**EXPLANATORY NOTE**

On July 30, 2018, Frequency Electronics, Inc. (sometimes referred to as the “Registrant” or the “Company”) filed its Annual Report on Form 10-K for the fiscal year ended April 30, 2018 (the “Original Form 10-K”) with the Securities and Exchange Commission (the “SEC”). This Amendment No. 1 (the “Amendment”) amends Part III, Items 10 through 14 of the Original Form 10-K to include information previously omitted from the Original Form 10-K in reliance on General Instruction G(3) to Form 10-K. General Instruction G(3) to Form 10-K provides that registrants may incorporate by reference certain information from a definitive proxy statement which involves the election of directors if such definitive proxy statement is filed with the SEC within 120 days after the end of the fiscal year. The Company does not anticipate that its definitive proxy statement involving the election of directors will be filed on or before August 28, 2018 (i.e., within 120 days after the end of the Company’s 2018 fiscal year). Accordingly, Part III of the Original Form 10-K is hereby amended and restated as set forth below. The information included herein as required by Part III, Items 10 through 14 of Form 10-K is more limited than what is required to be included in the definitive proxy statement to be filed in connection with the Company’s annual meeting of stockholders. The definitive proxy statement to be filed at a later date will include additional information related to the topics herein and additional information not required by Part III, Items 10 through 14 of Form 10-K.

Furthermore, certain exhibits were omitted from the exhibit index set forth in Item 15(a)(2) of Part IV of the Original Form 10-K. Accordingly, the exhibit index set forth in Item 15(a)(2) of Part IV of the Original Form 10-K is hereby amended and restated as set forth below. In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended, the exhibit index set forth in Item 15(a)(2) of Part IV also includes the currently dated certification of our principal executive officer and principal financial officer pursuant to Section 302 of the Sarbanes-Oxley Act of 2002. The certifications of our principal executive officer and principal financial officer are filed with this Amendment as Exhibits 31.3 and 31.4 hereto. Because financial statements have not been included in this Amendment and this Amendment does not contain or amend any disclosure with respect to Item 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of the certifications have been omitted. We are not including the certificate under Section 906 of the Sarbanes-Oxley Act of 2002 as no financial statements are being filed with this Amendment.

The reference on the cover of the Original Form 10-K to the incorporation by reference of the Company’s definitive proxy statement into Part III of the Original Form 10-K is hereby deleted.

Except as stated herein, this Amendment does not reflect events occurring after the filing of the Original Form 10-K on July 30, 2018 and no attempt has been made in this Amendment to modify or update other disclosures as presented in the Original Form 10-K.

Each value primarily (see Note 3 below) represents the aggregate grant date fair market value of SARs awarded by the Company during fiscal year 2017 computed in accordance with FASB ASC Topic 718. The assumptions used in determining the grant date fair market values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the years ended April 30, 2018 and 2017, as filed with the SEC.

For fiscal year 2017, the amounts include the fair market value of contributions by the Company of Common Stock to the accounts of the Named Executive Officers in the Company's 401(k) Savings Plan, which may not exceed \$3,000 in a calendar year.

The Company has entered into certain deferred compensation arrangements with key employees (including the Named Executive Officers) providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The change in the actuarially calculated deferred compensation liability to the Company for each of the Named Executive Officers for fiscal years 2018 and 2017 is as follows: Martin Bloch: \$267,166 (2018) and \$261,123 (2017); Markus Hechler: \$(16,219) (2018) and \$37,351 (2017); and Oleandro Mancini: \$(10,763) (2018) and \$28,078 (2017). (b) Mr. Bloch's compensation includes financial planning advice and Company-paid premiums for additional whole life insurance policies, the beneficiaries of which are Mr. Bloch's heirs.

**Short-Term Incentives**

The Company maintains short-term incentive bonus programs for certain employees which are based on operating profits and certain other relevant criteria of the individual subsidiaries to which the employees are assigned. The Company's employment agreement with its Chief Executive Officer includes a bonus formula based on consolidated pre-tax profits of the Company (see "Chief Executive Officer Employment Agreement" below). These plans are designed to create incentives for superior performance and to allow the Company's executive officers to share in the success of the Company by rewarding the contributions of individual officers. Focused on short-term or annual business results, these plans enable the Company to award designated executives with annual cash bonuses based on their contributions to the profits of the Company.

## **Long-Term Incentives**

As part of its comprehensive compensation program, the Company stresses long-term incentives through awards of shares of its Common Stock through the grant of SARs or options to purchase Common Stock through its 2005 Stock Award Plan. Grants and awards are aimed at attracting new personnel, recognizing and rewarding current executive officers for special individual accomplishments, and retaining high-performing officers and key employees by linking financial benefit to the performance of the Company (as reflected in the market price of Common Stock) and to continued employment with the Company. Grants of SARs, stock options and other equity awards are generally determined on an individual-by-individual basis. The factors considered are the individual's performance and potential for contributing to the Company's future growth, the number of SARs, stock options and awards previously granted to the individual and the Company's financial and operational performance.

The Company does not maintain any compensation plans for its executive officers or directors nor for any of its other employees which provide compensation intended to serve as incentive for performance to occur over a period longer than one fiscal year other than the stock award plans discussed above and the Company's 401(k) Savings Plan discussed below. The grant date fair market values of the SAR awards under the 2005 Stock Award Plan granted during fiscal year 2017 are shown in the Summary Compensation Table above.

Table of Contents**Nonqualified Deferred Compensation Agreements**

The Company has no tax-qualified defined benefit or actuarial retirement plans in effect. It has entered into certain deferred compensation agreements with key employees, including its officers, providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The Company pays compensation benefits out of its working capital but has also purchased whole or universal life insurance (of which it is the sole beneficiary) on the lives of each of the participants to cover the optional lump sum obligations under the deferred compensation agreements upon the death of the participant. The annual premiums paid during fiscal year 2018 were less than the increase in cash surrender value of the whole and universal life insurance policies.

The deferred compensation for participants in the program is reviewed annually by the Compensation Committee. The annual benefit may be increased based upon recent performance, length of service, economic conditions and other factors. The annual benefit to be provided to each of the Named Executive Officers upon his retirement is as follows:

Martin Bloch, Former President & CEO	\$	235,000
Markus Hechler, Executive VP Oleandro Mancini, Senior VP		100,000
		85,000

Such benefits are payable for the remaining life of the individual with a minimum payment over ten years (25 years for Mr. Bloch) to either the employee or his beneficiaries. Benefits may be paid in a lump sum in the case of a participant's death, disability or early termination of employment without cause. The change in actuarial value in nonqualified deferred compensation benefits under the deferred compensation agreements for each of the Named Executive Officers is presented in the Summary Compensation Table.

**Supplemental Separation Benefits**

Included in the deferred compensation agreements of certain executive officers and certain key employees are provisions for supplemental separation benefits. Under the agreements, in the event of a change in control or ownership of part or all of the Company which gives rise to discharge of any officer or employee without cause, then such officer or employee will receive supplemental severance pay equal to one and one-half times the employee's average base salary plus cash bonus from the previous five calendar years prior to the change of control if such

discharge occurs in the first year after the change of control. If discharge occurs more than one year but less than two years after the change of control, then the employee will receive two-thirds of the five-year average of base salary and bonus.

### **Chief Executive Officer Employment Agreement**

Pursuant to his employment agreement, Mr. Bloch's base annual salary is \$400,000. Mr. Bloch also receives additional compensation of up to \$52,000 in the form of financial planning advice and Company-paid premiums for life insurance coverage, the beneficiaries of which are Mr. Bloch's heirs. Mr. Bloch's employment agreement provides a fixed annual bonus of 6% of the pre-tax profit of the Company with a cap on the pre-tax profit at \$20,000,000, as well as separation benefits in the event of a change in control or ownership of part or all of the Company, continuation of disability, medical and life insurance, the cost of an annual physical examination and a new automobile every three years. Mr. Bloch has been awarded SARs based on 313,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. The SARs are exercisable for a period of ten years from the date of grant with the exception of the fiscal years 2016 through 2018 awards which are exercisable for a period of five years from the date of grant. (See "Outstanding Equity Awards at Fiscal Year-End" and footnote (9) under "Stock Ownership of Certain Beneficial Owners and Management.")

### **Executive Vice President, Secretary, Treasurer Employment Arrangement**

(2) Other audit-related services provided by EisnerAmper include the annual audit of the Company's employee benefit plans as well as accounting consultations regarding significant transactions during the fiscal year.

Tax fees consist of fees for services rendered to the Company for tax compliance, tax planning and advice. The (3) fiscal year 2016 tax return was prepared by EisnerAmper, subsequent to that Andersen Tax, another accounting firm, has provided these services to the Company

(4) No other services were performed by EisnerAmper in connection with financial information systems design and implementation or otherwise.

**Pre-Approved Services**

Prior to engaging EisnerAmper to render the above services during fiscal year 2018, and pursuant to its charter, the Audit Committee approved the engagement for each of the services and determined that the provision of such services by the external auditor was compatible with the maintenance of EisnerAmper's independence in the conduct of its auditing services.

The procedures used by the Audit Committee for the pre-approval of all audit and permissible non-audit services provided by the independent auditors are described below.

Before engagement of EisnerAmper as independent auditors for fiscal year 2018, the independent auditors submitted a detailed description of services expected to be rendered during that year within each of four categories of services to the Audit Committee for approval.

*Audit Services* include audit work performed on the Company's financial statements, as well as work that generally only the independent auditors can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

*Audit-Related Services* are for assurance and related services that are traditionally performed by the independent auditors, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements and discussions surrounding the proper application of financial accounting and/or reporting standards.

*Tax Services* include all services, except those services specifically related to the audit of the financial statements, performed by the independent auditors' tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting. As indicated above, the Company has engaged another accounting firm to provide such services.

*Other Services* are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditors.

Table of Contents

Prior to engagement, the Audit Committee pre-approves independent auditor services within each category. The fees are budgeted and the Audit Committee requires the independent auditors to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditors.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
