**Item 1.01. Entry into a Material Definitive Agreement.**

On December 27, 2018, Agree Limited Partnership, a Delaware limited partnership (the “Borrower”), the majority-owned operating partnership of Agree Realty Corporation, a Maryland corporation (the “Company”), the Company, each of the lenders from time to time party thereto (the “Lenders”), PNC Bank, National Association, as administrative agent (the “Administrative Agent”), PNC Capital Markets LLC, Capital One, National Association, U.S. Bank National Association, Regions Capital Markets and SunTrust Robinson Humphrey, Inc., as joint lead arrangers and joint book managers, and Capital One, National Association, U.S. Bank National Association, Regions Bank and SunTrust Bank, as co-syndication agents, entered into a \$100 million term loan agreement (the “Agreement”). The \$100 million, seven-year unsecured term loan facility (the “New Term Loan”) matures on January 15, 2026. Borrowings under the New Term Loan will be priced at LIBOR plus 145 to 240 basis points, depending on the Company’s credit rating, with an initial applicable margin of 160 basis points. The Company has entered into interest rate swap agreements starting on December 27, 2018 to fix LIBOR at 2.66% until maturity, implying an all-in interest rate of 4.26% at closing. Proceeds from the New Term Loan will be used to fund property acquisitions and development activity, with any remaining proceeds to be used for general working capital and other corporate purposes, including the reduction of the outstanding balance, if any, on the Company’s revolving credit facility. The New Term Loan may be increased to an aggregate of \$150 million at the Company’s election, subject to certain terms and conditions. In connection with the Agreement, the Company and certain indirect subsidiaries of the Company entered into a guaranty (the “Guaranty”) dated as of December 27, 2018 to guarantee to the Administrative Agent and the Lenders and their respective successors and assigns, all of the Borrower’s obligations under the Agreement, any notes and fee letters (collectively, with the Guaranty, the “Loan Documents”) and any other guarantor’s obligations under the Guaranty. From time to time, the Borrower may be required to cause additional subsidiaries to become guarantors under the Agreement.

The Agreement contains representations, warranties, covenants, terms and conditions customary for transactions of this type, including financial covenants regarding debt levels, tangible net worth and fixed charge coverage, limitations on investments, mergers and asset dispositions and restricted payments, covenants regarding unencumbered properties and default provisions, including defaults for non-payment, breach of representations and warranties, insolvency, non-performance of covenants, cross-defaults and guarantor defaults. The occurrence of an event of default under the Agreement could result in all loans and other obligations becoming immediately due and payable, the New Term Loan being terminated and the Lenders being able to exercise all rights and remedies available to them under the Loan Documents. The Company was in compliance with all covenant terms at closing.

The above summary of the Agreement and the Guaranty does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement and Guaranty. The Company will file copies of the Agreement and Guaranty with the Securities and Exchange Commission as exhibits to the Company’s Annual Report on Form 10-K for the year ending December 31, 2018.
