Item 8.01. Other Events.

On May 21, 2010, Frederick's of Hollywood Group Inc. ("Company") received written notification from the NYSE Amex (the "Exchange") that the Company has regained compliance with the Exchange's continued listing standards, specifically with its minimum shareholders' equity requirements.

As previously disclosed, the Company received a notice from the Exchange on April 15, 2010 stating that, based on the Company's shareholders' deficit as reported in its Form 10-Q for the quarterly period ended January 23, 2010, the Company was not in compliance with Sections 1003(a)(i) and (ii) of the Exchange's Company Guide, having less than \$2 million and \$4 million of shareholders' equity while sustaining losses from continuing operations and net losses in two out of its three most recent fiscal years, and net losses in three out of its four most recent fiscal years, respectively.

Since the Company was able to regain compliance with the Exchange's continued listing standards almost simultaneously with the date on which its compliance plan was due to the Exchange, a compliance plan was never submitted and the Exchange is no longer requiring the Company to submit one. However, the Exchange will continue to monitor the Company's compliance with the continued listing standards for two consecutive quarters to end on October 30, 2010 and if the Company is able to demonstrate ongoing compliance during that time, the Exchange will deem the compliance plan period over. If the Company cannot continue to demonstrate compliance over the next two quarters, the compliance plan period will remain open and the Exchange will evaluate whether it is appropriate to offer the Company the opportunity to submit a plan addressing how it then intends to regain compliance.

On May 24, 2010, the Company issued a press release announcing the receipt of the Exchange's compliance notice. A copy of this press release is furnished as Exhibit 99.1 hereto and is incorporated by reference herein.
