**ITEM 8.01 OTHER EVENTS**

On March 10, 2005 we announced financial results for our fourth quarter and year ended January 31, 2005.

We added approximately 698,000 net new subscriptions in the fourth quarter, more than double the number we added in the same quarter of last year. Of the 698,000 net new subscriptions added in the quarter, approximately 447,000 are DIRECTV with TiVo subscriptions, or over twice the number of DIRECTV with TiVo subscriptions added in the same quarter of last year. New TiVo-Owned subscription additions in the quarter were approximately 251,000, a 93% increase compared to the same quarter of last year. In the past twelve months, our total installed base has more than doubled to approximately 3.0 million.

Net revenues for the fourth quarter increased 39% to \$59.4 million, compared with \$42.6 million for the three months ended January 31, 2004. Of this amount, service revenues increased 73% to \$33.0 million, compared with \$19.1 million for the same quarter last year. Net loss for the quarter was \$(33.7) million, or \$(0.42) per share, compared to a net loss of \$(12.4) million, or \$(0.18) per share, for the three months ended January 31, 2004. The increase in net loss and net loss per share for the quarter reflects our previously announced investment in subscription acquisition activities to accelerate subscription growth during fiscal year 2005. Net cash provided by operating activities during the quarter was a positive \$17.8 million, compared with \$13.4 million in the fourth quarter of last year. For the year ended January 31, 2005 net revenue was \$172.1 million and net loss was (\$79.8) million or (\$.99) per share, compared to net revenue of \$141.1 million and a net loss of (\$32.0) million or (\$.48) per share in the prior year. We ended our fourth quarter and fiscal year with \$106.3 million in cash, cash equivalents and short-term investments compared to \$143.2 million a year ago.
