Item 4. Changes in Accountants

On April 4, 2003, in an email addressed to the controller of the registrant, Lichter, Weil & Associates, independent auditors to the registrant, resigned.

During the past two years the audited financial statements of the registrant prepared by Lichter, Weil & Associates contained an opinion that expressed that certain conditions indicated the Company may be unable to continue as a going concern.

The Audit Committee of the Board of Directors has approved the change of the accountant and is currently conducting a search for new auditors.

During the past two years there has been no disagreement with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure.

In March 2003, the former accountant advised the registrant of the need to expand the scope of its audit, that unsubstantiated information had come to the accountant's attention during the time period covered by the audit then under way, that if further investigated, may have caused it to question management's representations or the information contained within its financial statements. Due to the accountant's resignation, the accountant did not so expand the scope of its audit or conduct such further investigation.
