PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON NOVEMBER 2, 2010

October 6, 2010

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of China Jo-Jo Drugstores, Inc., a Nevada corporation (the "Company"), for use at the annual meeting of shareholders to be held on November 2, 2010, at 10:00 a.m. (local time), or at any adjournment or postponement of the meeting, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting. The annual meeting will be held at the Company's principal executive offices located at Room 507-513, 5th Floor A Building, Meidu Plaza, Gongshu District, Hangzhou, Zhejiang Province, People's Republic of China. The Company intends to commence mailing this proxy statement and accompanying proxy card on or about October 18, 2010 to all shareholders entitled to vote at the annual meeting.

ABOUT THE MEETING

Why did I receive this proxy statement?

You received this proxy statement because you held shares of the Company's common stock on October 4, 2010 (the "Record Date") and are entitled to vote at the annual meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponement or adjournment of the meeting.

What am I voting on?

You are being asked to vote on three items:

1. The election of nine directors (see page 5).
2. The ratification of Frazer Frost, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2011 (see page 9).
3. The approval of the Company's 2010 Equity Incentive Plan (see page 10).

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card would authorize Mr. Lei Liu to vote on such matters in his discretion.

1

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as directors;
2. FOR the ratification of the appointment of Frazer Frost, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2011; and
3. FOR the approval of the Company's 2010 Equity Incentive Plan.

Unless you give contrary instructions on your proxy card, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

How do I vote?

Shareholders of Record

If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record.

If you are a shareholder of record, there are three ways to vote:

1. By completing and returning your proxy card in the postage-paid envelope provided by the Company;
2. By following the instructions for electronic voting using the Internet or telephone, which are printed on your proxy card; or
3. By voting in person at the meeting.

Street Name Holders

If your shares are held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or agent.

Regardless of how your shares are registered, if you complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

How many votes do I have?

On each matter to be voted upon, you will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all shareholders?

The Company had 13,500,002 outstanding shares of common stock on the Record Date, and each of these shares is entitled to one vote.

2

How many votes must be present to hold the meeting?

The holders of at least a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 6,750,002 common shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve each proposal?

The nine nominees for directors who receive the most votes will be elected.

The required vote to approve (i) the ratification of the appointment of Frazer Frost, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2011 and (ii) the approval of the Company's 2010 Equity Incentive Plan is the affirmative vote of a majority of the votes cast, excluding abstentions.

An abstention with respect to these proposals will be counted for the purposes of determining the number of shares entitled to vote that are present in person or by proxy. Accordingly, an abstention will have the effect of a negative vote.

If a broker indicates on the proxy that it does not have discretionary authority to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to the matter.

Can I change my vote?

Yes. You may change your vote by sending in a new proxy card with a later date, or, if you are a shareholder of record, sending written notice of revocation to the Company's Secretary at the address on the cover of this proxy statement. Also, if you attend the meeting and wish to vote in person, you may request that your previously submitted proxy not be used.

Who can attend the annual meeting?

Any person who was a shareholder of the Company on October 4, 2010, may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of our stock and admit you to the meeting. You will not, however, be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the proxy card but do not indicate how to vote on an issue?

If you return a proxy card without indicating your vote, your shares will be voted as follows:

- FOR each of the nominees for director named in this proxy statement;
- FOR ratification of the appointment of Frazer Frost, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2011; and
- FOR approval of the Company's 2010 Equity Incentive Plan.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission ("SEC") within four business days after the meeting.

When are shareholder proposals due for the next annual meeting?

Any appropriate proposal submitted by a shareholder and intended to be presented at the next annual meeting must be submitted in writing to our Secretary at Room 507-513, 5th Floor A Building, Meidu Plaza, Gongshu District, Hangzhou, Zhejiang Province, People's Republic of China, and received no later than August 29, 2011, to be includable in the Company's proxy statement and related proxy for the next annual meeting. A shareholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Although our Board of Directors will consider shareholder proposals, we reserve the right to omit from our proxy statement, or to vote against, shareholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Who is paying for this proxy solicitation?

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing, and mailing of this proxy statement, the proxy card, and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram, or personal solicitation by directors, officers, or other regular employees of the Company. No additional compensation will be paid to directors, officers, or other regular employees for such services.

PROPOSAL 1 - ELECTION OF DIRECTORS

Under the Company's bylaws, the number of directors of the Company is fixed by the Board of Directors and may be increased or decreased by resolution of the Board of Directors. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy shall serve until the next annual meeting.

The directors of the Company do not have a definite term of office, and each director will serve until the next annual meeting and until the director's successor is elected and qualified. The Company has a Nominating Committee, comprising of three independent directors, which will consider director candidates recommended by shareholders. The Nominating Committee does not intend to alter the manner in which it evaluates candidates based on whether or not the candidate was recommended by a shareholder, except that the Nominating Committee may consider the size and duration of the share holdings of the recommending shareholder in relation to the total outstanding shares of the Company, and the extent to which the recommending shareholder intends to continue holding its interest in the Company. To nominate a director, shareholders must submit such nomination in writing to our Secretary at Room 507-513, 5th Floor A Building, Meidu Plaza, Gongshu District, Hangzhou, Zhejiang Province, People's Republic of China.

Currently, the Board of Directors has fixed the number of directors at nine persons. Nine directors are to be elected to our Board of Directors at the annual meeting. The Board of Directors has nominated Lei Liu, Li Qi, Chong'an Jin, Shike Zhu, Marc Thomas Serrio, Bowen Zhao, Yuehai Ke, Shuizhen Wu and Xiaomeng Yu for re-election at the annual meeting. All of the nominees currently serve on our Board of Directors.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors at the annual meeting at which a quorum is present. The nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. If no contrary indication is made, shares represented by executed proxy will be voted "For" the election of the nominees named above or, if any nominee becomes unavailable for election as a result of unexpected occurrence, "For" the election of a substitute nominee designated by our Board of Directors. Each nominee has agreed to serve as a director if elected, and we have no reason to believe that any nominee will be unable to serve.

All of the Company's directors are expected to attend the annual meeting.

PROPOSAL 3 -APPROVAL OF THE 2010 EQUITY INCENTIVE PLAN

On September 21, 2010, our Board of Directors approved the 2010 Equity Incentive Plan (the "Plan"). All of our employees, officers, and directors, and those of our consultants and advisors who (i) are natural persons and (ii) provide bona fide services to the Company not connected to a capital raising transaction or the promotion or creation of a market for our securities are eligible to be granted options or restricted stock awards (each, an "Award") under the Plan. The Board of Directors has delegated the administration of the Plan to the Compensation Committee, and the Compensation Committee has all the power to administer the Plan according to its terms, including the power to grant Awards, determine who may be granted Awards and the types and amounts of Awards to be granted, prescribe Award agreements, and establish programs for granting Awards. Awards may be made under the Plan for up to 2, shares of our common stock, and the maximum number of shares of common stock with respect to which Awards may be granted to any participant under the Plan is 2,025,000 shares of common stock. The Plan allows for adjustments for changes in common stock and certain other events, including, but not limited to, any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off, any distribution to holders of common stock other than a normal cash dividend, and liquidation or dissolution.

Amendment and Termination of the Plan

The Compensation Committee may at any time, and from time to time, terminate the Plan in whole or in part or amend it from time to time, except that no change may be made that would increase the total amount of stock which may be issued under the Plan, materially increase the class of participants eligible to participate in the Plan, the types of Awards that may be granted under the Plan, or the benefits to participants, extend the maximum period after the date of grant during which incentive stock options or non-qualified stock options may be exercised, or re-price any previously granted Award by lowering the exercise price or canceling any previously granted Award with a subsequent replacement or re-grant of that same Award with a lower exercise price, unless such change is authorized by our shareholders.

Federal Tax Consequences

The following brief summary of the effect of federal income taxation upon the recipients and us with respect to the shares under the Plan does not purport to be complete, and does not discuss the tax consequences of a recipient's death or the income tax laws of any state or foreign country in which the recipient may reside.

Tax Treatment to the Recipients

The common stock is not qualified under Section 401(a) of the Internal Revenue Code. The recipients therefore, will be required for federal income tax purposes to recognize compensation during the taxable year of issuance unless the shares are subject to a substantial risk of forfeiture. Accordingly, absent a specific contractual provision to the contrary, the recipients will receive compensation taxable at ordinary rates equal to the fair market value of the shares on the date of receipt since there will be no substantial risk of forfeiture or other restrictions on transfer. If, however, the recipients receive shares of common stock pursuant to the exercise of an option or options at an exercise price below the fair market value of the shares on the date of exercise, the difference between the exercise price and the fair market value of the stock on the date of exercise will be deemed compensation for federal income tax purposes. The recipients are urged to consult each of their tax advisors on this matter. Further, if any recipient is an "affiliate," Section 16(b) of the Exchange Act is applicable and will affect the issue of taxation.

Tax Treatment to the Company

The amount of income recognized by any recipient hereunder in accordance with the foregoing discussion will be a tax-deductible expense by the Company for federal income tax purposes in the taxable year of the Company during which the recipient recognizes income.

Incorporation by Reference.

The foregoing is only a summary of the Plan and is qualified in its entirety by reference to its full text, a copy of which is attached hereto as Appendix A.

Plan Benefits

We have not issued any shares of common stock pursuant to the Plan.

The Board recommends a vote "FOR" the ratification of the 2010 Equity Incentive Plan.

We will also issue 10,000 restricted shares of our common stock to WOI as further compensation for Mr. Tchaikovsky's services which will be held in escrow and vest in five installments and distributed to WOI or its designee at the end of the one year term. In addition, we will issue to WOI 4,000 shares of our common stock as bonus. The shares issuable to WOI are to be issued under a stock plan to be adopted by us, which we agree to use best efforts to adopt by August 31, 2010. In addition to the foregoing, WOI is also entitled to reimbursement of reasonable expenses incurred in connection with Mr. Tchaikovsky's services, and Mr. Tchaikovsky is entitled to be included as an insured under a directors and officers' insurance policy to be obtained by us.

1.4.2 The Committee shall meet at such times and places and upon such notice as it may determine. A majority of the Committee shall constitute a quorum. Any acts by the Committee may be taken at any meeting at which a quorum is present and shall be by majority vote of those members entitled to vote. Additionally, any acts reduced to writing or approved in writing by all of the members of the Committee shall be valid acts of the Committee.

duties and powers hereunder to a single Committee. Additionally, if permitted by applicable law, the Board or Committee may delegate any or all of its duties and powers hereunder to a Designated Officer subject to such conditions and limitations as the Board or Committee shall prescribe. Any such interpretations, rules, administration and sub-plans shall be consistent with the basic purposes of this Plan.

1.4.4 Powers of the Committee. The Committee shall have all the powers vested in it by the terms of this Plan, such powers to include authority, in its sole and absolute discretion, to grant Awards under this Plan, prescribe Award Agreements and establish programs for granting Awards. The Committee shall have full power and authority to take all other actions necessary to carry out the purpose and intent of this Plan, including, but not limited to, the authority to:

- (a) determine the Grantees to whom, and the time or times at which, Awards shall be granted;
- (b) determine the types of Awards to be granted;
- (c) determine the number of shares of Common Stock and/or amount of cash to be covered by or used for reference purposes for each Award;

(d) impose such terms, limitations, vesting schedules, restrictions, and conditions upon any such Award as the Committee shall deem appropriate, including without limitation establishing, in its discretion, Performance Measures that must be satisfied before an Award vests and/or becomes payable, the term during which an Award is exercisable, the purchase price, if any, under an Award, and the period, if any, following a Grantee's termination of employment or service with the Company or any Subsidiary during which the Award shall remain exercisable;

(e) modify, extend, or renew outstanding Awards, accept the surrender of outstanding Awards, and substitute new Awards, provided that no such action shall be taken with respect to any outstanding Award that would materially and adversely affect the Grantee without the Grantee's consent, or constitute a repricing of stock options without the consent of the holders of the Company's voting securities under Section 1.4.4(f) below;

(f) only with the approval of the holders of the voting securities of the Company to the extent that such approval is required by applicable law, regulation, or the rules of a national securities exchange or automated quotation system to which the Company is subject, reprice Incentive Stock Options and Non-Statutory Stock Options either by amendment to lower the exercise price or by accepting such stock options for cancellation and issuing replacement stock options with a lower exercise price or through any other mechanism;

(g) accelerate the time in which an Award may be exercised or in which an Award becomes payable and waive or accelerate the lapse, in whole or in part, of any restriction or condition with respect to an Award;

(h) establish objectives and conditions, including targets for Performance Measures, if any, for earning Awards and determining whether Awards will be paid after the end of a Performance Period; and

(i) permit the deferral of, or require a Grantee to defer such Grantee's receipt of or the delivery of Stock and/or cash under an Award that would otherwise be due to such Grantee and establish rules and procedures for such payment deferrals, provided the requirements of Code Section 409A are met with respect to any such deferral.

The Committee shall have full power and authority to administer and interpret this Plan and to adopt such rules, regulations, agreements, guidelines, and instruments for the administration of this Plan as the Committee deems necessary, desirable or appropriate in accordance with the bylaws of the Company.

1.4.5 To the maximum extent permitted by law, no member of the Board or Committee or a Designated Officer shall be liable for any action taken or decision made in good faith relating to this Plan or any Award thereunder.

1.4.6 The members of the Board and Committee and any Designated Officer shall be indemnified by the Company in respect of all their activities under this Plan in accordance with the procedures and terms and conditions set forth in the Certificate of Incorporation and bylaws of the Company as in effect from time to time. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation and bylaws, as a matter of law, or otherwise.

1.4.7 All actions taken and decisions and determinations made by the Committee or a Designated Officer on all matters relating to this Plan pursuant to the powers vested in it hereunder shall be in the Committee's or Designated Officer's sole and absolute discretion and shall be conclusive and binding on all parties concerned, including the Company, its stockholders, any Grantees, and any other Employee, and their respective successors in interest.

1.5 Amendment or Termination.

1.5.1 The Committee, without further approval of the Company's stockholders, may amend or terminate this Plan or any portion thereof at any time, except that no amendment shall become effective without prior approval of

the stockholders of the Company to increase the number of shares of Common Stock subject to this Plan or if stockholder approval is necessary to comply with any tax or regulatory requirement or rule of any national securities exchange or national automated quotation system upon which the Common Stock is listed or quoted (including for this purpose stockholder approval that is required for continued compliance with Rule 16b-3 or stockholder approval that is required to enable the Committee to grant Incentive Stock Options pursuant to this Plan).

1.5.2 The Committee shall be authorized to make minor or administrative amendments to this Plan as well as amendments to this Plan that may be dictated by the requirements of U.S. federal or state laws applicable to the Company or that may be authorized or made desirable by such laws. The Committee may amend any outstanding Award in any manner as provided in Section 1.4.4 and to the extent that the Committee would have had the authority to make such Award as so amended.

1.5.3 No amendment to this Plan or any Award may be made that would materially adversely affect any outstanding Award previously made under this Plan without the approval of the Grantee. Further, no amendment to this Plan or an Award shall be made that would cause any Award to fail to either comply with or meet an exception from Code Section 409A.

1.6 Effective Date and Duration of this Plan. This Plan shall become effective on the Effective Date. This Plan shall terminate at such time as may be determined by the Board, and no Stock Award or Stock Option may be issued or granted under this Plan thereafter, but such termination shall not affect any Stock Award or Stock Option theretofore issued or granted.

2. INCENTIVE STOCK OPTION PROVISIONS

2.1 Granting of Incentive Stock Options.

2.1.1 Only Employees of the Company shall be eligible to receive Incentive Stock Options under this Plan. Officers, Directors, and Consultants of the Company who are not also Employees shall not be eligible to receive Incentive Stock Options.

2.1.2 The purchase price of each share of Common Stock subject to an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a share of the Common Stock on the date the Incentive Stock Option is granted. If an Employee owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and an Incentive Stock Option is granted to such Employee, the exercise price of such Incentive Stock Option (to the extent required by the Code at the time of grant) shall be no less than 110% of the Fair Market Value of a Share on the date such Incentive Stock Option is granted.

2.1.3 No Incentive Stock Option shall be exercisable more than ten (10) years from the date the Incentive Stock Option was granted; provided however, that if a Grantee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and the Incentive Stock Option is granted to such Grantee, the term of the Incentive Stock Option shall be (to the extent required by the Code at the time of the grant) for no more than five (5) years from the date of grant.

2.1.4 The Committee shall determine and designate from time to time those Employees who are to be granted Incentive Stock Options and specify the number of shares subject to each Incentive Stock Option.

2.1.5 The Committee, in its sole discretion, shall determine whether any particular Incentive Stock Option shall become exercisable in one or more installments, specify the installment dates, and, within the limitations herein provided, determine the total period during which the Incentive Stock Option is exercisable. Further, the Committee may make such other provisions as may appear generally acceptable or desirable to the Committee or necessary to qualify its grants under the provisions of Section 422 of the Code.

2.1.6 The Committee may grant at any time new Incentive Stock Options to an Employee who has previously received Incentive Stock Options or other options whether such prior Incentive Stock Options or other options are still outstanding, have previously been exercised in whole or in part, or are cancelled in connection with the issuance of new Incentive Stock Options. The purchase price of the new Incentive Stock Options may be established by the Committee without regard to the existing Incentive Stock Options or other options.

2.1.7 Notwithstanding any other provisions hereof, the aggregate Fair Market Value (determined at the time the option is granted) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the Employee during any calendar year (under all such plans of the Grantee's employer corporation and its parent corporation or subsidiary corporation as those terms are defined in Sections 424(e) and (f) of the Code,

respectively) shall not (to the extent required by the Code at the time of the grant) exceed One Hundred Thousand Dollars (\$100,000). To the extent that such aggregate Fair Market Value shall exceed One Hundred Thousand Dollars (\$100,000), or other applicable amount, such Stock Options to the extent of the Common Stock in excess of such limit shall be treated as Non-Statutory Stock Options. In such case, the Company may designate the shares of Common Stock that are to be treated as Stock acquired pursuant to the exercise of an Incentive Stock Option.

2.2 Exercise of Incentive Stock Options. The exercise price of an Incentive Stock Option shall be payable on exercise of the option (i) in cash or by check, bank draft, or postal or express money order, (ii)) if provided in the written Award Agreement and permitted by applicable law, by the surrender of Common Stock then owned by the Grantee, which Common Stock such Grantee has held for at least six (6) months, (iii) the proceeds of a loan from an independent broker-dealer whereby the loan is secured by the option or the stock to be received upon exercise, or (iv) any combination of the foregoing; provided, that each such method and time for payment and each such borrowing and terms and conditions of repayment shall then be permitted by and be in compliance with applicable law. Shares of Common Stock so surrendered in accordance with clause (ii) or (iv) shall be valued at the Fair Market Value thereof on the date of exercise, surrender of such Common Stock to be evidenced by delivery of the certificate(s) representing such shares in such manner, and endorsed in such form, or accompanied by stock powers endorsed in such form, as the Committee may determine.

2.3 Termination of Employment.

2.3.1 If a Grantee's employment with the Company is terminated other than by Disability or death, the terms of any then outstanding Incentive Stock Option held by the Grantee shall extend for a period ending on the earlier of the date on which such Stock Option would otherwise expire or three (3) months after such termination of employment, and such Stock Option shall be exercisable to the extent it was exercisable as of such last date of employment.

2.3.2 If a Grantee's employment with the Company is terminated by reason of Disability, the term of any then outstanding Incentive Stock Option held by the Grantee shall extend for a period ending on the earlier of the date on which such Stock Option would otherwise expire or twelve (12) months after such termination of employment, and such Stock Option shall be exercisable to the extent it was exercisable as of such last date of employment.

2.3.3 If a Grantee's employment with the Company is terminated by reason of death, the representative of his estate or beneficiaries thereof to whom the Stock Option has been transferred shall have the right during the period ending on the earlier of the date on which such Stock Option would otherwise expire or twelve (12) months after such date of death, to exercise any then outstanding Incentive Stock Options in whole or in part. If a Grantee dies without having fully exercised any then outstanding Incentive Stock Options, the representative of his estate or beneficiaries thereof to whom the Stock Option has been transferred shall have the right to exercise such Stock Options in whole or in part.

3.1.4 The Committee shall determine the purchase price of each share of Common Stock subject to a Non-Statutory Stock Option. Such price shall not be less than 100% of the Fair Market Value of such Common Stock on the date the Non-Statutory Stock Option is granted.

3.1.5 The Committee, in its sole discretion, shall determine whether any particular Non-Statutory Stock Option shall become exercisable in one or more installments, specify the installment dates, and, within the limitations herein provided, determine the total period during which the Non-Statutory Stock Option is exercisable. Further, the Committee may make such other provisions as may appear generally acceptable or desirable to the Committee, including the extension of a Non-Statutory Stock Option, provided that such extension does not extend the option beyond the period specified in Section 3.1.6 below.

3.1.6 No Non-Statutory Stock Option shall be exercisable more than ten (10) years from the date such option is granted.

3.2 Exercise of Stock Options. The exercise price of a Non-Statutory Stock Option shall be payable on exercise of the Stock Option (i) in cash or by check, bank draft, or postal or express money order, (ii) if provided in the written Award Agreement and permitted by applicable law, by the surrender of Common Stock then owned by the Grantee, which Common Stock such Grantee has held for at least six (6) months, (iii) the proceeds of a loan from an independent broker-dealer whereby the loan is secured by the option or the stock to be received upon exercise, or (iv) any combination of the foregoing; provided, that each such method and time for payment and each such

borrowing and terms and conditions of repayment shall then be permitted by and be in compliance with applicable law. Shares of Common Stock so surrendered in accordance with clause (ii) or (iv) shall be valued at the Fair Market Value thereof on the date of exercise, surrender of such Common Stock to be evidenced by delivery of the certificate(s) representing such shares in such manner, and endorsed in such form, or accompanied by stock powers endorsed in such form, as the Committee may determine.

3.3 Termination of Relationship.

3.3.1 If a Grantee's employment with the Company is terminated, a Director Grantee ceases to be a Director, or a Consultant Grantee ceases to be a Consultant, other than by reason of Disability or death, the terms of any then outstanding Non-Statutory Stock Option held by the Grantee shall extend for a period ending on the earlier of the date established by the Committee at the time of grant or three (3) months after the Grantee's last date of employment or cessation of being a Director or Consultant, and such Stock Option shall be exercisable to the extent it was exercisable as of the date of termination of employment or cessation of being a Director or Consultant.

3.3.2 If a Grantee's employment is terminated by reason of Disability, a Director Grantee ceases to be a Director by reason of Disability or a Consultant Grantee ceases to be a Consultant by reason of Disability, the term of any then outstanding Non-Statutory Stock Option held by the Grantee shall extend for a period ending on the earlier of the date on which such Stock Option would otherwise expire or twelve (12) months after the Grantee's last date of employment or cessation of being a Director or Consultant, and such Stock Option shall be exercisable to the extent it was exercisable as of such last date of employment or cessation of being a Director or Consultant.

If a Grantee dies without having fully exercised any then outstanding Non-Statutory Stock Options, the representative of his estate or beneficiaries thereof to whom the Stock Option has been transferred shall have the right to exercise such Stock Options in whole or in part.

4. RESTRICTED STOCK AWARDS

4.1.3 The Committee, in its sole discretion, shall make such terms and conditions applicable to the grant of Restricted Stock as may appear generally acceptable or desirable to the Committee.

4.2 Termination of Relationship.

4.2.1 If a Grantee's employment with the Company is terminated, a Director Grantee ceases to be a Director, or a Consultant Grantee ceases to be a Consultant, prior to the lapse of any restrictions applicable to the Restricted Stock, then such Common Stock shall be forfeited and the Grantee shall return the certificates representing such Common Stock to the Company.

4.2.2 If the restrictions applicable to a grant of Restricted Stock shall lapse, then the Grantee shall hold such Common Stock free and clear of all such restrictions except as otherwise provided in this Plan.

6. PERFORMANCE AWARDS

6.1 The Committee, in its discretion, may establish targets for Performance Measures for selected Grantees and authorize the granting, vesting, payment, and/or delivery of Performance Awards in the form of Incentive Stock Options, Non-Statutory Stock Options, Restricted Stock, and Restricted Stock Units to such Grantees upon achievement of such targets for Performance Measures during a Performance Period. The Committee, in its discretion, shall determine the Grantees eligible for Performance Awards, the targets for Performance Measures to be achieved during each Performance Period, and the type, amount, and terms and conditions of any Performance Awards. Performance Awards may be granted either alone or in addition to other Awards made under this Plan.

6.2 After the Company is subject to Code Section 162(m), in connection with any Performance Awards granted to a Covered Employee that are intended to meet the performance-based compensation exception under Code Section 162(m), the Committee shall (i) establish in the applicable Award Agreement the specific targets relative to the Performance Measures that must be attained before the respective Performance Award is granted, vests, or is otherwise paid or delivered, (ii) provide in the applicable Award Agreement the method for computing the portion of the Performance Award that shall be granted, vested, paid, and/or delivered if the target or targets are attained in full or part, and (iii) at the end of the relevant Performance Period, and prior to any such grant, vesting, payment, or delivery, certify the extent to which the applicable target or targets were achieved and whether any other material terms were in fact satisfied. 7. GENERAL PROVISIONS

7.1 Adjustment Provisions.

7.1.1 Change of Control.

(a) Effect of “Change in Control.” If and only to the extent provided in the Award Agreement, or to the extent otherwise determined by the Committee, upon the occurrence of a “Change in Control,” as defined in Section 7.1.1(b):

(i) The Committee shall take such action as it deems appropriate and equitable to effectuate the purposes of this Plan and to protect the grantees of Awards, which action may include, without limitation, any one or more of the following, provided such action is in compliance with Code Section 409A if applicable: (i) acceleration or change of the exercise and/or expiration dates of any Award to require that exercise be made, if at all, prior to the Change in Control; and (ii) cancellation of any Award upon payment to the holder in cash of the Fair Market Value of the Stock subject to such Award as of the date of (and, to the extent applicable, as established for purposes of) the Change in Control, less the aggregate exercise price, if any, of the Award.

(ii) Notwithstanding the foregoing or any provision in any Award Agreement to the contrary, if in the event of a Change in Control, the successor company assumes or substitutes for a Stock Option or Stock Award, then each such outstanding Stock Option or Stock Award shall not be accelerated as described in Sections 7.1.1(a)(i). For the purposes of this Section 7.1.1(a)(ii), such Stock Option or Stock Award shall be considered assumed or substituted for if following the Change in Control the Award confers the right to purchase or receive, for each share of Common Stock subject to the Stock Option or Stock Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the transaction constituting a Change in Control by holders of Common Stock shares for each Common Stock share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company or its parent or subsidiary, the Committee may, with the consent of the successor company or its parent or subsidiary, provide that the consideration to be received upon the exercise or vesting of a Stock Option or Stock Award, for each Common Stock share subject thereto, will be solely common stock of the successor company or its parent or subsidiary substantially equal in fair market value to the per

share consideration received by holders of Common Stock shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(b) Definition of “Change in Control”. Unless otherwise specified in an Award Agreement, a “Change in Control” shall mean the occurrence of any of the following:

(i) The acquisition by any Person of Beneficial Ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of either (A) the value of then outstanding equity securities of the Company (the “Outstanding Company Stock”) or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”) (the foregoing Beneficial Ownership hereinafter being referred to as a “Controlling Interest”); provided, however, that for purposes of this Section 7.1.1, the following acquisitions shall not constitute or result in a Change in Control: (v) any acquisition directly from the Company; (w) any acquisition by the Company; (x) any acquisition by any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest; (y) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Related Entity; or (z) any acquisition by any entity pursuant to a transaction that complies with clauses (A), (B), and (C) of subsection 7.1.1(b)(iii) below; or

(ii) During any period of two (2) consecutive years (not including any period prior to the Effective Date) individuals who constitute the Board on the Effective Date (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(iii) Consummation of a reorganization, merger, statutory share exchange, or consolidation or similar transaction involving the Company or any of its Related Entities, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or equity of another entity by the Company or any of its Related Entities (each a “Business Combination”), in each case, unless, following such Business Combination, (A) all or substantially all of the individuals and entities who were the Beneficial Owners, respectively, of the Outstanding Company Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than fifty percent (50%) of the value of the then outstanding equity securities and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of members of the board of directors (or comparable governing body of an entity that does not have such a board), as the case may be, of the entity resulting from such Business Combination (including, without limitation, an entity that as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination of the Outstanding Company Stock and Outstanding Company Voting Securities, as the case may be, (B) no Person (excluding any employee benefit plan (or related trust) of the Company or such entity resulting from such Business Combination or any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest) beneficially owns, directly or indirectly, fifty percent (50%) or more of the value of the then outstanding equity securities of the entity resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such entity except to the extent that such ownership existed prior to the Business Combination, and (C) at least a majority of the members of the Board or other governing body of the entity resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(iv) Approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

7.1.2 Adjustments to Awards. In the event that any extraordinary dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Common Stock and/or such other securities of the Company or any other issuer such that a substitution, exchange, or adjustment is determined by the Committee to be appropriate, then the Committee shall, in such manner as it may deem equitable, substitute, exchange, or adjust any or all of (A) the number and kind of Shares that may be delivered in connection with Awards granted thereafter, (B) the number and kind of Shares by which annual per-person Award limitations are measured under this Plan’s provisions, (C) the number and kind of Shares subject to or deliverable in respect of outstanding Awards, (D) the exercise price, grant price or purchase price relating to any Award and/or make provision for payment of cash or other property in respect of any outstanding Award, and (E) any other aspect of any Award that the Committee determines to be appropriate.

7.1.3 Adjustments in Case of Certain Transactions. In the event of any merger, consolidation or other reorganization in which the Company does not survive, or in the event of any Change in Control, any outstanding Awards may be dealt with in accordance with any of the following approaches, as determined by the agreement effectuating the transaction or, if and to the extent not so determined, as determined by the Committee: (a) the continuation of the outstanding Awards by the Company, if the Company is a surviving entity, (b) the assumption or substitution for, as those terms are defined in Section 7.1.1(b)(iv), the outstanding Awards by the surviving entity or its parent or subsidiary, (c) full exercisability or vesting and accelerated expiration of the outstanding Awards, or (d) settlement of the value of the outstanding Awards in cash or cash equivalents or other property followed by cancellation of such Awards (which value, in the case of Stock Options, shall be measured by the amount, if any, by which the Fair Market Value of a share of Common Stock exceeds the exercise or grant price of the Stock Option as of the effective date of the transaction). The Committee shall give written notice of any proposed transaction referred to in this Section 7.1.3 a reasonable period of time prior to the closing date for such transaction (which notice may be given either before or after the approval of such transaction), in order that Grantees may have a reasonable period of

time prior to the closing date of such transaction within which to exercise any Awards that are then exercisable (including any Awards that may become exercisable upon the closing date of such transaction). A Grantee may condition his exercise of any Awards upon the consummation of the transaction.

7.1.4 Other Adjustments. The Committee (and the Board if and only to the extent such authority is not required to be exercised by the Committee to comply with Section 162(m) of the Code) is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Performance Awards, or performance goals relating thereto) in recognition of unusual or nonrecurring events (including, without limitation, acquisitions and dispositions of businesses and assets) affecting the Company, any Related Entity or any business unit, or the financial statements of the Company or any Related Entity, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any Related Entity or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Grantee, and any other circumstances deemed relevant; provided that no such adjustment shall be authorized or made if and to the extent that such authority or the making of such adjustment would cause Stock Options or Stock Awards granted pursuant to Section 6 to Grantees designated by the Committee as Covered Employees and intended to qualify as "performance-based compensation" under Code Section 162(m) and the regulations thereunder to otherwise fail to qualify as "performance-based compensation" under Code Section 162(m) and regulations thereunder.

7.1.5 Fractional Shares. No adjustment or substitution provided for in this Section 7.1 shall require the Company to sell a fractional share, and the total substitution or adjustment with respect to each outstanding Stock Option shall be limited accordingly.

7.1.6 Adjustment Certificates. Upon any adjustment made pursuant to this Section 7.1 the Company will, upon request, deliver to the Grantee a certificate setting forth the exercise price thereafter in effect and the number and kind of shares or other securities thereafter purchasable on the exercise of such Stock Option.

7.2 General.

7.2.1 Each Stock Option and Stock Award shall be evidenced by an Award Agreement containing such terms and conditions, not inconsistent with this Plan, as the Committee shall approve.

7.2.2 The granting of a Stock Option or Stock Award in any year shall not give the Grantee any right to similar grants in future years or any right to be retained in the employ of the Company, and all Employees shall remain subject to discharge to the same extent as if this Plan were not in effect.

7.2.3 No Officer, Employee, Director, or Consultant and no beneficiary or other person claiming under or through him, shall have any right, title or interest by reason of any Stock Option or any Stock Award to any particular assets of the Company, or any shares of Common Stock allocated or reserved for the purposes of this Plan or subject to any Stock Option or any Stock Award except as set forth herein. The Company shall not be required to establish any fund or make any other segregation of assets to assure the payment of any Stock Option or Stock Award.

7.2.4 Limits on Transferability.

(a) Except to the extent otherwise provided in the respective Award Agreement, no Award, other right, or interest granted under this Plan shall be pledged, hypothecated, or otherwise encumbered or subject to any lien, obligation, or liability of such Grantee to any party, or assigned or transferred by such Grantee otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Grantee. Unless otherwise determined by the Committee in accordance with the provisions of the immediately preceding sentence, an Award may be exercised during the lifetime of the Grantee only by the Grantee or, during the period the Grantee is under a Disability, by the Grantee's guardian or legal representative.

(b) Notwithstanding Section 7.2.4(a), an Award other than an Incentive Stock Option may, in the Committee's sole discretion, be transferable by gift or domestic relations order to (i) the Grantee's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, or sister-in-law, including adoptive relationships (such persons, "Family Members"), (ii) a corporation, partnership, limited liability company, or other business entity whose only stockholders, partners, or members, as applicable are the Grantee and/or Family Members, or (iii) a trust in which the Grantee and/or Family Members have all of the beneficial interests, and subsequent to any such transfer any Award may be exercised by any such transferee, provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8 Registration Statement).

(c) Notwithstanding Sections 7.2.4(a) and 7.2.4(b), an Award may be transferred pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such Section applied to an Award under this Plan, but only if the tax consequences flowing from the assignment or transfer are specified in said order, the order is accompanied by signed agreement by both or all parties to the domestic relations order, and, if requested by the Committee, an opinion is provided by qualified counsel for the Grantee that the order is enforceable by or against this Plan under applicable law, and said opinion further specifies the tax consequences flowing from the order and the

appropriate tax reporting procedures for this Plan.

7.2.5 Notwithstanding any other provision of this Plan or agreements made pursuant thereto, the Company's obligation to issue or deliver any certificate or certificates for shares of Common Stock under a Stock Option or Stock Award, and the transferability of Common Stock acquired by exercise of a Stock Option or grant of a Stock Award, shall be subject to all of the following conditions:

(a) Any registration or other qualification of such shares under any state or federal law or regulation, or the maintaining in effect of any such registration or other qualification that the Board shall, in its absolute discretion upon the advice of counsel, deem necessary or advisable; and

(b) The obtaining of any other consent, approval, or permit from any state or federal governmental agency that the Board shall, in its absolute discretion upon the advice of counsel, determine to be necessary or advisable.

The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Common Stock or payment of other benefits under any Award until completion of such registration or qualification of such Common Stock (including, but not limited to, the conditions described in Sections 7.2.5(a) and 7.2.5(b) above) or other required action under any federal or state law, rule or regulation, listing, or other required action with respect to any stock exchange or automated quotation system upon which the Shares or other Company securities are listed or quoted, or compliance with any other obligation of the Company, as the Committee, may consider appropriate, and may require any Grantee to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Shares or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations.

7.2.6 All payments to Grantees or to their legal representatives shall be subject to any applicable tax, community property, or other statutes or regulations of the United States or of any state or country having jurisdiction over such payments. The Grantee may be required to pay to the Company the amount of any withholding taxes that the Company is required to withhold with respect to a Stock Option or its exercise or a Stock Award. In the event that such payment is not made when due, the Company shall have the right to deduct, to the extent permitted by law, from any payment of any kind otherwise due to such person all or part of the amount required to be withheld.

7.2.7 In the case of a grant of a Stock Option or Stock Award to any Employee of a Subsidiary, the Company may, if the Committee so directs, issue or transfer the shares, if any, covered by the Stock Option or Stock Award to such Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that such Subsidiary will transfer the shares to the Employee in accordance with the terms of the Stock Option or Stock Award specified by the Committee pursuant to the provisions of this Plan.

7.2.8 A Grantee entitled to Common Stock as a result of the exercise of a Stock Option or grant of a Stock Award shall not be deemed for any purpose to be, or have rights as, a shareholder of the Company by virtue of such exercise, except to the extent that a stock certificate is issued therefor and then only from the date such certificate is issued. No adjustments shall be made for dividends or distributions or other rights for which the record date is prior to the date such stock certificate is issued. The Company shall issue any stock certificates required to be issued in connection with the exercise of a Stock Option with reasonable promptness after such exercise.

7.2.9 The grant or exercise of Stock Options granted under this Plan or the grant of a Stock Award under this Plan shall be subject to, and shall in all respects comply with, applicable law relating to such grant or exercise, or to the number of shares of Common Stock that may be beneficially owned or held by any Grantee.

7.2.10 The Company intends that this Plan shall comply with the requirements of Rule 16b-3 (the “Rule”) under the Securities Exchange Act of 1934, as amended, during the term of this Plan. Should any additional provisions be necessary for this Plan to comply with the requirements of the Rule, the Board may amend this Plan to add to or modify the provisions of this Plan accordingly.

7.2.11 Code Section 409A.

(a) If any Award constitutes a “nonqualified deferred compensation plan” under Section 409A of the Code (a “Section 409A Plan”), then the Award shall be subject to the following additional requirements, if and to the extent required to comply with Section 409A of the Code:

(i) Payments under the Section 409A Plan may not be made earlier than (u) the Grantee’s separation from service, (v) the date the Grantee becomes disabled, (w) the Grantee’s death, (x) a specified time (or pursuant to a fixed schedule) specified in the Award Agreement at the date of the deferral of such compensation, (y) a change in the ownership or effective control of the corporation, or in the ownership of a substantial portion of the assets of the corporation, or (z) the occurrence of an unforeseeable emergency;

(ii) The time or schedule for any payment of the deferred compensation may not be accelerated, except to the extent provided in applicable Treasury Regulations or other applicable guidance issued by the Internal Revenue Service;

(iii) Any elections with respect to the deferral of such compensation or the time and form of distribution of such deferred compensation shall comply with the requirements of Section 409A(a)(4) of the Code; and

(iv) In the case of any Grantee who is specified employee, a distribution on account of a separation from service may not be made before the date that is six (6) months after the date of the Grantee's separation from service (or, if earlier, the date of the Grantee's death).

For purposes of the foregoing, the terms "separation from service", "disabled," and "specified employee", all shall be defined in the same manner as those terms are defined for purposes of Section 409A of the Code, and the limitations set forth herein shall be applied in such manner (and only to the extent) as shall be necessary to comply with any requirements of Section 409A of the Code that are applicable to the Award.

(b) The Award Agreement for any Award that the Committee reasonably determines to constitute a Section 409A Plan, and the provisions of this Plan applicable to that Award, shall be construed in a manner consistent with the applicable requirements of Section 409A, and the Committee, in its sole discretion and without the consent of any Grantee, may amend any Award Agreement (and the provisions of this Plan applicable thereto) if and to the extent that the Committee determines that such amendment is necessary or appropriate to comply with the requirements of Section 409A of the Code. No Section 409A Plan shall be adjusted, modified, or substituted for, pursuant to any provision of this Plan, without the consent of the Grantee if any such adjustment, modification, or substitution would cause the Section 409A Plan to violate the requirements of Section 409A of the Code.

(c) The Company intends that this Plan shall comply with the requirements of Section 409A of the Code, to the extent applicable. Should any changes to this Plan be necessary for this Plan to comply with the requirements of Section 409A, the Board may amend this Plan to add to or modify the provisions of this Plan accordingly.

7.2.12 The validity, construction, and effect of this Plan, any rules and regulations under this Plan, and any Award Agreement shall be determined in accordance with the laws of the State of California without giving effect to principles of conflict of laws, and applicable federal law. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts whose jurisdiction covers California to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

7.2.13 The Board shall have the authority to adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of foreign countries in which the Company or its Related Entities may operate to assure the viability of the benefits from Awards granted to Grantees performing services in such countries and to meet the objectives of this Plan.

7.2.14 The Company will seek stockholder approval in the manner and to the degree required under applicable laws. If the Company fails to obtain any required stockholder approval of this Plan within twelve (12) months after the date this Plan is adopted by the Board, pursuant to Section 422 of the Code, any Option granted as an Incentive Stock Option at any time under this Plan will not qualify as an Incentive Stock Option within the meaning of the Code and will be deemed to be a Non-Statutory Stock Option.
