PROXY STATEMENT

This Proxy Statement contains information related to the Special Meeting (the "Meeting") of shareholders of Global Med Technologies, Inc., a Colorado corporation (the "Company"), to be held on Wednesday, November 12, 2008, at 3:00 p.m., Central time, at VASCO Data Security International, Inc., 1901 S. Meyers Road, Suite 210, Oakbrook Terrace, Illinois 60181, and any postponements or adjournments thereof. The Company is making this proxy solicitation. It is anticipated that this Proxy Statement and the enclosed proxy card (the "Proxy") will be sent to the Company's shareholders on or about October 14, 2008.

ABOUT THE MEETING

What is the purpose of the Meeting?

At the Meeting, shareholders will act upon the matters outlined in the "Notice of Special Meeting," which appears as the cover page of this Proxy Statement, including (1) the election of two Class I Directors, two Class II Directors and one Class III Director, (2) the approval of an amendment to the Company's Amended and Restated Articles of Incorporation to permit shareholders to take action by less than unanimous written consent, (3) the ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC ("Ehrhardt Keefe") as the Company's independent registered public accounting firm for the current fiscal year and (4) any other matters that may properly come before the Meeting or any postponement or adjournment thereof.

Who is entitled to vote?

Only shareholders of record on the close of business on October 1, 2008 (the "Record Date"), are entitled to receive notice of the Meeting and to vote the shares of common stock of the Company, par value \$0.01 per share ("Common Stock"), and shares of Series A Convertible Preferred Stock, par value \$0.01 per share ("Series A Preferred Stock"), that they held on the Record Date at the Meeting, or any postponements or adjournments thereof. The holders of the Common Stock and Series A Preferred Stock may vote on all matters presented to the Meeting and will vote together as a class. Each outstanding share of Common Stock entitles the holder to one vote. Each outstanding share of Series A Preferred Stock (on an as converted basis as described below) entitles the holder to the number of votes equal to the number of shares of Common Stock issuable upon conversion of the Series A Preferred Stock as of the Record Date. Each share of Series A Preferred Stock is convertible into approximately 1,388 shares of Common Stock (assuming that fractional shares are paid in cash by the Company). The terms of the Company's Series A Preferred Stock further provide that no holder of Series A Preferred Stock may have aggregate voting rights, on an as converted basis, in excess of 9.99% of the then issued and outstanding shares of Common Stock (including shares of Common Stock beneficially owned by such holder). As of the Record Date, there were 32,219,714 shares of Common Stock and 7,100 shares of Series A Preferred Stock outstanding. On an as converted basis, the holders of Series A Preferred Stock are entitled to cast votes equivalent to an aggregate of 3,576,293 shares of Common Stock. Accordingly, there are a total of 35,796,007 shares entitled to vote. For information regarding security ownership by management and by 5% or greater shareholders, see "Security Ownership of Certain Beneficial Owners and Management of the Company," below.

Who can attend the Meeting?

All shareholders of the Company as of the Record Date, or their duly appointed proxies, may attend the Meeting. Seating, however, is limited. Admission to the meeting will be on a first-come, first-serve basis. Registration will begin at 2:00 p.m., and seating will begin at 2:30 p.m. Each shareholder may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the Meeting.

What constitutes a quorum?

One-third of the outstanding shares entitled to vote, represented in person or by proxy, constitutes a quorum for the Meeting.

How do I vote by proxy?

Follow the instructions on the enclosed Proxy Card to vote on each proposal to be considered at the Meeting. Sign and date the Proxy Card and mail it back to the Company in the enclosed envelope. If you own shares of Common Stock as of the Record Date then you may also vote with respect to those shares by Internet or telephone as described in the Voting Instruction Form. The proxy holders named on the Proxy Card will vote your shares as you instruct. If you sign and return the Proxy Card but do not vote on a proposal, the proxy holders will vote for you on that proposal.

What if I do not specify how my shares are to be voted?

For “Proposal No. 1 - Election of Directors”, if you submit a proxy but do not indicate any voting instructions, your shares will be voted in accordance with the recommendations of the Company’s Board of Directors (the “Board”).

For “Proposal No. 2 – Amendment of Amended and Restated Articles of Incorporation”, if you submit a proxy but do not indicate any voting instructions, your shares will be counted as a vote against the amendment of the Company’s Amended and Restated Articles of Incorporation.

For “Proposal No. 3 – Ratification of Selection of Independent Registered Public Accounting Firm For Fiscal 2008”, if you submit a proxy but do not indicate any voting instructions, your shares will be counted as a vote for the ratification of the selection of Ehrhardt Keefe as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2008.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your Proxy Card, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Meeting in person and so request, although attendance at the Meeting will not by itself revoke a previously granted proxy.

What if other matters come up at the Meeting?

The matters described in this Proxy Statement are the only matters we know will be voted on at the Meeting. If other matters are properly presented at the Meeting, the proxy holders will vote your shares as they see fit.

Can I vote in person at the Meeting rather than by completing the Proxy Card?

Although we encourage you to complete and return the Proxy Card to ensure that your vote is counted, you can attend the Meeting and vote your shares in person.

What do I do if my shares are held in “street name”?

If you hold your shares in “street name” through a broker or other nominee, and you do not tell the nominee by November 11, 2008, how to vote your shares, the nominee can vote them as it sees fit only on matters that are determined to be routine, and not on any other proposal. If you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes,” however, will be counted in determining whether there is a quorum. If you hold your shares in street name, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date and check in at the registration desk at the Meeting. If you intend to vote your street name shares in person at the Meeting, you will need to obtain a “Legal Proxy” from your brokerage firm.

How are votes counted?

We will hold the Meeting if holders of one-third of the total shares of Common Stock and Series A Preferred Stock (on an as converted basis) entitled to vote either sign and return their Proxy Cards or attend the Meeting. If you sign and return your Proxy Card, your shares will be counted to determine whether the Company has a quorum even if you abstain or fail to vote on any of the proposals listed on the Proxy Card.

2

Who pays for this proxy solicitation?

The Company will pay all the costs of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card, and any additional solicitation materials furnished to shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. In addition to sending you these materials, some of the Company's employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this.

What vote is required to approve each item?

Election of Directors. At the Meeting, five director-nominees are standing for election to the Board. Two director-nominees are standing for election to the Board as Class I Directors to serve for a term of three years, two director-nominees are standing for election to the Board as Class II Directors to serve for a term of two years and one director-nominee is standing for election to the Board as a Class III Director to serve for a term of one year. Each director-nominee will serve on the Board until their successors are duly elected and qualified. Director-nominees will be elected by a plurality of the votes cast by holders of the Common Stock and Series A Preferred Stock (on an as converted basis), voting together as a class, represented in person or by proxy at the Meeting. This means that the director-nominees will be elected if they receive more affirmative votes cast by holders of the Company's Common Stock and Series A Preferred Stock (on an as converted basis) than any other person. A properly executed proxy marked "Withheld" with respect to the election of any director-nominee will not be voted with respect to such director-nominee indicated, although it will be counted for purposes of determining whether there is a quorum.

Amendment to Amended and Restated Articles of Incorporation. For the approval of an amendment to the Company's Amended and Restated Articles of Incorporation to permit shareholders to take action by less than unanimous written consent, the affirmative vote of a majority, as of the Record Date, of the outstanding shares of Common Stock and Series A Preferred Stock (on an as converted basis) voting together as a single class will be required. A properly executed proxy marked "Abstain" with respect to such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Ratification of Selection of Independent Registered Public Accounting Firm for Fiscal 2008. The affirmative vote of a majority of shares of Common Stock and Series A Preferred Stock (on an as converted basis), present in person or represented by proxy and voted at the Meeting, will be required for the ratification of Ehrhardt Keefe Steiner & Hottman PC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008. A properly executed proxy marked "Abstain" with respect to such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Other Matters. For most other matters that properly come before the Meeting, the affirmative vote of a majority of shares of Common Stock and Series A Preferred Stock (on an as converted basis), present in person or represented by proxy and voted at the Meeting, will be required. With respect to certain matters that may come before the Meeting a separate class vote of the Series A Preferred Stock may be required. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- **For** the election of the five director-nominees that the Board has recommended;
- **For** the approval of an amendment to the Company's Amended and Restated Articles of Incorporation to permit shareholders to take action by less than unanimous written consent; and
- **For** the ratification of Ehrhardt Keefe Steiner & Hottman PC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

SHAREHOLDER PROPOSALS
PROPOSAL NO. 1 - ELECTION OF DIRECTORS

General

A Board of five directors is to be elected at the Meeting. The Company's Amended and Restated Articles of Incorporation provide that the Board shall be divided into three classes of directors and that the members of each class of directors will be elected to serve staggered three-year terms. Under the Company's Bylaws, members of the Board are elected at an annual or special meeting of shareholders. Directors are elected by a plurality of the votes cast by holders of the Common Stock and Series A Preferred Stock (on an as converted basis), voting together as a class, represented in person or by proxy at the Meeting. A director serves in office until his or her respective successor is duly elected and qualified or until his or her earlier death or resignation.

Directors Standing for Election

The terms of all classes of directors have expired since the last meeting of shareholders and therefore it is necessary to elect directors for all three classes at the Meeting. The Company intends that at each subsequent annual meeting, directors will be elected to succeed those directors whose terms then expire, and each person so elected will serve for a three-year term. The nominees for Class I Director to serve for a three-year term expiring in 2011 are Michael I. Ruxin, M.D. and Thomas F. Marcinek. The nominees for Class II Director to serve for a two-year term expiring in 2010 are Robert R. Gilmore and Sarah L. Eames. The nominee for Class III Director to serve for a one-year term expiring in 2009 is T. Kendall Hunt. All of the nominees for director currently serve as members of the Board.

In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Meeting, the proxies will be voted for any nominee who shall be designated by the present Board to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director. BOARD OF DIRECTORS

Communications with the Board of Directors

Shareholders and other interested parties can communicate with the Board by mailing their communications to: Board of Directors, Global Med Technologies, Inc., 12600 West Colfax, Suite C-420, Lakewood, Colorado 80215.

Meetings

The Board held eight meetings during the Company's fiscal year ended December 31, 2007. Although the Company does not have a formal policy regarding attendance by members of the Board at its annual meeting, the Company encourages directors to attend, but recognizes that circumstances may prevent attendance from time to time. The Company did not hold an annual meeting last year.

Committees of the Board of Directors

Nominating Committee. The Board does not currently have a Nominating Committee. The Board believes that such committee is not necessary at this time because the Board believes that at the present time the full Board should approve all nominations to the Board. The Board does not have an express policy with regard to the consideration of director candidates recommended by the Company's shareholders because the Board believes it can adequately evaluate any such nominees on a case-by-case basis. The Board will consider director candidates proposed in accordance with the procedures set forth below under "Shareholder Proposals to be Presented at Next Annual Meeting," and will evaluate shareholder-recommended candidates under the same criteria as internally generated candidates. Although the Board does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria, as would the ability to attend and prepare for director and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on the Board.

Audit Committee. The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information which is provided to the Company's shareholders and others, the systems of internal controls which management and the Board have established, and the audit process. The Audit Committee consists of Mr. Gilmore, Ms. Eames and Mr. Hunt. Each of the members of the Audit Committee joined the Audit Committee on March 31, 2006. Mr. Gilmore serves as Chairman of the Committee and the Board has determined that Mr. Gilmore is an "audit committee financial expert" as defined by Item 407 of Regulation S-K of the Securities Act of 1933, as amended (the "Securities Act"). The members of the Audit Committee met four times during the 2007 fiscal year. All of the Audit Committee's members are considered independent. A current copy of the Audit Committee charter, which the Board has adopted, is available on the Company's website at www.globalmedtech.com. A copy of the Audit Committee charter may also be obtained, free of charge, by writing to the Corporate Secretary of Global Med Technologies, Inc., 12600 West Colfax, Suite C-420, Lakewood, Colorado 80215.

Compensation Committee. The Compensation Committee is responsible for establishing the Company's executive officer compensation policies and administering such policies. The Compensation Committee studies, recommends and implements the amount, terms and conditions of payment of certain forms of compensation. The Company's executive officers do not play a role in determining or recommending the amount or form of executive or director compensation. The Company and the Compensation Committee has engaged Denver Management Advisors, Inc., a compensation consulting firm, to provide guidance with respect to the compensation of the Company's executive officers and directors. The Compensation Committee consists of Ms. Eames, Mr. Gilmore and Mr. Hunt. The members of the Compensation Committee met twice during the 2007 fiscal year. Ms. Eames serves as Chairperson of the Committee. The Compensation Committee does not have a written charter.

Compensation Committee Interlocks and Insider Participation

Dr. Ruxin, the Company's Chairman and Chief Executive Officer, and Mr. Marcinek, the Company's President, Chief Operating Officer and a director were members of the Compensation Committee until October 26, 2007. As members of the Compensation Committee, they participated in deliberations with the Board concerning executive officer compensation. The employment agreements of Dr. Ruxin and the Company's other named executive officers are determined and approved by the Board. The Compensation Committee currently consists of Ms. Eames, Mr. Gilmore and Mr. Hunt who are each independent directors.

Code of Ethics

The Board has adopted a formal code of ethics that applies to all of the Company's employees, officers and directors. The Code of Ethics was filed as Exhibit 10.72 to the Company's Form S-1 Registration Statement filed with the SEC on December 6, 2004. A current copy of the Code of Ethics is available on the Company's website at www.globalmedtech.com. A copy of the Code of Ethics may also be obtained, free of charge, by writing to the Corporate Secretary of Global Med Technologies, Inc., 12600 West Colfax, Suite C-420, Lakewood, Colorado 80215.

Director Independence

Ms. Eames, Mr. Gilmore and Mr. Hunt are independent directors.

Director Compensation

During the Company's 2007 fiscal year, the Company paid its non-employee directors, who are not also employees of the Company, a fee of \$1,000 for each Board meeting they attended. The non-employee members of the Board also received stock option grants valued at \$25,000 based on the underlying value of the Company's Common Stock. In addition, the chairs of the Audit Committee and the Compensation Committee each received option grants valued at \$5,000 based on the underlying value of the Company's Common Stock. These options vest ratably on a monthly basis over a one-year period. The following table sets forth summary information concerning the total compensation paid to the Company's non-employee directors in 2007 for services to the Company:

Name	Fees Earned or Paid in Cash (\$)	Options Awards (\$)	Total (\$)
Robert R Gillmore	\$ 8,000	\$ 30,000	\$ 38,000

Legal Proceedings

In September 2002, the Company filed a lawsuit against Donnie L. Jackson, Jr., the Company's former Vice President of Sales and Marketing. The Company alleges, among other things, that prior to his resignation in July 2002 Mr. Jackson misappropriated certain trade secrets of the Company. After leaving the Company, Mr. Jackson became a management employee of one of the Company's competitors. On March 30, 2005, the Superior Court of the State of California in and for the County of El Dorado granted the motion for summary judgment for Donnie L. Jackson, Jr. On September 1, 2005, the Company deposited \$1.004 million with the Superior Court in the State of California in the County of El Dorado. This deposit represents potential fees and attorneys' costs the Company could be required to pay in the event the Company did not prevail on appeal. The \$1.004 million is classified as a "Deposit in escrow" on the Company's balance sheets as of December 31, 2007 and June 30, 2008. Based on external evidence and the advice of legal counsel, the Company determined that it was more likely than not that the Company would be required to pay the \$1.004 million. As a result, the Company expensed the amount of the "Deposit in escrow" and set up a liability for \$1.004 million. On December 2006, the summary judgment was reversed by the California Court of Appeals and the matter was remanded to the trial court. In May 2007, the \$1.004 million Deposit in escrow was returned to the Company along with \$80 thousand in accrued interest.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT OF THE COMPANY

The following table presents certain information regarding the beneficial ownership of shares of Common Stock at October 1, 2008 for each executive officer and director of the Company and for each person known to us who owns beneficially more than 5% of the outstanding shares of the Company's Common Stock. Percentage of beneficial ownership is based on 32,219,714 shares of Common Stock outstanding as of October 1, 2008. The 2001 Plan provided for the issuance of options to purchase up to 15 million registered shares of Common Stock to employees, officers, directors and consultants of the Company. Effective in June 2003, the total number of shares of Common Stock approved for issuance under the 2001 Plan as authorized by the Board was reduced from 15 million to 10 million. The 2003 Plan provides for the issuance of stock options exercisable to purchase up to 5 million shares of the Company’s Common Stock to employees, officers, directors and consultants. The Board of Directors also approved the inclusion of options to purchase approximately 4.707 million shares under the 2003 Plan that were issued to such persons prior to the adoption of the 2003 Plan and lacked registration rights. The Company filed a Form S-8 Registration Statement to register the 5 million shares issuable under the 2003 Plan on May 20, 2004. As of December 31, 2007 there were options to purchase approximately 3.721 million shares outstanding under this plan with exercise prices ranging from \$0.45 to \$1.50 per share. The weighted- average exercise price of these options is \$0.68. All of these options were exercisable as of December 31, 2007.

The Second Amended and Restated Stock Option Plan (the “Plan”) provides for the issuance of options to purchase up to 2.2 million registered shares of Common Stock to employees, officers, directors and consultants of the Company. Options may be granted as incentive stock options or as nonqualified stock options. Only employees of the Company are eligible to receive incentive stock options. As of May 31, 2000, options could no longer be issued under this Plan. As of December 31, 2007, options to purchase 637,000 shares of the Company’s Common Stock at a weighted average exercise price of \$0.80 per share were outstanding under the Plan, of which all of these options to purchase shares were exercisable at December 31, 2007.

The Company also pays the premium on a life insurance policy for Dr. Ruxin with a death benefit of \$1,000,000 of which the Company is the owner and beneficiary. Dr. Ruxin is also entitled to receive a disability policy equal to his base salary.

In the event of Dr. Ruxin's death, temporary or permanent disability or resignation, Dr. Ruxin would be entitled to receive all compensation and benefits through the date of termination.

In addition, provided that Dr. Ruxin was employed by the Company on the last day of each applicable fiscal year, Dr. Ruxin would be entitled to receive a lump sum cash amount equal to any accrued but unpaid incentive compensation for the previous fiscal year.

On November 4, 2002, the Company entered into an Employment Agreement with Thomas F. Marcinek that provides for a five year employment term commencing on November 2, 2003 and ending on November 2, 2008. The employment agreement provides for an initial annual base salary of \$175,000. The employment agreement also provides that Mr. Marcinek's salary shall be reviewed on an annual basis and if his performance is deemed satisfactory, he may receive a minimum 7.5% cost of living increase. In addition, Mr. Marcinek shall be eligible for a performance increase. The employment agreement further provides that Mr. Marcinek may also be entitled to receive incentive compensation of up to 50% of his base salary. Mr. Marcinek is also entitled to participate in all of the Company's employee benefit plans and employee benefits and the Company is to pay the premiums for health and dental insurance for Mr. Marcinek and his family. Mr. Marcinek is also to be provided with a car allowance of \$450 per month. Following the termination of the employment agreement by the Company for any reason other than cause, death, or the temporary or permanent disability of Mr. Marcinek, Mr. Marcinek shall be entitled to compensation and benefits for 24 months following the date of termination or the remainder of the contract, whichever is less.

The employment agreement also provided for the grant to Mr. Marcinek of an option to purchase 500,000 shares of the Company's Common Stock. This option has an exercise price of \$0.58 per share. The option is fully vested.

On December 16, 2005, the Company issued Mr. Marcinek an option to purchase 250,000 shares of Common Stock at an exercise price of \$1.15 per share, the fair market value on the date of grant, all of which vested immediately.

The Compensation Committee is responsible for recommending the salary and other incentive compensation for executive officers. For the year ended December 31, 2007, the Compensation Committee recommended certain bonus levels for the Company's executive officers that were based on achieving certain revenue and pre-tax income targets. Based on the recommendations of the Compensation Committee and the approval of the Board, Dr. Ruxin, Mr. Marcinek, and Mr. Craig received cash bonuses of approximately \$102,000, \$73,000, and \$23,000, respectively, based on the Company's operating results for 2007.

The Company is currently in negotiations with Mr. Marcinek with respect to the renewal of his employment agreement. The Company anticipates that Mr. Marcinek's base salary under the agreement will be \$285,500.

Certain Relationships and Related Transactions

The Board has adopted resolutions that no business transaction, loan or advance will be made by the Company to any officer, director or holder of more than 5% of the Company's Common Stock, or any affiliate thereof, unless it has been established that a bona fide business purpose exists, that all future transactions between the Company and its officers, directors, or principal shareholders, or any affiliate of any of such person, must be approved or ratified by a majority of the disinterested directors of the Company, and the terms of such transaction must be no less favorable to the Company than could have been realized by the Company in an arms-length transaction with an unaffiliated person. The Company believes that all ongoing transactions with the Company's affiliates are on terms no less favorable than could be obtained from unaffiliated third parties.

The Board adopted a resolution in July 1996 that provides that the areas of business in which the Company shall be interested for the purpose of the doctrine of corporate opportunities shall be the business of information management software products and services. Any business opportunity which falls within such areas of interest must be brought to the attention of the Company for acceptance or rejection prior to any officer or director of the Company taking advantage of such opportunity. Any business opportunity outside such areas of interest may be entered into by any officer or director of the Company without the officer or director first offering the business opportunity to the Company.

The following Directors are independent: T. Kendall Hunt, Sarah L. Eames, and Robert R. Gilmore. Michael I. Ruxin, the Company's Chairman and Chief Executive Officer, and Thomas R. Marcinek, the Company's President and Chief Operating Officer, are not independent.

PROPOSAL NO. 2 – TO APPROVE AN AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED ARTICLES OF INCORPORATION TO PERMIT SHAREHOLDERS TO TAKE ACTION BY LESS THAN UNANIMOUS WRITTEN CONSENT

The purpose of this proposal is to adopt an amendment to the Company’s Amended and Restated Articles of Incorporation to permit the Company’s shareholders to act by less than unanimous written consent.

Overview

The amendment, if approved by the Company’s shareholders, would become effective upon the Company’s filing an amendment to its Amended and Restated Articles of Incorporation with the Colorado Secretary of State which the Company anticipates filing as soon as reasonably practicable after the Meeting. The proposed amendment to the Company’s Amended and Restated Articles of Incorporation is attached as Exhibit A to this Proxy Statement.

For the approval of an amendment to the Company’s Amended and Restated Articles of Incorporation to permit shareholders to take action by less than unanimous written consent, the affirmative vote of a majority, as of the Record Date, of the outstanding shares of Common Stock and Series A Preferred Stock (on an as converted basis) voting together as a single class will be required.

Authorization for Shareholder Action by Written Consent

Historically, the Colorado Business Corporation Act did not permit shareholders to act by written consent in lieu of a meeting of shareholders other than unanimously. In 2005 the Colorado General Assembly revised this prohibition so that, if permitted by its articles of incorporation, a corporation’s shareholders could act by written consent signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a valid meeting of the shareholders of the corporation.

The Company’s Amended and Restated Articles of Incorporation currently do not contain a provision permitting the Company’s shareholders to act by written consent signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a valid meeting of the shareholders of the Company.

The Board believes the authorization for shareholder action by less than unanimous written consent is necessary to provide the Company with the flexibility to act in the future, if the necessity arises, without the delay and expense associated with calling a special meeting of shareholders. Delays in calling a meeting and distributing meeting materials, including notice of a meeting, might deny the Company the flexibility that the Board views as important in facilitating the operations of the Company. This amendment would not relieve the Company of complying with federal and state securities laws with respect to solicitation of votes.

This new provision to the Company’s Amended and Restated Articles of Incorporation would permit the holders of the minimum number of votes that would be necessary to authorize or take action at a valid meeting of the Company’s shareholders to act without a meeting. Thus, the holders of the Company’s securities comprising a majority of the votes outstanding, acting by written consent and without prior notification to the other holders of the Company’s voting securities, could bind the Company to any matter to the same extent to which a majority vote at a shareholder meeting could bind the Company. An adverse effect of this amendment would be to permit the holder or holders of a sufficient number of votes to approve proposals that require shareholder approval without prior notice to the minority shareholders.

Recommendation of the Board

The Board recommends that the Company's shareholders vote "**FOR**" the amendment of the Company's Amended and Restated Articles of Incorporation.

PROPOSAL NO. 3 – RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2008

The Audit Committee has selected Ehrhardt Keefe Steiner & Hottman PC (“Ehrhardt Keefe”) to serve as the Company’s independent registered public accounting firm for its fiscal year ending December 31, 2008. Shareholder ratification of the Audit Committee’s selection of Ehrhardt Keefe is not required by the Company’s bylaws or any other governing documents or laws. As a matter of good corporate governance, the Company is submitting the selection of Ehrhardt Keefe to the Company’s shareholders for ratification. If the Company’s shareholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Ehrhardt Keefe. Even if the selection is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if they determine that such a change would be in the Company’s best interests and those of our shareholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Meeting will be required to ratify the selection of Ehrhardt Keefe. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as votes against the proposal. Broker non-votes are counted toward a quorum, but are not counted for any purpose in determining whether this Proposal has been approved.

The Company has been advised that a representative of Ehrhardt Keefe Steiner & Hottman PC will be present, via teleconference, at the Meeting, will be available to respond to appropriate questions, and will be given an opportunity to make a statement if he or she so desires.

Recommendation of the Board

The Board recommends that the Company’s shareholders vote “**FOR**” the ratification of the selection of Ehrhardt Keefe to serve as the Company’s independent registered public accounting firm for the Company’s fiscal year ending December 31, 2008.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is composed of three independent directors. The Audit Committee operates under a written charter adopted by the Board which is available on the Company's website at www.globalmedtech.com.

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board. The members of the Audit Committee consist of independent directors Robert R. Gilmore, T. Kendall Hunt and Sarah L. Eames. Management is responsible for the Company's financial statements and the financial reporting process, including internal controls. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and Ehrhardt Keefe, the Company's independent auditors. The Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with Ehrhardt Keefe the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). These matters included a discussion of Ehrhardt Keefe's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

Ehrhardt Keefe also provided the Audit Committee with the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with Ehrhardt Keefe that firm's independence.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representation of management and the disclosures by the independent auditors to the Audit Committee, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2007, for filing with the SEC.

The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates the Audit Committee Report by reference therein.

The Audit Committee:

Mr. Robert R. Gilmore (Chairman)

Ms. Sarah L. Eames

Mr. T. Kendall Hunt
