## Item 2.02. Results of Operations and Financial Condition

Set forth below are certain preliminary estimates of our financial condition and results of operations for the three months ended September 30, 2012. These estimates are subject to the completion of our financial closing procedures and are not a comprehensive statement of our financial results for the three months ended September 30, 2012. We advise you that our actual results may differ materially from these estimates as a result of the completion of our financial closing procedures, final adjustments and other developments arising between now and the time that our financial results for the three months ended September 30, 2012 are finalized.

Net investment income is estimated to have totaled between \$0.28 and \$0.31 per share for the three months ended September 30, 2012.

Net asset value as of September 30, 2012 is estimated to be between \$14.57 and \$14.62 per share.

We originated \$113.4 million in new middle market investment commitments during the three months ended September 30, 2012. Approximately 63% of the new investment commitments were in one stop loans, 34% were senior secured loans and 3% were equity securities. Of the new investment commitments, \$101.9 million funded at close. Overall, total investments in portfolio companies at fair value increased by \$36.3 million during the three months ended September 30, 2012 after factoring in debt repayments and sale of an equity security.

We intend to announce final results of operations for the three months ended September 30, 2012 on November 29, 2012 before the open of the financial markets. We will host an earnings conference call on Thursday, November 29, 2012 to discuss the quarterly financial results.

The preliminary financial data included herein have been prepared by, and is the responsibility of, management. McGladrey LLP (formerly McGladrey & Pullen, LLP), our independent registered public accounting firm, has not audited, reviewed, compiled or performed any procedures with respect to these preliminary estimates. Accordingly, McGladrey LLP does not express an opinion or any other form of assurance with respect thereto.
