Item 1.01 Entry into a Material Definitive Agreement

On June 22, 2009, Frontier Airlines Holdings, Inc. (“Frontier”) announced that Frontier and its subsidiaries, Frontier Airlines, Inc. and Lynx Aviation, Inc. (together, the “Companies”), have entered into an investment agreement with Republic Airways Holdings Inc. (“Republic”) by which Republic has agreed to serve as equity plan sponsor for the Companies’ plan of reorganization and to purchase 100% of the equity in the reorganized company for \$108.75 million. The investment agreement is subject to bankruptcy court approval and various customary closing conditions and other closing conditions, including (i) the arrangement of financing or a manufacturer back-stop commitment by the Companies for all firm orders for future aircraft deliveries reflected in the Companies’ business plan, (ii) the Companies’ attainment of a collective bargaining agreement amendment, (iii) Republic’s completion by July 12, 2009 of certain tax due diligence matters with results satisfactory to Republic and (iv) the Companies’ finalization of their fleet plan in a manner acceptable to Republic. Republic may terminate the Investment Agreement upon the occurrence of certain events, and, if approved by the bankruptcy court, the Investment Agreement provides for payment by the Companies of a termination fee in an amount of \$3.5 million to Republic in the event of termination of the Investment Agreement by Republic under certain conditions or the bankruptcy court's approval of a person other than Republic as the plan sponsor. The Investment Agreement, if approved by the bankruptcy court, also provides that the Companies shall reimburse Republic up to a maximum of \$350,000 for certain expenses incurred by or on behalf of Republic in connection with the due diligence, negotiation, preparation, execution, delivery and court approval of the transaction if the Companies are required to pay the termination fee or Republic terminates the Investment Agreement under certain conditions. The foregoing description of the Investment Agreement is qualified in its entirety by reference to the Investment Agreement, a copy of which is attached hereto as Exhibit 2.1 and incorporated herein by reference. Frontier also filed a motion with the bankruptcy court to approve the investment agreement with Republic, subject to higher and better proposals under a court-supervised auction. Frontier will seek court approval of the investment agreement and proposed auction procedures at a hearing scheduled for July 13, 2009, and the investment agreement is not binding on Frontier until such court approval. Under Frontier’s amended and restated DIP facility dated April 1, 2009, Republic agreed to provide Frontier \$40 million in post-petition debtor-in-possession (DIP) financing through December 1, 2009.

The Investment Agreement has been included to provide information regarding its terms. It is not intended to provide any other factual information about the Companies. The Investment Agreement contains representations and warranties that the parties to the Investment Agreement made to and solely for the benefit of each other. The assertions embodied in the Companies' representations and warranties are qualified by information contained in confidential disclosure schedules that the Companies provided to Republic in connection with the Investment Agreement. Accordingly, readers should not rely on representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Investment Agreement and are modified in important part by the underlying disclosure schedules. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Investment Agreement, which subsequent information may or may not be fully reflected in the Companies' public disclosures.
