##### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

## Edgar Filing: ROGERS CORP - Form S-8

Section 2.02(b) (4) of Chapter 156D of the Massachusetts General Laws allows a corporation to eliminate or limit the personal liability of a director of a corporation to the corporation or its shareholders for monetary damages for a breach of fiduciary duty as a director notwithstanding any provision of law imposing such liability, except where the director breached his or her duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of an improper distribution or obtained an improper personal benefit. The Registrant has included a similar provision in its articles of organization.

Section 8.51(a) of Chapter 156D of the Massachusetts General Laws provides that a corporation may indemnify its directors against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred in connection with any litigation or other legal proceeding brought against any director by virtue of his or her position as a director of the corporation unless he or she is deemed to have not acted in good faith in the reasonable belief that his or her action was in the best interests of the corporation or was at least not opposed to the best interests of the corporation, and, in the case of any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. As noted below, the Registrant has provided for director indemnification in its bylaws and via contract.

Section 8.52 of Chapter 156D of the Massachusetts General Laws provides that a corporation must indemnify a director who is wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because he or she was a director of the corporation against reasonable expenses incurred by him or her in connection with the proceeding.

II-2

Section 8.56(a) of Chapter 156D of the Massachusetts General Laws ("Section 8.56") provides that a corporation may indemnify and advance expenses to its officers to the same extent as its directors and, for officers that are not directors, to the extent provided by (i) the articles of organization, (ii) the bylaws, (iii) a vote of the board of directors or (iv) a contract. In all instances, the extent to which a corporation provides indemnification to its officers under Section 8.56 is optional. As noted below, the Registrant has provided for officer indemnification in its bylaws and via contract.

The Registrant's amended and restated bylaws provide that, except as limited by law or otherwise provided in the bylaws, each director or officer of the Registrant shall be indemnified by the Registrant against liability incurred in connection with a proceeding in which he or she is a party because he or she is a director or officer if: (1) (i) he or she conducted himself or herself in good faith, and (ii) he or she reasonably believed that his or her conduct was in the best interests of the corporation or was at least not opposed to the best interests of the corporation, and (iii) in the case of any criminal proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful; or (2) he or she engaged in conduct for which liability has been eliminated by Article 6 of the articles of organization. A director or officer's standard of conduct with respect to an employee benefit plan for a purpose he or she reasonably believed to be in the interests of the participants in, and the beneficiaries of, the plan is conduct that was at least not opposed to the best interests of the Registrant.

The Registrant will pay sums on account of indemnification in advance of a final disposition of a proceeding upon receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the relevant standard of conduct or that the proceeding involves conduct for

## Edgar Filing: ROGERS CORP - Form S-8

which liability has been eliminated under the articles of organization and (b) an undertaking by the director or officer to repay such sums if it is subsequently established that he or she is not entitled to indemnification. The determination of whether a director has met the relevant standard of conduct for indemnification under the bylaws shall be made by (a) a majority vote of the disinterested directors (if there are two or more), (b) special legal counsel or (c) a vote of the shareholders (excluding the vote of any shares owned by or voted under the control of a director who is not a disinterested director).

The bylaws do not limit the power of the board of directors to authorize the purchase and maintenance of insurance on behalf of any director or officer against any expense whether or not the Registrant would have the power to indemnify such director or officer against such expense under the bylaws. The Registrant maintains directors' and officers' liability insurance.

The Registrant has entered into indemnification agreements with its directors and officers. The indemnification agreements require, among other matters, that the Registrant indemnify its directors and officers to the fullest extent provided by law and advance to directors and officers certain expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

### ITEM 9. UNDERTAKINGS.

(a) The Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in such prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-4

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the

Edgar Filing: ROGERS CORP - Form S-8

termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act 1933 and will be governed by the final adjudication of such issue.
