Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Information included in this Form 8-K may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). This information may involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by any forward-looking statements. Forward-looking statements, which involve assumptions and describe the Company's future plans, strategies and expectations, are generally identifiable by use of the words "may," "will," "should," "expect," "anticipate," "estimate," "believe," "intend" or "project" or the negative of these words or other variations on these words or comparable terminology. These forward-looking statements are based on assumptions that may be incorrect, and there can be no assurance that any projections included in these forward-looking statements will come to pass. The Company's actual results could differ materially from those expressed or implied by the forward-looking statements as a result of various factors. Except as required by applicable laws, the Company undertakes no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur in the future.

Item 1.01	Entry Into a Material Definitive Agreement
Item 2.03	Creation of a Direct Financial Obligation
Item 3.02	Unregistered Sales of Equity Securities

Effective September 3, 2014, the Registrant issued a \$550,000 Promissory Note ("the Note") to JMJ Financial, ("JMJ", or "the Lender"). The Principal Sum due to the Lender shall be prorated based on the consideration actually paid by the Lender, plus an approximate 10% Original Issue Discount ("OID") that is prorated based on the consideration actually paid by the Lender, a 3% Closing and Due Diligence Fee, as well as any other interest or fees, such that the Registrant is only required to repay the amount funded and the Registrant is not required to repay any unfunded portion of the Note.

The Note has a maturity date of twenty four (24) months from the Effective Date. If the Note is repaid within ninety (90) days of the Effective Date, the interest rate shall be zero percent (0%). Should the Note still be outstanding after 90 days, a one-time 5% interest rate will be applied. In addition, the Lender has the right, at any time after the Effective Date, at its election, to convert all or part of the outstanding and unpaid Principal Sum and accrued interest (and any other fees) into shares of fully paid and non-assessable shares of common stock of the Registrant. The Conversion Price is the lesser of \$0.10 or 70% of the average of the two lowest closing prices in the 25 trading days previous to the conversion.

The initial consideration received as of the date of this report is \$75,000.

The Note referred to above (and the shares of common stock underlying them) is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

The foregoing is not a complete summary of the terms of the Note described herein and reference is made to the complete text of the Agreement as Exhibit 10.1 to this Current Report on Form 8-K, and hereby incorporated by reference.

Effective September 3, 2014, the Registrant issued a \$53,000 Convertible Promissory Note ("the KBM Note") to KBM Worldwide, Inc. ("KBM", or "the Lender"). The interest rate on the KBM Note is 8% per annum, and the KBM Note has a maturity date of twelve (12) months from the Effective Date. The KBM Note carries a \$5,000 original issue discount (the "OID"), as well as \$3,000 in transaction fees, such that the purchase price is \$48,000, and the net

consideration to be received by the Registrant is \$45,000.

The Company retains the option of pre-paying the KBM Note at an amount equal to 110% of the outstanding principal and the accrued and unpaid interest within 30 days of the effective date, increasing at 5% per month to a maximum of 135% by the 6th month. Unless the KBM Note is repaid in cash within 180 days, the Lender has the right to convert all or part of the outstanding and unpaid Principal Sum and accrued interest (and any other fees) into shares of fully paid and non-assessable shares of common stock of the Registrant. The Conversion Price is at a 25% discount to the average of the two lowest closing prices on the previous twenty (20) trading days prior to the date of Conversion. In connection with this transaction, a commission has been paid to Carter Terry & Company, a registered broker-dealer, consisting of \$3,600 in cash.

The KBM Note referred to above (and the shares of common stock underlying them) is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

The foregoing is not a complete summary of the terms of the KBM Note described herein and reference is made to the complete text of the Agreement as Exhibit 10.2 to this Current Report on Form 8-K, and hereby incorporated by reference.
