**ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE**

On August 4, 2004 Kilroy Realty Corporation closed a \$144 million private placement of unsecured six- and ten-year notes that were placed with a group of six institutional investors pursuant to a Note and Guarantee Agreement. The Series A tranche totals \$61 million, matures in August 2010, and bears interest at 5.72%. The Series B tranche totals \$83 million, matures in August 2014 and bears interest at 6.45%. The blended interest rate for the \$144 million private placement is 6.14%. The company will use the proceeds to repay a \$74 million 8.35% debt facility and reduce its floating rate debt. J.P. Morgan Securities Inc. acted as placement agent in the transaction.

The Note and Guarantee Agreement contains covenants and restrictions requiring Kilroy Realty Corporation and Kilroy Realty, L.P. to meet certain financial ratios and to provide certain information to the holders of the notes issued thereunder. Some of the more restrictive covenants include a maximum total debt to total assets ratio, a maximum total secured debt to total assets ratio, a maximum unencumbered total assets to unsecured debt ratio, a fixed charge coverage ratio, a minimum consolidated tangible net worth requirement and a limitation on partnership distributions. Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the associated notes becoming immediately due and payable.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
