in Rule 16b-3(c)(3)(i) promulgated pursuant to the Securities Exchange Act of 1934, the Plan shall not be administered by the Board of Directors, and may only be administered by a Committee, all the members of which are disinterested persons, as so defined.

Eligibility

Under the 2004 Incentive Plan, options may be granted to key employees, officers, directors or consultants of the Company, as provided in the 2004 Incentive Plan.

Terms of Options

The term of each Option granted under the Plan shall be contained in a stock option agreement between the Optionee and the Company and such terms shall be determined by the Board of Directors consistent with the provisions of the Plan, including the following:

9

- (a) PURCHASE PRICE. The purchase price of the Common Shares subject to each ISO shall not be less than the fair market value (as set forth in the 2004 Incentive Plan), or in the case of the grant of an ISO to a Principal Stockholder, not less than 110% of fair market value of such Common Shares

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

at the time such Option is granted. The purchase price of the Common Shares subject to each Non-ISO shall be determined at the time such Option is granted, but in no case less than 85% of the fair market value of such Common Shares at the time such Option is granted.

- (b) VESTING. The dates on which each Option (or portion thereof) shall be exercisable and the conditions precedent to such exercise, if any, shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted.
- (c) EXPIRATION. The expiration of each Option shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted; however, unless otherwise determined by the Board of Directors at the time such Option is granted, an Option shall be exercisable for ten(10) years after the date on which it was granted (the "Grant Date"). Each Option shall be subject to earlier termination as expressly provided in the 2004 Incentive Plan or as determined by the Board of Directors, in its discretion, at the time such Option is granted.
- (d) TRANSFERABILITY. No Option shall be transferable, except by will or the laws of descent and distribution, and any Option may be exercised during the lifetime of the Optionee only by him. No Option granted under the Plan shall be subject to execution, attachment or other process.
- (e) OPTION ADJUSTMENTS. The aggregate number and class of shares as to which Options may be granted under the Plan, the number and class shares covered by each outstanding Option and the exercise price per share thereof (but not the total price), and all such Options, shall each be proportionately adjusted for any increase decrease in the number of issued Common Shares resulting from split-up spin-off or consolidation of shares or any like Capital adjustment or the payment of any stock dividend.

Except as otherwise provided in the 2004 Incentive Plan, any Option granted hereunder shall terminate in the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation of the Company. However, the Optionee shall have the right immediately prior to any such transaction to exercise his Option in whole or in part notwithstanding any otherwise applicable vesting requirements.

- (f) TERMINATION, MODIFICATION AND AMENDMENT. The 2004 Incentive Plan (but not Options previously granted under the Plan) shall terminate ten (10) years from the earlier of the date of its adoption by the Board of Directors or the date on which the Plan is approved by the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Company entitled to vote thereon, and no Option shall be granted after termination of the Plan. Subject to certain restrictions, the Plan may at any time be terminated and from time to time be modified or amended by the affirmative vote of the holders of a majority of the outstanding shares of the capital stock of the Company present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Delaware.

FEDERAL INCOME TAX ASPECTS OF THE 2004 INCENTIVE PLAN

THE FOLLOWING IS A BRIEF SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE PURCHASE OF SHARES UNDER THE 2004 INCENTIVE PLAN. THIS SUMMARY DOES NOT PURPORT TO BE COMPLETE AND DOES NOT ADDRESS THE FEDERAL INCOME TAX CONSEQUENCES TO TAXPAYERS WITH SPECIAL TAX STATUS. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE, AND DOES NOT DISCUSS ESTATE, GIFT OR OTHER TAX CONSEQUENCES OTHER THAN INCOME TAX CONSEQUENCES. THE COMPANY ADVISES EACH PARTICIPANT TO CONSULT

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

HIS OR HER OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE 2004 Incentive Plan AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.

The 2004 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify under the provisions of Sections 421, 422 and 423 of the Code. Under these provisions, no income will be recognized by a participant prior to disposition of shares acquired under the 2004 Incentive Plan.

If the shares are sold or otherwise disposed of (including by way of gift) more than two years after the first day of the offering period during which shares were purchased (the "Offering Date"), a participant will recognize as ordinary income at the time of such disposition the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price of the shares or (b) 15% of the fair market value of the shares on the first day of the offering period. Any further gain or loss upon such disposition will be treated as long-term capital gain or loss. If the shares are sold for a sale price less than the purchase price, there is no ordinary income and the participant has a capital loss for the difference.

If the shares are sold or otherwise disposed of (including by way of gift) before the expiration of the two-year holding period described above, the excess of the fair market value of the shares on the purchase date over the purchase price will be treated as ordinary income to the participant. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gift of the shares is made. The balance of any gain or loss will be treated as capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held more than one year.

In the case of a participant who is subject to Section 16(b) of the Exchange Act, the purchase date for purposes of calculating such participant's compensation income and beginning of the capital gain holding period may be deferred for up to six months under certain circumstances. Such individuals should consult with their personal tax advisors prior to buying or selling shares under the 2004 Incentive Plan.

10

The ordinary income reported under the rules described above, added to the actual purchase price of the shares, determines the tax basis of the shares for the purpose of determining capital gain or loss on a sale or exchange of the shares.

The Company is entitled to a deduction for amounts taxed as ordinary income to a participant only to the extent that ordinary income must be reported upon disposition of shares by the participant before the expiration of the two-year holding period described above.

Restrictions on Resale

Certain officers and directors of our company may be deemed to be "affiliates" of our company as that term is defined under the Securities Act. The Common Stock acquired under the 2004 Incentive Plan by an affiliate may be reoffered or resold only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or another exemption from the registration requirements of the Securities Act.

ANNEX 1

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Membership and role of the Audit Committee

The Audit Committee of the board of directors reviews the internal accounting procedures of the company and consults with and reviews the services provided by our independent accountants. During 2005, the audit committee consisted of Messrs. Stewart Reich, Yossi Attia and Ilan Kenig. Mr. Gerald Schaffer was appointed an independent member of the Audit Committee on June 22, 2006 and Mr. Attia resigned from the audit committee upon becoming the CEO of Euroweb RE Corp, our wholly owned subsidiary.

As at December 31, 2005, a majority of the members of the Audit Committee (Messrs. Reich, Kenig and Attia) were "independent" for purposes of the National Association of Securities Dealers' listing standards. The Audit Committee operates under a written charter adopted by the Board of Directors which is included in the Company's Proxy Statement dated April 18, 2001.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles and to issue a report thereon. The Committee monitors these processes.

Review of the Company's audited financial statements for the fiscal year ended December 31, 2005

In this context, the Committee met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee reviewed

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Committee discussed with the independent auditors the auditors' independence from the Company and its management, and the independent auditors provided to the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Audit Fees

Audit Fees. The aggregate fees billed by KPMG Hungaria Kft. ("KPMG"), our former auditors, for professional services rendered for the audit of the Company's annual financial statements for the years ended December 31, 2005 and 2004, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-QSB during the fiscal years were \$192,000 and \$217,000, respectively.

Audit related fees: In 2004, KPMG fees for the audit of the 2003 US GAAP financial statements of Euroweb Hungary Rt. (for 8-K filing purposes) was \$18,750 and fees for the restatement of the Company's 2003 financial statements to reflect the "as-if" pooling of Euroweb Hungary Rt. for purposes of the SB-2 filing was \$37,000. There were no audit related fees in 2003. Deloitte Kft. provided an audit opinion for the financial statements of ELENDR Business Communications Services Ltd. ("Elender") for the years ended December 31, 2003 and 2002, which was acquired by the Company on June 9, 2004. In addition, Deloitte Kft. has provided consents for the inclusion of its report on Elender's financial statements in a registration statement initially filed by the Company on July 26, 2004 and amended on September 8, 2004, December 23, 2004 and February 10, 2005. The aggregate fees paid to Deloitte Kft. were \$56,000, which were paid in 2004.

All Other Fees. The aggregate fees billed by KPMG for services rendered to the Company, other than the services covered in "Audit Fees" and "Audit related fees" and for the fiscal years ended December 31, 2004 and 2003 were \$124,600 and EUR 33,000. - The 2004 fees relate to the SB-2 registration statement costs (\$123,000), and miscellaneous tax advice (\$1,600) provided during the course of 2004. The 2003 fees relate to assistance provide to Euroweb Romania in connection with the Tax Authority Review on VAT.

For the fiscal year ended December 31, 2004 Deloitte rendered no information technology services to the Company relating to financial systems design and implementation, and no fees were billed by Deloitte to the Company for any such services.

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

The Board of Directors has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

Auditor Independence

The Audit Committee has considered whether, and has determined that, the provision of services described under "All Other Fees" was compatible with maintaining the independence of Deloitte as the Company's principal accountants.
