**PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

**INTRODUCTION TO UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

On December 6, 2006, Berkshire Income Realty OP, L.P. ( BIR-OP ), through a newly formed and wholly owned subsidiary, BIR Lenox Park, L.L.C., consummated the acquisition of 100% of the fee simple interest of The Standard at Lenox Park Apartments ( Lenox Park ), a 375 unit multifamily apartment community located in Atlanta, Georgia, from ING U.S. Residential Fund, L.P., an unaffiliated third party. The purchase price was \$47,100,000 and was subject to normal operating pro ratios.

Concurrent with the closing on the acquisition, Berkshire Income Realty, Inc. (the Company ) obtained financing on the property. The financing includes a \$35,000,000 first mortgage note payable, which is collateralized by the property. The note payable has a fixed interest rate of 5.80% for a term of 10 years and has an original maturity date of December 1, 2016. The loan requires payment of interest only for the first 60 months and the rate of interest is fixed for the term of the loan.

Lenox Park s source of revenue is primarily its tenant rental revenue. Other revenue includes application, relet, pet, laundry, late, cable and damage fees. The Company believes Lenox Park is located in a distinct market and appeals to a distinct tenancy. The Atlanta Metropolitan Area, in the Company s opinion, is a fundamentally sound, well-occupied market with positive trends in population, vacancy rates and rent increases for garden, mid and high-rise style apartments.

The Company, after reasonable inquiry, is not aware of any material factors relating to the property that would cause the reported financial information not to be indicative of future operating results.

The following unaudited pro forma consolidated financial statements give effect to the acquisition by the Company of Lenox Park. The unaudited pro forma consolidated balance sheet as of September 30, 2006 presents the financial position of the Company as if the acquisition of the property, which occurred subsequent to September 30, 2006, had occurred on September 30, 2006. The unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2006 and the year ended December 31, 2005, reflect the results of operations of the Company as if the acquisition of Lenox Park had been completed as of January 1, 2005.

These unaudited pro forma consolidated financial statements do not represent the Company s financial condition or results of operations for any future date or period. Actual future results could be materially different from these pro forma results. The unaudited pro forma consolidated financial statements should be read in conjunction with the audited financial statements of the Company and the related management s discussion and analysis of financial condition and results of operations included in our Annual Report on Form 10-K for the year ended December 31, 2005. In addition, the statements of revenue and certain expenses of Lenox Park contained elsewhere in this Form 8-K/A should be read in conjunction with these unaudited pro forma consolidated financial statements.

**Forward Looking Statements**

Certain statements contained in this report constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act ). For this purpose, any statements contained herein that are not statements of historical fact may be deemed to be forward-looking statements, subject to a number of risks and uncertainties that could cause actual results to differ significantly from those described in this report. These forward-looking statements include statements regarding, among other things, our belief that Lenox Park is located in a distinct market and appeals to a distinct tenancy, our opinion that the Buckhead section of Atlanta, Georgia is fundamentally sound, well-occupied and has positive trends in population, vacancy rates and rent increases for garden style apartments. Without limiting the foregoing, the words may, will, should, could, expects, plans, anticipates, estimates, predicts, potential, or continue or the negative of such terms and other comparable terminology are intended to identify forward-looking statements. **NOTES TO THE UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

**PRO FORMA CONSOLIDATED FINANCIAL STATEMENT ADJUSTMENTS**

The following pro forma adjustments summarize the adjustments made to the September 30, 2006 consolidated balance sheet of the Company:

(a) The assets have been reflected as if the acquisition of Lenox Park had occurred on September 30, 2006.

Purchase accounting was applied for the acquisition of Lenox Park consistent with provisions of Statement of Financial Accounting Standards No. 141 ( SFAS 141 ), Business Combinations. In accordance with SFAS 141, the fair value of the real estate acquired is allocated to the acquired tangible assets, consisting of land, building and personal property, and identified intangible assets and liabilities, including the value of in-place leases and tenant relationships, based in each case on their fair values. The Company currently believes that it has not received all invoices for costs related to the acquisition of Lenox Park and that the allocation of the purchase price, net of acquired in-place leases and tenant relationships, is preliminary until which time all final costs have been accumulated. The Company currently anticipates that the allocation of the purchase price and related costs will be finalized no later than March 31, 2007.

The total acquisition price paid for the property was \$48,083,621 and included closing costs, financing costs and acquisition fees. The Company also assumed liabilities relating to normal operations, such as security deposits and other miscellaneous accrued expenses and deferred revenue.

The net purchase price, including closing costs and acquisition fees, was allocated as follows:

	<b>The Standard at Lenox Park</b>
Multifamily apartment communities	\$47,040,404
Acquired in-place leases and tenant relationships	592,687
Prepaid expenses and other assets	495,345
Replacement reserve	5,000,000
Security deposits	(44,815 )
Mortgage note payable	(35,000,000 )
Cash paid	\$ 18,083,621

The Company paid an acquisition fee of \$471,000 for the purchase of Lenox Park to an affiliate of the Company.

(b) The Company purchased Lenox Park for a total purchase price, including closing costs, financing costs and acquisition fees, of \$43,083,621, net of a mortgage in the amount of \$35,000,000, which was obtained as of the purchase date and security deposits of \$44,815, resulting in a pro forma net cash decrease of \$18,083,621 at September 30, 2006. A portion of the mortgage proceeds in the amount of \$5,000,000 were deposited into a replacement reserve account to be used for repairs outlined as a condition of the mortgage financing

The following pro forma adjustments summarize the adjustments made to the Consolidated Statement of Operations of the Company for the nine months ended September 30, 2006 and the year ended December 31, 2005. The pro forma adjustments reflect activity as if the acquisition of Lenox Park had been completed as of January 1, 2005.

**1. Basis of Presentation**

The pro forma results for December 31, 2005 presented in the *Pro Forma Statement of Estimated Taxable Operating Results and Cash to be Made Available by Operations* summarize the adjustments made to the results of operations of the Company for the year ended December 31, 2005. No income taxes have been provided in the statement because the Company is organized and operates in a manner so as to qualify as a Real Estate Investment Trust ( REIT ) under the provisions of the Internal Revenue Code (the Code ). Accordingly, the Company generally will not pay Federal income taxes on its income provided that distributions to its shareholders equal at least 90% of its REIT taxable income as defined under the Code.

The Company believes that due to its structure and the terms of the partnership agreement of the BIR-OP, the taxable income would be allocated to the preferred partners of BIR-OP and in turn be allocated to the preferred shareholders. Generally income is allocated to the preferred shareholders equal to their preferred distribution with the remaining net income, or effective net loss, allocated to the common partners of BIR-OP and the common shareholders.
