Enclosure: Partner Communications Announces Court Ruling Against Cellular Operators' Use Of Exemption From Obtaining Building Permits For Certain Small Cellular Radio Access Devices.

**PARTNER COMMUNICATIONS ANNOUNCES COURT RULING AGAINST
CELLULAR OPERATORS' USE OF EXEMPTION FROM OBTAINING BUILDING**

PERMITS FOR CERTAIN SMALL CELLULAR RADIO ACCESS DEVICES

ROSH HA AYIN, Israel, May 23rd, 2008 **Partner Communications Company Ltd. (Partner or the Company) (NASDAQ and TASE: PTNR), a leading Israeli mobile communications operator**, announced that on May 22nd, 2008 the Tel-Aviv-Jaffa District Court ruled against the appeals submitted by Partner and two other mobile communications operators and decided that the exemption from obtaining building permit for wireless access devices under provisions of the Communications Law (Telecommunications and Broadcasting), 1982 and the Building and Planning Law, 1965 did not apply to certain small cellular radio access (wireless communication) devices deployed by the mobile communications operators, and that a building permit must therefore be obtained to install such devices.

Partner notes that there had been a number of Justice Court rulings on this matter, resulting in conflicting decisions and that this latest ruling from the District Court is contrary to the legal opinion given by the Israeli Attorney General on May 1, 2008. Partner believes that the District Court's ruling is in error, and plans to vigorously contest it by seeking leave to appeal the ruling to the Supreme Court.

For additional details see the Company's 2007 Annual Report (20-F), Section 3D.

Forward-Looking Statements

This press release includes forward-looking statements within the meaning of Section 27A of the US Securities Act of 1933, as amended, Section 21E of the US Securities Exchange Act of 1934, as amended, and the safe harbor provisions of the US Private Securities Litigation Reform Act of 1995. Words such as believe, anticipate, expect, intend, seek, will, plan, could, may, project, goal, target often identify forward-looking statements but are not the only way we identify these statements. All statements other than statements of historical fact included in this press release regarding our future performance, plans to increase revenues or margins or preserve or expand market share in existing or new markets, reduce expenses and any statements regarding other future events or our future prospects, are forward-looking statements.

We have based these forward-looking statements on our current knowledge and our present beliefs and expectations regarding possible future events. These forward-looking statements are subject to risks, uncertainties and assumptions about Partner, consumer habits and preferences in cellular telephone usage, trends in the Israeli telecommunications industry in general and possible regulatory and legal developments. For a description of some of the risks we face, see Item 3D. Key Information Risk Factors, Item 4. Information on the Company, Item 5. Operating and Financial Review and Prospects and Item 8A. Consolidated Financial Statements and Other Financial Information Legal and Administrative Proceedings in the form 20-F filed with the SEC on May 6, 2008. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this press release might not occur, and actual results may differ materially from the results anticipated. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
