Item 1.01 Entry into a Material Definitive Agreement

Warrant Indenture

On August 8, 2016, Vista Gold Corp. (the “Registrant”) in connection with its closing of an offering of units of the Registrant entered into a warrant indenture (the “Warrant Indenture”) between the Registrant and Computershare Trust Company of Canada, as the warrant agent.

The Registrant issued an aggregate of 6,514,625 Warrants in connection with the closing of the Offering under the Warrant Indenture. Under the terms of the Warrant Indenture, each whole common share purchase warrant (each a “Warrant” and collectively, the “Warrants”) entitle the holder (the “Warrantholder”) to purchase one common share of the Company upon the exercise of the Warrant (each a “Warrant Share” and collectively, the “Warrant Shares”) at a price of \$1.92 per Warrant Share. The Warrants will be exercisable at any time prior to 4:30 p.m. (Toronto time) on August 8, 2019 (the “Expiry Time”), after the Expiry Time, the Warrants will expire and become null and void. The exercise price for the Warrants is payable in United States dollars.

The Warrantholders are entitled to a “cashless exercise” option if, at any time of exercise, there is no effective registration statement registering, or no current prospectus available for, the offer and sale of Warrant Shares under the United States Securities Act of 1933, as amended. This option entitles the Warrantholders to elect to receive fewer Warrant Shares without paying the cash exercise price. The number of Warrant Shares to be issued would be determined by a formula based on the total number of Warrant Shares with respect to which the Warrant is being exercised, the daily volume weighted average price for the Company’s common shares for the 20 consecutive Trading Days (as defined in the Warrant Indenture) immediately preceding the date of exercise and the applicable exercise price of the Warrants. The Warrantholders also have certain buy-in rights that require the Registrant to make certain buy in payments in the event the Registrant fails to cause the Warrant Agent to deliver Warrant Shares within three business days of exercise and the Warrantholder is required by its broker to purchase (in an open market transaction or otherwise) or the Warrantholder’s brokerage firm otherwise purchases, Common Shares to deliver in satisfaction of a sale by the Warrantholder of the Warrant Shares that the Warrantholder anticipated receiving upon such exercise.

The exercise price and the number of Warrant Shares issuable upon the exercise of each Warrant are subject to adjustment upon the happening of certain events, such as a distribution on the common shares, or a subdivision, consolidation or reclassification of the common shares. In connection with a Rights Offering, subject to the approval of the Toronto Stock Exchange and the consent of a majority of the Registered Warrantheholders, the Warrantheholder will be entitled to acquire, upon the terms applicable to such Rights Offering, (as defined in the Warrant Indenture) the aggregate number of Common Shares that the Warrantheholder could have acquired if the Warrantheholder had held the number of Common Shares acquirable upon complete exercise of the Warrantheholder's Warrants then held, subject to certain beneficial ownership limitations under which such rights shall be held in abeyance. In connection with a Special Distribution, (as defined in the Warrant Indenture) the right of the Warrantheholder to participate in such Special Distribution to the same extent that the Warrantheholder would have participated therein if the Warrantheholder had held the number of Common Shares acquirable upon complete exercise of the Warrantheholder's Warrants then held shall be held in abeyance until the Warrantheholder exercises the Warrant. In addition, upon any fundamental transaction, such as a merger, consolidation, sale of all or substantially all of the Registrant's assets, share exchange or business combination, the Warrants will thereafter evidence the right of the holder to receive the securities, property or cash deliverable in exchange for or on the conversion of or in respect of the common shares to which the holder of a common share would have been entitled immediately on such event.

Neither the Registrant nor the Warrant Agent shall effect any exercise of a Warrant, and a Warrantheholder shall not have the right to exercise any portion of a Warrant, to the extent that, after giving effect to such issuance after exercise, the Warrantheholder (together with the Warrantheholder's Affiliates) would beneficially own in excess of 4.99% of the number of Common Shares outstanding of the Registrant. The Warrantheholder, upon written notice to the Registrant (effective on the sixty-first (61st) day after such notice), may increase or decrease such limitation, provided that the limitation does not exceed 9.99%.

The foregoing summary of the material provisions of the Warrant Indenture is qualified in its entirety by reference to the Warrant Indenture, a copy of which is filed as Exhibit 4.1 to this Current Report on Form 8-K and which is hereby incorporated by reference into this Item 1.01. Capitalized terms not defined herein have the meanings set forth in the Warrant Indenture.
