PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors (the “Board”) of Subaye, Inc., a Delaware corporation (the “Company” or “Subaye”) for the Annual Meeting of the Stockholders (the “Meeting”) to be held at 12:00 p.m., local time, on July 16, 2010 and at any adjournment or adjournments thereof, at the offices of K&L Gates LLP, 599 Lexington Avenue, New York, NY 10022.

The approximate date on which the Proxy Statement and form of proxy are intended to be sent or given to the stockholders is June [4], 2010. The proxy material are also available free of charge on the internet at [_____]. The stockholder is invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, the stockholder does not need to attend the annual meeting to vote. Instead the stockholder may simply complete, sign and return the proxy card, or may complete the proxy card online at [___].

We will bear the expense of solicitation of proxies for the Meeting, including the printing and mailing of this Proxy Statement. We may request persons, and reimburse them for their expenses with respect thereto, who hold stock in their name or custody or in the names of nominees for others to forward copies of such materials to those persons for whom they hold Common Stock (as defined below) and to request authority for the execution of the proxies. In addition, some of our officers, directors and employees, without additional compensation, may solicit proxies on behalf of the Board of Directors personally or by mail, telephone or facsimile.

VOTING SECURITIES, VOTING AND PROXIES

Record Date

Only stockholders of record of our common stock, \$.001 par value (the “Common Stock”), as of the close of business on May 17, 2010 (the “Record Date”) are entitled to notice and to vote at the Meeting and any adjournment or adjournments thereof.

Voting Stock

As of the Record Date, there were [7,444,931] shares of Common Stock outstanding. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on the matter to be voted at the Meeting. No other class of voting securities was then outstanding.

Quorum

The presence at the Meeting of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to the proposal, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner, does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Voting

The election of directors requires the approval of a plurality of the votes cast at the meeting. For purposes of the proposal, abstentions and broker “non-votes” will have no effect on the outcome.

If you are the beneficial owner, but not the registered holder of our shares, you cannot directly vote those shares at the Meeting. You must provide voting instructions to your nominee holder, such as your brokerage firm or bank.

If you wish to vote in person at the Meeting but you are not the record holder, you must obtain from your record holder a “legal proxy” issued in your name and bring it to the Meeting.

At the Meeting, ballots will be distributed with respect to the proposal to each stockholder (or the stockholder’s proxy if not the management proxy holders) who is present and did not deliver a proxy to the management proxy holders or another person. The ballots shall then be tallied, one vote for each share owned of record, the votes being in three categories: “FOR,” “AGAINST” or “ABSTAIN”.

Proxies

The form of proxy solicited by the Board of Directors affords you the ability to specify a choice among approval of, disapproval of, or abstention with respect to, the matters to be acted upon at the Meeting. Shares represented by the proxy will be voted and, where the solicited stockholder indicates a choice with respect to the matter to be acted upon, the shares will be voted as specified. If no choice is given, a properly executed proxy will be voted in favor of the

proposal.

4

Revocability of Proxies

Even if you execute a proxy, you retain the right to revoke it and change your vote by notifying us at any time before your proxy is voted. Such revocation may be affected by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of our principal office set forth above in the Notice to this Proxy Statement or your attendance and voting at the Meeting. Unless so revoked, the shares represented by the proxies, if received in time, will be voted in accordance with the directions given therein.

You are requested, regardless of the number of shares you own or your intention to attend the Meeting, to sign the proxy and return it promptly in the enclosed envelope.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the officers or directors has any interest in the matters to be acted upon.

PROPOSAL TWO

APPROVAL AND ADOPTION OF THE SUBAYE, INC. 2010 OMNIBUS LONG-TERM INCENTIVE PLAN

On May 4, 2010, Subaye's Board approved and adopted the Subaye, Inc. 2010 Omnibus Long-Term Incentive Plan (the "Plan"), and authorized us to issue up to 900,000 shares of our Common Stock under the Plan, subject to adjustment to take account of stock dividends, stock splits, recapitalizations and similar corporate events. The Plan became effective when it was approved by our Board, subject to approval by our stockholders. The principal features of the Plan are described below.

The Board believes it is important to adopt the Plan in order to provide a mechanism to grant stock options and other stock awards to directors, employees and consultants as an incentive and to tie their interests closer to those of our stockholders. In addition, the Board believes it is important to have reserved a sufficient number of shares to support stock option grants and awards for the foreseeable future.

Following is a summary of the material provisions of the Plan. The summary does not purport to be a complete statement of the Plan, and while references are made to the full text of the Plan, the full Plan is attached for your review hereto as Exhibit A. All capitalized terms not defined herein shall have the same meaning ascribed to them within the Plan.

Summary of the Plan

Purpose

The Plan is intended to enhance the Company's and its Affiliates' ability to attract and retain highly qualified officers, directors, key employees and other persons, and to motivate such officers, directors, key employees and other persons to serve the Company and its Affiliates and to expend maximum effort to improve the business results and earnings of the Company, by providing to such persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company. To this end, the Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, unrestricted stock and cash awards. Any of these awards may, but need not, be made as performance incentives to reward attainment of annual or long-term performance goals in accordance with the terms hereof. Stock options granted under the Plan may be non-qualified stock options or incentive stock options, as provided herein.

Administration of the Plan

The Plan will be administered by the Board, or at the Board's discretion, the Compensation Committee, such other committee as determined by the Board of Directors, or a subcommittee consisting solely of non-employee, outside directors (the "Committee"), as is consistent with the Company's Certificate of Incorporation or Bylaws and applicable law. The Committee shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Award or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Committee deems to be necessary or appropriate to the administration of the Plan. The interpretation and construction by the Committee of any provision of the Plan, any Award or any Award Agreement shall be final, binding and conclusive.

Eligibility

Awards may be granted to any employee, officer or director of the Company or an Affiliate, or a consultant or adviser currently providing services to the Company or an Affiliate, as the Committee shall determine and designate from time to time in its discretion.

Awards

The Committee, in its sole discretion, designates who is eligible to receive awards, determines the form of each award, determines the number of shares of stock subject to each award, establishes the exercise price of each award and such other terms and conditions applicable to the award as the Committee deems appropriate.

The types of awards the Committee will be able to grant will be:

Stock Options. A stock option entitles the holder to purchase shares of our Common Stock for a price that is determined when the stock option is granted, which may not be less than 100% of the fair market value of our Common Stock on the date of grant. Stock options may be either incentive or non-incentive. Options may be wholly or partly exercisable when they are granted, or they may become exercisable in whole or in installments at a subsequent date or dates, as established by the Committee when granting the award. A stock option may require that the exercise price be paid in cash or may permit it to be paid in whole or in part with shares of our Common Stock (either previously owned shares or shares issuable upon exercise of the stock option) valued at their fair market value on the date the stock option is exercised. The Committee will specify the term of each stock option when it is granted, but the term may not exceed ten years.

Stock Appreciation Rights (SARs). An SAR allows the holder, upon exercise, to receive the excess of the fair market value of one share of Common Stock of the Company on the date of exercise over the grant price of the SAR. The Committee shall determine the circumstances under which an SAR may be exercised, the month of exercise and method of settlement. SARs may be awarded independently or in tandem with other awards.

Restricted Stock. Restricted stock is shares of Common Stock that are issued to a participant (and of which the participant becomes the owner), which are subject to such restrictions as to transferability and risk of forfeiture as imposed by the Committee. The restrictions may lapse separately under such circumstances such as achievement of performance goals and/or future service requirements. Except to the extent restricted under the terms of the Plan, any grantee of shares of restricted stock under the Plan are entitled to vote them and receive dividends and distributions with regard to them even before they vest. Shares of restricted stock may not be transferred or pledged until they vest, except with the approval of the Committee, and then only if the person to whom they are transferred agrees to abide by the forfeiture provisions.

Restricted Stock Units (RSUs). An RSU is a right to receive stock, cash, or a combination thereof at the end of a specified deferral period as determined by the Committee.

Unrestricted Stock. Unrestricted stock is freely tradable stock that does not contain a restrictive legend. The unrestricted stock granted pursuant to the Plan will be registered on a Registration Statement on Form S-8.

- Cash Awards.

The Committee is also authorized to grant stock as a bonus or to grant stock in lieu of obligations to pay cash under the Plan or under other compensatory arrangements.

The Board of the Company may amend or terminate the Plan at any time, except that any amendment or alteration to the Plan shall be contingent on the approval of the Company's stockholders not later than the annual meeting next following such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange, provided that, without the consent of an affected participant, no such Board action may materially and adversely affect the rights of such participant under any previously granted and outstanding award.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE
SUBAYE, INC. 2010 OMNIBUS LONG-TERM INCENTIVE PLAN

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed DNTW Chartered Accountants, LLP as the Company's independent registered public accountants for the fiscal year ending September 30, 2010. Services provided to the Company by our independent registered public accountants in fiscal 2009 are described under "Audit-Related Matters—Auditor Fees and Services," below.

We are asking our stockholders to ratify the selection of DNTW Chartered Accountants, LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of DNTW Chartered Accountants, LLP to our stockholders for ratification as a matter of good corporate practice.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF
THE APPOINTMENT OF DNTW CHARTERED ACCOUNTANTS, LLP AS THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL 2010

In the event stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

CORPORATE GOVERNANCE

BOARD OF DIRECTORS

Meetings and Certain Committees of the Board

The Board held five meetings during 2009. An Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee were established in November 2009. In fiscal year 2009, the Audit Committee held no meetings, the Compensation Committee held no meetings, and the Nominating and Corporate Governance Committee held no meetings.

Board Committees

Audit Committee

The Audit Committee is currently comprised of Larry Schafran (Chair), Jinliu Deng and Qimei Liu, each of whom are “independent” as defined by NASDAQ rules. Immediately following the Meeting, assuming the election of the Nominees, the Audit Committee will be comprised of Larry Schafran (Chair), Jinliu Deng and Qimei Liu, each of whom will be “independent” as defined by NASDAQ rules. The Audit Committee has an Audit Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 20, 2009. Larry Schafran is the designated “financial expert” as defined by the Securities and Exchange Commission’s (the “SEC”) rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of any registered public accounting firm employed by the Company (including resolution of disagreements between management and the accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or other services. Any such registered public accounting firm must report directly to the Audit Committee. The Audit Committee has the ultimate authority and responsibility to evaluate and, where appropriate, replace the registered public accounting firm. The Audit Committee was established on November 19, 2009.

Compensation Committee

The Compensation Committee is responsible for the administration of all salary, bonus and incentive compensation plans for our officers and key employees. The members of the Compensation Committee are Qimei Liu (Chair), Jinliu Deng and Larry Schafran, all of whom are “independent” directors as defined by NASDAQ rules. Immediately following the Meeting, assuming the election of the Nominees, the Compensation Committee will be comprised of Qimei Liu (Chair), Jinliu Deng and Larry Schafran, each of whom will be “independent” as defined by NASDAQ rules. The Compensation Committee has a Compensation Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 20, 2009. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees and the establishment and administration of employee benefit plans. It advises and consults with the officers of the Company as may be requested regarding managerial personnel policies. The Compensation Committee also has such additional powers as may be conferred upon it from time to time by the Board. The Compensation Committee was established on November 19, 2009.

Nominating and Governance Committee

The Nominating and Corporate Governance Committee (the “Nominating Committee”) is responsible for preparing a list of candidates to fill the expiring terms of directors serving on our Board. The Nominating Committee has a Nominating and Corporate Governance Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 20, 2009. The Nominating Committee submits the list of candidates to the Board who determines which candidates will be nominated to serve on the Board. The names of nominees are then submitted for election at our Annual Meeting of Stockholders. The Nominating Committee also submits to the entire Board a list of nominees to fill any interim vacancies on the Board resulting from the departure of a member of the Board for any reason prior to the expiration of his term. The Nominating Committee considers various criteria, including the ability of the individual to meet the NASDAQ “independence” requirements, general business experience, general financial experience, knowledge of the Company’s industry (including past industry experience), education, and demonstrated character and judgment. The Nominating Committee will consider director nominees recommended by a stockholder if the stockholder mails timely notice to the Secretary of the Company at its principal offices, which notice includes (i) the name, age and business address of such nominee, (ii) the principal occupation of such nominee, (iii) a brief statement as to such nominee’s qualifications, (iv) a statement that such nominee consents to his or her nomination and will serve as a director if elected, (v) whether such nominee meets the definition of an “independent” director under the NASDAQ listing standards and (vi) the name, address, class and number of shares of capital stock of the Company held by the nominating stockholder. Any person nominated by a stockholder for election to the Board will be evaluated based on the same criteria as all other nominees. The Nominating Committee also oversees our adherence to our corporate governance standards. The members of the Nominating Committee are Jinliu Deng (Chair), Larry Schafran and Qimei Liu. Immediately following the Meeting, assuming the election of the Nominees, the Nominating Committee will be comprised of Jinliu Deng (Chair), Larry Schafran and Qimei Liu, each of whom will be “independent” as defined by NASDAQ rules. The Nominating Committee was established on November 19, 2009.

Director Nominations and Independence

The nomination process involves a careful examination of the performance and qualifications of each incumbent director and potential nominees before deciding whether such person should be nominated. The Board believes that the business experience of its directors has been, and continues to be, critical to the Company’s success. Directors should possess integrity, independence, energy, forthrightness, analytical skills and commitment to devote the necessary time and attention to the Company’s affairs. Directors must possess a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

The Board will generally consider all relevant factors, including, among others, each nominee’s applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to the Company, the availability of the nominee to devote sufficient time and attention to the affairs of the Company, the nominee’s reputation for personal integrity and ethics, and the nominee’s ability to exercise sound business judgment. Other relevant factors, including age and diversity of skills, will also be considered. Director nominees are reviewed in the context of the existing membership of the Board (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its stockholders. The Board uses its network of contacts when compiling a list of potential director candidates and may also engage outside consultants (such as professional search firms).

In addition, the Board reviews each nominee’s relationship with the Company in order to determine whether the nominee can be designated as independent. The following members of our Board meet the independence requirements and standards currently established by NASDAQ: Larry Schafran, Qimei Liu and Jinliu Deng.

Stockholder Communications

The Board welcomes communications from our stockholders, and maintains a process for stockholders to communicate with the Board. Stockholders who wish to communicate with the Board may send a letter to Zhiguang Cai at 9/F., Beijing Business World, 56 East Xinglong Street, Chongwen District, Beijing, China 100062. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication.” All such letters should identify the author as a security holder. All such letters will be reviewed by Mr. Cai and submitted to the entire Board no later than the next regularly scheduled Board meeting.

Annual Meetings

We have no policy with respect to director attendance at annual meetings.

Compensation of Directors

The Company has adopted a compensation arrangement for its independent directors. The independent directors will receive \$1,000.00 for each meeting of the Board they attend in person and \$500.00 for each meeting of the Board in which they participate by telephone or video conference. Additionally, the independent directors will receive an annual payment of either (i) 10,000 shares of the Company's common stock, par value \$0.001, which shall be paid in quarterly grants of 2,500 shares, or (ii) an option to purchase 20,000 shares of the Company's common stock, ¼ of which shall vest each quarter.

Retirement, Post-Termination and Change in Control

We have no retirement, pension, or profit-sharing programs for the benefit of directors, officers or other employees, nor do we have post-termination or change in control arrangements with directors, officers or other employees, but our Board may recommend adoption of one or more such programs in the future.
