(1) Does not include 100,000,000 shares of common stock issuable, under certain conditions, upon exercise of warrants held by Wood River Trust (the "May Warrants"). The May Warrants provide that, with certain limited exceptions, they are not exercisable if such exercise would result in the holder beneficially owning in excess of 4.99% of the outstanding shares of common stock of the issuer on such date. As a result of the restrictions described in the immediately preceding sentence and the other securities which Wood River Trust may be deemed beneficially to own, as of May 15, 2007, the May Warrants were not exercisable. If not for the 4.99% limit, the Reporting Person could be deemed
