PROXY STATEMENT FOR 2004

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished by the Board of Directors of Superior Uniform Group, Inc. (the Company) in connection with the solicitation of proxies to be voted at the Company's 2004 Annual Meeting of Shareholders, which will be held at 10:00 a.m. Local Time on May 7, 2004 at the offices of the Company, 10055 Seminole Boulevard, Seminole, Florida (the Meeting).

Any proxy delivered pursuant to this solicitation may be revoked, at the option of the person executing the proxy, at any time before it is exercised by delivering a signed revocation to the Company, by submitting a later-dated proxy, or by attending the Meeting in person and casting a ballot. If proxies are signed and returned without voting instructions, the shares represented by the proxies will be voted as recommended by the Board of Directors. Shares that are not voted, either by casting a ballot in person or by returning a signed proxy, by the shareholders or brokers entitled to vote them, or through abstention, will not be considered in the final tabulation.

The cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Company. The Company does not expect to pay any compensation for the solicitation of proxies, but may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses in sending proxy materials to their principals and obtaining their proxies. The approximate date on which this Proxy Statement and enclosed form of proxy is intended to be first mailed to shareholders is April 1, 2004.

The close of business on March 17, 2004 (the Record Date) has been designated as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting. As of March 1, 2004, 7,400,312 shares of the Company's common stock, par value \$.001 per share, (the Common Stock) were issued and outstanding. Each shareholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company on the close of business on the Record Date for the Meeting on all matters that come before the Meeting.

The Company's Bylaws provide that the holders of a majority of the issued and outstanding shares of common stock outstanding on the Record Date must be present or represented at the Meeting in order to have a quorum for the transaction of business. Abstentions (votes withheld) will be counted as present for purposes of determining the presence of a quorum. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a broker non-vote). If a quorum is present and voting, the nine nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Abstentions and broker non-votes will have no effect on the election of directors. Because abstentions and broker non-votes are treated as shares present and entitled to vote for the purposes of determining whether a quorum is present, abstentions and broker non-votes have the same effect as negative votes for each proposal, other than the election of directors.

ELECTION OF DIRECTORS (Proposal 1)

Edgar Filing: SUPERIOR UNIFORM GROUP INC - Form DEF 14A

The Bylaws of the Company set the size of the Board of Directors at not less than three nor more than nine. The Board of Directors currently consists of seven members. Directors hold their positions until the Meeting at which time the term expires, after their respective successors are elected and qualified.

The Board of Directors recommends that nine Directors be elected at the Meeting to hold office until the Company's annual meeting in 2005 and until their

successors shall be duly elected and qualified or until their earlier resignation, removal from office or death. The persons designated as nominees for election as director are Gerald M. In the event any of the nominees should be unable to serve, which is not anticipated, the Board of Directors may designate substitute nominees, in which event the persons named in the enclosed proxy will vote for such other person or persons for the office of Director as the Board of Directors may recommend.

Shareholders may vote for up to nine nominees and the nine nominees receiving the highest number of votes shall be elected. Shareholders may not vote cumulatively in the election of Directors.

The Board of Directors recommends a vote FOR each of the nominees.

Superior Retirement Plans

Since 1942, the Company has had a retirement plan (the "Basic Plan") which has been qualified under the Internal Revenue Code. The Basic Plan is a defined benefit plan, with benefits normally beginning at age 65, is non-contributory by an employee, and the Company's contributions are not allocated to the account of any particular employee. All employees of the Company (except employees included in a retirement plan negotiated as part of a union contract) are eligible to participate in the Basic Plan. The Company also commenced effective November 1, 1994, the Superior Uniform Group, Inc. Supplemental Pension Plan (the "Supplemental Plan") available to certain eligible employees of the Company. Retirement benefits available under the Supplemental Plan are based on the same provisions as in the qualified plan but ignore the salary limitations imposed by the Internal Revenue Service (\$200,000 in 2003). Accordingly, all eligible employees, regardless of

earnings, will receive exactly the same formula distribution upon retirement. The following table shows estimated annual retirement benefits for the Basic Plan and Supplemental Plan (the Plan) combined, which are payable to employees of the Company upon retirement in specified compensation and years of service classifications.

The above table shows a projected annual single life annuity with annual retirement benefits which would accrue for various periods of employment at various compensation levels, assuming constant earnings in all future years, continuous employment until age 65, and no change in 2004 Covered Compensation Level. The Plan provides benefits based on years of service and earnings above and below the covered Compensation Base. The normal monthly retirement benefit is 17.5% of an employee's average monthly compensation during the highest paid five years of the ten years immediately preceding retirement up to his Covered Compensation Base plus 32.5% of such average monthly compensation in excess of his Covered Compensation Base, reduced in the event such employee has less than 25 years of service. An employee's compensation includes overtime pay, commissions and any bonus received and therefore includes executive officers compensation as described in Salary and Bonus in the Summary Compensation Table shown above. There is no offset in retirement benefits for Social Security benefits. Of the five most highly compensated executive officers, Mr. G. Benstock, Mr. M. Benstock and Mr. Schwartz have the maximum years of service credited and Mr. P. Benstock and Mr. Demott have 21 years and 5 years of service respectively credited under the Plan. The Basic Plan was amended as of November 1, 1989. Prior to the amendment, the Basic Plan provided benefits based on years of service and earnings in excess of the Covered Compensation Base (the wage bases on which maximum Social Security taxes are payable). Benefits accrued to November 1, 1989, under the Basic Plan prior to the recent amendment would be paid, if higher than the sums set forth above.

REPORT OF THE COMPENSATION COMMITTEE AND STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

The following report was prepared by independent Directors Sidney Kirschner, Robin Hensley and Manuel Gaetan, Ph.D., as the members of the Company's Compensation Committee and Stock Option Committee:

Annual compensation (other than stock option grants) for the executive officers of the Company are determined by the Compensation Committee of the Company. Stock option grants will be made pursuant to the Company's 2003 Incentive Stock and Awards Plan, at the discretion of the Stock Option Committee, to the Company's officers and other key employees. The usual components of the annual compensation paid to all of the Company's executive officers are (i) base salary; (ii) a cash bonus awarded pursuant to an informal bonus pool arrangement for Company officers as established by the Compensation Committee; (iii) allocations of contributions made by the Company to the respective accounts of the executive officers under its pension plans; (iv) matching contributions under the Company's 401(k) plan; (v) stock option grants awarded by the Stock Option Committee; (vi) a car allowance; and (vii) for the

Chief Executive Officer, advances pursuant to the Split Dollar Insurance arrangement described in the Certain Transactions section of this Proxy Statement. Each of these components of annual compensation are determined based upon a variety of factors, most of which are subjective.

The base salaries of the Chief Executive Officer and all other executive officers of the Company are determined each year by the Compensation Committee based on factors and criteria consisting of comparison of similarly situated officers of similar companies, comparison of similarly situated officers of companies of similar size in the locale of the Company, years of service, assigned responsibilities, individual performance, growth of the Company, profitability of the Company and increases in the cost of living. In this context, each year the Compensation Committee determines, after consultation with the Chief Executive Officer and other executive officers, an overall goal by which the aggregate amount of base salary increases for all employees of the Company, including the Chief Executive Officer and all other executive officers are not generally exceeded. Within such overall goal, individual allocations are then made within each department of the Company such that the aggregate base salaries paid to each member of that department generally comply with the target levels for that department. Generally, the same allocations within the same overall goal is made by the Compensation Committee with respect to the Chief Executive Officer and the other executive officers of the Company.

During the first quarter of each fiscal year of the Company, the Compensation Committee establishes the guidelines for an informal bonus pool in which the Chief Executive Officer, all executive officers and all staff vice presidents are entitled to participate with a bonus, based upon varying percentages of the base salaries of all executive officers and all staff vice presidents of the Company, linked to annual earnings per share on a graduated basis. Individual allocations are then made by the Compensation Committee with respect to all executive officers of the Company, including the Chief Executive Officer. Criteria and factors for the individual allocations are based on responsibilities, individual performance and direct and indirect contribution to the profitability of the Company.

Inasmuch as each of the Company's pension plans cover all full-time employees (as defined in the Plan) of the Company, awards to all the executive officers under such plan are made on the same basis as are awards of all other participants.

Stock option grants to all executive officers and other key employees of the Company, including the Chief Executive Officer, are made at the discretion of the Stock Option Committee pursuant to the Company's Stock Option Plan. Factors and criteria used by the Stock Option Committee in the award of stock options included individual responsibilities, individual productivity, individual performance, direct and indirect contribution to the profitability of the Company. Any benefits derived from each stock option granted under the Stock Option Plan is directly attributable to any future increase in the value of the Company's common stock.

CERTAIN TRANSACTIONS

Director and Officer Liability Insurance

As authorized by Section 607.0850(12) of the Florida Business Corporation Act, the Company maintains insurance to indemnify it and its Directors and officers from certain liabilities to the extent permitted by law; such insurance is in the face amount of \$10,000,000 with Federal Insurance Company, under contract dated August 27, 2003 at an annual premium of \$130,000. No sums have been paid or sought under any such indemnification insurance.

Split Dollar Life Insurance Agreements

In 1991, the Company entered into a split dollar life insurance agreement with the Benstock Family Insurance Trust, of which Michael Benstock and Alan Schwartz serve as trustees. The Company has advanced sums to the trust to be used to pay the premiums on a life insurance policy obtained from Phoenix Home Life Mutual Insurance in the amount of \$10 million on the lives of Gerald M. Benstock and M. Joan Benstock, his spouse. In 1993, an additional policy in the amount of \$2 million on the life of Gerald Benstock was added to the trust. Under the terms of the agreement, the Company is obligated to advance that portion of the premium relating to Mr. Benstock, individually, as long as such premiums are payable under the policy. The Benstock Family Insurance Trust assigned to the Company a security interest in the cash value and death benefit of each policy equal to the amount of the cumulative premium payments made by us. Advances are repayable only upon (1) the death of the survivor of Mr. Benstock and his spouse, (2) the surrender of the policies by the trust, or (3) the termination of the agreement before the death of Mr. Benstock and his spouse. The total premiums paid by us during 2003 were \$292,730. The purpose of this arrangement is to protect the Company from the possibility of a large block of its common stock being offered

for sale on the open market to the potential detriment of the Company's stock price in the event of the unexpected death of one of the principals. In the event of death, the proceeds of the policies would be used to pay the estate taxes on Mr. Benstock's estate, thereby decreasing the likelihood that his estate would find it necessary to sell large blocks of stock in a short period of time to pay such taxes.

These insurance policies were substantially restructured in January 2003 such that the Company is the beneficiary of the proceeds of the life insurance policies on the life of Gerald M. Benstock in an amount equal to the greater of the premiums paid on each such policy or the cash surrender value of each such policy. The Company now owns the cash value of each policy in an amount equal to the cumulative premiums paid by the Company. In March of 2003, the Company remitted approximately \$53,000 to the trust for the excess of the cash surrender value over the amount of premiums paid by the Company.

Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management.

If any matter not described herein should be presented for shareholder action at the Meeting, the persons named in the enclosed Proxy will vote or refrain from voting the shares represented thereby in accordance with their best judgment on such matters after consultation with the Board of Directors.

If a qualified shareholder desires to present a proposal for action at the annual meeting of shareholders to be held in 2005, and such proposal conforms to the rules and regulations of the Securities and Exchange Commission and is in accordance with other federal laws as well as the laws of the State of Florida, such proposal must be received by the Company by December 3, 2004, to be included in the Company's Proxy Statement and proxy for such 2005 meeting (unless the date of the 2005 annual meeting is not held within 30 days of May 6, 2005, in which case the deadline will be a reasonable time before we begin to print and mail the proxy material for the 2005 annual meeting of shareholders). In addition, the proxy solicited by the Board for the 2005 annual meeting will confer discretionary authority on the persons named in such Proxy to vote on any shareholder proposal presented at that meeting if the Company receives notice of such proposal later than February 16, 2005, without the matter having been discussed in such Proxy.
