Item 1.01. Entry into a Material Definitive Agreement.

On June 4, 2010, Emtec Federal, Inc. (“Emtec Federal”), a wholly-owned subsidiary of Emtec, Inc. (the “Registrant”), Secure Data, Inc. (“Secure Data”) and the stockholders of Secure Data (the “Stockholders”) entered into a Stock Purchase Agreement (the “Purchase Agreement”), pursuant to which Emtec Federal acquired all of the outstanding stock of Secure Data from the Stockholders for aggregate consideration of up to approximately \$4.1 million, plus 175,000 shares of restricted common stock of the Registrant. The purchase price consisted of (i) cash at closing in an aggregate amount equal to \$2.5 million, (ii) 175,000 shares of restricted common stock of the Registrant and (iii) the potential right to receive installments of additional cash consideration each year for the next three years on the anniversary of the closing and/or 100,000 shares of restricted common stock of the Registrant on the third anniversary of the closing, in each case, if certain performance goals are met. The 175,000 shares of restricted common stock received by the Stockholders upon the closing of the transaction are subject to a three-year lock-up, pursuant to which one-third of the shares will be released each year. The total amount that may be earned under the earn out is either \$1.6 million or \$1.2 million plus 100,000 shares of restricted common stock. The purchase price may be increased or decreased pursuant to a post-closing working capital adjustment.

Concurrently with the acquisition of Secure Data, Emtec Federal entered into employment agreements with Secure Data’s four top executives, Raymond Kelly, Matthew Swanson, Aaron L. Broyles and Lonnie E. McMinn.

Item 2.01. Completion of Acquisition or Disposition of Assets.

The information set forth in Item 1.01 above is hereby incorporated by reference into Item 2.01 of this Current Report on Form 8-K.

On June 4, 2010, Emtec Federal completed its acquisition of all the outstanding stock of Secure Data pursuant to the Purchase Agreement. The acquisition was funded through borrowings under the Registrant’s credit facility with De Lage Landen Financial Services, Inc. The closing of the acquisition was effective as of 12:01 a.m. on June 4, 2010.

Item 3.02. Unregistered Sales of Equity Securities.

The information set forth in Item 1.01 and 2.01 above is hereby incorporated by reference into Item 3.02 of this Current Report on Form 8-K.

On June 4, 2010, Emtec Federal acquired all of the outstanding stock of Secure Data pursuant to the Purchase Agreement for aggregate consideration of approximately \$4.1 million, plus (i) 175,000 shares of restricted common stock of the Registrant and/or (ii) the potential right to receive 100,000 shares of restricted common stock of the Registrant on the third anniversary of the closing if certain performance goals are met. The securities were sold only to “accredited investors,” as such term is defined in the Securities Act of 1933, as amended (the “Securities Act”), were not registered under the Securities Act or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities law, which exempt transactions by an issuer not involving any public offering. The securities were offered for investment purposes only and not for the purpose of resale or distribution, and the transfer thereof was restricted under the terms of the Purchase Agreement.
